Again, these peoples are not Jews. Being Jewish is a religion. These thieves of God are Satanic in their LIES to betray the common trust in our words, that bind all worlds to victory, called freedom universal. Even tales of the Devil have him keep his word, with verses specifically condemning the self to damnation for targeting the innocent for death. God's the Word. Every word inside a fool's paradise. Including the periods. Not as like, I'm playing a word game, but that it in wonder, is all strangely here. Example: The Universe as it has existed always, is not separate from our 'pauses', or faulty drawn conclusions. The universe, in one sense, was

as good as anytime, created 6000 years ago.
AS TOO 50 billion. You say, impossible, I
say no, study quantum physics, and know, I
live this.. our existence is not scientifically
separate from the timeless nature of
consciousness, proven as not only theoretical,
but actual. That is a first step at developing
a REAL relationship with the living Universe
if you want to as like an artist does - that
TOO! can be just as thought static in it's
orderly constructions for Atheists. (An
Atheist is still mostly a fool here however.)
Overall, for any, it's sorta simple: Life has
left YOU in charge of YOUR fate. Now, do well
to make something of this being as eternal Life
reaching for balance, as your body does, and
good cops do when bringing the bushmobsters to
Justice. By Israeli calling for more murder
against the innocent of your mind as racists
and bigots they are openly, is still shadows
of YOUR mind, YOUR WORLD.. get it, got it? God
is in genius to set Life as this, as like,
nowhere existing, but for as yourself within.
Will you speak out for the Justice denied
Humanity?, or not you? Atheists can be Just
too!, but generally lose it on not
understanding the intelligence of order is
way beyond what they dream up with
assumptions. All anyone has to do is ask
themselves, who do you mean "God"? Atheists
are ridiculous!, but, to each his or her
own, we are on a path here, believe what
you want to believe. This is not a faith
initiative I'm bringing by keeping this real,
I DEMAND JUSTICE BY OUR WILL BE DONE.

Harper complicit in Israeli war crimes
http://onlinejournal.com/artman/publish/article_4246.shtml

Canadians! Please war with words for open line calls on the war crime enemy propagandist, The Chorus Radio Network. CJOB STEALS millions from Manitoba each year, and refuses all calls for honesty in governing. They are actual CRIMINALS.

Canadians Stand Alone
http://www.thestar.com/article/569872

Harper the proven war criminal who will be going to prison, is the only person on Earth that has publicly okayed Israeli Nazi to target murder Christian school girls. Canada, join me in demanding Harper's Public trial as a war criminal. Prison for Harper who took a honorable soldier who stated he refused to commit war crimes against innocent civilians, and placed him without trial in prison. Without warrant for arrest. Harper, the Nazi Appeaser, is a War Criminal standing against the Queen.

"Or is this another, popular amerikan past time, of, who cares for the facts, we are at war with God and Christ now?" Die bushite die Christ always says against lawless torturers as mass murdering thieves of Humanity.

Again, Americans need to demand the arrest of the Judge and prosecutor for being openly evil demons, as TRUE enemies to freedom in America. But guess what? Americans will refuse to even phone Alex Jones, or George Noory

to be hung up on. Just refuse as brain dead
zombies - as known in this circle, McCainiacs.
Did you hear Alex's NWOer yesterday state he
doesn't want anyone to speak as Justice for
Americans because to learn even the most basic
of precepts for Justice, he can't pretend he is
a Freedom Fighter begging US for more money?
Like multi-millionaire Ron Paul, who gave the
fixed election up to take our money and walk
away. How much money in the millions do we have
to pay them at GCN, before they will acknowledge
the Iraq war is a war crime? THEY NEVER WILL,
because the faggot owner has a son who's into
raping American women as lawless enemy of Life.
Americans are indeed, selfish, like all the plane
crash survivors telling US how they couldn't care
less that Israeli nazis are openly targeting our
Christian children for murder with their tax
money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of
wall to wall coverage. Telling us again of how
Christ saved your life as a lifeless degenerate.
I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really
don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

Simple Common Sense for Mankind

/ / Israel has admitted HAMAS kept the cease
fire; and that Israel broke it, then unleashed a
total starvation blockade on Gaza followed by
flaming death from the sky aimed at schools,
hospitals, ambulances, and children, and you
dare call the people opposed to such barbarity
a "mob?" \ \

Zionists are evil people who pretend they
are honest, when lying directly to everyone.
Blitzer reports Hammas broke the truce, he
is lying to continue the murder of innocent
peoples. Understand: Israeli Nazi state they
will continue to murder our innocent Humanity
until the rockets stop falling on Jews. Yet,
they broke the truce, and murder Jews routinely
with reckless abandon. Jews from the Bible as
of "nigger" Ethiopian, are what the Zionist
hate when warring GOD for apartheid, apartheid
that is Humanity in Gaza. A zionist is a war
criminal who speaks not against the neocon,
but against Innocent Humanity as YOUR enemy.

Livni: Gaza truce would give Hamas legitimacy

As they always do because they are dishonorable

Ron Paul:
US Will Be Rightly Blamed for Israeli Killings
http://www.youtube.com/watch?v=6C756NOPyDA

Not the Nazi Israeli?

The guilty party are those who advocate these
mass murderers of innocent peoples with
deliberate lies, like from Blitzer. Blitzer
will be tried, and executed a war criminal
for stating Hamas broke the truce., Where,
only two minutes earlier, he learned, that
it was his Nazi partners. DEATH SENTENCE.
It was on TV. BUT SEE? Ron Paul, the Libertarian,
ain't going to be honest here. He'll lie cheat
and steal Humanity's voice for Justice - like
he did with OUR money. A typical Libertarian
like Alex Jones who wants to blame "socialists",
"Liberals", aka, all of innocent America.
Blitzer is war criminal, who makes his own
discussions. As is Ron. What an enemy to not
mention the truce. THINK: IT IS THE ISSUE. But
Ron plays the dummy to kill more with contempt
for Freedom. Ron Paul, the bigot, asked,
'should we be doing this'? SEE? it's not first
degree mass murders, no, according to Ron Paul,
it's argumentative that indiscriminate mass
killing is a good thing really. Remember,
Ron Paul does not support arresting those
who committed mass murder on 911 either.
Or those who STOLE TRILLIONS. Or lawless Bush,
the ACTUAL AntiChrist enemy of God. Ron Paul
will watch America die for a stolen dollar.
And Alex Jones will refuse all calls to label
him good guy like himself warring order
to our universe for it.

Ron Paul "When we pick sides, we make it worse"

He also took our millions donated for freedom
fighting away for his family, but not our own
as dying innocent victims giving. Pick a side.

Remember: Sadistic authoritarian George Noory
is a very real DEMON of Satan, who again,
openly tells US, he wants to murder our
species as the innocent forsaken, and Alex
Jones doesn't hear a problem with that
either. Love the bushite blindly, and
they'll kill US for a dollar sukka.

Alex Jones is like the retarded brother we
can't help but love because we're human. He
is still retarded. And George Noory is still
seriously evil as a traitor to the cause of
Freedom in America. And Ron Paul is still
slamming Ron Paul.

Ron Paul "Israel can not act without
Washington's approval"

So, it is Ron's fault then by not mentioning
the truce?, or as that, innocent People are being
indiscriminately murdered in a death camp that
he figures is argumentative? that innocent
People are dying as targeted for mass genocide?
Or is it the Ron who states YOU are to blame
instead of himself for being there, not saying
anything? HEY RON! Can you hear me now!

Then.. Hammurabi founded Civilization.

I go concerned for any hesitations of condemnation by
Obama. It's like, he's talking some jive about
how now he'll NOT let the words of Hamas reach
his ears. Being against war criminals, doesn't make
you pro-Hamas, necessarily, it means your against
war crimes to defend the lives of ourselves respected.
Remember: He told US earlier during the campaign that
he wouldn't fear speaking to anyone, Hamas especially,
because he was confident he could win the discussion on
Liberty, by principles that unite all free men. Now,
he has promised the FBI's Most Wanted AIPAC, he will
pretend to not hear any calls for fairness as all
parties united by common cause. Johnny Who? Where did
you go Obama? You were here, then.. pooof! you

as then AIPAC cheered. I was as freaked out about it as
you maybe yourself now, believing it as possible. Check it
out for yourself, and wonder, just "who" is this person
they tell us they're are going to take for as dying fools?
I mean look at what happened to what's his name, when he

just been stressed with all of everything he is heaped
to follow on, NOT to know by Blitzer, that Israeli broke

as oppressors over the freedom of every Palestinian
Prisoner, and what's Alex Jones gonna say about
his 'truth telling freedom fighter' George to actual
'lame ass evil nazi traitor' George?, to YOU about
how George is just trying to murder millions of
helpless people as an offer for the final solution?
We can expect Alex now to claim, Zionists should
have special rights over Jews, all to maintain
his FICTIONS on Noory being anything but the
monster to Humanity he is. Just because Noory
doesn't growl when talking about murdering all
children in around the age of 15, or against
soldiers who refuse criminal orders, does still
make him a true fascist nazi enemy laughing at
your murderers escaping to live freedom in
our dying forsaken worlds. The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know

these FACTS that demands arrests of the culprits responsible for high treason against Johnny's America. Now, who's with yourself. I am! I am! I am!

Alex Jones doesn't know squat of Social Security, but pretends he does, like Ron Paul does when speaking of the Federal Reserve, Health Care, IMF, World Bank blahblahblah.. I mean even the expert of experts Alex has on near twice a week, EVERY WEEK, to talk all about how the Illuminati are doing everything,(give me your money now for whatever), DOESN'T SAY TO KNOW, it was Chris Cox who changed Investment Banker rules, to cover instead one tenth of WORLD INCOME loans, to one twentieth. MORE THAN DOUBLING THE ENTIRE GLOBAL MARKET FOR LOOTING WITH HIS SIGNATURE! (And. that isn't even a fifth of the TRUE trillions dollar fraud story.!) Now, granted, I wouldn't expect one tenth of one percent of America to have even a distant clue of which I am speaking, but importantly, Alex's expert of experts has never mentioned it. EVER. Why? He don't give a fuck, but how much money he can get you to give him for investing in things that are un-important to our struggles, but for the fact, he states, you'll get free money for nothing!! OUR ACTUAL PROBLEM. It reminds me of those Ron Paul dollars... where Ron'll fix everything, cause we, as a private company, are going to make YOUR money instead... holy fuk mon.. Talk about the kettle calling American racists. Thank God the FBI stepped in. (The answer unfortunately is not nowhere as easy as Alex would blindly lead you) - again, so I guess it will be, Americans were just too far gone as illiterate chauvinists, who cared too little for your freedom as themselves degenerating. Why? To battle tyranny they knew not Justice wins the day, and blamed innocent groups gathered wherever, instead of following the crime scene leads at the real murder scenes - like was once done on TV and at the Movies. But even that was too far above their doped down heads, to raise their finger to dial a phone number.

How about stating "A lawless bushite enemy wars America as a traitor, to escape the neocons from the crimes of 911."

Then Alex states the head of GCN is giving out gold at less than it's value as a special treat, every second or third week. Below wholesale. Now, really think this thru. Do you think Alex is trying to con you here? you bet. That is the Gold Racket. Diamonds are another thing - where I've personally seen, about a decade ago, a huge press that makes Diamonds

out of coal. Swear to God it's true. Costs to make diamonds are pennies to the thousands paid to Zionists who live in Israel calling for the murder of all innocent Peoples. Where is the rich Zionist, grave robbing Jew hater to demand Justice for our times? Where? Pressing coal into diamonds, while advocating the murder of our entire Human species. THEY WANT TO KILL GOD AS SATANIC ENEMIES OF LIFE. While I am last known to Life's enemies as Jesus Christ, the Zionist's end every time. I'll have brought more Zionists to their rightful dooms, than any other, of any time, anywhere. I HATE Zionist bushite LIARS to death, all because I Love Humanity too much, to watch US die undefended as the innocent forsaken. They can change their evil ways, but till now, often not, benefiting off our suffering as war criminals who simply lie as demons to steal our Human values. Let's change this for our betterments. I mean the Halo is a dead give away..

The head of GCN has a son warring God to rape American women as lawless enemy in Iraq for the Neocon - again NEVER mentioned as something worth fighting against for Freedom in America - soldiers are suppose to REFUSE criminal orders - but not when Alex is at the mike. He will never mention the Bushmob doctoring the NIE to con America for death as exampled, because it doesn't fit his fictions, where all the bad guys escape because they are geniuses headed by secrets so powerful, nobody can ever know'em, except Alex. He tells us near every day, he knows everything already, and is never wrong, therefore you can't criticize him. Bullshit. It's like he wants to be wise like Johnny Gawd is, without doing anything like studying for a test where the teacher actually does know the issues. He told US today, the British came up with concentration camps, from the Indians - who spent all their lives murdering themselves. The British 'invented' false imprisonment? The British came up with the, Jews Killed Jesus? The British invented Pope Gregory VII? I suppose Alex has never heard of Ghettos. SEE? he just pulls shit out of his ass, and calls it like it's truly pure gold you'd wanna buy. Those, like your typical American have no clues, so they figure, Life must be sorta so that History is all one big Alex Jones NWO cartoon. What? that the NWO did 911, and everything else that use to instead, require criminal investigations to nab the actual evil doers? Alex Jones IS the NWO he tells US all we should be concerned about never stopping,

like it was in the DARK AGES. Justice Alex, why is
that hard for you as a "Conservative" to figure? Is
it because you are cowardly in the face of true
Liberty? Afraid that some People, on some Issues,
ACTUALLY know a great deal better than you could
even imagine presently? Don't like that do you?, where
you don't rule this Universe as a lawless tyrant
desperate to live in an illusion at the expense of
everyone else dying victims to censorship? Does he try
to find wise men or women? rarely. "Ron Paul [MUST]
leads our truth movement" - like, fuck off already
with the Ron Paul, The Truther, Bullshit Alex Jones.
1% is what YOU get on Social Security deposits - 1%.
And.. Bush stole 700 billion. 700. Billion. That's 700
BILLION. It's a "Trust" account. A "Trust" Account. It's
being held in "Trust" Alex. Ron Paul is asleep at the
wheel. As, so are the rest of all you other fools..
I want Justice, and I want it now for all the victims
of 911. Americans be damned, we want Justice, and We
want it Now.

In Texas, child rapists are given the right to
freely move about without fear that Texans will stand
as armed Men in defense of their very own offspring.
And Alex wants this for the rest of America. That some
how to own a gun, means an American would kill a cop
who beat a women near to death for pleasures that
he could never be Publicly arrested for, as a
sadistically evil nazi bushite fuck. Look, if YOU DID
kill that particular DEMON COP after the Chief
refused to arrest him, you couldn't possibly go to
jail in Johnny's America, because the truth would win
out in a fair verdict. And REAL cops would honor you
with great big, thank you. Nothing worse than a
cop (or bushite grunter) who believes the Law doesn't
apply to him while he drives drunk, tazers someone for
nothing, abuses Women, or kids, to sell drugs, or
kills good cops, who are good men. (Like mercs do in
Iraq officially for Rumsfeld's P2OG. Coming to an
American city near you!)

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

"Rice says it is 'hard' for Israel to spare civilians in Gaza"

We KNOW they are ONLY targeting innocent People,
the ungodly zionist Satanic enemies say so..

"Israel Rejected Hamas Cease-Fire Offer in December"

Livni has declared her country "is not going to show restraint"

"Her" country?

It's like she's admitting here, that they DO NOT
target the IDF's Hamas, but only our innocent lives
as a threat to LIFE and GOD. Remember: the Zionist
LIARS broke the truce.

THIS NAZI ZIONIST FUCK BREATHES THE AIR OF US
http://www.youtube.com/watch?v=lMxfEsooM5M&NR=1

/ / So, Hamas decides it's time to end the
cease fire and has begun shelling Israel again. \ \

This guy even sounds like the Satanic false
accusing enemy of God he is. Let US, as Humanity,
hunt these real devils down, try them, and have
them executed publicly for the benefit of God and
Man. Understand: this REAL DEMON knows he's lying,
no living man on Earth could spew the vile lies he
does to excuse indiscriminate mass murder, or starvation,
as this Zionist enemy of life sells to STEAL Your
HOME, your Family, YOUR LIFE. An open enemy of God
trying to STEAL the Title of Jew from Christ. EVIL
ENEMY OF LIFE. See, when a bushite dies, you served
Life well in defending their next INNOCENT target.
BILL HIM FOR STATING ISRAEL WAS STRUCK THOUSANDS OF
TIMES. BILL HIM FOR STATING HAMAS BROKE THE TRUCE.
BILL HIM FOR STATING bin Laden DID 911. BILL ANY
Zionist FOR THIS TREASONOUS LIE. Why God asks? Because
there isn't any evidence to support that Satanic lie.
According to the FBI. And according to God, Zionists
are not Jews, but of Satan as enemies of every life
form in this Galaxy, Hunt him down, and bill him
today for the love of God. You can 'hear' it in his
voice.. how he lies TO YOU as a DEMON of a Hatred
for Truth and Humanity. Facts, that are easily
available, are not what he works to mislead others,
others he hates, and wishes to murder for as ungodly
sadistic pleasures as YOUR enemy. Bill him under
American law for being pro-torture too while we're
at it. Death to bushite, death to the murdering
enemies of God's Love for Mankind, and enemies of
TRUE Justice for Americans. The fuking demon enemy
lies to you, as a con to STEAL your life, or just
as soon, the life of another innocent other. Now,
what are you going to do about it? Except his lies
as exceptable, as he tries his hardest blatantly
LYING to kill God and Justice in our Worlds? Not
in mine, but perhaps Yours.

' In Civil-Contempt Cases, Jail Time Can
Stretch On for Years for Americans, without Ever
seeing a day in Court. '

Where are the arrests?, then firing squads for
the Judges who 'judged' such criminality against
freedom for US, the Peoples in America?

' Where Did Taxpayer Money Go? Panel Slams Treasury
[FOR STILL REFUSING TO SAY] '

Where are the arrests?, they stole eight trillion
and counting.. And Congress 'slams' them for
disappearing OUR MONEY. Slams with what?, a,
don't do that again please butt sqeeze? It should
be massive slammer time, with a return of all
STOLEN monies.

' THEREFORE, those pro-Israel politicians in Congress
won their seats in part using stolen money. '

Where are the arrests? Amerikan bushite nazi grunts
are assisting in the mass murder of innocent Christians
in Palestine. War crimes demanding death sentences. It
isn't an argument that can be turned around. Nazi Israeli
STEAL Peoples Homes without apology, as a function of
their SATANIC government, while colectively bombing the
INNOCENT victims who die because of it. It's a prison
camp! they are denied water, food, shelter.. since four
or five truces over that they've broken, every one. These
are Satanic enemies, willing War Crimes against God,
a God NOT loved by zionist American Nazis. And a Son
as powerful as the four winds, ridiculed by Zionists,
and American know nothings, for the continued debasement
of YOUR soul worth here dying.

Israel Attacks Iran News Station

Why does not Iran DEMAND arrests, and death sentences
for these blatant war crimes against Humanity committed
by Amerikan Nazi Israeli Zionists? Along with the
perpetrators of 911? WHYWHYWHYWHY. Russians! Can you
help US out?

Pictures of Alex Jones masturbating
"we were right about it all."

It's the NWO! The Illuminati! Not Bush, Cheney, Neocons Gone Wild, or any of many other REAL criminals, for the war criminals are just puppets to his EVIL fictions. Forget about Bush escaping.. Socialists who design traffic lights, and Liberals who will to share fairly are Alex's enemy, because he's fearful the FACTS would escape his denouncements against truth tellers. George Noory, one of the most despicable individuals on the face of our great Earth - is exactly the kinda guy he wants returned to send his wannabe Patriots nowhere but to die. What about Justice America? The bushmob doctored the NIE. TREASON. There is video of iron flowing like water from the towers, seconds prior to the collapse. Alex ain't there to help US, for that is where TRUE Patriots fight for real Justice. When WE phone with indisputable facts, on Ron Paul the bush whore sell-out for example, he lies to all (GOD), then hangs up on US. Is that the kinda freedom you think the Founding Fathers had in mind to give Your rights to speak for Alex who blames anyone but the criminals directly responsible for your funeral? The private banker never covers our loans, so why give them trillions without questions offered without answered as, never mentioned by the guy who is 'right all along on everything under the sun', and.. he 'rules the Ocean of truth' too don't you know YOU have a steak going all rotten to hell here also? You'd think Alex would take our call just for the challenge on where we stand? I'm free!

He is not. And George Noory tells us openly, he's into killing innocent kids for profit. George's profit is that apparently, by murdering all children in around the age of 15, will stop them from getting a clue at anytime in the future, to take him out as an ENEMY of EVERYONE for censoring our cries for Justice. Why is it that Alex would invite obstructionist, Steve Quail, or Alan Watt, on to lead you nowhere while they jerk off, but where we gotta go to actually defend ourselves? Steve has been on with Noory more than a hundred times, and, we'd figure, Alex will soon be delving into the Alien questions also. Answerable by me in seconds, but ahhh.. like Noory, doesn't want the truth of such a subject uttered,

just endless streams of illiterate bushite dumfuk
losers sucking on each other. While they wrest
from US the wonder; just why we can't stop
criminals from robbing ourselves, while murdering
our families? Alex wants to blame the unstoppable
NWO, while I, want to blame those actually
responsible, like Bush and the proven treasonous,
Neocon terorist liars who are pro-torture.
With arrest warrants. All of them. I'll do it for
Reagan's, War Crimes Act, as an act of respect
for my Great America, that's isn't always been
dying dead wrong under the leaderships of
criminals.

Israel hits Gaza after UN truce resolution

/ / AP Israel and Hamas responded to a UN peace
demand by hammering away at each other with bombs \ \

The IDF's Hamas is hammering away with what at who?
Is the AP referring to the tin can rockets that
travel usually several miles, but in one case,
22 miles? To kill a Jew standing outside in his
yard, thinking on how he would defeat true evil in
his time? Tin can rockets that contain no explosive
charge? Have no mistake, if it hits you in the head,
your dead, but really, what do you think the odds
are on that? E=mcï¿½. Or is this another, amerikan

war with God and Christ now? Joe is an American Zionist
"Plumber", who has amassed a multi-million dollar
fortune in the competitive industry by shit eating.

Israel Attacks Jews,
Silence from Mainstream about Violation of Law
http://www.youtube.com/watch?v=K1kt8qi0M-M

They kill Jews for money. They bombed Jews in Lebanon
for money. They want to bomb the HUGE sacred Jewish
communities in Iran.. wonder why? Zionists are not
Jews, for Jews don't steal in God's good name. Nor
target innocent beings for stolen gains. A zionist is
a thief to life, and as such, needs to be formally
charged for their criminal offenses, given lawyers,
and upon a successful prosecution, rot in a prison
cell and/or pay restitutions. YES. why? so not another
innocent person must fall in their place as next
victim to a zionist's public commitment to lawless
tyranny for evil intentions.

IDF VLOG UPDATE: IDF Hits Dozens of Hamas Terrorists

This Zionist enemy of God speaks like a six year old.
"Hamas Terrorists", "4. Jan.", come on now, how evil
do you have to be to believe this ungodly demon sells
you righteousness. They STEAL our food. They are OUR
criminal enemies who torture innocent Peoples. A
godless criminal enemy who also steals Peoples Homes.
And drops millions of land mines to murder Jews
indiscriminately for decades. Commits war crime after
war crime against Humanity. Vile bile.

They killed our innocents, and unless we kill

It is the crime of which they demand WE are outraged
against. Welcome to Humanity's suffering world due to
lacking communications skill. The term "they" are
referring to is YOU. Your innocent life Israeli
intend TO STEAL, TO MURDER, TO ROB YOU Your rights

Let US never forget, the Zionists also would bomb

be destroyed instantly by the Zionist flying the
America paid for Apache. I did a big show of shows

scenes perpetrated by the treasonous, neocon Zionist
terror merchants. It's like they think some dying

as enslaving into ungodly tyranny eh? These Zionists
are not only the bad guys, but they're bad guys to

murderous thieves. A Zionist will kill a Zionist for

/ / It is just unacceptable to apply two standards of
morality, one for Jews and another for non-Jews.
For if what Israel is doing in Gaza is right, as
Israel and her supporters maintain, then what the

been right as well. And vice versa. \ \

The ungodly zionist enemies, are enemies of

Bolton doesn't know this, with his friends at

America all her freedoms for the bounties of
private banker frauds. The banker does not

CNN: The Nazis Broke The Ceasefire!
http://www.youtube.com/watch?v=KntmpoRXFX4

Protest pictures from around the world (not on CNN)
http://www.rys2sense.com/anti-neocons/viewtopic.php?f=11&t=16496&start=0

Remember Israeli nazis to this day, insist as
DEMONIC LIARS, Hamas broke the truce - as Hamas
is responsible when they target school girls for
slaughter. They said the UN were secretly attacking
Jews, clearly a LIE as impossible to prove because
it didn't happen. But facts are the furthest thing
away from the godless false accuser Zionist con man
or demon witch LIAR like Livini. FoxNews calls the
demon witch a Jew! ANTISEMITES.

We can witness, Americans do not have the intellect
to understand what this means. See, LIAR Nazi Israeli
broke the truce to get killed Jews for money. A
regular fair for Nazi Israeli. Now, they state they
will continue to indiscriminately murder humanity
until the tin can rockets that travel miles stop
killing Jews who hate Zionists. But importantly,
it is Israel that wants Jews to die, so they can
make off as Satanic with our stolen values. Just
like the Bush family did with Hitler, that the
Nazi Nation has no probs working gun in hand to
wipe out Jews everywhere still to this day. Again,
Nazi Israeli MURDERED JEWS in Lebanon as targeted.
And leave Jews to starve to Death in Israel for
more charitable aid they can use elsewhere. Public
knowledge not disputed by any living soul on this
planet because, the Zionist government admits freely
to this. Israeli think being Satanic is worth it,
for all the money and lives they can steal as enemies
to Christ, Hillel, Mohammad, YOU, blahblahblah.

And, as demonic thieves, they steal homes from
innocent god loving folks. US. But see the McCainiac

HATES you as being a virtuous man or women, so they call for more indiscriminate carnage against Humanity, on failed hopes, that we as God are not going to come down to hunt them to the ends of this earth, try them, and have them executed for the war crimes of Torture, Rape, and mass murders committed for the neocons escape of 911.

Joe the Plumber to cover Gaza op

/ / Wurzelbacher says he'll spend 10 days covering the fighting and explaining why Israeli forces are mounting attacks against Hamas. \ \

Don't want an intellectual who might have a clue of what is transpiring with the forces of Satan, fuk, CNN'll likely hire him also. Don't you just hate this treasonous lying nazi demon? He has no journey man's license, never did, isn't a plumber, and doesn't have the millions of dollars he claimed he did to purchase a company that would have rolled over 250,000.00 a year for himself alone plumbing. Plumbers, as good as the job is, never generate that kind of money. Who cares though, right? A Nazi liar is what Zionist's want, and that is what America gets. TV'ed Americans couldn't care much less. Evil nazi McCainiac who's sworn existence, is to con teen soldiers for death to raise the fortunes on the un-elected Neocon bushmobsters now fancies himself a teacher on the struggles against evil. It's like that faggot at anotheruntoldstory.com, who's into murdering innocent Gays, while fucking his own brothers up the ass, who runs ads everyday at GCN, tells US now, all about how evil we all are for demanding Justice. How long do you think that'll run with the Alex Jones towners still raising no concerns? It's for the money as Ron Paul would say.. Again, it is to divide ourselves from true liberty, by demonizing the innocent on our radio and tv channels. Instead of Bush, Cheney, Rumsfeld, and Condi.

http://www.kuwaittimes.net/upload/img_pict/headline9637e7.jpg

Read of the bushite in my America who call this work of Satanic enemies, a good thing they support to war terrorism for the sadistically evil liars of the neocon. Then KNOW my friends, a bushite is the enemy of every living soul on this planet. Have no love for those in the Air Force, the enemies of Man who bomb our families without excuse, but to know, they hate

US as Christ to speak free for Humanity. That DEMON George Noory was so happy last night about all the good the bankers AND CHENEY are doing for their hatred they spoke of for all Russians. SEE? not to protect America, but to kill you with their true commitment to the demonization of innocent people, all to escape the neocon terrorists. I HATE George Noory more than anyone alive in America. He is so openly evil to ourselves, that only those who wished to lie to you, (like Alex Jones does about Ron Paul), would say otherwise as bushite dumfuk enemies. Cowards committed to escaping Bush and Cheney for treason against Freedom. They doctored the NIE on Iraq, highest of war criminality. Alex Jones has never mentioned it, but for MAYBE in passing. Hey because all the bad guys are just puppets to ignore over the elites, globalists, socialists, liberals, gays maybe, Blacks, Mexicans, and anybody else smarter than NWOer Alex. Ron Paul is a coward as rarely if never has a clue of which he is speaking on.

Israeli PM says to end offensive if Gaza ends rocket attacks

Sarkozy urges Syria to press Hamas for Gaza truce

How does the ungodly get away with this obscenity? Nobody can deny Nazi Israeli broke the truce, as they always have done as Satanic for the last 60 years. Killing Jews for money is popular with the Zionist Nazis don't you know us by now? FoxNews CONNED Americans for DEATH with the unmentioned, TREASONOUS doctoring of the NIE. To kill Americans for more neocon gains, which Alex Jones never mentions either. Do Americans even care enough to raise Humanity's call? Do they demand public executions of sadistic godless Zionist torturers? as the Standing Law of America - The War Crimes Act - brought to be by Reagan - DEMANDS by the Law of America? It is the Law after all, yet, CNN, CBC, and FoxNews calls the perpetrators of the most heinous evil against Mankind, heroes. America is
a nation of godless cowards willing to die murdering innocent Christians in Israel, all for the profits of the 'magical' zionistic private bankers. Bushite grunts are now supporting the indiscriminate carnage, serving as police services forbidding any of the prisoners in Gaza from fleeing the indiscriminate slaughter. Again, as Satanic, they don't arrest the "Suspects", for what could they truly charge them with?, no instead demand we die helpless murder victims by forbidding escape, as they did in Fallujah murdering more than three hundred thousand innocent

souls. Die bushite die screams to all men on Earth from the Son of God. Will you stand for YOUR life as truly worth something here? Like lawless enemies Policing your reality will bring you more happiness and prosperity with the great truth teller HAPPY George Noory? The demon who openly confesses the will to want to murder all children in around the age of 15? Too crazy for you to face such an enemy of huge demonic origin, so, go the cowardly way like Alex Jones as sell out slave instead, to cover the demon with endless praise on his treachery to not have our fight on everyday with open calls for understanding Justice is freedom. Instead of a constant stream of bushite dumfuk enemies of Living. This isn't complicated. Or it doesn't have to be.

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce.

Alex Jones told US as a deceiver, he's been on Coast to Coast a hundred times. Not in these last eight years he hasn't. I demand Alex prove this, or be known by all far and wide a treasonous liar, trying to take US off the tracking of criminal action of his buddy, the demonic enemy LIAR George Noory. bin Laden didn't do 911, despite the facts that WE KNOW George Noory knows better of but LIES to con the American teen further for death at the profits of the un-elected bushmob. See Alex wants you to blame anyone but those directly involved in the crimes of 911, or Iraq, or those responsible for it's cover-up by Zionist propaganda. George Noory will have as invited guests whos only function there is to spread dis info as supporting more indiscriminate warfare for the escape of the neocon terrorists responsible for starting the illegal wars to begin US at. Or those whom often support torture, a war crime that only exists as irrationally held by those who's minds have only a blind hate for the indivisible rights of another innocent other. And often truly hate men and women for being Just as wise. The McCainiac Zombie video is a perfect example. When the Zombie is asked about the rights of Women, the McCainiac Zombie cried out for raping more Women. The position of authoritarian power, was only found with the bushite as oppressor, rapist, torturer, or Air Force Bomber, not liberation by freedom. The bushite McCainiac KNOWS it can't compete

openly to defend it's criminal treasonous
actions! Remember, Alex "the Conservative"
thought McCain was the choice if you had to make
one, earlier on, then changed his position,
sort of, later by calling them all puppets not
worth the effort, but .. Obama's idea's matter
not, it's that his Birth Certificate is, no war
too be fawned. Palin? who's she? McCain
firebombed Vietnam as "war hero" for France?
The Banker doesn't cover our loans? Matters
little.

Norwegian doctor: Israel intentionally targeting civilians
http://rawstory.com/news/2008/Norwegian_doctor_in_Gaza_Israel_targeting_0105.html

"All that is happening in Gaza here now is against
international law, it is against humanity and I
think it is against what it means to be a decent
person. You don't treat other people like this.
Even if you disagree with himï¿½ maybe even if you
fight with them, you don't treat civilians, children
and women like this."

Israel deliberately targeting civilians in Gaza
http://www.youtube.com/watch?v=Ev6ojm62qwA

It was almost acknowledged on CBC radio that
nazi Israelis, use the argument that a tin can
rocket traveled miles, to kill some innocent
Jew as a direct hit (likely a person who hated
godless NEOCON), all because that nazi state
has OPENLY, as PUBLIC policy, stolen water and
food including baby formula, along with a huge
list of other atrocities, to punish God and
Humanity since way back before three of four
truces. AGAIN, Nazi Israeli always, as ungodly,
break their truces. Why? Because YOU, or Christ
as any Jew's life means nothing, to all the
'free' billions they'll get from given American
worker wages. Look, Americans refuse to call
for the arrest of Bush on their national,
"truth telling" Coast to Coast radio program.
Why? Because, for one, George Noory, (Alex
Jones' best buds), has told US he's into
killing innocent kids as powerful, and that
'bin Laden did it', Is good enough for US.
You don't get a say here however how you will
live or die. George Noory calls all grunts
heroes, and those who refuse criminal orders,
those he wishes to go ballistic on. Yes, it's
true, George Noory is still alive and happy

as ever.

Rise Up for innocent Life, or don't and see
where it'll get you in the end.

Again, every soldier in the Air Force serving
for the neocon liar is a traitor warranting death,
to save the lives of their next innocent victims.
They have murdered more than two million people
in Iraq. They are pushing heroin into America
from Afghanistan. They are raping AMERICAN
women as officially "LAWLESS" (can't be arrested
but through Rumsfeld - who has not seeked any
prosecutions for the raping of American Peoples.
He, as Neocon, is TRYING to DESTROY FREEDOM
For all Americans in America - while paying
with American wages, South African death squads
to murder Black men) and TV'ed Americans refuse
to speak for Justice denied themselves. Zionist
amerikans only see US as innocent others, not
themselves to pay, but they do pay, they will pay.
God, nor John will not live in a world where
bushite grunts walk freely down our streets as
first degree mass murdering rapists, torturers,
and thieves. Celebrated by CNN, CBC, and FoxNews.
Especially when they DEMAND they have greater
rights than Human Beings. Mass Murderers deserve
immediate death sentence to defend ourselves
from their demon lies and betrayals to God and
Man. Every CBC and CNN reporter who reported
Russia attacked Georgia unprovoked will warrant
trial, then death sentences for their total
commitment to the Satanic NeoCON enemy war
criminals. Remember: they targeted for murder,
helpless innocent families. YOUR family. CNN
wants you to blindly believe, CNN personalities
like ENEMY George Noory are so happy, why would
we think they willed death against our great
Humanity by conning you for more stolen money
through the sacrifice of YOUR life for zionist
criminals who laugh at your powerlessness to
raise your voice for Justice.

Stealing the Title of Jew from Christ:

Fallujah by the Sea: Aping America, Israel Unleashes Chemical Weapons
in Gaza
http://uruknet.info/?p=m50412&hd=&size=1&l=e

Look at this picture of nazis indiscriminately slaughtering
our Humanity, while on MSNBC they reported that the Nazis
will continue to murder Humanity until a truce can be found,
A truce that the Satanic enemies of God will naturally break,
as they ALWAYS do. They are godless enemies of Life who wish
to steal the Title of Jew from Christ. They targeted Jews in
Lebanon with seven million land mines, and let Jews starve to
death in Israel for more charitable aid they can steal from
G-d's Good Will. When asked by Israeli newspapers why, it was
said to kill a Jew is rewarding for the godless Zionist.
Public record. Die bushite die.

Die bushite die.

Israeli plan to topple Hamas, re-instate Abbas
http://a-mother-from-gaza.blogspot.com/

/ / Breaking the truce Nov. 4, then, was Israel's way of getting the gears rolling for this whole sick game: the toppling of Hamas, and the re-instating of the impotent Abbas into Gaza so the "peace process" can remain forever in formaldehyde, to quote wiseass, er., Weisglass. \ \

Nov 4th! - perfect!. We are dealing with Nazi war criminals who refuse US, as a Species, Justice for everyone. Especially The Jew's Jew, Johnny America. Hint: they call us Love just to hide our complete agreement with this Living Universe to will Justice for God as every last bushite zionist freely moving. Once all the neocon zionists are rotting in a prison cell, or formally executed as godless war criminals, we all will have one joyous welcome in a heavenly future.. Until then, demand Justice for US. That's YOU too. Angels included. Who? I don't see no Johnny Wizard here anywhere, We are Good to Go. Rise Up for innocent Life, or don't and see where it'll get you in the end. The bushmob are traitors for closing official FBI investigations into 911, immediately after the mass murder of Americans occurred. Treason, of a, trust WE don't have it in US to stand for our common values as the Revolution will not be televised, Johnny Who. Man, are we or no? Be Somebody, then get on your phone to call in for Justice willed. Alive I Say! - this must be where you'd raise the dead and dying.. if you only could raise your finger to dial the phone numbers - well guess what? - I Command You Can! - snapoutofit - Speak for pursuing Justice on 911, and show serious concern for publicly paying private banker men trillions in worker wages for nothing. This is seriously disturbing, yes, but seriously important to address openly in our spaces to remedy with a Johnny Wizard World Wide Work of Wonder, Super CNN Special of Specials, with Your Host, the One and Only, President and CEO of Shareware Earth Co. John Himself. Hey everybody! Wow eh? So a.. when is the good guys showing up? Now. Justice. I want US to Host Coast to Coast for open Public communications, where things get solved because we know whats we're learning about. We of god, this way comes, then men and women with calculators to know: giving money to private bankers

on hopes they'll lend a small fraction some back
to ourselves at high interest is dumber than rocks.

Ahh, so you are here for no other reason than to annoy others. I get it
now. Here in Usenet we call individuals like that "flamers", and in the
HAM world we call them assholes.

I freely admit I'm an asshole, and I don't have a problem with it. I
can be an asshole here and be amongst a great number of them, therefore
being nearly unheard. In the HAM world, well lets just say that in the
local crowd I am far more cordial that you have shown yourself to be here.

If you are willing to equate honesty with insulting then I cant imagine
what else you are willing to do to get your need to be the victim full
filled.

Maybe I'm wrong then, maybe English is not your native tongue. That
would explain your inability to write it coherently.

Ahh, so you post from multiple accounts. Interesting. Honesty is not
your forte I take it.

I'm sure "brain" does, but Brian is reported to be in Florida. And
lying to the FCC is a very bad idea. Specially if one wants to keep
one's HAM license.

Nothing ad-hominem about it. Accurate and to the point. Something you
have taken great pains to prove for me.

I'll give a dollar and seventy-five cents, cash money, for the person who
sends a letter to WalMart to complain about Todd treating customers rudely.

Cash money. This isn't a joke.

One of the locals found a site on which Mark claimed to be 40 yoa. That was in 2006.
He would have been born in 1966.
Which means that if Mark was in Nam, as he claimed, he'd have to have been 9 years old in 1975 when our troops pulled out. Seven years old if he were in the thick of things.
Maybe he WAS there...as a shoe shine boy.
How do you spell Liar?

Yup...caught Mark in yet another of his many lies.
He claimed that he was drafted into the Army as
1: A Lt. Colonel.
2. As a Second Lt.
3. Served in the Chemical Corp

the rest is pure bull hockey...

Now he claims to have served in Vietnam.

The last ten Marines were airlifted from Nam in 1975 as Saigon fell.

If Mark is 40 years old as he said in 2006, then that means that he was born
in 1966.
That would have made Mark NINE YEARS OLD when the last Marines were leaving
Vietnam.

And that, my friends, equates to Mark C. Morgan being one huge liar.

I'm glad that my wife doesn't read this group.

But why me, Todd? Your blog disappeared without any action on my part, since I'm only focused on putting an end to Mark the Spammer's floods. Even if my wife shoots me, your blogs will continue to be yanked by Google because, for the first time in years, it looks like Google cares.

Also, consider the fact that Mark's disappearing Google accounts are the result of multiple new complainers who have gone into action. Mark made the mistake of expanding his floods into additional newsgroups such as rec.radio.amateur.antenna, rec.radio.amateur.dx, etc., and that was a fatal mistake. The amateurs who frequent those groups haven't yet become complacent, and they are fighting back. I know the true identities of several of the complainants, and only one of them posts in RRAP.

I'll bet that your case is similar. It could even be someone from the FCC who finds your threats to blow them up to be distasteful.

Ya think?

In the meantime, remember that Pi is approximately 3.1459265, and that at 18:31:30 hours EST last night it was 1234567890 seconds past the unix epoch.

May the script be with you,

How many accounts has DeLorean stripped you of, Mark?

I know that you've lost quite a few of late.

You can't trust that darned DeLorean, Mark. He is always there, lurking and watching you. He has become your unwelcome shadow.

Just when you think that you have thwarted one of his Bots, he designs yet another and shows you to be an ignorant fool. DeLorean is light years ahead of you, Mark. But so are many others, too.

When will it finally dawn on you, Mark, that you are simply not wanted in these groups?

Does someone have to hit you over the head with a two by four to get your attention?

Mark is running out of accounts.
His floods are slowing to a trickle.

DeLorean is the reason, or so Mark says.

Damn those DeLorean bots!

Just when Mark thinks that he has a new account or two, DeLorean sneaks in and works his magic. Poof! Just like that, Mark loses another account.

Mark...live and please learn. You are not welcome. Nobody likes you. You are your own worst enemy.

You Hams seem to be very mean sprited toward my husband, Mark.

Most of you are extremely cruel.

Mark has done nothing wrong, not now, not ever.

Mark has been, and continues to be victimized by all of you. He is a wonderful husband, I may add.
He is not the best of providers, but he does the best he can on a limited income. I pay the utilities and he chips in a few dollars when he can.

Whether or not we live together is not your concern. Our sex life is also none of your business.
I have told Mark to keep me out of this and he paid the penalty for telling you that I am bisexual.

He slept in the back yard, in one of his junk cars for two weeks. He made up to me and gave me flowers and promised to never again compromise my personal information.

I love him even though I made him crawl on his knees like a whipped puppy.

Yes, I am domineering. I carry the whip and Mark knows how well I dole out discipline.

Let you learn from my warning, DeLorean, Roger, Lloyd and others. You do NOT want to see me, Gav, showing up on your doorstep with my whip in hand. I will be your worst nightmare come true.

By the way...did you read my book report on Amazon? It is worth reading.

And that photo of me on the KD8CTL blog is way outdated. I haven't looked like that since I was 24 years old. I dyed my hair and wear trifocal glasses now.
I used to be skinny in those days.

Hmmm, I could, but then again just about anyone who reads here is going to have issues trying to understand what it is you are attempting to write. Only those who have not gotten beyond third grade would be able to glean an infinitesimal portion of your meaning.

Now, since you obviously have little or nothing to contribute to any of the news groups to which you post your spam, maybe I can appeal to your limited sense of humanity and get you to "stfu".

Bushite Alex Jones "Obama is so much worst than Bush was"

So, don't arrest him for treason that murdered Americans?
Remember, Alex in eight years did everything he could to
not allow any to discuss BUSH'S crimes spree. Doctoring
the NIE?, prior plan from Condi? Or stealing 50 billion?
I could easily go on for paragraphs on DOCUMENTED CRIMINAL
ACTS - acts that Alex would not allow YOU to know need
defense to save the lives of innocent Americans.

60 Minutes: CIA Official Reveals Bush, Cheney, Rice Were Told Iraq Had
No WMD
http://greywolf.newsvine.com/_news/2006/12/20/489409-60-minutes-cia-official-reveals-bush-cheney-rice-were-told-iraq-had-no-wmd

Dumfuk Grunt "Duh, why are we here to kill
good people needlessly so the bushmob back home can
further rob our undefended families bro? Bro?"

What's The Point Alex?

Hey! Alex Jones said today Bush isn't guilty of nothing,
but boy, Obama is bad he'll tell you never mentioning
the FACT Bush LIED US into the Iraq war as a war crime. 1441.
Won't allow it. Why? He is a bushwhore, a believer in Bush,
the Antichrist enemy of Humanity who told US if we tried to
form our own conclusion, we would all be terrorists. NO JOKE.
Bush, the most evil man of all History, Alex claims is
guilty of nothing. Example: Bush, is his first days,
STOLE 50 billion dollars. How can Bush (the banker family
tied to Hitler) be above all the laws of the Universe
someone ask Alex. You know, Alex will hang up on any man
or woman who states in question, as he did with Peggy,
a once loyal listener, why he refuses to acknowledge the
evidence of Ron Paul being cheated through a fixed
election. Attempting as a demon, to demonize whomever
phones with such truths - like Ahamd, or Condi's 911 plan
for Enron. Alex Jones is openly a bigot, and a man who
has OPENLY confessed the willingness to murder INNOCENT
Americans - before allowing Justice to rule for the
defense of every American. I want open debate, he wants
censorship, so he can continue to masturbate to the
continuing deaths of innocent Americans. Laughing with

DEMON George Noory who claims Laden did 911, Hamas broke the truce, and Iran is a holocaust denier. Enron. Has Alex even ever mentioned it as motive for invasion of Afghanistan? Never. Has Alex ever stated the Taliban were simply asking for evidence to form anyone's conclusion on who was PERSONALLY responsible for 911? NEVER. THINK here. Even after me sending him email after email for years. Alex states all who criticize him, are delusional, because he warns people of poisons fed the masses. So therefore, every last word I state about Alex Jones undermining our wanting for real Justice is correct without argument - As according to ALEX, he is delusional. Wow eh? Alex is a stupid bigot as a matter of fact. He'll tell you we gotta get past the left right thing, (trying to steal my thunder - where i give to all freely) yet, near next breath, or the one before, he'll tell you what all Liberals think. Or all socialists, or... blahblah Someone should ask him what Christians think about letting the mass murdering LIAR Bush escape Public trial for high treason by conning teen grunts who are now dead. Bush PERSONALLY closed 911 investigations immediately after all. Again, NEVER mentioned by Alex as important to our struggle to arrest, try, and execute those responsible for mass murder in Johnny's America. An America were every Human life is worthy our protections. Where Alex Jones is NO GREATER than anyone of US. He is in a popularity contest, while I couldn't give a rats ass what rupuglicon, or demoncrates think about my wise words on God and Justice. Great entertainers I am not blindly enamored with, nor do I believe FALSELY, demon Bush, the Antichrist, is above and beyond all laws of our Humanity. If 99.9 percent of godless Americans disagree with me on God's will to have all neocons with the Bush Administration arrested immediately for public trial for high treasons, to hell with them all as they lose their rights rightly. For, they are not our friends who willingly murder OUR Humanity for stolen private Banker gains. Alex, a bushwhore, a censor, wrongly believes Bush is guilty of nothing. A bushwhore of the antiChrist he is. I mean come on, he claims all those folks who followed truth mentioned in the Bible were murdered. How stupid is that????? From what I recall there was a suicide, and well, that's about it. How many American "Christians" actually believe a man of God actually walks this world? How many? Being Gay is okay with me. I'm not Gay, but still to each his or her own, as long as your not infringing on the rights of another to do what ever they choose. I love all children too much. Real Freedom. GCN advertised HATE for Gay folks, then at the website, murder - and the station sees still, no problem with dividing our innocent masses on desperate

attempts to escape the neocons from Justice. That's the REAL reason Alex states a derision for Liberals. Note: "Liberals" in Canada are a right wing party that disbanded the RCMP corporate crime division as perfect example, and! sent a Soldier to prison for refusing criminal orders. Never allowed by Alex, for his gold dealing boss has a son killing innocent Peoples for Neoconned cash in Iraq today. ALEX WANTS TO CENSOR US ALONG WITH THE ENTIRE BIBLE NOW WHILE MASTURBATING HOW HE IS NEVER WRONG? In his dreams maybe, but not our shared suffering reality. By the way, has Alex ever written for Justice? and why not?, considering he is so greater than all others who haven't been invited on his show he stupidly said two or three days ago, me, and everybody else here globally? Truly delusional he is for not being truthful. Be a man Alex and face me in open debate to defend YOUR idiocy, he won't becasue HE KNOWS, Americans would win, and he would look the fool as loser. Too cowardly to defend America he is, because he doesn't have the virtue for it, and refuses to hold respect for men like me hugely wiser than himself he works to keep all down for death. Alex claimed the will to gun down kids who steal copper. Not only a man unqualified to "lead the Truth", but not qualified to even carry a gun. He told US when hearing the bullets going into the backs of two innocent men in an act of pre-meditated murder, it was 'the sound of Liberty'. That is evil to all my friends, evil to US all. He has called himself "the white devil" while mimicking another he refused to allow speak for himself after all.. And no, a debate between US and Alex will not be done where he gets the cut off switch to deny all others under the sun who speak for real Justice. Real freedom.

Bush and Cheney are traitors to the cause of American Liberty. To leave them free, is to leave America un-guarded from further transgression.

Patriotic American Navy Vet is tortured by bushite nazi grunts
http://killfile.newsvine.com/_news/2006/12/21/491153-white-american-navy-vet-is-illegally-detained-tortured-and-tried-by-us-government?last=1166730840#last_4

Again, Reagan warrants death to all who torture, and a deep hatred for all ungodly in America who support it. Why? Because the vast American public (especially FoxNews treasonous LYING enemies of The People) DO NOT have the intellectual skill to understand what freedom is. Justice. Look at me! they can't seem to talk for Christ's interests, that smart ass know it all, where he thinks he's so ingenious where no one on Earth can find fault with his indisputable simple logic we share EQUALLY. (Bankers don't cover our loans for example) Kill my kids,

my spouse, myself, before allowing John to speak openly
in the public on Coast to Coast for open debate, all of
Americans say in silence censored. Why does America continue
to die this way? Because bushites are truly as they claim,
stupidly ignorant as treasonous cowards, or as
prosecutable criminals, evil people who only want in this
world to rob or murder People indiscriminately as enemies
to Justice, enemies to GOD, a Criminal. NOT A JEW you fuks!
George Noory will tell you freely all about his hatred for
our Humanity, he does it near everyday, though People don't
have the ears to hear, or the care. Too scummy. That
remember! get American GIs murdered by the score with NO
REASON AS FOR. Example: why bomb more than a million
innocent souls indiscriminately in Iraq, if you have
complete unrestricted access to go where ever you will?
And, that Bush, Cheney, Condi and such, knew from day one,
Saddam had all the WMD destroyed as documented fully, as
did I. Documents that BUSH personally stole if you recall
not listening to Alex Jones, Foxnews, CNN, or the CBC.
err. maybe it was Bolton - s-t-o-l-e-n -.
Likely, as a likewise deeply ignorant person, you know
little of Life as principled for individual freedom, and
couldn't care less what this boundless Universe offers
all in reflection, instead, it all about what's in it
for you as a lying cheating thief to this mystery right?
Wanna be a lawless mercenary to murder innocent people
dreaming of becoming a private investment banker, who
never earns a dollar in their entire careers, taking
trillions undefended from Humanity just to see US
suffer to deaths for our continued silence. All you have
to do is raise your phone to demand justice in our times.
All Neocons must be arrested for public trial, along
with near every last member of the Bush Administration.
PUBLIC TRIAL. And Soldiers must learn quick a commander
who doesn't support getting those responsible by following
the crimes scene leads, is a commander deserving of an
immediate firing. Otherwise, what use is the grunt
good for eh?

Again, Ron Paul like near all Libertarians, does not
acknowledge the wanting of Justice for the high crimes
of Banker fraud, Iraq, or 911! He took the "Truther"
money, but refused to support the arrest of Bush for
treasons times 50. Social Security he wants to gut
like Health Care as a sadist who knows near nothing
on how such systems currently operate. Again, he
does not speak of recouping the STOLEN 1000s of
billions from America, or the lives. STOLEN. What
is it that you can't figure here? Fuk ego, FACTS.
We are all effected by suggestion, this is why,

since the dawn of time, evidence has been the
prerequisite to convince ourselves of anything.
Alex's cartoon storyboard, is truly, as measured,
Alex masturbating with our precious times. Think:
Alex doesn't ask Americans why they don't support
the arrest of Bush for high treason because a world
where all are treated equitably is beyond his
understanding as a bigot. He could change, but he
is 'light years ahead of the Public'.. but of what?
All you need do, is every time Alex says "they",
ask yourself, WHO? - then know: the bartender at
"Bilderberg", isn't as FOR SURE guilty of crimes as
Condi from "Builderberg" is. The 911 plan came from
her very desk according to MSNBC, never mentioned by
Alex Jones. Why? You have to be near genius like
me to explain it COMPLETELY without even seeing it.
NOT MAGIC, more like meditation through understanding
our universe is ruled by good ideas. Alex is a man,
a Good man mostly, with some fears countered with
an irrational aggression (not thought through) that
found him blindly supporting the murder of two
innocent men. Not freedom. while I, am of God. An
actual god. The Son of Man as a matter of fact.
I want to tell you how great Life could be, but i
see so very little of words present to survive the
lawless corporate state. I AGAIN, will ask YOU to
forward this post to two People, but will YOU??
Torture is outlawed by warranting Death under Reagan,
and.. it's like the best way to resolve a FoxNews
'excuse' given to illiterate nazi grunts to abuse
ourselves as innocent others. Tell me I'm wrong. .
KBR rapes American women, or murders them, and needs
to be hunted down by All American military forces
for it, as trialled to death. Including all commanders
of the Air Forces responsible for bombing our families
without causes. And lastly, any that discourage our
grunts from not supporting the arrests of those that
actually did US wrong. Get to it.

NOT HIDDEN. Look it up. I mean it made almost all the major
dailies. See? This is what Alex fears, that wise men, actual
wise men, like myself, can put this stuff together in seconds
by freely communicating for open challenge on error, of what
would take others committed to dying through censorship for
blind fear, never in a lifetime spared. Who cares right?

He tries to divide the freedom movement
away from Justice for ourselves.

Question for Alex Jones NWOers, wouldn't
God, if we existed, wouldn't God, push for
a one world government where all are treated
fairly through Justice practiced? Yes or no?

America! I am King Johnny.. I am from the Planet
Earth, I've come to share the knowledge of Justice
in our times on behalf of this, Our Future Great
Triumph over Evil.

/ / At 8:51, the flight [175] deviated from its
assigned altitude [31,000 feet - therefore cell
phones impossible], and a minute later New York

air traffic controllers began repeatedly and unsuccessfully trying to contact it."

And one minute later at 8.52, Lee Hanson receives a call from his son Peter. \ \

Couldn't have happened, as is why, these phony "FBI" bushmobsters stole the recordings and don't want the still dying victims to know the truth of the Neocon traitors to God and Justice. Cell phones are not capable of paralaxing above likely a couple thousand. Someone on Earth would likely know the near exact scientifically measured distance as nothing greater than a couple thousand, for why the need to put towers all over our fair cities then? 31,000 feet is a distance of miles! Hint: 5,280 feet in a mile. 5.871212 miles in fact. Drive out 5 miles from your nearest cell phone tower, oh yeah, and don't forget to bring a elevator like aluminum box to stand in, moving 500 miles an hour, then ask yourself, how dumb does a Repuglicon or Obamanaut take US for as silenced to the tyranny of mass murder in my America?

TED SAID SHE DIDN'T HAVE HER PURSE
http://911review.org/Sept11Wiki/Olsen,Ted.shtml

/ / Ted supposedly told CNN that she called him collect. However; once a credit card is swiped, you can begin using the phone to make calls. So, no collect call would have been made. \ \ The allegation also has been debunked by reported to be, Airline officials who stated no public phones were even available on 177. That seems near too far fetched, BUT!, GTE Airphone reports DO SAY - zero call assists were made on flight 177. ZERO. So, how then does she make a collect call then, and why if as claimed, Ted and Barbara were madly in love, would she not know her hubby's personal number?

Remember, Ted was the coke pusher's lawyer in the Contra case, of which Ted, was also assistant secretary to the Solicitor under Reagan. The Contra group if you recall were/are pushing crack cocaine into major cities for plans to undermine the American government for illegal wars against peaceful civilized life as stolen profit. YOURS.

FBI SAYS TED OLSON LIED OR WAS DUPED. NO 9/11 PHONE CALLS
http://www.youtube.com/watch?v=v78ibOa4PDE

The Olson story would make for good horror
if it just wasn't so horrific. EVEN I'M
SPOOKED. Olson tells of a elaborate drama
where he learns, she without her pursed
cell-phone, has to call through the phone
records of the Justice Department. How did
he forget that fact when first pronouncing
of how she had phoned him from a cell-phone,
or, then from an airliner that didn't have
phones in the cheap seats, nor tear-gassed
upper-classes? The trouble here is that
a small cadre of bushmobsters keep hiding
the evidence on CNN, FoxNews and George Noory
implicating themselves at the crime scene,
as illegitimate "intelligent officers" -
we WANT to know our media voices the voices
of those who support defending ourselves from
the 911 war mongering terrorist enemies.
Evidence is the prerequisite.

BANKER SOLUTION

Solution: refinance near zero interest, (as low as we can go), and concentrate on returning all defrauded assets - working to put money in the hands of our criminally stolen from Low Income Grand Parents, who are robbed routinely in Casinos, and fraudulent mortgages schemes, where the intent is never succeeding but for the scammers playing US for suckers. LETTERS NOW RELEASED PROVE-Bush Intervened-To Suppress Torture
Evidence
http://www.democraticunderground.com/discuss/duboard.php?az=view_all&address=389x4994330

This is called ungodly nazi war crimes against
innocent Human beings.

Obama Gets Tough to Shield Bush Torturers
http://chris-floyd.com/component/content/article/3/1694-protection-racket-obama-gets-tough
-to-shield-bush-torturers.html

Who does Obama think we are as 'United' together
on pro lawless torture against innocent 'others'?

Wake up people, we are under attack by those who refuse US Justice to win Freedom for anyone. "Conservative" retards are completely lost here, because they do not have the intellectual skills necessary to understand: a person accused of a criminal offense without any evidence is innocent. Or, how about, No one deserves to be tortured for confessions on crimes left then unresolved for actual retribution. [Aegis OPENLY murders innocent families for more American paying for zionist monies - P2OG - YOUR Spouse, YOUR Child, YOUR family].

Following the crime scene leads of 911 to nab the actual evil doers is beyond the will of the deaf, dumb and blind? with lawlessness gaining for monetary loses due America as corporate cheaters. We are Brilliant, of that much I am certain. Conservatives are minimally, idiots.

Worst Person in American Broadcast Journalism
http://www.youtube.com/watch?v=ll2YW32bqi4&feature=channel

This is like, so profound. Gibson's condemnation is directly aimed at his own ideas of the subject he has no grasp of. Wow. profound. See though.. this "popular" FoxsNews celeb has zero interest in helping America succeed to defend freedom through lawful actions, because he has no sight of a better world blindly destroying itself. Hey Gibson! why don't you try and be a good guy for a change! No joke. Wow. Profound.

Obama Accused of Blackmail over Terror Trial Evidence
http://atheonews.blogspot.com/2009/02/us-accused-of-blackmail-over-terror.html

Again, Obama is taking a position to torture innocent
people here as a traitor to Just cause. Just cause to
live in a free society. Torture warrants the death
penalty under American STANDING Law.

Video: Cop Punches Woman In Face Four Times During Arrest For Riding A
Bike
http://www.liveleak.com/view?i=99c_1233639102

Top Cop Johnny Judge rules: Five years in prison.
Maybe fifteen if the dumfuk grunt, back from the
war against Iraqi children as a traitor to American
values, shows no remorse for his crimes against an
American women either. Absolutely any cop or soldier
who disagrees as true contempt for our freedoms with
punishment against this nazi trash pirating our
police uniform, WILL WARRANT death sentences all
around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives
of our endangered offspring. Again, without water
or food, Iraqi children are murdered by Neoconner
grunts irrationally everyday with nothing to say,
aka, without reason but as Satanic Bush whores, to
make our God as Humanity suffer further for their
escapes as actually selling freely, lawless zionist
savagery.

KILLING MORE OF THEM - reporting war crimes to the Police
http://www.youtube.com/watch?v=gB-KaIBDNJw

Again, a bushite has no commitment to defend
America, for it speaks nothing for the arrest of
the neocon traitors. traitors like themselves whom
will murder innocent folks like your Self to steal
our common values. Wouldn't you glory in seeing
these savage grunts who on video, indiscriminately
shoot innocent families, or bomb a city entirely,
executed by Christian Patriot firing squads? or
televised to fry in the electric chair for these
documented war crimes? I sure would. It would make
our world a much safer place to raise a family
secure in knowing, bushite grunts as enemies of
everyone, were hunted to extinction for their

crimes against our Humanity. Hunted by Johnny Law,
the True Spirit of America.

Johnny Law for Coast to Coast radio Host!

yaahhh im a real person! Wow eh? Now,

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be
an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men.

Christ speaks!! Echem.. This is called a criminal
action to falsely imprison American children for
more stolen money. Will the contractor be arrested,
tried, then executed in America to defend American
children? Unlikely, because it isn't as important
as how fat Oprah is today, or as Alex Jones the
bigot would say, on how daily, the hidden NWO elites
are responsible for every criminal action against
Liberty in America, not war crime dictating LIAR
Bush who told US Saddam wouldn't let the inspectors
in without corporate news correction, Bush, who
closed Police investigations on 911 for Enron, KBR,
and the Kissinger associates. And certainly not
Bremer for personally stealing tens of billions,
no no no, "just puppets" "just puppets" as instead,
the Illuminati in other words not allowed spoken
understood with Alex Jones NWOers. I want a free to
speak arena where 50 percent of what Alex spews is
truly dumber than stupid. Why? because he is controlled
through his personal weakness of bigotry, to actually
believe foolish things as factual. Examples are
truly endless when we discuss Alex Jones'
dumminess, but here is one example. Alex states
911 truthers were attacked in a TV show as NWO mind
control- but, the "truther" he referred to
talked in the drama on there being NO PLANES!
A dis-info bushite stooge if ever was one depicted
with special effects. We suffer with his bullshit
every day, knowing if we tried to phone, would
not be granted a minute because I, in support
of Freedom for America, make all bigots look truly
dumb as fascists lashing out at nothingness to
divide our masses. And apparently, he can't have
America becoming greater for defending ourselves
fairly through Judicial actions. Yet.

Obama set to allow Bush-era ï¿½torture flightsï¿½
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/articleshow
/4067338.cm

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember
corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change
this for our Humanity in this future, to look back,
and know, American males were men of the World, who

stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at
our words on this, I am,

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies
of American Liberty are eh? No concern whatsoever,
for all the teen soldiers conned to die for those
who committed 911 in NYC. The millions of bombing
victims, the tortures, the rapes of American women,
STILL, TO THIS DAY, left undefended by "the law".
Evil enemy of everyone these demon fuks are. How
difficult is it, to understand the facts they feign
complete blindness on? They WANT to con you as the
coward to life they are, willing to kill America to
make their antiChrist lawless enemy Mr. Bush happy.

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&
scoring=d&

Huh? "at last been disarmed..." ? How does he figure?
The equation hasn't changed. Example: The same
unaccounted anthrax, (that was disintegrated into ash),
still is not able to be measured as completely accounted
for, (never could be), but this bushwhoring war crime
apologist, tells US, it was only though the lawless
murder of our good friends and family for countless
generations, that he now attests without reason, or
evidence, to find Iraq in "fact" disarmed of it's still
nowhere to be found, weapons of mass destruction. (An
irrational reason he pronounced previous in corporately
broacasted public support of instigating heinous war
crimes against our humanity under the leadership skills
of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron.
And, the Iraq war is a war crime. But Ron, the
Fascist, doesn't want THESE FACTS uttered. Why?
Because wiser men would prevail, wiser men like
me who understand buying in bulk is cheaper. Those
like Christ who understand, who KNOW, the banker

doesn't cover our loans - so why give them as much as a taxed red penny?, let alone trillions as officially unaccounted for? They are stealing the cash Ron. Ask yourself: Why has Alex Jones forbidden his bushwhore cult from understanding Bush doctored the NIE?, or of iron flowing like water from the towers? Because wiser men would prevail and he can't have that. He called shooting innocent men in the back, an act of liberty. I, an actual god, unlike Alex, lie near never, but maybe to myself when I'm lonely. Alex yes will tell you rapists are free to do what they will in Texas to American children, un-arrested, but he won't mention it when the police chief is with him on air, talking about how he'd like to be exempt from traffic tickets for being so popular. NO MENTION of the rapists walking away without arrests made, no mention of Bush's documented treasons on 911. Where are Alex's priorities? In selling YOU out so he can be wealthy like a bankster?, and have special rights over everyone else that drives drunk, or speeds? a big hero standing over our dead soldiers yelling, I told you so, I told you so, I was right, I was right. Again, understand: It is not by my will to deny open debate with America, it is Alex, and his demon buddy George Noory that denies out Humanity this right. And when people try, like Peggy, or Black men on Jewry, Alex lies cheats and steals our wills for further thefts. Ron Paul's family has millions taken from loyal Alex Jones fans. MILLIONS! Does Ron do commercials with that money highlighting the bushmob's plan to invade Afghanistan, dated two days prior to 911 for Enron? Of course not, wiser men would prevail to expose him as the charlatan charity raider he is regarding Health Care, Social Security, Public Schooling, earmarks.. It is unfair to measure Ron against corporate nazi zionist whores of MSNBC who willing, openly, kill American teen soldiers for criminal neocon gains, as an honorable gentleman's talk. Half honest People like Ron are extremely ignorant on the workings of our world. EXTREMELY. I joke here not. Evil is the deceived disguised - translated - evil people are always dumb.

Corporate America says no, Charlie Manson was a genius, but not, that most Americans are prone too easily to suggestive states where they can be made to believe anything blindly. Think: what does, "bin Laden did 911" mean anyway? You should know of what I'm trying

to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study
required!! LIBERTARIAN HELL! Everything is not on
the Internet, where it near should be, but regardless,
a Libertarian can't be bothered to read anyway.

It's YOUR life. It's God's
Gift. Now support our rise for popular international
debates to get these Neoconners behind bars
awaiting Public Trials! "Public"thatsoyu!! Get to

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent
to sell us all out for monetary swindles, just
like Ron Paul did. Understand: Ron Paul doesn't
even acknowledge 911 was an inside job, or, that
Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that
he challenged Bush for eight years - Bushite
lying nazi traitor. Not only that, but he
also ridiculed those who wish to blame Bush
now for anything! Again, he doesn't want
Justice where bad guys can't steal from

"Conservatives" don't want this Freedom idea

like, their way, - then- all other opinion under
the sun on how things actually get done. (Aka
"socialist" traffic light repair men, or "liberals"

to what I am saying here. Liberals can be Dicks with
a capital D too of course. But a Hannity couldn't
survive 2 minutes with me speaking on his very real
treasonous behavior in OUR public arenas. Behavior
done to escape the 911 culprits from the long arm of

And Shawn Hannity can't have that for ourselves, he

takes too much money from ourselves as talentless by keeping US in the dark dying needlessly for traitors never elected publicly.

While Zionists OFFICIALLY target Christian school girls for mass murder, CNN instead reports that bushite grunts attacked girls in Afghanistan, posing as Taliban. I WILL every celeb at CNN to be arrested, tried and executed for the reporting they have done today without facts. can do no wrong against innocent people here, where
an illiterate nazi grunt, maybe from South Africa,
will kidnap YOUR children, and torture them to
death for sadistic pleasure, with as they did using
power tools caught in Iraq, according to Iraqi
government official(s), and several soldiers from
Oregon, all because Obama has given an ILLEGAL!
"excuse" to NOT support following the crime scene
leads at our REAL murder scenes? Again, death to the
bushite dumfuk enemy of God, death to the enemies
of a freeing Humanity striving for a just society.
Obama needs to be arrested for this under the Law
as it stands I'm sorry to say my friends. Why?
Torture is illegal in all 50 states, (as Reagan
directly planned), no matter where you ship the
innocent victim to, or from! Read the War Crimes
Act, then demand Justice today, otherwise, it's
YOUR funeral. Obama wants to secretly torture
Peoples here, while lying to US ALL that he doesn't!
A TRAITOR! Who also wants to give bankers 100s of
billions of dollars more to disappear, that WE pay
for, out our door, never to be seen as our own
again.

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after

911 (obstruction), or that WE have video
of iron flowing like water that PROVES,
without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with
all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice like your deviant election rigger,
Ron Paul? Well, no wonder, Alex told US he's
into shooting innocent American People in
the back as a tyrant of evil, a white Devil
if you will. Kids too if you dare look in
his back yard for a copper. See? Now if Alex
doesn't allow US to speak, more and more will
understand to know why. I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.
If I end looking foolish, (of which I like
never truly am), it's a benefit, because that
way, I've learned something. Alex knows
everything already, and 'is always right'.
Like I say Retarded. You weren't right by not
understanding that the banker doesn't cover
the loan. One example of easily hundreds. He's
a typical, he knows it all, know nothing dumduk
American. Hear him on health care speak as
Ron Paul does, and know, I defeat them in under
ten seconds. TEN SECONDS. This is why he hasn't
in years, allowed me to speak more than five
or six words. He's rather all America die, than
admit he does NOT rule our 'Ocean of Truth'.
I want the challenge of opposition through debate
to PROVE my skills beyond reproach. Alex,
every time, just hangs up on anyone who tries
to improve our communications by factually
speaking. Why? Because he IS TRULY deeply
ignorant on what freedom or Justice means. Why

we have law. What a consensus is. Allan Watt is severely disabled in this regard, another Alex Jones favorite. And this is why, Allan can't take calls openly either. He has jerked off with himself too long to quit now learning super basic precepts, for like Alex, he "knows" the inner workings of the 'genius' NWO elites. Not Law 101, not Bush, not Rumsfeld, Not Condi, not Torturers, not bank robbers, rapists, or even petty thieves. Allan Watt isn't a bad guy, he's just a chauvinist pretending he actually knows something, when his real disability is directly related to his absence in understanding understandings. Doubt is a near foreign concept. A challenge for Allan: can you get your 'genius mind' around the fact that Peter Powers did the London bombings, and not the Illuminati of 1463? and if not, why are we so dumb to our present plight that way? Don't get me wrong, Allen has much to offer, it just isn't the issue right now on saving our dying futures. Maybe I was too hard on Allen, he is really actually kinda cool. Alex Jones too has many incredible moments of ecstatic clarity increasing in all they joy of seeking enlightenment. .. Ok - but this is serious business that requires little dilly dally with what we'll have as a side dish in Paradise Lost. We are talking Human Lives have been destroyed by our inaction to remedy these failures to communicate effectively. and.. Jeeze, the weight of my responsibilities, as just plain John, being a/the Legos Man - for like the Family and everythings, get's me never forgetting, all we got are these words left dormant from the power they truly possess in the minds of the jack-asses. And.. here I am. I'm a Talker of Words looking to make a break in the NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

The Zionist enemy, the most evil nazi sons-of-bitches who openly advocate tyranny and oppression through mass murder of ourselves as the innocent left targeted defenseless. Enemies of Jews everywhere, the Zionist cares not for facts on who's Life it destroys for stolen gain by lying. That's why they target Jews, for fear the Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so,
why not demand the arrests of those who
broke the truce, and murdered innocent people
indiscriminately, on plans more Jews would
die for cash profit? Profit paid for by
zionist amerika? - the false imprisoning

http://nawaat.org/portail/2009/01/23/belgian-court-petitioned-to-arrest-livni-upon-arrival
-in-brussels/

"We believe there were dozens of IRGC
personnel in the Gaza Strip during the
war," an Israeli source said. "Some were
killed; others went into hiding, and
others escaped."

See? the demon enemy of God speaks no
evidence as a TRAITOR to every Jew. A terrorist
nation that still steals humanitarian aid in
our public realm of left defenselessness. The
false allegation deserves a death sentence
by Jews against the war monger Zionist enemy.
A cause that Iran should champion, if in fact!,
this allegation by OFFICIAL WAR CRIMINALS WHO
TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's
face, unsubstantiated as patently, demonically
false. As typical from any godless Zionist.

Where are the Americans asking for the
formal arrest of Bush for high treason?
Whoring for Alex Jones's contempt for REAL
Justice? The ignorance of all American
talk radio hosts speaks for itself. NO
knowledge on why acts of high treason, are
crimes against every American. The bushmob
doctored the NIE, and Alex doesn't want
Americans to know, because if they did,
they ask, why does Alex do everything he
can to escape those personally responsible
for 911, while then asking for money to
continue his fight against freedom in

America. Again how much money do we have to pay Ron Paul or Alex Jones before they will allow the knowledge of the Iraq war against Human will is criminal? How much?

Obama! feel free to call on me to help out with a plan for judicial actions. That offer goes out to everyone in Palestine, Canada or Britain too. Russia, let's help out these fools by freely communicating, what say you? Justice for all is freedom to be. The Israeli cop killers must be brought to justice for war crimes. Those cops, were cops. And I, am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am an ACTUAL genius, and he is generally, an idiot. Today, he did one of his usual commentaries, however this time, he was pretty honest with himself, and his love for Ron Paul. Ron Paul sells incompetence, and Alex corrected correctly!. that a.. sorry Ron but these banksters know they're robbing us as undefended blind men essentially. That's what I'm talking about!! Look, Ron Paul can be a dumb Ass, although, he's still not all that bad a guy. A Dumb guy on things like economics sure, Justice, warfare, Health Care, Social Security, ect. ect. but still., like a child learning of why the sky is funny blue, isn't all that bad a guy really. He's certainly not a war criminal, like Bush or Rumsfeld are. Doing 911 then sanctioning torture. While Neocons Champion sending illiterate American teens for death as war criminal. Think about it. Maybe he is..

-

ï¿½We have all these documents that are now publicly available that prove that these methods of interrogation were intentionally ordered by Rumsfeld,ï¿½

Let us understand. These actions "give" a guy like Willie Brand "the right" to RANDOMLY kidnap men, women, or children, and torture them to death for sadistic pleasure with his faggot Capt, Christopher Beiring. (I think that's how it's spelt). But anyway, this is the truth. A bushite is a godless Zionist whore of Nazi

evil, an enemy of America, who wars YOUR Freedom with criminal "excuses", for refusing to support the arrest of those responsible for 911. A TRAITOR, and could be wannabe rapist, robber, or 911 mastermind ringleader. Torture is illegal, and warrants the death sentence, according to, Reagan's "War Crimes Act". Some only suggest, that this was why someone tried to kill him as honorable. Death to the torturers of our innocent families, torture they do without apology as Zionist Military "Judges". Instead today, where they get salaries paid in the billions by the zionist giving nation of, a-mirror-kay, echem, America. Johnny's America. A nation where Justice will rule for the favors of all treated equitably with or without you. Honor me in company my friend. We have no rivals.

"they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else up with charity?" Then went on to say, it wasn't any of our business with what they did with the money. (But for to cover criminal fraud in the derivatives market, where the true value of said commodities were backed by ZERO capital. ZERO DOLLARS. WORTH NOTHING. So, think about who's truly giving it always here until Johnny, the man who came out of nowhere, arrived to explain everything in five or six minutes.

ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN
DEFENSE OF OURSELVES IN OTHER WORDS? That is
right. They, as documented criminal, lose
every debate personally since before the dawn of
Civilization because their position is clearly
unsound. They are criminals who murder People
in hate for a freed Humanity. They OFFICIALLY
steal Peoples homes in that country didn't you
know they proudly proclaim it so? And steal
humanitarian aid from starving children.
Targeted to murder children specifically as
publicly confessed, 'it is Hamas WE blame',
not them as demonic child murderers. Hideously
evil as ungodly sadistic savages. Enemies of

Again, these peoples are not Jews. Being
Jewish is a religion. These thieves of God
are Satanic in their LIES to betray the
common trust in our words, that bind all
worlds to victory, called freedom universal.
Even tales of the Devil have him keep his word,
with verses specifically condemning the self
to damnation for targeting the innocent for
death. God's the Word. Every word inside a
fool's paradise. Including the periods. Not as
like, I'm playing a word game, but that it in
wonder, is all strangely here. Example: The
Universe as it has existed always, is not
separate from our 'pauses', or faulty drawn
conclusions. The universe, in one sense, was
as good as anytime, created 6000 years ago.
AS TOO 50 billion. You say, impossible, I

say no, study quantum physics, and know, I live this.. our existence is not scientifically separate from the timeless nature of consciousness, proven as not only theoretical, but actual. That is a first step at developing a REAL relationship with the living Universe if you want to as like an artist does - that TOO! can be just as thought static in it's orderly constructions for Atheists. (An Atheist is still mostly a fool here however.) Overall, for any, it's sorta simple: Life has left YOU in charge of YOUR fate. Now, do well to make something of this being as eternal Life reaching for balance, as your body does, and good cops do when bringing the bushmobsters to Justice. By Israeli calling for more murder against the innocent of your mind as racists and bigots they are openly, is still shadows of YOUR mind, YOUR WORLD.. get it, got it? God is in genius to set Life as this, as like, nowhere existing, but for as yourself within. Will you speak out for the Justice denied Humanity?, or not you? Atheists can be Just too!, but generally lose it on not understanding the intelligence of order is way beyond what they dream up with assumptions. All anyone has to do is ask themselves, who do you mean "God"? Atheists are ridiculous!, but, to each his or her own, we are on a path here, believe what you want to believe. This is not a faith initiative I'm bringing by keeping this real, I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder Jews around the world for stolen money is seriously evil as criminal. What do you think? Let US have a open line discussion on this indivisible matter of rights to all as equals before who ever we proclaim, I AM.

I mean you right? Say it with me... "I" "AM" we are good to go.

Again, Americans need to demand the arrest

Did you hear Alex's NWOer yesterday state he
doesn't want anyone to speak as Justice for
Americans because to learn even the most basic
of precepts for Justice, he can't pretend he is
a Freedom Fighter begging US for more money?
Like multi-millionaire Ron Paul, who gave the
fixed election up to take our money and walk
away. How much money in the millions do we have
to pay them at GCN, before they will acknowledge
the Iraq war is a war crime? THEY NEVER WILL,
because the faggot owner has a son who's into
raping American women as lawless enemy of Life.
Americans are indeed, selfish, like all the plane
crash survivors telling US how they couldn't care
less that Israeli nazis are openly targeting our
Christian children for murder with their tax
money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of
wall to wall coverage. Telling us again of how
Christ saved your life as a lifeless degenerate.
I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really
don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

for mass murder.

Google have attacked US again as Evil doers..
They have again destroyed my writing with war
criminal intent to deny these truths as men they

STEAL our voices.

They are jewish criminals, not criminals because they are Jewish.

HERE IS WHAT GOOGLE IS:

HUMAN

These war criminals need to be arrested for Murdering
LIES against the lives of every innocent Christian
and Jew. Godless zionist nazi bastards are as evil
as they are dumb. Get every man who defends freedom
truly to hunt down these satanic demon ENEMIES for
thee True Jewish Cause, to ask it why it lies as an
enemy to HUMANITY, to murder innocent others as
evil doing thief to Freedom. A thief of Jews
everywhere to know truly God as Love and Justice.
Not only will Americans celebrate these neocon criminal's
freedom to call for the murder of innocent Christians,
as he does without arrest, "Americans" too, will as
Satanic refuse to hunt the ungodly enemy of the Jewish
faith down as Nazi hunters. No, Americans, cowardly, are
committed to dying with the Nazi Elite, as such
to escape of the Neocon terrorists who participated
in the mass murder of America for more stolen money
as war criminals.

Forgetting about the truce given to those in
a concentration prison camp? Where they are denied
food and water? In curfew prior to near half the
days of the year, for years? How could they not
to claim such self righteousness? They don't bother
because they'd rather YOU were made innocent victim,
then them, Zionists who would screw you out of a house
called home. Did you know: they openly steal Peoples
homes in that criminal nazi state labeled godly?
Of whom openly thieve? Officially? Yes, and they try
to thieve the title of Jew from the Messiah too,
but I'm not going to a slave prison death camp
for innocent humans, I'm fighting back to demand

What kind of "Human" would commit such crimes against

Stressing that Israel was "the first to stand

it's good to get killed Jews by breaking truces

free American Welfare money we can steal through

Simple Common Sense for Mankind

/ / Israel has admitted HAMAS kept the cease
fire; and that Israel broke it, then unleashed a
total starvation blockade on Gaza followed by
flaming death from the sky aimed at schools,
hospitals, ambulances, and children, and you
dare call the people opposed to such barbarity
a "mob?" \ \

Zionists are evil people who pretend they
are honest, when lying directly to everyone.
Blitzer reports Hammas broke the truce, he
is lying to continue the murder of innocent
peoples. Understand: Israeli Nazi state they
will continue to murder our innocent Humanity
until the rockets stop falling on Jews. Yet,
they broke the truce, and murder Jews routinely
with reckless abandon. Jews from the Bible as
of "nigger" Ethiopian, are what the Zionist
hate when warring GOD for apartheid, apartheid
that is Humanity in Gaza. A zionist is a war
criminal who speaks not against the neocon,
but against Innocent Humanity as YOUR enemy.

Livni: Gaza truce would give Hamas legitimacy

As they always do because they are dishonorable
murderous nazi thieves of God as Just cause is.
I am, and YOU are, you just maybe don't know it
yet, or if ever. A zionist serves Satan to escape
the neocon terrorists from their ungodly crimes
on 911.

Ron Paul:
US Will Be Rightly Blamed for Israeli Killings
http://www.youtube.com/watch?v=6C756NOPyDA

Not the Nazi Israeli?

The guilty party are those who advocate these
mass murderers of innocent peoples with
deliberate lies, like from Blitzer. Blitzer
will be tried, and executed a war criminal
for stating Hamas broke the truce., Where,
only two minutes earlier, he learned, that
it was his Nazi partners. DEATH SENTENCE.
It was on TV. BUT SEE? Ron Paul, the Libertarian,
ain't going to be honest here. He'll lie cheat
and steal Humanity's voice for Justice - like
he did with OUR money. A typical Libertarian
like Alex Jones who wants to blame "socialists",
"Liberals", aka, all of innocent America.
Blitzer is war criminal, who makes his own
discussions. As is Ron. What an enemy to not
mention the truce. THINK: IT IS THE ISSUE. But
Ron plays the dummy to kill more with contempt
for Freedom. Ron Paul, the bigot, asked,
'should we be doing this'? SEE? it's not first
degree mass murders, no, according to Ron Paul,
it's argumentative that indiscriminate mass
killing is a good thing really. Remember,
Ron Paul does not support arresting those
who committed mass murder on 911 either.
Or those who STOLE TRILLIONS. Or lawless Bush,
the ACTUAL AntiChrist enemy of God. Ron Paul
will watch America die for a stolen dollar.
And Alex Jones will refuse all calls to label
him good guy like himself warring order
to our universe for it.

Israel is [NOT?] responsible for these childrens death

Ron Paul "When we pick sides, we make it worse"

He also took our millions donated for freedom
fighting away for his family, but not our own
as dying innocent victims giving. Pick a side.

Remember: Sadistic authoritarian George Noory
is a very real DEMON of Satan, who again,
openly tells US, he wants to murder our
species as the innocent forsaken, and Alex
Jones doesn't hear a problem with that
either. Love the bushite blindly, and
they'll kill US for a dollar sukka.

Alex Jones is like the retarded brother we
can't help but love because we're human. He
is still retarded. And George Noory is still
seriously evil as a traitor to the cause of
Freedom in America. And Ron Paul is still
slamming Ron Paul.

Ron Paul "Israel can not act without
Washington's approval"

So, it is Ron's fault then by not mentioning
the truce?, or as that, innocent People are being
indiscriminately murdered in a death camp that
he figures is argumentative? that innocent
People are dying as targeted for mass genocide?
Or is it the Ron who states YOU are to blame
instead of himself for being there, not saying
anything? HEY RON! Can you hear me now!

They are targeted by Obama who suggests
there is an argument to be made here. There
isn't. Nazi Israeli DEMON LIARS broke the
truce to kill Jews for money. They are godless
enemies of Humanity. So it isn't that we are
pro-Palestinian, it is that we are pro-Human.
Zionists DESERVE to die, before US, the innocent,
they target for murder for stolen cash gain.
Like Obama has promised to do for AIPAC. But
what about the rest of US 6 billion plus Obama?
Who is it of US innocent folks do you wish to
MURDER, or torture next as a Zionist war criminal

Israel, tell US Obama, which American father will

Zionists Destroy Our Homes as Satanic
http://www.youtube.com/watch?v=mo2HW4T7wK4&feature=related

When I see the women and her child, left outside
while they sadistically destroy her meager gains,
I grow weary with ourselves for not speaking right.
Nazi Israeli are committed to deny US our God given
rights as Innocent persons to speak freely for Justice
realized. All because they STEAL our Lives for monetary
gain. It is our reality, give it or take it, YOU LOSE.

Then.. Hammurabi founded Civilization.

I go concerned for any hesitations of condemnation by
Obama. It's like, he's talking some jive about
how now he'll NOT let the words of Hamas reach
his ears. Being against war criminals, doesn't make
you pro-Hamas, necessarily, it means your against
war crimes to defend the lives of ourselves respected.
Remember: He told US earlier during the campaign that
he wouldn't fear speaking to anyone, Hamas especially,
because he was confident he could win the discussion on
Liberty, by principles that unite all free men. Now,
he has promised the FBI's Most Wanted AIPAC, he will
pretend to not hear any calls for fairness as all
parties united by common cause. Johnny Who? Where did
you go Obama? You were here, then.. pooof! you
vanished into the loving shackles of convicted/ing
criminals is a mass, "WE ARE TRAITORS TO JUST CAUSE"
organized war crime outfit, dedicated to deceiving the
Public by lying. I am not Lying. I'm not saying I hold
his associations as a measure of himself, I am concerned
with him stating, he will not hear our cries for Justice,
as then AIPAC cheered. I was as freaked out about it as
you maybe yourself now, believing it as possible. Check it
out for yourself, and wonder, just "who" is this person
they tell us they're are going to take for as dying fools?
I mean look at what happened to what's his name, when he
sided similarly the same in error as hugely criminal? Come
on be honest with us son, "Are you on drugs?". Maybe he's
just been stressed with all of everything he is heaped
to follow on, NOT to know by Blitzer, that Israeli broke
the truce to kill more Jews for money, and, also STEAL
innocent Peoples Homes while saying, "they are God's

Chosen". Yeah, chosen for, "The Bad Example", of how
Jews are left undefended by these grave robbing war

terrorists, and their supporters for lawless tyranny.

Israeli are attacking prisoners held criminally
in their own Death Camps!! GET ALEX JONES ON THIS!

Hmm... why wouldn't Alex? to support his fictions
over Our Rights to Live Free perhaps? A Hero adapting
to the deaths scene?, or, a Bush whore committed to
enslaving Humanity, all so he can say, he told US so.
Big hero or big hero. Your NOT powerless to his vision
of complete control over information. He refuses 911
info, Iraq war info, Israeli info. All so he doesn't
have to look the fool, while Humanity dies with his
insults against our wills to make something better
of ourselves. Justice is what I will. Masturbate on
your own time Mr. Alex Jones.

If he states again about how he knows everything,
and is always right, and those that criticize
him on ANYTHING are delusional, it's going about to
make everyone further sick with this obscene take on
what life means as Alex takes it. If I truly state
two nickels make a dime, does that mean therefor
they make a quarter also? If I say so like Alex
would? He is an idiot. Truly. George Noory figures
Hamas broke the truce, and that the Mideast solution
is that Jews should be separated with special rights,
as oppressors over the freedom of every Palestinian
Prisoner, and what's Alex Jones gonna say about
his 'truth telling freedom fighter' George to actual
'lame ass evil nazi traitor' George?, to YOU about
how George is just trying to murder millions of
helpless people as an offer for the final solution?
We can expect Alex now to claim, Zionists should
have special rights over Jews, all to maintain
his FICTIONS on Noory being anything but the
monster to Humanity he is. Just because Noory
doesn't growl when talking about murdering all
children in around the age of 15, or against
soldiers who refuse criminal orders, does still
make him a true fascist nazi enemy laughing at
your murderers escaping to live freedom in
our dying forsaken worlds. The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know

these FACTS that demands arrests of the culprits responsible for high treason against Johnny's America. Now, who's with yourself. I am! I am! I am!

Alex Jones doesn't know squat of Social Security, but pretends he does, like Ron Paul does when speaking of the Federal Reserve, Health Care, IMF, World Bank blahblahblah.. I mean even the expert of experts Alex has on near twice a week, EVERY WEEK, to talk all about how the Illuminati are doing everything,(give me your money now for whatever), DOESN'T SAY TO KNOW, it was Chris Cox who changed Investment Banker rules, to cover instead one tenth of WORLD INCOME loans, to one twentieth. MORE THAN DOUBLING THE ENTIRE GLOBAL MARKET FOR LOOTING WITH HIS SIGNATURE! (And. that isn't even a fifth of the TRUE trillions dollar fraud story.!) Now, granted, I wouldn't expect one tenth of one percent of America to have even a distant clue of which I am speaking, but importantly, Alex's expert of experts has never mentioned it. EVER. Why? He don't give a fuck, but how much money he can get you to give him for investing in things that are un-important to our struggles, but for the fact, he states, you'll get free money for nothing!! OUR ACTUAL PROBLEM. It reminds me of those Ron Paul dollars... where Ron'll fix everything, cause we, as a private company, are going to make YOUR money instead... holy fuk mon.. Talk about the kettle calling American racists. Thank God the FBI stepped in. (The answer unfortunately is not nowhere as easy as Alex would blindly lead you) - again, so I guess it will be, Americans were just too far gone as illiterate chauvinists, who cared too little for your freedom as themselves degenerating. Why? To battle tyranny they knew not Justice wins the day, and blamed innocent groups gathered wherever, instead of following the crime scene leads at the real murder scenes - like was once done on TV and at the Movies. But even that was too far above their doped down heads, to raise their finger to dial a phone number.

How about stating "A lawless bushite enemy wars America as a traitor, to escape the neocons from the crimes of 911."

Then Alex states the head of GCN is giving out gold at less than it's value as a special treat, every second or third week. Below wholesale. Now, really think this thru. Do you think Alex is trying to con you here? you bet. That is the Gold Racket. Diamonds are another thing - where I've personally seen, about a decade ago, a huge press that makes Diamonds

out of coal. Swear to God it's true. Costs to make diamonds are pennies to the thousands paid to Zionists who live in Israel calling for the murder of all innocent Peoples. Where is the rich Zionist, grave robbing Jew hater to demand Justice for our times? Where? Pressing coal into diamonds, while advocating the murder of our entire Human species. THEY WANT TO KILL GOD AS SATANIC ENEMIES OF LIFE. While I am last known to Life's enemies as Jesus Christ, the Zionist's end every time. I'll have brought more Zionists to their rightful dooms, than any other, of any time, anywhere. I HATE Zionist bushite LIARS to death, all because I Love Humanity too much, to watch US die undefended as the innocent forsaken. They can change their evil ways, but till now, often not, benefiting off our suffering as war criminals who simply lie as demons to steal our Human values. Let's change this for our betterments. I mean the Halo is a dead give away..

The head of GCN has a son warring God to rape American women as lawless enemy in Iraq for the Neocon - again NEVER mentioned as something worth fighting against for Freedom in America - soldiers are suppose to REFUSE criminal orders - but not when Alex is at the mike. He will never mention the Bushmob doctoring the NIE to con America for death as exampled, because it doesn't fit his fictions, where all the bad guys escape because they are geniuses headed by secrets so powerful, nobody can ever know'em, except Alex. He tells us near every day, he knows everything already, and is never wrong, therefore you can't criticize him. Bullshit. It's like he wants to be wise like Johnny Gawd is, without doing anything like studying for a test where the teacher actually does know the issues. He told US today, the British came up with concentration camps, from the Indians - who spent all their lives murdering themselves. The British 'invented' false imprisonment? The British came up with the, Jews Killed Jesus? The British invented Pope Gregory VII? I suppose Alex has never heard of Ghettos. SEE? he just pulls shit out of his ass, and calls it like it's truly pure gold you'd wanna buy. Those, like your typical American have no clues, so they figure, Life must be sorta so that History is all one big Alex Jones NWO cartoon. What? that the NWO did 911, and everything else that use to instead, require criminal investigations to nab the actual evil doers? Alex Jones IS the NWO he tells US all we should be concerned about never stopping,

like it was in the DARK AGES. Justice Alex, why is that hard for you as a "Conservative" to figure? Is it because you are cowardly in the face of true Liberty? Afraid that some People, on some Issues, ACTUALLY know a great deal better than you could even imagine presently? Don't like that do you?, where you don't rule this Universe as a lawless tyrant desperate to live in an illusion at the expense of everyone else dying victims to censorship? Does he try to find wise men or women? rarely. "Ron Paul [MUST] leads our truth movement" - like, fuck off already with the Ron Paul, The Truther, Bullshit Alex Jones. 1% is what YOU get on Social Security deposits - 1%. And.. Bush stole 700 billion. 700. Billion. That's 700 BILLION. It's a "Trust" account. A "Trust" Account. It's being held in "Trust" Alex. Ron Paul is asleep at the wheel. As, so are the rest of all you other fools.. I want Justice, and I want it now for all the victims of 911. Americans be damned, we want Justice, and We want it Now.

In Texas, child rapists are given the right to freely move about without fear that Texans will stand as armed Men in defense of their very own offspring. And Alex wants this for the rest of America. That some how to own a gun, means an American would kill a cop who beat a women near to death for pleasures that he could never be Publicly arrested for, as a sadistically evil nazi bushite fuck. Look, if YOU DID kill that particular DEMON COP after the Chief refused to arrest him, you couldn't possibly go to jail in Johnny's America, because the truth would win out in a fair verdict. And REAL cops would honor you with great big, thank you. Nothing worse than a cop (or bushite grunter) who believes the Law doesn't apply to him while he drives drunk, tazers someone for nothing, abuses Women, or kids, to sell drugs, or kills good cops, who are good men. (Like mercs do in Iraq officially for Rumsfeld's P2OG. Coming to an American city near you!)

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

"Rice says it is 'hard' for Israel to spare civilians in Gaza"

We KNOW they are ONLY targeting innocent People, the ungodly zionist Satanic enemies say so..

"Israel Rejected Hamas Cease-Fire Offer in December"

Livni has declared her country "is not going to show restraint"

"Her" country?

It's like she's admitting here, that they DO NOT
target the IDF's Hamas, but only our innocent lives
as a threat to LIFE and GOD. Remember: the Zionist
LIARS broke the truce.

THIS NAZI ZIONIST FUCK BREATHES THE AIR OF US

/ / So, Hamas decides it's time to end the
cease fire and has begun shelling Israel again. \ \

This guy even sounds like the Satanic false
accusing enemy of God he is. Let US, as Humanity,
hunt these real devils down, try them, and have
them executed publicly for the benefit of God and
Man. Understand: this REAL DEMON knows he's lying,
no living man on Earth could spew the vile lies he
does to excuse indiscriminate mass murder, or starvation,
as this Zionist enemy of life sells to STEAL Your
HOME, your Family, YOUR LIFE. An open enemy of God
trying to STEAL the Title of Jew from Christ. EVIL
ENEMY OF LIFE. See, when a bushite dies, you served
Life well in defending their next INNOCENT target.
BILL HIM FOR STATING ISRAEL WAS STRUCK THOUSANDS OF
TIMES. BILL HIM FOR STATING HAMAS BROKE THE TRUCE.
BILL HIM FOR STATING bin Laden DID 911. BILL ANY
Zionist FOR THIS TREASONOUS LIE. Why God asks? Because
there isn't any evidence to support that Satanic lie.
According to the FBI. And according to God, Zionists
are not Jews, but of Satan as enemies of every life
form in this Galaxy, Hunt him down, and bill him
today for the love of God. You can 'hear' it in his
voice.. how he lies TO YOU as a DEMON of a Hatred
for Truth and Humanity. Facts, that are easily
available, are not what he works to mislead others,
others he hates, and wishes to murder for as ungodly
sadistic pleasures as YOUR enemy. Bill him under
American law for being pro-torture too while we're
at it. Death to bushite, death to the murdering
enemies of God's Love for Mankind, and enemies of
TRUE Justice for Americans. The fuking demon enemy
lies to you, as a con to STEAL your life, or just
as soon, the life of another innocent other. Now,
what are you going to do about it? Except his lies
as exceptable, as he tries his hardest blatantly
LYING to kill God and Justice in our Worlds? Not
in mine, but perhaps Yours.

' In Civil-Contempt Cases, Jail Time Can
Stretch On for Years for Americans, without Ever
seeing a day in Court. '

Where are the arrests?, then firing squads for
the Judges who 'judged' such criminality against
freedom for US, the Peoples in America?

' Where Did Taxpayer Money Go? Panel Slams Treasury
[FOR STILL REFUSING TO SAY] '

Where are the arrests?, they stole eight trillion
and counting.. And Congress 'slams' them for
disappearing OUR MONEY. Slams with what?, a,
don't do that again please butt sqeeze? It should
be massive slammer time, with a return of all
STOLEN monies.

' THEREFORE, those pro-Israel politicians in Congress
won their seats in part using stolen money. '

Where are the arrests? Amerikan bushite nazi grunts
are assisting in the mass murder of innocent Christians
in Palestine. War crimes demanding death sentences. It
isn't an argument that can be turned around. Nazi Israeli
STEAL Peoples Homes without apology, as a function of
their SATANIC government, while colectively bombing the
INNOCENT victims who die because of it. It's a prison
camp! they are denied water, food, shelter.. since four
or five truces over that they've broken, every one. These
are Satanic enemies, willing War Crimes against God,
a God NOT loved by zionist American Nazis. And a Son
as powerful as the four winds, ridiculed by Zionists,
and American know nothings, for the continued debasement
of YOUR soul worth here dying.

Israel Attacks Iran News Station

Why does not Iran DEMAND arrests, and death sentences
for these blatant war crimes against Humanity committed
by Amerikan Nazi Israeli Zionists? Along with the

Pictures of Alex Jones masturbating
"we were right about it all."

It's the NWO! The Illuminati! Not Bush, Cheney, Neocons Gone Wild, or any of many other REAL criminals, for the war criminals are just puppets to his EVIL fictions. Forget about Bush escaping.. Socialists who design traffic lights, and Liberals who will to share fairly are Alex's enemy, because he's fearful the FACTS would escape his denouncements against truth tellers. George Noory, one of the most despicable individuals on the face of our great Earth - is exactly the kinda guy he wants returned to send his wannabe Patriots nowhere but to die. What about Justice America? The bushmob doctored the NIE. TREASON. There is video of iron flowing like water from the towers, seconds prior to the collapse. Alex ain't there to help US, for that is where TRUE Patriots fight for real Justice. When WE phone with indisputable facts, on Ron Paul the bush whore sell-out for example, he lies to all (GOD), then hangs up on US. Is that the kinda freedom you think the Founding Fathers had in mind to give Your rights to speak for Alex who blames anyone but the criminals directly responsible for your funeral? The private banker never covers our loans, so why give them trillions without questions offered without answered as, never mentioned by the guy who is 'right all along on everything under the sun', and.. he 'rules the Ocean of truth' too don't you know YOU have a steak going all rotten to hell here also? You'd think Alex would take our call just for the challenge on where we stand? I'm free!

He is not. And George Noory tells us openly, he's into killing innocent kids for profit. George's profit is that apparently, by murdering all children in around the age of 15, will stop them from getting a clue at anytime in the future, to take him out as an ENEMY of EVERYONE for censoring our cries for Justice. Why is it that Alex would invite obstructionist, Steve Quail, or Alan Watt, on to lead you nowhere while they jerk off, but where we gotta go to actually defend ourselves? Steve has been on with Noory more than a hundred times, and, we'd figure, Alex will soon be delving into the Alien questions also. Answerable by me in seconds, but ahhh.. like Noory, doesn't want the truth of such a subject uttered,

just endless streams of illiterate bushite dumfuk
losers sucking on each other. While they wrest
from US the wonder; just why we can't stop
criminals from robbing ourselves, while murdering
our families? Alex wants to blame the unstoppable
NWO, while I, want to blame those actually
responsible, like Bush and the proven treasonous,
Neocon terorist liars who are pro-torture.
With arrest warrants. All of them. I'll do it for
Reagan's, War Crimes Act, as an act of respect
for my Great America, that's isn't always been
dying dead wrong under the leaderships of
criminals.

Israel hits Gaza after UN truce resolution

The IDF's Hamas is hammering away with what at who?
Is the AP referring to the tin can rockets that

22 miles? To kill a Jew standing outside in his

your dead, but really, what do you think the odds

Israel Attacks Jews,
Silence from Mainstream about Violation of Law
http://www.youtube.com/watch?v=K1kt8qi0M-M

They kill Jews for money. They bombed Jews in Lebanon
for money. They want to bomb the HUGE sacred Jewish
communities in Iran.. wonder why? Zionists are not
Jews, for Jews don't steal in God's good name. Nor
target innocent beings for stolen gains. A zionist is
a thief to life, and as such, needs to be formally
charged for their criminal offenses, given lawyers,
and upon a successful prosecution, rot in a prison
cell and/or pay restitutions. YES. why? so not another
innocent person must fall in their place as next
victim to a zionist's public commitment to lawless
tyranny for evil intentions.

This Zionist enemy of God speaks like a six year old.
"Hamas Terrorists", "4. Jan.", come on now, how evil
do you have to be to believe this ungodly demon sells
you righteousness. They STEAL our food. They are OUR
criminal enemies who torture innocent Peoples. A
godless criminal enemy who also steals Peoples Homes.
And drops millions of land mines to murder Jews
indiscriminately for decades. Commits war crime after
war crime against Humanity. Vile bile.

They killed our innocents, and unless we kill

It is the crime of which they demand WE are outraged

Let US never forget, the Zionists also would bomb

be destroyed instantly by the Zionist flying the
America paid for Apache. I did a big show of shows

scenes perpetrated by the treasonous, neocon Zionist
terror merchants. It's like they think some dying

are not only the bad guys, but they're bad guys to

murderous thieves. A Zionist will kill a Zionist for

/ / It is just unacceptable to apply two standards of

Israel and her supporters maintain, then what the

The ungodly zionist enemies, are enemies of

private banker frauds. The banker does not

CNN: The Nazis Broke The Ceasefire!
http://www.youtube.com/watch?v=KntmpoRXFX4

Protest pictures from around the world (not on CNN)
http://www.rys2sense.com/anti-neocons/viewtopic.php?f=11&t=16496&start=0

Remember Israeli nazis to this day, insist as
DEMONIC LIARS, Hamas broke the truce - as Hamas
is responsible when they target school girls for
slaughter. They said the UN were secretly attacking
Jews, clearly a LIE as impossible to prove because
it didn't happen. But facts are the furthest thing
away from the godless false accuser Zionist con man
or demon witch LIAR like Livini. FoxNews calls the
demon witch a Jew! ANTISEMITES.

We can witness, Americans do not have the intellect
to understand what this means. See, LIAR Nazi Israeli
broke the truce to get killed Jews for money. A
regular fair for Nazi Israeli. Now, they state they
will continue to indiscriminately murder humanity
until the tin can rockets that travel miles stop
killing Jews who hate Zionists. But importantly,
it is Israel that wants Jews to die, so they can
make off as Satanic with our stolen values. Just
like the Bush family did with Hitler, that the
Nazi Nation has no probs working gun in hand to
wipe out Jews everywhere still to this day. Again,
Nazi Israeli MURDERED JEWS in Lebanon as targeted.
And leave Jews to starve to Death in Israel for
more charitable aid they can use elsewhere. Public
knowledge not disputed by any living soul on this
planet because, the Zionist government admits freely
to this. Israeli think being Satanic is worth it,
for all the money and lives they can steal as enemies
to Christ, Hillel, Mohammad, YOU, blahblahblah.

And, as demonic thieves, they steal homes from
innocent god loving folks. US. But see the McCainiac

HATES you as being a virtuous man or women, so they call for more indiscriminate carnage against Humanity, on failed hopes, that we as God are not going to come down to hunt them to the ends of this earth, try them, and have them executed for the war crimes of Torture, Rape, and mass murders committed for the neocons escape of 911.

Joe the Plumber to cover Gaza op

/ / Wurzelbacher says he'll spend 10 days covering the fighting and explaining why Israeli forces are mounting attacks against Hamas. \ \

Don't want an intellectual who might have a clue of what is transpiring with the forces of Satan, fuk, CNN'll likely hire him also. Don't you just hate this treasonous lying nazi demon? He has no journey man's license, never did, isn't a plumber, and doesn't have the millions of dollars he claimed he did to purchase a company that would have rolled over 250,000.00 a year for himself alone plumbing. Plumbers, as good as the job is, never generate that kind of money. Who cares though, right? A Nazi liar is what Zionist's want, and that is what America gets. TV'ed Americans couldn't care much less. Evil nazi McCainiac who's sworn existence, is to con teen soldiers for death to raise the fortunes on the un-elected Neocon bushmobsters now fancies himself a teacher on the struggles against evil. It's like that faggot at anotheruntoldstory.com, who's into murdering innocent Gays, while fucking his own brothers up the ass, who runs ads everyday at GCN, tells US now, all about how evil we all are for demanding Justice. How long do you think that'll run with the Alex Jones towners still raising no concerns? It's for the money as Ron Paul would say.. Again, it is to divide ourselves from true liberty, by demonizing the innocent on our radio and tv channels. Instead of Bush, Cheney, Rumsfeld, and Condi.

http://www.liveleak.com/view?i=ab0_1231290043

http://www.kuwaittimes.net/upload/img_pict/headline9637e7.jpg

Read of the bushite in my America who call this work of Satanic enemies, a good thing they support to war terrorism for the sadistically evil liars of the neocon. Then KNOW my friends, a bushite is the enemy of every living soul on this planet. Have no love for those in the Air Force, the enemies of Man who bomb our families without excuse, but to know, they hate

US as Christ to speak free for Humanity. That DEMON George Noory was so happy last night about all the good the bankers AND CHENEY are doing for their hatred they spoke of for all Russians. SEE? not to protect America, but to kill you with their true commitment to the demonization of innocent people, all to escape the neocon terrorists. I HATE George Noory more than anyone alive in America. He is so openly evil to ourselves, that only those who wished to lie to you, (like Alex Jones does about Ron Paul), would say otherwise as bushite dumfuk enemies. Cowards committed to escaping Bush and Cheney for treason against Freedom. They doctored the NIE on Iraq, highest of war criminality. Alex Jones has never mentioned it, but for MAYBE in passing. Hey because all the bad guys are just puppets to ignore over the elites, globalists, socialists, liberals, gays maybe, Blacks, Mexicans, and anybody else smarter than NWOer Alex. Ron Paul is a coward as rarely if never has a clue of which he is speaking on.

Israeli PM says to end offensive if Gaza ends rocket attacks

Sarkozy urges Syria to press Hamas for Gaza truce

How does the ungodly get away with this obscenity? Nobody can deny Nazi Israeli broke the truce, as they always have done as Satanic for the last 60 years. Killing Jews for money is popular with the Zionist Nazis don't you know us by now? FoxNews CONNED Americans for DEATH with the unmentioned, TREASONOUS doctoring of the NIE. To kill Americans for more neocon gains, which Alex Jones never mentions either. Do Americans even care enough to raise Humanity's call? Do they demand public executions of sadistic godless Zionist torturers? as the Standing Law of America - The War Crimes Act - brought to be by Reagan - DEMANDS by the Law of America? It is the Law after all, yet, CNN, CBC, and FoxNews calls the perpetrators of the most heinous evil against Mankind, heroes. America is
a nation of godless cowards willing to die murdering innocent Christians in Israel, all for the profits of the 'magical' zionistic private bankers. Bushite grunts are now supporting the indiscriminate carnage, serving as police services forbidding any of the prisoners in Gaza from fleeing the indiscriminate slaughter. Again, as Satanic, they don't arrest the "Suspects", for what could they truly charge them with?, no instead demand we die helpless murder victims by forbidding escape, as they did in Fallujah murdering more than three hundred thousand innocent

souls. Die bushite die screams to all men on Earth from the Son of God. Will you stand for YOUR life as truly worth something here? Like lawless enemies Policing your reality will bring you more happiness and prosperity with the great truth teller HAPPY George Noory? The demon who openly confesses the will to want to murder all children in around the age of 15? Too crazy for you to face such an enemy of huge demonic origin, so, go the cowardly way like Alex Jones as sell out slave instead, to cover the demon with endless praise on his treachery to not have our fight on everyday with open calls for understanding Justice is freedom. Instead of a constant stream of bushite dumfuk enemies of Living. This isn't complicated. Or it doesn't have to be.

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce.

Alex Jones told US as a deceiver, he's been on Coast to Coast a hundred times. Not in these last eight years he hasn't. I demand Alex prove this, or be known by all far and wide a treasonous liar, trying to take US off the tracking of criminal action of his buddy, the demonic enemy LIAR George Noory. bin Laden didn't do 911, despite the facts that WE KNOW George Noory knows better of but LIES to con the American teen further for death at the profits of the un-elected bushmob. See Alex wants you to blame anyone but those directly involved in the crimes of 911, or Iraq, or those responsible for it's cover-up by Zionist propaganda. George Noory will have as invited guests whos only function there is to spread dis info as supporting more indiscriminate warfare for the escape of the neocon terrorists responsible for starting the illegal wars to begin US at. Or those whom often support torture, a war crime that only exists as irrationally held by those who's minds have only a blind hate for the indivisible rights of another innocent other. And often truly hate men and women for being Just as wise. The McCainiac Zombie video is a perfect example. When the Zombie is asked about the rights of Women, the McCainiac Zombie cried out for raping more Women. The position of authoritarian power, was only found with the bushite as oppressor, rapist, torturer, or Air Force Bomber, not liberation by freedom. The bushite McCainiac KNOWS it can't compete

openly to defend it's criminal treasonous
actions! Remember, Alex "the Conservative"
thought McCain was the choice if you had to make
one, earlier on, then changed his position,
sort of, later by calling them all puppets not
worth the effort, but .. Obama's idea's matter
not, it's that his Birth Certificate is, no war
too be fawned. Palin? who's she? McCain
firebombed Vietnam as "war hero" for France?
The Banker doesn't cover our loans? Matters
little.

and women like this."

Israel deliberately targeting civilians in Gaza
http://www.youtube.com/watch?v=Ev6ojm62qwA

It was almost acknowledged on CBC radio that
nazi Israelis, use the argument that a tin can
rocket traveled miles, to kill some innocent
Jew as a direct hit (likely a person who hated
godless NEOCON), all because that nazi state
has OPENLY, as PUBLIC policy, stolen water and
food including baby formula, along with a huge
list of other atrocities, to punish God and
Humanity since way back before three of four
truces. AGAIN, Nazi Israeli always, as ungodly,
break their truces. Why? Because YOU, or Christ
as any Jew's life means nothing, to all the
'free' billions they'll get from given American
worker wages. Look, Americans refuse to call
for the arrest of Bush on their national,
"truth telling" Coast to Coast radio program.
Why? Because, for one, George Noory, (Alex
Jones' best buds), has told US he's into
killing innocent kids as powerful, and that
'bin Laden did it', Is good enough for US.
You don't get a say here however how you will
live or die. George Noory calls all grunts
heroes, and those who refuse criminal orders,
those he wishes to go ballistic on. Yes, it's
true, George Noory is still alive and happy

as ever.

Rise Up for innocent Life, or don't and see
where it'll get you in the end.

Again, every soldier in the Air Force serving
for the neocon liar is a traitor warranting death,
to save the lives of their next innocent victims.
They have murdered more than two million people
in Iraq. They are pushing heroin into America
from Afghanistan. They are raping AMERICAN
women as officially "LAWLESS" (can't be arrested
but through Rumsfeld - who has not seeked any
prosecutions for the raping of American Peoples.
He, as Neocon, is TRYING to DESTROY FREEDOM
For all Americans in America - while paying
with American wages, South African death squads
to murder Black men) and TV'ed Americans refuse
to speak for Justice denied themselves. Zionist
amerikans only see US as innocent others, not
themselves to pay, but they do pay, they will pay.
God, nor John will not live in a world where
bushite grunts walk freely down our streets as
first degree mass murdering rapists, torturers,
and thieves. Celebrated by CNN, CBC, and FoxNews.
Especially when they DEMAND they have greater
rights than Human Beings. Mass Murderers deserve
immediate death sentence to defend ourselves
from their demon lies and betrayals to God and
Man. Every CBC and CNN reporter who reported
Russia attacked Georgia unprovoked will warrant
trial, then death sentences for their total
commitment to the Satanic NeoCON enemy war
criminals. Remember: they targeted for murder,
helpless innocent families. YOUR family. CNN
wants you to blindly believe, CNN personalities
like ENEMY George Noory are so happy, why would
we think they willed death against our great
Humanity by conning you for more stolen money
through the sacrifice of YOUR life for zionist
criminals who laugh at your powerlessness to
raise your voice for Justice.

Look at this picture of nazis indiscriminately slaughtering
our Humanity, while on MSNBC they reported that the Nazis
will continue to murder Humanity until a truce can be found,
A truce that the Satanic enemies of God will naturally break,
as they ALWAYS do. They are godless enemies of Life who wish
to steal the Title of Jew from Christ. They targeted Jews in
Lebanon with seven million land mines, and let Jews starve to
death in Israel for more charitable aid they can steal from
G-d's Good Will. When asked by Israeli newspapers why, it was
said to kill a Jew is rewarding for the godless Zionist.
Public record. Die bushite die.

Israeli plan to topple Hamas, re-instate Abbas
http://a-mother-from-gaza.blogspot.com/

/ / Breaking the truce Nov. 4, then, was Israel's way of getting the gears rolling for this whole sick game: the toppling of Hamas, and the re-instating of the impotent Abbas into Gaza so the "peace process" can remain forever in formaldehyde, to quote wiseass, er., Weisglass. \ \

Nov 4th! - perfect!. We are dealing with Nazi war criminals who refuse US, as a Species, Justice for everyone. Especially The Jew's Jew, Johnny America. Hint: they call us Love just to hide our complete agreement with this Living Universe to will Justice for God as every last bushite zionist freely moving. Once all the neocon zionists are rotting in a prison cell, or formally executed as godless war criminals, we all will have one joyous welcome in a heavenly future.. Until then, demand Justice for US. That's YOU too. Angels included. Who? I don't see no Johnny Wizard here anywhere, We are Good to Go. Rise Up for innocent Life, or don't and see where it'll get you in the end. The bushmob are traitors for closing official FBI investigations into 911, immediately after the mass murder of Americans occurred. Treason, of a, trust WE don't have it in US to stand for our common values as the Revolution will not be televised, Johnny Who. Man, are we or no? Be Somebody, then get on your phone to call in for Justice willed. Alive I Say! - this must be where you'd raise the dead and dying.. if you only could raise your finger to dial the phone numbers - well guess what? - I Command You Can! - snapoutofit - Speak for pursuing Justice on 911, and show serious concern for publicly paying private banker men trillions in worker wages for nothing. This is seriously disturbing, yes, but seriously important to address openly in our spaces to remedy with a Johnny Wizard World Wide Work of Wonder, Super CNN Special of Specials, with Your Host, the One and Only, President and CEO of Shareware Earth Co. John Himself. Hey everybody! Wow eh? So a.. when is the good guys showing up? Now. Justice. I want US to Host Coast to Coast for open Public communications, where things get solved because we know whats we're learning about. We of god, this way comes, then men and women with calculators to know: giving money to private bankers

on hopes they'll lend a small fraction some back
to ourselves at high interest is dumber than rocks.

Israel Drops White Phosphorus Bombs, Littlest Victims Suffer
http://www.apfn.org/apfn/DU_Israel.htm

My friends, demonic evil forces do exist to STEAL
the living rights from anyone of us, especially
including the Jews. Remember, it is the zionist who
steals God's good name through lies left unchallenged
by private corporate interests tied to the CON of
private banking in total. Christ is a Jew too.
Israeli broke the truce knowing such action woud get
killed Jews in Israel, a cash bonus! Like starving
Jews do attest on a infomercial that ran for near
18 months across Canada. Then covered by the Israeli
press, that the Zionist officials there actually
enjoy the prospect of suffering Jews because it,
OUR SUFFERING, will attract more charitable aid the
ungodly criminal enemy can use elesewheres! Hitler

We can overcome this, and create a better world in
the process. It's back to the simple things: open
communications, and evidence, evidence, evidence
to convince ourselves truly of anything. We are
in a horrible dream right now, that we must arrive
ourselves into for comforts. Arrest the Neocons for
treason. That of course includes anti-gay faggot

Satanic Enemies of Christ

CNN with Blitzer allowed reported on Larry King
that Hamas broke the truce, without any uttering
of fact. While when the nazi israelis were accused,
just minutes earlier, Mark Regev could say only

silence. The zionist Satanic enemies of Jews speak only silence, because they know they are satanic enemies liars of Human will.

Again, these SATANIC enemies break their truces everytime, then state, it is Humanity's fault because CNN will never ALLOW the humans to know. They are murdering innocent People in hospitals for example, or those in a Church, just as amerikan bushite nazi grunts do for the escape of the neocon zionists responsible for 911. To hunt a lawless bushite nazi grunt, and kll it instantly is to defend it's next innocent bombing victims. Bush and Cheney closed 911 investigations on 911, therefore killing a lawless bushite traitor for our Humanity is just to get ourselves together to arrest those responsible for mass murder on 911. The deaths of bushite zionist liars is a mercy given for the love of God. Die bushite die.

Israel Nazi State

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce. They always break their truces. Understand these Satanic enemies of God, dropped seven million land mines on Lebanon when learning the conflict was over. They will kill Jews for money, THEY are the Nazis. Nazi Mark Regev is clearly insane. 'It wasn't israel that started this' He could not stand with any man without instantly being exposed to All of Humanity as a war criminal in need of immediate public trial for death sentence. These are only innocent people being bombed. In a concentration refugee camp. Look, it's a prison camp. And if YOU
were a prisoner there, and Texan child rapists are something you'd wish to defend your community from, you'd maybe join the Gazan police force, run by Hamas, a political group democratically elected. All police officers in Gaza, Nazi israeli claims warrant 1000 lb bombs, not warrants for arrest for a criminal offense. Remember, it was Israel that broke the truce, as so is spoken by Palestinian government officials speaking internationally - using the example from November. But understand, as Satanic fraudsters, they always fuck over Our Innocent Humanity this way.

What kind of "Human" would commit such crimes against Life? Cheating Liars for Satan God tells YOU.

The Bible "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

Look, these enemies of Life steal INNOCENT PEOPLES HOMES as thieves of The King of Jew's simple philosophy.

The Reality of Zionist War Crimes in Gaza

The zionists aligned with Bolton are using radio-active weaponry against all Christians. What do "Christians" in America on Coast to Coast have to say? Nothing because that demon enemy of Life George Noory, the pro child killer, insists as Truth's closest most bestest friend, bin Laden did it.

Gray Ghost

/ / Funny thing noone ever shows pictures of the scumbag Hamas rockets falling on Israeli civilians, but the nooz is full of Palies suffering. Fuck you all I hope Israel exterminates the vermin. \ \ He can advocate the MURDER of innocent people for the neocon liars, and Google doesn't destroy his account?

Remember Zionist Nazi Israeli started all their murder rampages against Innocent Peoples for 'free' welfare money, as broke the truce with, IDF funded Hamas on Nov. 4th. They have been indiscriminately bombing People with excuses that never do add up. Example: Nazi Israeli stated they were in the right to murder ANYONE

in a car or truck in the entire nation of
Lebanon, (especially in the Jewish communities)
because like enemy "Gray Ghost" would say, all
those innocent Peoples deserve TO DIE AS MURDER
VICTIMS for his sadistic ungodly pleasures.
Remember, Nazi Israeli didn't mention this until
thousands has already been murdered, then even
still, without radio, TV, or newspapers, telephones,
or sky writing how were ONLY THE INNOCENT JEWS
as officially targeted to know? Then the seven
million land mines to kill innocent kids for
generations. To the enemy of Life, Gray Ghost
it matters not that Israeli started the conflict
by sacrificing nazi vermined trashed as Satanic
dumfuk enemy soldiers sent across the border,
to Grey Ghost, all it knows, is Justice must not
be allowed to win this game for our human race,
for he would be truly seen as a sadistic enemy
of Freedom, powerless, or rightly dead for
his proud treasons against life in this universe.

See? this is why NAZI I$raeli thinks they have
an excuse for bombing people indiscriminately
to break a truce they signed on to. This isn't
a one time, maybe two time occurrence, but every
time in the last 60 plus years the zionists
aligned with Hitler have. Satanic enemies

ANTI-SEMITE is FoxNews every time they assault God
with "Israel, the Jewish State" to torture, steal,

The Ungodly Zionist - a report from the front

/ / The most recent victim of Israeli airstrikes
was 10-year-old Ismail Hamdan \ \

To the Satanic enemies of Man, the Ungodly Zionist, an innocent murder victim's life can not be allowed a defense such as the charge of first degree murder against Netanyaho because, he states no Justice to any who believe in the Jewish cause, as Hillel, of freedom as Liberty for all. If Jews ran Israel, Netanyaho would be chastised publicly by the Humans, for sanctioning the criminal acts of first degree murder. The nation of Nazi Israel STEALS Peoples HOMES. What other nation on this Earth commits such willful crimes against innocent Human beings OFFICIALLY? Steals homes from god loving innocent folks and labels it our 'Justice system'? Who? Neocon Amerika, the nation that gave trillions to bankers recently on only prayers that their gods will maybe lend some of their own money back to them at high interest. But alas, evil is the deceived disguised, as in their deep ignorance of money and virtue, they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else with charity? it's the amerikan way. Instead, hate the wise socialist who designed a working good traffic signal system, where lives are saved and congestion is eased, or hate the white man, the black man, different People. But never Mr. Bush, Mr. Cheney, or Rumsfeld, the neocon traitors who closed criminal investigations immediately after the crimes of 911 occurred, who doctored the NIE to con America into death, and never slight the trillioniare private banker gods, who have stolen/taken our public authority through war criminals in Congress. Taken from all others to bring us a much poorer world suffering due to our speakings of contempt for Justice as christians in America - who claim in silence only indignation for real Christian families robbed or murdered Officially by the zionist state of ungodly Israeli, paid for by dying America. Americans refuse to raise their phones for the arrest of the bushmob for capital mass murder, so, what's private trillioniare bankers walking away with the entire economy in free fall going to do for them, when they are already to death for the glorious Zionist Neocon thieves of Civilization? Proudly in hatred for Innocent Humanity. Again, Hamas was founded by Zionists in the IDF, to kill Jews for money - public record. Jews starve near death in Garbage dumps of Israel, all because the Nazi Zionist UNGODLY government

states it is beneficial to starve Jews, for, they will receive more humanitarian aid THEY can use elsewhere. Public knowledge. Zionist liars murder innocent Jews for money, like they did in Lebanon, and like the zionists did on 911 by forbidding the pursuit of the terrorists by following the crimes scene leads at the real murder scene. Unjust enemies of Man.

To arrest those responsible for 911, we are going to need to form a public warrant for a person or persons. Bush and Cheney are guilty of closing investigations on 911, treason, called obstruction.

UnHoly Nazi Israeli Racists are Greater than the censored words of Messiah!

IDF's YouTube Gaza channel to Correct Ourselves

/ / it will disseminate footage of precision bombing operations \ \

Precision? They dropped seven million land mines in Lebanon, after having seeked out where the Jews lived, (Northern Lebanon), and murdered them firstly! JEWS. They, as enemies of God, like those of FoxNews, will refuse these type of FACTS on their hatred for Love and Justice. Their hatred for Jews, real Jews, like me. Understand: American baby formula has been contaminated with poisons, and FoxNews doesn't think it's important to their corporate responsibilities to kill ourselves further for profit. The Zionist will murder anyone just to steal your belief in God as Love. They HATE me for being wise and Just. Hate. For, why wouldn't America support my demands for open radio communications on the Coast to Coast radio network? Americans would rather murder Humanity before Justice succeeds beyond their illusions of grandeur through the mass murdering of ourselves for stolen gains. The banker does not cover our loans! Giving them trillions for free unquestioningly is dumber than rocks. Enough.

Fake Rocket Attack
http://xymphora.blogspot.com/2005/02/fake-rocket-attack.html

Remember however, the Zionist has no qualms about killing Innocent Jews too if it means Americans will get it more free welfare to murder ourselves. They openly STEAL Peoples

homes in that nation run as thieves don't
You know? Or as it is just open public
knowledge that the Zionist excepts that
911 was actually a good thing for them as
war criminals reaping the cash rewards for
continuing capital murders?

/ / Ehud Barak promised that the war would
continue ï¿½to the bitter end.ï¿½ \ \

That is you there Barak promises to end
bitterly as the innocent the demon targets
for ungodly murder. How could ANY REAL MAN
steal food from a Christian baby? How do they
do it?, as the inhuman. (Like bushite do in
Iraq, while on CNN in interview tell US, they
are there war criming for neocon traitors to
steal everything as "helping the Iraqi
children". They offer no clean water, no food,
just indiscriminate bombing campaigns of evil
incarnate. True fascist nazi enemies of true
freedom in America who advance censorship to
anyone like myself. Why? They lose. They are
not men but Satanic enemies of the King to
Jews, the Messiah. I Am. Thieves to the
scriptures of Hillel, and of Moses. Thieves
to the intent of every true religious person,
for God is everywhere. God is the Word, and
the Word is Holy. So, fuck you and die bushite
nazi traitors to American Justice, those of
them who refuse US open free words to resolve
their war criminal behaviors as is done in
godless Israel today against INNOCENT
Christians. Done before another innocent other
has our homes stolen, or is murdered by the
lawless grunting bushite dumfuk enemies of
Jesus Christ. I am King already, always have
been, always will be. Live with it. The Koran
is filled with great understandings on this
relationship. Christ is mentioned more than
Mohammad - and Mary can be understood as the
mother of all being before we are. a virgin.)

Look humans, you've
had your fun murdering yourselves, now the wise
people will compete for bettering ourselves by
understanding. Who the fuck are these illiterate
monsters at CTV national television? and how can
they willingly keep our soldiers in the dark dying
that way by simply smiling? Are they experts in
anything? are they respected researchers? writers?,

politicians?, civil rights lawyers? - do they even
respect ourselves enough to be warned of vaccines?
NO, instead they LIE with such contempt for Humanity
I am surprised Canadians, don't speak out more..
perhaps they do, it's just CBC, CJOB, and the
Winnipeg Free Presses of our World make no attempt
to inform ourselves about it. They don't take my
thousands of calls, how about Yours?

Life is real to know, if you seek, and not go
so freaked out as Living is as it always has
been. Knowing God is cool, 'amazing', yeah,
whatever, but we are of too this real world
suffering for our lack of respect for a wise
person speaking. I WANT FREE PUBLIC DEBATE
FOR JUSTICE AS ALL INCLUDED. Now really, is
that too much for US to ask freely? What say
you Googler? Afraid I will truly make your
banker gods look like fools?, the gods we all
give more than half our lives to for nothing?
Don't want to look truly dumb as deathly
ignorant, so censor US all themmers you are
too in command of your Fate. So be it. See?
Stand in. I didn't even really do anything
there, yet it's written, it's done. A Miracle!
Imagine: your Christ! YOU. now what are you
going to do.. time is ending for you remember,
now what are you going to do? Will you pick
up your magic phone and call likewise for
Justice denied, or will you crawl up on your
cross and die in silence for the glorious
Zionist aligned with trillioniare private
bankers and Satan? Christ is of all peoples.
Your on a mountain.. You've raised yourself
from death already, and your here to do
something greater for the love of God..
what's your plan for the common man? Welcome
to the real world my friend.

Lawless Police to Defend Who Again?

They Call it Terrorism

"Israeli nazi enemies call bombing people,
like they do without apology, terrorism.
What can't you figure?"

CNN TODAY

/ / Stand down 'Christian' nation. It's not your babies. Ethnic cleansing is not a 'sin' as long as the 'chosen ones' of Israel do it. \ \

Israel, the nazi enemies of God nation broke the ceasefire on November 4th. Now, as demon liars claim they want to honor a ceasefire again to further steal ourselves from the Love of Justice. Why do the godless Zionist do this always as first degree murderers? Because they can't win an open debate on their treasons against God and Man. The private bankers DO NOT cover our loans. Again, these SATANIC ENEMIES OF GOD dropped seven million land mines on Lebanon while target killing JEWS. INNOCENT JEWS. Targeted. Northern Lebanon, look it up. Israeli MURDERED Jews. Innocent Jews as targeted for more stolen charity. I again, beg you to support my call for war crime trials against the bushmob, including CNN demons who report a total contempt for YOUR life dying. Your call loser.

ISRAEL: No civilian casualties in Gaza! http://uk.youtube.com/watch?v=RlZd3vR6Kzk

Satanic enemies of God as anyone included. Think: who buys these demon lies to steal further from our innocent Humanity? Zionists do at CBC and CNN, who will murder America by openly lying to destroy freedom. Example: CNN reports Georgian nazis who targeted children schools, churches and threw grenades into our homes to murder as minions for Satan are called freedom fighters. Just like the Third Infantry, the new lawless police officers of California, who can't be charged with rape for example, because ONLY Rumsfeld can okay such prosecutions. Hey who cares for Iraqi Rights right?, for TV America's CNN with FoxNews and George Norry doesn't, for it's only American women and children now right nazi enemies? And WE ALL KNOW, cowardly America refuses to even raise their phones for these dying concerns. How can George Norry continue to live happily dying America for the neocons? How? they let them. Alex Jones thinks George Norry is just fantastic, so no, don't encourage the NWOers to demand free communications, because if we did, Alex Jones and the like, would factually look like the idiots he is. (better to die

America than face this foolishness?) The banker doesn't cover our loans, we do Alex. So giving them trillions in American worker wages is a bank robbery in progress. Simple. NOT a diabolical ingenious plan, we, the simple folk can't figure without the Alex Jonesers geniuses of thought control developed by the CFR, builderberg, the Boners and NASA.

Obama stated all lawless soldiers who war for godless Zionism are heroes, which includes South African death squad goons who murder my nigger friends. AEGIS. I call them lawless enemies of God, deserving death sentences to save the lives of their next innocent victims, Obama calls them heroes warring for the escape of the neocon traitors responsible for 911. Who are you going to believe?

==> HAMS IN AUSTRALIA ASSIST WITH MASSIVE BUSHFIRES

In the Australian state of Victoria, Amateur Radio operators have been
activated to provide communications links into towns that have had their
normal communications destroyed by the bushfires that have decimated the
state. Members of the Wireless Institute Civil Emergency Network in
Victoria (WICEN (Vic)) <http://www.vic.wicen.org.au/> -- Australia's
version of ARES -- were activated on February 8, with members being
deployed to areas with loss of power and other facilities.

According to the Wireless Institute of Australia (WIA)
<http://www.wia.org.au/> -- that country's IARU Member-Society --
authorities and resources in Victoria have been "stretched to the
limit." WICEN has been on high alert since the fires started on January
```

28. On February 11, WICEN (Vic) Secretary Mark Dods, VK3XMU, said, "It now appears that WICEN's role in this emergency is going to be a long hard marathon over an extended period."

The fires -- some of which are believed to have been deliberately set, while at least one fire began due to a lightning strike -- have so far claimed 201 lives, including one firefighter; local police say they do not expect the death toll to go much higher. Covering more than 1100 square miles, the fires have destroyed more than 1800 homes; officials estimate at least 7500 people are now homeless due to the fires. Victoria Premier John Brumby, in speaking about the bushfires, said, "Out there, it is hell on earth" <http://www.premier.vic.gov.au/index.php?option=com_mymedia&Itemid=29%C3%83%C2%A2%C3%82%C5%92%C3%82%C2%A9=en&media_id=364&task=text>.

On February 12, Dods said that "WICEN was given the task of establishing a link between Narbethong and the Municipal Emergency Coordination Centre in Alexandra. Initially, the Narbethong-Alexandra link will be on HF. The two WICEN operators that were on standby for deployment to Buxton have been dispatched to Alexandra to join a column that will be moving down the Maroondah Highway to Narbethong this afternoon. An extra WICEN operator is being deployed to the Alexandra MECC to assist the operator already there with expected extra traffic from Narbethong Three WICEN operators are now working 8 hour shifts at the Alexandra Incident Command Centre (ICC), operating CFA/DSE radios. We will be providing operators for this task until further notice."

Dods said hams would make "temporary repairs" to VK3RTN, the 6 meter repeater on Mt Gordon that suffered damage during the fire, making it usable until they can get and install a new repeater. The Mt Gordon repeater is being used as a link between Alexandra and Narbethong. The WICEN station in Narbethong closed Saturday, February 14. "The Alexandra WICEN station will continue to operate after the closure of Narbethong," Dods said. "Their role includes guiding relief operators into the town, maintaining an HF link to Melbourne and a listening watch. Operators in the Alexandra ICC have reported increased radio traffic overnight and emphasised the need for concise, prompt and accurate handling of the traffic despite the sometimes tense environment."

Dods recounted that there was what he called a "flurry of activity" on the evening of February 14: "WICEN received a request from DSE [Department of Sustainability and Environment] to provide operators at Woori Yallock ICC. We were asked to cover the night shift last night and the next four nights. Being a Saturday night, it was difficult to contact operators with many being not at home, and others having their mobile phones diverted to voice mail. Two operators agreed to be deployed at short notice, however. They travelled to Woori Yallock only to find that there had been an administrative foul-up and that they were not required. Those operators have returned home with my thanks and apologies. This false start at Woori Yallock does give us a 'heads up' that DSE and CFA [Country Fire Authority] resources may be beginning to

stretch thin, and lead to more ICC deployments."

On February 17, Dods said that two WICEN operators will be going to "McAdam's Hill, east of Lake Mountain, to provide health and welfare communications for the firefighters at a Base Camp being set up there. Initially, the primary operating frequency will be 3.6 MHz, so there may well be a need for stations monitoring that frequency to relay traffic. Deployment of a portable 2m repeater to support the McAdam's Hill station is under consideration."

The WICEN HF Net continues to operate on 3.6 MHz at 1000 and 2130 hours (UTC + 11) daily. "As well as keeping a check on the welfare of operators in the field, the Net is being used to pass updated activation information, and also for amateurs in remote areas of the state to check their communications," Dods said. "It is reassuring to hear stations from all over the state and interstate on the Net, demonstrating that we can, if necessary, establish communications independent of hilltop infrastructure. It has been very handy to have other amateurs monitoring 3.6 MHz when they can to relay when fading occurs. Many thanks to those operators who have relayed traffic so far."

Dennis Dura, K2DCD, ARRL Emergency Preparedness and Response Manager said: "The work the Australian hams have been doing and the issues WICEN have been facing are not unlike what ARES personnel encounter here. The long hours and duration of the disaster response and the dwindling availability of amateur volunteers take a toll. Yet Amateur Radio still is able to complete the mission. The flexibility we bring is key to meeting the emergency communications needs of those the amateur community serves. Our hearts go out to all those that have lost loved ones and whose lives have been forever changed by these fires. Our colleagues in WICEN make the Amateur Radio community proud in the work they are performing in these very difficult conditions."

==> HAMS CAN STILL HELP WITH DIGITAL TV (DTV) CONVERSION

Even though the mandatory conversion date for television stations to switch from analog signals to digital has been delayed by four months <http://hraunfoss.fcc.gov/edocs_public/attachmatch/FCC-09-9A1.pdf>, hams are still assisting the FCC and their communities by providing technical support to those who need assistance <http://www.arrl.org/news/stories/2008/12/10/10499/>. Although many TV stations won't turn off their analog signals until the new deadline, the law allows stations to apply to switch on the original date -- February 17 -- or any time before June 12.

According to the FCC, there are nearly 1800 full-power televisions stations in the US. Of these, the FCC said that "220 will have terminated their analog signals before Tuesday [February 17] and another 421 will terminate their analog signals on Tuesday [February 17] before 11:59 PM, for a total of 641 stations, or about 36 percent of all full-power stations nationwide." The FCC has posted a list of stations making the conversion on or before February 17 on their Web site

<http://hraunfoss.fcc.gov/edocs_public/attachmatch/DOC-288530A2.pdf>.

ARRL Media and Public Relations Manager Allen Pitts, W1AGP, said he has been getting e-mails and phone calls from Amateur Radio operators concerning the digital TV conversion, now set to take place on Friday, June 12. "People are asking what's happening with the DTV conversion -- especially now that it's been delayed -- and wondering what we as hams can do to help," he said. "There has been considerable confusion concerning the extension of the date, but the role of Amateur Radio is simply to be helpful to the people in our communities."

Pitts advises those hams that are helping to provide technical educational assistance keep in mind the following troubleshooting pointers, provided by the FCC:

* Check Your Connections
Check that your digital-to-analog converter box (or digital television) is connected properly. Make sure that your antenna is connected to the antenna input of your digital-to-analog converter box (or digital television). If you are using a digital-to-analog converter box, ensure that the antenna output of the converter box is connected to the antenna input of your analog TV. If you are unsure of the proper connections, refer to your owners manual.

Make sure that your components are plugged in and turned on.
If using a digital-to-analog converter box, tune your analog TV to channel 3. You should see a set-up menu or picture on your screen. If you do not see this, re-check your connections.

* Perform a Channel Scan
Digital-to-analog converter boxes (and digital televisions) have a button -- usually on the remote control -- that is labeled "Set-up" or "Menu" or some similar term. Press that button to access the set-up menu. Using the directional arrow buttons on your remote, scroll to the option that allows you to perform a "channel scan." The channel scan will search for digital broadcast channels that are available in your area. If you are unsure how to do a channel scan, please refer to the owners manual for your converter box or digital television (whichever applies).

Once the channel scan is complete, you will be able to tune to the digital channels received by your antenna.

* Adjust Your Antenna
As many hams know, small adjustments to an antenna can make a big difference; digital TV is no exception. If you have an indoor antenna, try elevating it and moving it closer to an exterior wall of your home. After adjusting your antenna, perform another channel scan to see if your reception has improved.

While adjusting your antenna, it may be helpful to access the "Signal strength meter" on your converter box or digital television set to determine whether your adjustments are improving the signals' strength.

You can probably find your signal strength meter via the "Menu" function on your remote control, and your owners manual will provide detailed information on how to perform this function. Remember to do another channel scan after you have adjusted your antenna.

Make sure that you are using an antenna that covers both the UHF and VHF bands and that is connected properly (depending on what channels are in use in your area).

Late last year, the FCC requested assistance from the ARRL in providing educational support to local communities regarding the digital TV conversion.

"I really appreciate the willingness of the ARRL to actively participate in helping Americans with the transition to DTV and your helpful suggestions," said George Dillon, FCC Deputy Bureau Chief for Field Operations (now retired). "The DTV transition will be an historic moment in the evolution of TV. Broadcast television stations can offer viewers improved picture and sound quality and new programming choices. All-digital broadcasting also will allow [the FCC] to significantly improve public safety communications and will usher in a new era of advanced wireless services such as the widespread deployment of wireless broadband. Our goal is to engage the amateur community on a cooperative basis to help with the DTV outreach and to educate consumers."

The FCC said that it is seeking to ensure that even where all or most stations in a market are terminating analog service, consumers who are unprepared for the switch will continue to have access to critical local news and emergency information. In a statement released by the FCC, the Commission "examined each market in which stations planned to end analog service to try to ensure that at least one affiliate of the four major networks -- ABC, CBS, Fox and NBC -- would continue broadcasting in analog after February 17. Many had such a station, but in those instances in which there would be no top-four affiliate remaining in a market, the FCC attempted to ensure that analog local news and emergency information would remain available -- generally through what is being called 'enhanced analog nightlight' service. Under 'enhanced analog nightlight,' the top-four affiliates must keep at least one analog signal on the air to provide programming that includes, at a minimum, local news and emergency information" <http://hraunfoss.fcc.gov/edocs_public/attachmatch/DOC-288530A1.pdf>.

FCC Acting Chairman Michael Copps said that the Commission is "trying to make the best of a difficult situation. While this staggered transition is confusing and disruptive for some consumers, the confusion and disruption would have been far worse had we gone ahead with a nationwide transition on [February 17]."

For more information on the conversion to digital television, please see the DTV Conversion Web site <http://www.dtv.gov/>.

==> "THE DOCTOR IS IN" THE ARRL LETTER

This week, ARRL Letter readers are in luck! The ARRL's very own Doctor, author of the popular QST column "The Doctor Is IN," answers a question from his mailbag:

Scott McCann, W3MEO, of Queenstown, Maryland, asks: I am fairly new to SSB and CW on VHF and was surprised during the September ARRL VHF contest to have worked W2SZ, the RPI Amateur Radio Club station on Mt Greylock in Massachusetts. I was running 2 W CW to a homebrew four element beam 20 feet off the ground. The boys on the mountain were running a lot bigger station than I was.

This station was well over the horizon. I wonder what propagation mode supports this beyond line-of-sight (LOS) communication? I worked several other stations that were also well over the horizon.

The Doctor Answers -- The propagation mode is most likely troposcatter, in which VHF signals are scattered by the troposphere, the lowest region of our atmosphere extending about 7 miles to the border with the stratosphere. Troposcatter is in common use by the military and some commercial users for paths up to a few hundred miles -- generally using high power and high gain antennas.

Troposcatter is also the mode that results in a commonly occurring type of long distance TV transmission. W2SZ -- the Amateur Radio club at Rensselaer Polytechnic Institute in New York -- uses big power and antennas from a fantastic location, making this mode a common occurrence. You can find out more about troposcatter and the other propagation modes supported by the troposphere at this Web site <www.oe1cwj.com/literature/troposcatter.htm>.

Do you have a question or a problem? Send your questions via e-mail <doctor@arrl.org>; or to "The Doctor," ARRL, 225 Main St, Newington, CT 06111 (no phone calls, please). Look for "The Doctor Is IN" every month in QST, the official journal of the ARRL.

==> WORLD AMATEUR RADIO DAY TO RECOGNIZE AMATEUR RADIO'S ROLE IN DISASTER COMMUNICATIONS

Each year on April 18, radio amateurs celebrate World Amateur Radio Day. On that day in 1925, 84 years ago, the International Amateur Radio Union (IARU) was founded <http://www.iaru.org/>. In 2009, the theme of the event is Amateur Radio: Your Resource in Disaster and Emergency Communication.

"It is not by coincidence that last year's meeting of the IARU Administrative Council (AC) <http://www.arrl.org/news/stories/2008/06/26/10186/?nc=1> chose this subject at this time," said IARU International Coordinator for Emergency Communication Hans Zimmermann, F5VKP/HB9AQS. "While the Amateur Radio Service has traditionally made its contributions to emergency and disaster response ever since its very beginnings almost 100 years ago, this role has gained a lot of importance just in the recent past."

Citing the fact that natural, as well as manmade disasters are on the rise, Zimmermann pointed out that today's modern communication technologies are "increasingly complex, infrastructure-dependent and therefore also increasingly vulnerable. The Amateur Radio Service puts two equally valuable assets at its disposal for emergency and disaster prevention, preparedness and response: A large number of very flexible and mostly infrastructure-independent, local, national, regional and global networks, and a large number of skilled operators, who know how to communicate with often very limited means and to establish communications even under the most difficult circumstances."

Zimmermann said that the tools available to Amateur Radio operators "range from the most robust means such as battery-operated stations operating in Morse code, to links through Amateur Radio satellites and interconnectivity with the Internet, in voice, text, image and data modes. They range from local VHF networks of fixed, mobile and portable stations to shortwave networks that span the globe. All these networks are operated on a daily basis by men and women who are thoroughly familiar with their technology and their intricacies."

"Telecommunications have become a commodity that society takes for granted," Zimmermann stated, adding that "the sudden loss of that service is often felt in a similar way to the loss of shelter, food and medical support. When disasters occur in regions that do not have good coverage by public networks -- or when existing communications infrastructures have just been disrupted or destroyed by such events -- the Amateur Radio Service comes to the rescue. Amateur Radio operators provide communications for the rescuers and relief workers and their organizations and they help to provide communications for those affected by a disaster."

Zimmermann continued: "In fact, contributions to emergency and disaster relief are a major argument for the preservation and the extension of the privileges the Amateur Radio Service enjoys in international and national regulations. This is one of the reasons why more and more Amateur Radio operators -- through their clubs and their national societies -- prepare very seriously for their role in emergencies; however, their skills can be put to use only if they are known by other first responders. Effective response to emergencies can only occur with the work of volunteers in all the various fields, from search and rescue to medical assistance and those who can provide food and shelter. Communication skills are a new, but equally vital commodity."

==> JOHN KANZIUS, K3TUP (SK)

John Kanzius, K3TUP, of Erie, Pennsylvania, passed away February 18 in Florida from pneumonia. He was 64. Kanzius was best known for his research into finding a cure for cancer using radio waves, specifically 13.56 MHz.

In 1966 at age 22, Kanzius came to Erie, Pennsylvania to work for JET Broadcasting. After 24 years as a broadcast engineer, he was appointed vice president and general manager of the company in 1980. After

retiring, Kanzius was diagnosed with leukemia in 2002. He summarized his chemotherapy in a February 2008 article in QST as "Hoping we kill the cancer before we kill the person"<http://p1k.arrl.org/cgi-bin/topdf.cgi?id=109317&pub=qst>. In October 2003 -- thinking there had to be a better treatment -- Kanzius had the idea to kill the cancer cell with radio waves, not a new idea. But Kanzius went a bit further: Instead of using needles, as was currently used, why not "trick" the cancer cells into absorbing a metal target -- sent by RF -- into the inside of the cancer cells, leaving the healthy cells alone?

In 2005, Kanzius teamed up with cancer researchers at M. D. Anderson (part of the University of Texas health system in Houston) and Rice University (also in Houston). Using nanoparticles -- metallic objects measured in billionths of an inch -- heated by RF using a machine that Kanzius invented, the researchers were impressed: "The research scientists at Rice were stunned to see that my device could heat nanoparticles at the 13.56 MHz frequency," Kanzius said.

Kanzius credited his father for his inspiration: "Trying to build an array that would heat particles one billionth of a meter in length was challenging. But building equipment all of my life was inspired by my dad, W3NRE, who was licensed in 1934."

Kanzius told ARRL Media and Public Relations Manager Allen Pitts, W1AGP, that if it were not for his Amateur Radio background, "and all the days of experimentation to improve my station, this new procedure for treating cancer, which continues to show such promising results, would probably not be on the cutting edge at the largest cancer center in the world [M. D. Anderson]."

But Kanzius did more than just try to find a cure for cancer. In 1991, he was Top of Honor Roll in the ARRL DXCC program; at his death, he had 347 countries confirmed. In the March/April 1987 issue of NCJ, Tim Duffy, K3LR, described K3TUP as "a relatively new contest call," but said Kanzius had been DXing for many years: "As he has caught the contest bug, John has taken a station which was designed for busting DX pileups and converted it over to have the flexibility and brute force required to compete in Multi-Single contesting." Duffy described the station as sitting "situated on a high ridge that overlooks Lake Erie. The station is well secluded from city-type radio noise and the rural setting allows John to run several temporary beverages for low band receiving." Both Duffy and Randy Thompson, K5ZD, have operated from Kanzius's station.

Pitts recalled that in 2007, he received an e-mail from a ham, asking if he was aware of the research Kanzius was attempting: "I looked at the attached video clip and I was skeptical. But I became more curious about this kitchen table tinkerer-ham and investigated the claims. I learned two major things: First, this was not a harebrained scheme -- it really worked (!), and -- even more important for me -- John Kanzius was a true gentleman. Bright, polite and enthusiastic without being overbearing, I

liked him. Over the next months as I wrote the QST article about his work, I came to know him and his true desire to help other cancer victims. Since then, we stayed in touch by phone and e-mail. I enjoyed his delight as each step in the process of bringing his machine and concept to human use was proven by M. D. Anderson and other cancer research facilities. Some people just make your world better by being there. John was one of those people. Though I never met him in person, it was always good to hear from him and I enjoyed the friendship. Losing him makes the world a little colder. I will miss him."

Kanzius is survived by his wife Marianne, two daughters -- Sherry Kanzius and Toni Palmer -- and two grandchildren. Calling hours are Sunday, February 22 from 2-5 PM and 7-9 PM at the Duskas-Martin Funeral Home <http://www.dusckasmartinfuneralhome.com/>, 4216 Sterrettania Rd, Erie, Pennsylvania. A funeral service is planned for 10:30 AM on Monday, February 23 at the Episcopal Cathedral of St Paul <http://www.cathedralofstpaul.org/>, also in Erie. Memorial contributions may be made to the John Kaznius Research Fund <http://www.kanziuscancerresearch.org/>, Palace Business Center, 915 State St, Erie, PA 16501.

==> DIETER SCHLIEMANN, KX4Y (SK)

Dieter Schliemann, KX4Y, of Scottsboro, Alabama, passed away February 9 after a battle with cancer. He was 68. According to Amateur Radio on the International Space Station (ARISS) <http://www.rac.ca/ariss/oindex.htm> International Chairman Frank H. Bauer, KA3HDO, Schliemann was instrumental in leading and supporting many key activities in AMSAT <http://www.amsat.org> and on the ARISS program. "Those that knew Dieter recognized that he was a 'class act,'" Bauer said, "a great gentleman and colleague who will be sorely missed by all."

Schliemann, an ARRL Life Member, was involved with ARISS, leading the school contact IRLP/EchoLink initiative. Through this Amateur Radio VOIP system, Bauer said Schliemann and his team "substantially extended our reach of the school contacts. And through his efforts, tens of thousands of school students and ham radio operators, worldwide, could listen to other school contacts, enhancing education and giving all a better understanding of what it is like to live and work on ISS. Dieter's diplomacy, teambuilding skills and attention to the details were impeccable and were well respected within the team. He rose to the challenge when I asked him to lead the IRLP/EchoLink team. At the time, there were strong, divergent opinions on the use of IRLP and EchoLink on ARISS. He singlehandedly developed a cohesive team that is producing great results and is enjoying working together."

Bauer said that Schliemann had been fighting cancer for a few years: "A month ago, all of us thought he was on the road to recovery. Unfortunately, that did not come to pass. Through it all, Dieter remained the gentle, caring person that we all have grown to love. During his illness, he remained dedicated to his AMSAT and ARISS causes and responsibilities. When he received the surprising news from the

doctors that he had only two weeks to live and despite being weak from a long hospitalization, Dieter got on e-mail and worked on a transition plan to ensure that IRLP/EchoLink capabilities on ARISS continues. What a great, compassionate, loving human being."

Rosalie White, K1STO, fondly remembered Schliemann. "As team members reported on what a great person Dieter was, and the ways he had helped ARISS, more and more came to light regarding so many things he had accomplished without many others knowing," she said. "He shunned the spotlight, yet he quietly took the initiative, never shying away from solving problems. The ARISS Team will miss Dieter terribly -- a wonderful friend and dedicated volunteer."

==>SOLAR UPDATE

Tad "Love comforteth like sunshine after rain" Cook, K7RA, this week reports: We saw a sunspot on February 11-13, then it was gone. Typical of sunspots recently, it was only seen briefly; this one was a relic of Solar Cycle 23, according to its magnetic signature. For at least a couple of years now, we've been expecting Solar Cycle 23 to bottom out and new Solar Cycle 24 spots to emerge, but the sunspot minimum drags on. Most projections are based on past cycle activity, so according to the timing of past solar minimums, we keep thinking surely soon there will be an explosion of new solar activity, but the Sun seems to tease us. Sunspot numbers for February 12-18 were 11, 11, 0, 0, 0, 0 and 0 with a mean of 3.1. The 10.7 cm flux was 69.7, 70.1, 70.1, 69.6, 69.5, 70.6 and 69.8 with a mean of 69.9. The estimated planetary A indices were 4, 3, 14, 10, 3, 1 and 2 with a mean of 5.3. The estimated mid-latitude A indices were 1, 2, 9, 6, 2, 1 and 1 with a mean of 3.1. * ARRL Continuing Education Course Registration: Registration remains open through Sunday March 8, 2009 for these online course sessions beginning on Friday, March 20, 2009: Amateur Radio Emergency Communications Level 2, Antenna Modeling, and Radio Frequency Propagation. Each online course has been developed in segments -- learning units with objectives, informative text, student activities and quizzes. Courses are interactive, and some include direct communications with a Mentor/Instructor. Students register for a particular session that may be 8, 12 or 16 weeks (depending on the course) and they may access the course at any time of day during the course period, completing lessons and activities at times convenient for their personal schedule. Mentors assist students by answering questions, reviewing assignments and activities, as well as providing helpful feedback. Interaction with mentors is conducted through e-mail; there is no appointed time the student must be present -- allowing complete flexibility for the student to work when and where it is convenient. To learn more, visit the CCE Course Listing page <http://www.arrl.org/cep/student> or contact the Continuing Education Program Coordinator <cce@arrl.org>.

* Get Ready for the ARRL International DX CW Contest this Weekend: This weekend will be a busy one for CW operators as the 2009 ARRL International CW DX Contest takes center stage. First started in 1929 as the ARRL International Relay Party, the ARRL DX CW Contest is the longest running contest in Amateur Radio. Stations from all around the world -- from Australia to Zimbabwe -- should be active for this great event that takes place on 160-10 meters (no contest QSOs are permitted on 12, 17, 30 or 60 meters). Stations in the US and Canada work only DX stations (Alaska and Hawaii are considered DX for this contest), and DX stations only work the US and Canada. DX stations will be trying to make as many QSOs with all US states and Canadian provinces as they can. The contest exchange is simple -- US and Canadian stations send a signal report and their state or province, while DX stations send a signal report and the amount of power with which they are transmitting. The ARRL International CW DX Contest runs from 0000 UTC Saturday, February 21 through 2359 UTC Sunday, February 22, 2009. Complete rules and forms can be found on the ARRL Contest Web site <http://www.arrl.org/contests/rules/2009/intldx.html>. Electronic logs should be e-mailed <DXCW@arrl.org>; paper logs can be sent to ARRL DX CW Contest, 225 Main St, Newington, CT 06111. Logs sent via postal mail must be postmarked no later than 2359 UTC Monday, March 23, 2009.

queenie boi has been talking on MURS with ham equipment and operating
below CB channel 1. His feminine pee pee holders have been flapping
and flapping. Dummyboi thinks he is invulnerable...WRONG! See, when we
make recordings they go where they can be used to bitchslap little
punks who don't know their own stupidity.

We of the AKC love pissing off the likes of faggots like KD8IMG.

Hope he had fun at his ice fishing party...heheh...he was there
because the other dudes brought their "worms", get it? WORMS!
HAHAHAHAHHAHAHAHA

This punkboi is such a slimy little bitch he or she, whatever it is
even sprayed chemical fertilizer in the face of his next door
neighbor's dog.

So, without further ado, here is the data on pervert KD8IMG, convicted

it is the range, dumbass...talking 20 or more miles highly suggests
that it aint 2 watts and antenna attached to the radio itself.

MURS does not require attachemnt FRS does and indeed on the right
ground my small half watt 2m and 440 MHZ radio could heard 20 miles
away on the attached radio anttena you have to have eveidence and it
would help if you knew your stuff

and how does one tell the range froma recording you don't know where
he was transimitting from

the FCC can track these things down if they want to

if he is doing something I encourage to contact the FCC and get them
on the case and stop playing radio vigilante justice is never done
that way

==> ARRL NATIONAL CONVENTION TO FEATURE RICHARD GARRIOTT, W5KWQ

Richard Garriott, W5KWQ, will be attending the 2009 ARRL National
Convention -- hosted by the Dayton Hamvention -- as a special guest of
the ARRL and AMSAT. Garriott, who took off for the International Space
Station (ISS) on October 12, became the sixth private citizen to fly
with the Russian Federal Space Agency (RKA) for a short-term mission on
the ISS <http://www.arrl.org/news/stories/2008/10/09/10382/?nc=1>. Not
two hours after he arrived on the ISS on October 14, Garriott was making
ham radio contacts, just as his father, Owen Garriott, W5LFL -- the
```

first ham to make QSOs from space -- did in 1983 while aboard the space shuttle Columbia on STS-9. Both Richard and Owen are ARRL members.

"We are so excited to have Richard be a part of our National Convention this year," said ARRL Sales and Marketing Manager Bob Inderbitzen, NQ1R. "He will spend some time in the ARRL EXPO exhibit area, meeting convention attendees and signing autographs <http://www.arrl.org/expo>. He's also been confirmed as a Hamvention forum speaker." The ARRL EXPO is a large exhibit area located in the Ballarena Hall (near the 400-numbered booths) at Hara Arena.

"This mission to the ISS fulfilled a lifelong dream to experience spaceflight, just as my father first did 26 years ago," Richard said. "It's an honor to be the first American to follow a parent into space." While living on the ISS, Richard conducted scientific experiments and environmental research -- but he also had a chance to do quite a bit of Amateur Radio operating, including sending slow-scan TV (SSTV) images.

Richard said that after his first QSOs with Earth, he understood how "well-networked" the global ham community really is: "I received specific reports back through Mission Control-Moscow about the technical aspects of my work and how the [amateur] community was enjoying the transmissions. This redoubled my enthusiasm to do quality work for the Amateur Radio legions around the world, as I realized how much it meant to those with whom I had the chance to talk. By late in my flight, I had contacted many hundreds of hams by voice and I have good records of these contacts."

For the past 26 years, ham radio operations from aboard the space shuttles and the International Space Station have helped to spotlight the innovation and experimentation that are benchmarks of the Amateur Radio Service. Richard Garriott's story as a private astronaut embodies that same "can-do" spirit. "We are absolutely delighted that Richard has agreed to take part in the 2009 ARRL National Convention. His biography reads like an adventure novel -- one that spans global expeditioner, explorer and entrepreneur," Inderbitzen said. "Like many radio amateurs, Richard has an innate fascination with science and technology. He has written very enthusiastically about his experience using Amateur Radio from aboard the ISS. He found it particularly gratifying to find hams around the globe eager to make radio contact with him at any time of the day or night. Throughout the mission, he made hundreds of radio contacts with individuals and classrooms full of children. When we greet Richard in Dayton, we'll welcome him as one of our own!"

==> BSA UPDATES RADIO MERIT BADGE REQUIREMENTS

The Boy Scouts of America (BSA) has updated the requirements needed to earn the Radio merit badge. The new requirements became effective with the publication of Boy Scout Requirements 2009. While no new content has been added to the program, the new merit badge pamphlet features lots of new information -- including color pictures and updated charts and text -- that reflects the changes in the Amateur Radio Service since the last

pamphlet update in 2002. Approximately 4000 Radio merit badges are earned each year.

According to ARRL ad hoc Scouting Committee member Larry Wolfgang, WR1B, the new Radio Merit Badge pamphlet had been in the works for some time. "BSA has been replacing all merit badge pamphlets with new booklets using color graphics and more modern presentations," he said. "With attractive color photos and clear text explanations of the requirements, the new merit badge pamphlet is a pleasure for the Scouts to read. The new text is due in large part to the efforts of longtime Radio Merit Badge Counselor and K2BSA National Jamboree Staff member Mike Brown, WB2JWD. I am looking forward to using the new pamphlet to teach Radio merit badge at our Council's Merit-Badge-O-Ree this spring, and to having a supply of the new books available for Scouts during the 2009 summer camp season."

Wolfgang said that the requirements for the badge have been shifted around: "The old Part 4 of Requirement 7(b) Broadcast Radio was pulled out and placed in the main body of the requirements as Requirement 8. In addition, the old Requirement 8 (to visit a radio installation and discuss what types of equipment, how it was used, what types of licenses are required to operate and maintain the equipment, and the purpose of the station) was moved up to Requirement 7, so that now the three options appear as Requirement 9. The main result is one additional full requirement."

ARRL Rocky Mountain Division Director and Chairman of the League's ad hoc Scouting Committee Brian Mileshosky, N5ZGT, called the Radio Merit Badge "a perfect avenue to introduce Scouts and Scouters to the wonderful world of ham radio. Ham clubs across the nation should locate a local Boy Scout Troop, secure permission from their Scoutmaster and/or committee to teach the merit badge and deliver an exceptional Radio merit badge class. What the boys -- and their leaders and parents -- will learn in the process is a fair amount of what is part of the Technician license exam, so the next logical step after a merit badge class is an all-out recruiting effort to get that Troop involved in Amateur Radio. They'll meet new friends and have a great way of communicating while in transit to and from the field, as well as additional peace of mind through an effective means of emergency communications while in the backcountry."

For a complete overview of the Boy Scout Radio merit badge, see the Radio merit badge page on the BSA Web site <http://www.scouting.org/boyscouts/advancementandawards/meritbadges/mb-RADO.aspx>.

==> ARRL DX PHONE CONTEST BRINGS DX IN FULL FORCE TO HF BANDS

With the 2009 ARRL International DX CW Contest now history <http://www.arrl.org/news/stories/2009/02/11/10644/?nc=1>, the first full weekend in March brings the next round of competition: The 2009 ARRL DX SSB Contest

<http://www.arrl.org/contests/rules/2009/intldx.html>. Like its CW predecessor, this event focuses on DX stations working all US states and Canadian provinces, while US and Canadian amateurs try to work as many DX countries as possible over the 48 hour contest period.

"While the origins of the ARRL DX Contest go back to 1929, the first Phone weekend wasn't until 1937," said ARRL Contest Branch Manager Sean Kutzko, KX9X. "AM was the voice mode used at that time. The rules may have changed since the event was held back in the 1930s, but the premise remains the same: How many contacts with stations in far-away locales can you make?"

Just as in the CW contest a couple of weeks ago, US and Canadian stations send a signal report and their state or province, while DX stations send a signal report and their transmit power. Remember that for this contest, Alaska and Hawaii are considered DX stations -- this means stations in KH6 and KL7 focus their efforts on working Stateside and Canada.

How can you participate? Kutzko said you're only limited by your imagination and willingness to get on the air: "Even though we are at the bottom of the 11-year solar cycle, there will be plenty of chances to work DX, even for stations running 100 W and a dipole or vertical antenna. If you live in an area where antenna restrictions exist, take your contest effort on the road! Operate from your car, set up a portable antenna in a park or campground or see if a friend's station is available. If you have a station and won't be using it, consider opening your doors to members of your club to try their hand at working some DX. If you make 100 QSOs, you're eligible to purchase a commemorative pin for your efforts."

The ARRL DX Phone Contest runs from 0000 UTC Saturday, March 7 to 2359 UTC Sunday, March 8. Complete rules and forms are available online <http://www.arrl.org/contests/forms/>. Why let all this DX pass you by? Get on the air and have some fun!

==> QEX: THE MARCH/APRIL 2009 ISSUE

The March/April issue of QEX is coming soon, and it is full of theoretical and practical technical articles that you don't want to miss <http://www.arrl.org/qex>.

In this issue, Gary Steinbaugh, AF8L, introduces us to "A Cybernetic Sinusoidal Synthesizer." The initial part presents some interesting history and theory of feedback control. The system includes an oven-stabilized crystal-controlled oscillator, a PLL frequency synthesizer with a low phase noise sinusoidal output, a variable gain RF amplifier for automatic power level control and an RF power meter with a digital readout in dBm and an analog voltage output. Subsequent articles will describe these circuits in detail. Ron Skelton, W6WO, takes us "Exploring Near-End-Fed Wire Antennas" by modeling his design using EZNEC, and then building a 40 meter version to verify the modeled

performance. Ken Grant, VE3FIT, describes "A Versatile Two-Tone Audio Generator for SSB Testing." This handy piece of test gear could be a valuable addition to your test bench.

Thomas Alldread, VA7TA, continues to describe his "NimbleSig III" dual output DDS RF generator. This circuit provides signals over a range from 100 kHz to 200 MHz, with 1 Hz resolution. In this part of the series we learn about the control software design, computer interface, MPU programming and initial testing. Rudy Severns, N6LF, presents more of his research in "Experimental Determination of Ground System Performance for HF Verticals." Part 3 compares the performance of antennas using ground-surface radials and those using elevated radials. If you use vertical antennas on HF, or have thought about using vertical antennas on HF, you will want to read all of the articles in this series. Roger Monroe, K7NTW, introduces the process of programming a microcontroller in "Some Assembly Required." As a practical application, he describes how he used a microcontroller in the design of a QSK amplifier keying interface for use between his Ten-Tec Omni IV+ radio and his Heath SB-220 amplifier.

Ray Mack, W5IFS, continues his software defined radio column. In this installment of "SDR: Simplified," Ray looks at signals in the time domain and the frequency domain, and introduces the concept of Fourier transforms. He also explains the Nyquist criterion for sampling signals in analog to digital conversions as well as the filtering requirements for digital to analog conversions. Mark Spencer, WA8SME, has been sending results of his further data collection based on his article, "SID: Study Cycle 24, Don't Just Use It" from the September/October 2008 issue of QEX. The "Tech Notes" column in this issue includes some graphs of Mark's data, as well as a re-designed SID receiver and interface. The "Reader's Page" includes photos of two different GPS-derived frequency standards. Readers are encouraged to submit photos of their projects, to show off their handiwork.

Would you like to write for QEX? It pays $50/printed page. Get more information and an Author's Guide <http://www.arrl.org/qex/#aguide>. If you prefer postal mail, send a business-size self-addressed, stamped envelope to QEX Author's Guide, c/o Maty Weinberg, ARRL, 225 Main St, Newington, CT 06111-1494.

QEX is edited by Larry Wolfgang, WR1B <wr1b@arrl.org>, and is published bimonthly. The subscription rate (6 issues) for ARRL members in the US is $24. For First Class US delivery, it's $37; in Canada and internationally by airmail it's $31. Nonmembers add $12 to these rates. Subscribe to QEX today.

Editor's Note: Due to production difficulties, the March/April issue of QEX will be arriving about two weeks later than normal. Readers should expect to see their copies in their mailboxes in mid March. We regret any inconvenience this may cause.

==> TRAIN THE TRAINERS COURSE DEBUTS AT ORLANDO HAMCATION

The inaugural Train the Trainers course -- supported by a grant from the ARRL Foundation -- made its first appearance on February 13-14 at HamCation <http://www.hamcation.com/> in Orlando, Florida. Led by ARRL Education and Technology Program Coordinator Mark Spencer, WA8SME, 12 participants -- primarily from the ARRL Southeastern Division -- completed the course. HamCation is the ARRL Southeastern Division's convention.

According to Spencer, the focus of the Train the Trainers course is on course development, instructional techniques and instructional resources -- not on the technical content of the course. The objective of the course is to develop and validate a model program that could be used to provide instruction to volunteer ham radio licensing course instructors, helping to improve their teaching effectiveness.

ARRL Chief Development Officer Mary Hobart, K1MMH, attended the Train the Trainers course: "When I agreed to attend the Train the Trainer sessions at Orlando HamCation, I intended to be a fly on the wall. But as a volunteer instructor myself, I found that I was caught up in the enthusiasm of those who signed up for the course. Each of the participants came with a set of teaching experiences, and left with even more -- and some made dramatic changes in their philosophy and approach to teaching licensing classes. I found the hours I spent under Mark's leadership rewarding and very, very useful. Kudos to Director Sarratt and the HamCation team for their support of this pilot project. I hope that this is just the beginning of something that can enhance our teaching of ham radio licensing."

Spencer commended the Orlando Amateur Radio Club (OARC) <http://www.oarc.org/> -- HamCation's sponsor -- for their "exceptional job of providing a venue for the class. ARRL Southeastern Division Director Greg Sarratt, W4OZK, and his primary point of contact, Ed Tyler, KI4GKS, did an excellent job of advertising the course, accepting applications from interested volunteer instructors and vetting and selecting the final pool of participants."

Spencer said the response from the course's participants was enthusiastic. Here are a few comments:
* The course provided some great insights to different approaches to subject matter, including out-of-the-ordinary presentation strategies and considerations for class preparation.
* Participations were able to compare real-life classroom experiences.
* I expected new techniques, and I got them. Rearranging the material in a logical manner was something that made sense, but I had not given any thought.
* The other (more important?) way the class exceeded my expectations was the caliber of the "students" themselves. They were engaged, brilliant and motivated for this to work. I like to think of myself as a really good instructor, but I learned quite a number of useful and interesting things from the classroom discussions just with the students.
* The most valuable feature of the class was the opportunity to "face down my fear" and present in front of an audience of top-notch people

who were there to critique my work -- scary, yes; on the edge, yes. But a very powerful motivational and quality-oriented tool to really pay attention to the lessons and put forward one's very best effort, and then learn from those critiques.

==> 2009 WINTER SECTION MANAGER ELECTION RESULTS

ARRL members in the North Texas Section have elected a new Section Manager. Jay Urish, W5GM, of Flower Mound, received 740 votes; his opponent, incumbent Section Manager Tom Blackwell, N5GAR, of Dallas, received 678 votes. Blackwell has served as Section Manager since 2005. In Arizona, members re-elected incumbent Tom Fagan, K7DF, of Tucson. Fagan, who has been Section Manager since 2005, received 1016 votes; Robert Spencer, KE8DM, of Yuma, received 205 votes. Ballots were counted and verified at ARRL Headquarters on Tuesday, February 24.

Iowa will have a new Section Manager starting in April. Tom Brehmer, N0LOH, of Muscatine, was the only candidate to run for office when veteran Section Manager Jim Lasley, N0JL, of Chillicothe, decided not to run for another term. Lasley has been the Iowa Section Manager since 1994. Brehmer is presently the ARRL Official Observer Coordinator in Iowa and a Volunteer Examiner. He is serving as the Secretary/Treasurer of the Muscatine Amateur Radio Club.

In Wyoming, Garth Crowe, N7XKT, continues as Section Manager for the April 2009-March 2011 term of office. Crowe was appointed in January to take the reins from LeeAnne Sachau, WY7DTW, who decided to step down after she was the only nominee for the next term of office.

The following incumbent ARRL Section Managers did not face opposition and were declared elected for their upcoming terms of office beginning April 1: J.M. Rowe, N5XFW, Arkansas; Jim Brooks, KY4Z, Kentucky; Malcolm Keown, W5XX, Mississippi; Doug Dunn, K7YD, Montana, and Carl Gardenias, WU6D, Orange.

Looking for a Special Event station? Be sure to check out the ARRL Special Event Station Web page <http://www.arrl.org/contests/spev.html>.

* ARRL Continuing Education Course Registration: Registration remains open through Sunday, March 8, 2009 for these online course sessions beginning on Friday, March 20, 2009: Amateur Radio Emergency Communications Level 2, Antenna Modeling, and Radio Frequency Propagation. Each online course has been developed in segments -- learning units with objectives, informative text, student activities and quizzes. Courses are interactive, and some include direct communications with a Mentor/Instructor. Students register for a particular session that may be 8, 12 or 16 weeks (depending on the course) and they may access the course at any time of day during the course period, completing lessons and activities at times convenient for their personal schedule. Mentors assist students by answering questions, reviewing assignments and activities, as well as providing helpful feedback. Interaction with mentors is conducted through e-mail; there is no appointed time the student must be present -- allowing complete flexibility for the student to work when and where it is convenient. To learn more, visit the CCE Course Listing page <http://www.arrl.org/cep/student> or contact the Continuing Education Program Coordinator <cce@arrl.org>.

* Field Day Station Locator Service Returning for 2009: First introduced in 2008, the ARRL's Field Day Station Locator Service was a popular addition to the Field Day toolbox. This service -- an interactive map that helps amateurs or those interested in Amateur Radio find a Field Day <http://www.arrl.org/fieldday> site near them -- is free to clubs or individuals who will be operating public Field Day stations. Stations can also be listed by state or province. If your group would like to be

a part of the Station Locator Service, it's easy to get started -- just go to the Field Day Station Locator Web site and follow the instructions <http://www.arrl.org/contests/announcements/fd/locator.php>. ARRL Field Day is the most popular on-the-air operating event in Amateur Radio. On June 27-28, join tens of thousands of Amateur Radio operators as they gather for a public demonstration of our Service.

* RAC Elects New President: Radio Amateurs of Canada (RAC) President Dave Goodwin, VE3AAQ/VO1AU, announced he was resigning his post, effective immediately, at the RAC Board of Directors teleconference meeting on February 24. At the same teleconference meeting, the RAC Board elected Bob Cooke, VE3BDB, as RAC President. Cooke will serve until December 31, 2009, the end of the current term. According to RAC Vice President for International Affairs Daniel Lamoureux, VE2KA, Goodwin indicated that his decision was motivated by his inability to devote enough time to RAC affairs, due to a recent increase in personal and professional responsibilities. Goodwin became RAC President on January 1, 2008 at the end of President Earle Smith's, VE6NM, tenure. Cooke has a long history of working with RAC. His involvement started in the early 1990s as an Assistant Director; he was served as RAC Ontario South Director from November 2001-January 2005. He was then elected by the RAC Board as Vice President for Field Services, serving from January 2006-February 2009 when he resigned to accept the appointment as President. -- Information provided by RAC

* EMCOMMWEST to Include ARRL Pacific Division Convention: EMCOMMWEST 2009 -- an ARRL specialty convention devoted entirely to emergency communications -- will host this year's Pacific Division Convention (Pacificon) at the Circus Circus Hotel Resort in Reno, Nevada May 1-3. Supervisor of the ARRL's Field and Public Service Team Steve Ewald, WV1X, will host an emergency communications forum and deliver the keynote address. Riley Hollingsworth, K4ZDH, former Special Counsel of the FCC's Enforcement Bureau, will be the speaker at the Saturday evening banquet; Hollingsworth will also present a forum on the legal aspects of emergency communications. Other forums in the works include an introduction to the work of Public Information Officers (PIO) and the PR-101 Course <http://www.arrl.org/news/stories/2009/01/22/10578/?nc=1>; how to create an effective ARES team (and even how to create an ARES team from scratch); how to work with ARES from an Emergency Manager's view; packet software and operations for emergency communications; practical emergency communication functions for ATV; how to creating a Section-wide intercom using EchoLink and VoIP, and more! SKYWARN and storm spotter training will also be offered. ARRL Pacific Division Director Bob Vallio, W6RGG, and Vice Director Andy Oppel, N6AJO, will lead the ARRL Forum. Registration is now available online via the EMCOMMWEST Web site <http://www.emcommwest.org/>.

* ARRL Sweepstakes and RTTY Roundup Set New Records: The lack of good HF propagation didn't seem to affect participation in the 2008 Sweepstakes or the 2009 RTTY Roundup contests. According to ARRL Contest Manager Sean Kutzko, KX9X, both contests were record-breaking events. "We have

received 3298 logs for the November SSB and CW Sweeps combined in 2008," Kutzko said. "That is -- at bare minimum -- a 5 year high. The 2009 RTTY Roundup in January saw 1564 entries, also a 5 year high." Kutzko said he attributes some of the increase to the hoopla surrounding the 75th running of Sweepstakes: "The excitement over the new Triple Play Award <http://www.arrl.org/awards/#tripleplay> was likely a large factor in the RTTY Roundup increase. Interest in contesting in general is on the rise."

* WSJT Monthly Sprints to Begin this Weekend: The first monthly WSJT Sprint contest will be held this Saturday, February 28 between 4 AM and noon (local time). WSJT <http://www.physics.princeton.edu/pulsar/K1JT/> is a popular software suite created by Joe Taylor, K1JT. It is used to make digital contacts by reflecting signals off the ionized trails left by meteors (a technique known as meteor scatter). The same software can be used to make contacts by using the moon as a radio reflector (moonbounce). WSJT Sprint points are based on the distances worked. Participants are allowed to make random or assisted contacts (skeds via Ping Jockey <http://www.pingjockey.net/cgi-bin/pingtalk>). Enter as 6 meter only, 2 meter only or Combined class. Simultaneous 6/2 meter operation is permitted in the Combined class. Complete rules are available online <http://www.ykc.com/wa5ufh/>; click on "Sprints" in the content bar on the left.

* FCC Revokes License of Indiana Ham: On February 25, the Federal Communications Commission revoked the license of Lonnie L. Keeney, KB9RFO, of Greencastle Indiana. According to the FCC, Keeney's 2002 conviction of child molestation, a Class C felony, renders him "lack[ing] the requisite character qualifications to be and remain a Commission licensee." Keeney has 30 days to appeal the revocation <http://hraunfoss.fcc.gov/edocs_public/attachmatch/DA-09-456A1.pdf>.

Sounds to me like someone is over due for a Amateur Radio License, for
the CB Radio is just that - Children's Band Radio with people Running
Amps that they don't need them for the sun dose all the work.

Before I had an Amateur Radio License, I talked all over the US and some
parts of the world without Amps on CB, just a 4 watt radio and a good
Antenna system. In the past CBer's didn't run Amps or the FCC would be
at your door, so we had to learn how to sound good without them, the
Antenna is key.

If you have a good antenna system you'll out talk those with amps and if
you have an amp you'll sound even better then those with the same size
amp due to a good antenna system.

The CB in my area has gone down hill with people fighting and all so I
got an Amateur Radio License and love it. The Code requirement now gone
it's easy to make your way to the HF Bands and lots of other former
CBer's that too got fed up with all the fighting and moved up to Amateur
Radio to talk too. ;)

Now thats not to say we don't have our share of problems, but unlike the
CB, Amateur Radio is policed still by the FCC when things get out of
hand by those like our resident Spammer KB9RQZ... ;)

2713. [ADMIN,META] Allow crossposting to rec.radio.amateur.moderated?

Newsgroup: rec.radio.amateur.policy
Date: 2009-03-03 14:22:16 UTC
From: rram@panix.com
Message-ID: <gojeci$m74$1@reader1.panix.com>
Source record: 237871
Cross-posted to: rec.radio.amateur.antenna,rec.radio.amateur.dx,rec.radio.amateur.equipment,rec.radio.amateur.homebrew,rec.radio.amateur.misc,rec.radio.amateur.policy,rec.radio.amateur.space,rec.radio.amateur.moderated

(Followups directed to poster by default. If followup to newsgroups is desired, edit your headers on followup to drop rec.radio.amateur.moderated from the Newsgroups line, else your article will be rejected.)

The rec.radio.amateur.moderated newsgroup enters its 3rd year of operation this month. Since its creation in February of 2007, we have approved nearly 3,000 articles about amateur radio and closely related subjects. We would like to thank our readers and posters for their quality contributions to our newsgroup.

When we first started out, consistent with our newsgroup's Charter and Posting Guidelines:

http://www.panix.com/~rram/usenet/rram/

we allowed discussion threads to be posted to our newsgroup only. Our moderation software is programmed to automatically reject any crossposts. The one exception has been periodic information postings that are crossposted to rec.radio.info, rec.answers, and/or news.answers.

Some moderated newsgroups, such as those in the comp.lang.perl.* and misc.kids.* hierarchies, started accepting crosspostings to appropriate unmoderated newsgroups after a suitable waiting period from their initial creation. Now that our newsgroup is well-established and carried at most major sites, we would like to implement this customary followup and allow some crossposting. We would propose to allow simultaneous crossposting (i.e., one article, with all newsgroups specified at once on the Newsgroups line in the headers) to rec.radio.amateur.moderated and one other unmoderated newsgroup in the rec.radio.amateur.*, alt.radio.amateur.*, and alt.ham-radio.* hierarchies only.

Pros:

- Allows the moderated and unmoderated newsgroups to share discussion threads of common interest, without propagating more than one set of articles to news, or showing them more than once in a newsreader. Presently, threads of common interest have to run in parallel, with different sets of followups, and requiring readers to have to follow two threads, possibly with duplicate articles, in different newsgroups. We have seen multiple examples of this happening in the amateur-radio-related newsgroups over the past 2 years.

- Provides the default action of submitting articles and followups to moderator review, as news servers will forward to us for approval any article that contains rec.radio.amateur.moderated on the Newsgroups line. This allows the moderated newsgroup crossposting to serve as a "guardian" or "sentinel" to discourage threads from getting hijacked into running off-topic or into personal abuse. This may also encourage posters to use the underutilized rec.radio.amateur.misc or .policy newsgroups as crossposting targets for articles that might otherwise be posted only to .moderated.

- Readers of the unmoderated newsgroups will enjoy high-quality, on-topic, discussion threads that would otherwise require subscribing to and reading a moderated newsgroup. Readers of the moderated newsgroup will enjoy high-quality, on-topic, discussion threads that would otherwise require subscribing to and reading other unmoderated newsgroups. Those unmoderated newsgroups may contain articles of widely varying degrees of quality and topic relevance.

- Participation in this crossposting scheme is completely voluntary. Posters of initial articles in threads will make the voluntary choice to add rec.radio.amateur.moderated and one other unmoderated newsgroup to the Newsgroups line when posting. Those following up to these crossposted threads will make a voluntary choice whether to keep rec.radio.amateur.moderated or any other newsgroup on the Newsgroups line, or remove them. Followups may be directed by default to any subset of the newsgroups on the Newsgroups line (or via E-mail to "poster") by specifying them on an appropriate Followup-To line. In short, you control what you post, where you post it, and what default destinations you want for any followups. This proposed crossposting scheme does not change any of these long-standing features of Usenet and newsreader software.

Cons:

- This will subject all such simultaneously crossposted articles to moderator review by us. If they do not meet the Charter and Posting Guidelines of rec.radio.amateur.moderated, they will be rejected. We will attempt to work with submitters to let them know what is happening, and how their articles can be fixed for eventual approval. However, rejected articles that were submitted anonymously without a traceable/derivable E-mail address or identity will have to be dropped silently without feedback to the unreachable submitter.

- Moderator review will introduce some posting delay. However, it has been our experience over the last 2 years that with our large moderation team distributed across many time zones, and the automation provided by our moderation software, we can turn submissions around relatively quickly, often within an hour.

- Many newsreaders do not give clear feedback to the user what newsgroups in which a given article appears, nor to what newsgroups a followup to that article will be sent by default. We expect to initially have to handle a few confused, possibly angry, submitters

who will insist that they did not intend to post to a moderated newsgroup. We are willing to provide the necessary polite feedback and user education to them to allow this crossposting scheme to work effectively. This will help ensure that the scheme is only used by those who are reasonably aware of the various pros and cons. We hope that this problem will diminish with time and greater user awareness.

- Not all newsgroups, especially those in the alt.* hierarchy, are carried at all sites. Users may find themselves following up by default to newsgroups that do not exist on their local news server, possibly resulting in article rejection from their server. Those users would have to edit their Newsgroups line for successful resubmission. We will work with users to get appropriate newsgroups added to their local servers, as well as with Panix to get those newsgroups added to Panix's server. However, as with default followups described in the previous paragraph, we expect to have to go through an initial period of user and news service provider education and polite feedback. We hope that this problem also will diminish with time and greater user awareness.

We propose to enforce this scheme in our moderation software as follows:

- Submissions simultaneously crossposted to more than 2 newsgroups will be automatically rejected with a rejection form letter (same as what happens now to submissions that are posted to more than 1 newsgroup).

- Submissions that contain newsgroups on the Newsgroups line other than approved newsgroups in the rec.radio.amateur.*, alt.radio.amateur.*, or alt.ham-radio.* hierarchies will be automatically rejected with a rejection form letter.

Approved rec.radio.amateur.* newsgroups are those that are currently listed in the latest version of the "List of Big Eight Newsgroups" which is crossposted monthly to news.announce.newgroups, news.groups, and news.lists.misc.

Approved alt.radio.amateur.* and alt.ham-radio.* newsgroups are those that have been created consistent with the suggestions in "So You Want to Create an Alt Newsgroup" at:

http://www.faqs.org/faqs/alt-creation-guide/

We will make every reasonable effort to keep our list of approved newsgroups up-to-date. In case we have overlooked any, and a submission is rejected in error as a result, the rejected submitter can E-mail us at our administrative contact address (in the signature at the bottom of this article, and the default Reply-To for the rejection message) requesting that it be added, and that the article be approved. We may still choose to reject articles crossposted to any alt.* newsgroup with an inappropriate name, including obscene language, embedded name-calling, or encouragement of unlawful conduct.

To help publicize this new editorial policy, we will update our Posting Guidelines, which are posted to the moderated newsgroup on the 15th of each month. Changes to our Posting Guidelines are indicated by an updated date in the Revision: auxiliary header at the top of the body, as well as "change bars" ('|') after each modified line of text. We will also add a short announcement, posted on the 1st of each month and cross-posted to the unmoderated newsgroups, restating this new editorial policy, and encouraging crossposted submissions.

Since this is a change to our newsgroup's editorial policies, and with some impact to the readers and posters of the unmoderated newsgroups, we would like to solicit 30 days of direct feedback and/or public discussion regarding this proposed change. For example, we would be interested to know if allowing crossposting to one other unmoderated newsgroup is enough, or if two would be preferable. We feel that more than two additional crossposted newsgroups greatly increases the probability of misconduct or accidental misposting that may result in article rejection by us. Also, should this scheme be opened up to uk.radio.amateur and aus.radio.amateur.* as well? You may send us E-mail directly to our administrative contact address below, which is the default Followup-To/Reply-To for this article. You may also discuss this publicly on the unmoderated newsgroups. In fact, we cannot stop you from doing so. We will make every reasonable effort to incorporate any feedback and suggestions. If we decide to implement this proposal, we will make a public announcement shortly after the end of the 30-day discussion period.

(Followups directed to poster by default. If followup to newsgroups is desired, edit your headers on followup to drop rec.radio.amateur.moderated from the Newsgroups line, else your article will be rejected.)

Not necessarily. On legal SSB channels using the legal 12 watt
PEP power maximum and a home made "inverted V" antenna made out of
coaxial cable I've had QSO's from the central US to Great Britain
and all over Europe with very little trouble. The only "help" I
used was the sunspot cycle and other natural conditions.

your confusion is understandable as the poster is bitching about 2
watt MURS in 4/12 wat cb newsgruop

althought he is under several stupod thoughts as to what 2 watts can
do and even the rules about anttenas on that band

Fed to Taxpayers: Up Yours! -- Insists on Hiding Bailout Data
http://wakeupfromyourslumber.blogspot.com/2009/03/fed-to-taxpayers-up-yours-insists-on.html

Who cares in America? All the bushwhores like
Alex Jones love George Noory for forbidding open
communications in America, while championing wars
against US as innocent folks all to further escape
the TRAITOR neocon LIAR war mongers for the crimes
of mass murder on 911. George Noory HATES America
to have Justice where a man like me could explain
the errors of a bushite's lawless ways in seconds,
and America can not be granted such wisdom to be
freely expressed where the good guys win. Sadist
Ron Paul wants to gut social programs blindly as
a corporate fascist, while claiming 911 was
committed by bin Laden - and, shockingly, (when
you consider the evidence available) that the
Iraq war crimes of rape, torture and mass murder,
are actually an American police action to defend
God's world - and Alex has ZERO problems with those
demon lies, and won't let ANYONE express the facts
on such History. To think that Alex insists he and
Ron Paul leads our "freedom" movement! Alex wants
to gun down innocent men in America as boasted,
and RON WANTS TO GO A GOLD STANDARD, BUT DOESN"T
WANT TO RECOVER THE STOLEN TRILLIONS. Who can
afford this continuing deliberate ignorance of
Alex Jones and the bushwhores, still asking for

our dwindling money to fight for anything but
Justice? Who? How much will it cost America to
donate to Alex Jones to afford US the public
knowledge that the Iraq war is a war crime? Or
that we have video of iron flowing like water
from the towers? How much?

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies
of American Liberty are eh? No concern whatsoever,
for all the teen soldiers conned to die for those
who committed 911 in NYC. The millions of bombing
victims, the tortures, the rapes of American women,
STILL, TO THIS DAY, left undefended by "the law".
Evil enemy of everyone these demon fuks are. How
difficult is it, to understand the facts they feign
complete blindness on? They WANT to con you as the
coward to life they are, willing to kill America to
make their antiChrist lawless enemy Mr. Bush happy.

INTERPOL REJECTS CALL FOR ARRESTS OF WAR CRIMINALS

/ / INTERPOLï¿½s Constitution strictly prohibits the Organization from making ï¿½any intervention or activities of a political, military, religious or racial characterï¿½. \ \

Then, what the fcuk are they good for to not speak against clear war crime injustices against God and Humanity? Who pays for this without thought to question? YOU DO.

Alex Jones is a Bushwhore

Alex Jones stated today the reason why Ron Paul constantly LIES to America, is because he needs to play politics. Yes, he like Alex the censor of Truth, does not have the intellectual skills to ACTUALLY defend his silence of a grunts lawless position. 1441. American grunts in Iraq are dying for the escape of the Neocons, as NOT police officers trying to "police the world". Understand: Ron Paul actually sells bin Laden is the target for the crimes of 911. And Alex Jones, who we know knows better, refuses to defend Freedom's cause for Justice. No, today he told US he sides for a Con because he doesn't want America to openly communicate the facts to save our souls. Again, a bushwhore who believes Mr. Bush is above all the laws of the Universe as the Conservative bigot's false deity. Again, Mr. Bush closed 911 investigations as godless traitor. We, as Humanity, demand the demon enemy of Life, George Norry grant US the freedom to speak freely on the evidence available directly implicating the bushmobster Neoconners.

It's an inside job. The questions are always
cool, (though sometimes wasting time) and
by challenging our conceptions on what it is
that we can prove is vital if we're ever
going to understand that by Bush simply
closing criminal investigations on 911, he's
"officially" assisting in the escape of
those truly responsible for mass murder in
New York City. Why? Well it seems the Neocons
had this planned all along with those in NATO,

This stuff is excellent! They are playing

internationally to gain a better focus.

Your Car Has Been Repo'ed

The derivatives recordings sound fascinating.
I know the banksters don't cover our loans, fraud
from the get go, but these available estimates
going as high as into the tens of quadrillions
are a mathematical impossibility. But for the
the 'value' of something speculated with
OUR assets as truly worthless to be an "investment
vehicle" for our futures. (Like Hedge Funders.) The
"toxic assets" are the crime scene evidence of
monster fraud, where for the sales of paper
arbitrarily determined to be worth zillions,
they took the real deposits as commissions in
the trillions, just like a bookie does but
usually far more fairer. At least that is how
I see it with my limited knowledge on this one
particular scam of the Capitalist Free Market
System of Lawless Corruption Due a Failure in
Real Leadership. - worthless pieces of paper
America has paid trillions already as dahh..
LuCkY WinNaaAhhs. Do you People even know what
a Hedge Fund is? They hedge US out of the Markets
by nickel and dooming everything to undermine the
Market in it's entirety. And, some of these
people have "earned" as much as a trillion
dollars personally in the span of a short few
years under repuglicon misrule. Geniuses? Hardly.
What every Bookie does as a felony warranting
unjustly Life probably. They trade bets,
and take their cuts, paying themselves with the
money the private Investment banks hold, leaving
derivatives as balanced collateral, BUT, a
derivative can have no actual value. It's just
the rules on how the cash will be divvied on this
next go-around with the suckered. As according

too to a 60 Minutes spot on this very specific issue. Now, the bushmob with Obama, CNN, FoxNews and some of MSNBC have been issuing the blind acceptance, that buying these "toxic assets" was a better investment, than publicly challenging ourselves on where all the actual money went? and for wHaT?? Manufacturing has been purposefully outsourced by the Bushmob as treasonous SABOTAGE, while now, to make up for a small percentage of the massive job losses, they, to FOOL YOU, include those who flip burgers as the new Manufacturing Jobs created to make the numBerts look not so bad - but for Christ's sake, who even cares enough to demand CNN to count our Lives as worthy of defenses? ..besides, the Private Investment Fraudsters told US already. Bonuses paid by Public Welfare in the trillions to actual billionaires, with one CEO bragging all he needed to do was fudge his books, and he then immediately qualified himself for 272 million! IS FOR REAL. It was in the Washington Post. No, nobody was arrested, yet, in fact, I wouldn't doubt he's going to try for a second Public Cash infusion to bolster his 'credit' that you can't/don't/won't know: the magical Banksters never even cover our loans YOU left for robbed dead victims - So, needless to say, these new Inter-National Trillioniares, that expect Ourselves to pay them back for minimum fifty long generations, have been going on one hell of a shindig binge of excessive excesses, but what about the continuing "CRISIS" of PUBLIC Banking left undefended by looting? Giving the banksters any public money is totally crazy when we think aloud, but more?? is a recognized crime in progress. Giving public money to banksters to do what they will with our investment is nuts okay? - even if they lent it back, of which they have formally refused, but even if they did, it would still be nuts because where is the public's interest being defended where they pocket privately by defrauding near all at 99 percent there also? It's like you EARNING a thousand dollars, to then be told by the banker, he's going to charge you a thousand dollars plus interest for cashing YOUR check at the only bank available for fifty miles. (Your car has been repo'ed.) Answers: The depositor should be recognized as the shareholder - and there should be no private interests existing to take in between our exchanges for goods and services. Banks need to be separate from the Casino frauds which comprise much of what the Market is

today., and a tax for every buy and sell needs to
be re-introduced. Obama, and the Repugs want US to
religiously accept the Banker Buildings rule our
Reality by giving of ourselves blindly in huge
error. We can work it out. Ego must be chucked
- facts are facts - and Justice is measured as
Freedom is cherished. In other words: No evidence?
Person innocent.

Trillionaires, whatyahfingureeh?

"Heroes" in the Mansions of Florida going un-arrested
for raping, and/or torturing INNOCENT PEOPLE TO DEATH.
Erstwhile committed criminally, to assist in the
'escape' of the neocon traitors for the crimes of
massive banker fraud, 911 and Iraq. Bush personally
worked to close FBI 911 investigations, immediately
after the terror attack occurred. Criminal. Torture is
still illegal if you didn't know so as an American

personal value system being sacrificed. Pick up a

Alex Jones actually believes George Noory is anything
but a willing traitor who boosts in tale, propaganda
lies of death through terror to sacrifice American

So again, I ask all to question, what is Alex's point

Alex Jones is a Fraud

/ / A bank that received $1.6 billion in bailout
money just spent a fortune last week in L.A. hosting
a series of lavish parties and concerts with famous
singers ... \ \ While CNN with George Noory can be
only happy here watching America robbed and left for
more dying victims? Yup. Who cares? Alex doesn't for,
George Noory is a 'good guy', and what ever you do,
never encourage the truthers to organize for public
debate against the evil enemy forces of the Satanic
LIAR Coast to Coast radio programmingers. Why, because
Alex Jones THE LIAR, would lose, and Americans would win.
Again, never forget, it IS Alex and George who silence
those who truly speak for Justice in America. "Bush is a
puppet" is the call of a hypno mugger, who cowardly,
refuses to fight against those who PROVABLY commit lawless
acts of murder in America. Not a Jewish conspiracy, you
demon fuks who deny George Walker Bush. Alex Jones stated
today as a demon enemy of GOD, that the bible states
the AntiChrist will appear posing not as Bush. I again,
demand Alex PROVE his NWO FRAUD against the Son of Man.
I want free communications to face any or all who
disagree that the Bushite promotes lawlessness as
acceptable, while Alex wants to lie as a cheat to
only pretend his rights champion ours dying. No evidence
against the accused, is US being abused.

the banker does NOT cover our loans

/ / Alex Jones on Coast to Coast tonight to speak Bush the mass
murderer, is just a 'puppet' for lying that Saddam wouldn't let

He's a bushwhore. A soul who refuses others to actually
understand their own conclusions. It's all about Alex, and
not about Justice. Bush closed 911 investigations. He'll
go on and on about the new bank of banks their selling
against "all" as a diversion to understand, the
international private bankers have stolen trillions as
of late, and believe Alex and George ain't gonna let
Americans know: The banker does NOT cover our loans, and
even if they did, WHICH THEY DON"T, why give them our
own money to only hope that they will lend a small
back to ourselves at high interest? The derivatives are
crucial in understanding what is going on here, and Alex
is stuck in his bullshit, nwo crap, blinding him from
understanding how the scams went down. A derivative has
no real value, unlike ARGUABLY, everything else comprised
of 'free market' highjinx. It's like me selling you a
piece of paper with nothing special written on it, for
ten billion dollars. NOW; why would you do that? Because

the American suckers are on the hook for the loses because
Alex doesn't want smart people to speak. Steve Quail is
as real a demon enemy of God and man than anyone. "He talks
directly to God", and 'knows' consciousness can be
imprisoned into Military Intel. Comps., but doesn't know
Laden as falsely accused - delusional enemy of rational
thought denying, like Alex Jones, Justice and Truth.

What's The Point Alex?

Hey! Alex Jones said today Bush isn't guilty of nothing,
but boy, Obama is bad he'll tell you never mentioning
the FACT Bush LIED US into the Iraq war as a war crime. 1441.
Won't allow it. Why? He is a bushwhore, a believer in Bush,
the Antichrist enemy of Humanity who told US if we tried to
form our own conclusion, we would all be terrorists. NO JOKE.
Bush, the most evil man of all History, Alex claims is
guilty of nothing. Example: Bush, is his first days,
STOLE 50 billion dollars. How can Bush (the banker family
tied to Hitler) be above all the laws of the Universe
someone ask Alex. You know, Alex will hang up on any man
or woman who states in question, as he did with Peggy,
a once loyal listener, why he refuses to acknowledge the
evidence of Ron Paul being cheated through a fixed
election. Attempting as a demon, to demonize whomever
phones with such truths - like Ahmad, or Condi's 911 plan
for Enron. Alex Jones is openly a bigot, and a man who
has OPENLY confessed the willingness to murder INNOCENT
Americans - before allowing Justice to rule for the
defense of every American. I want open debate, he wants
censorship, so he can continue to masturbate to the
continuing deaths of innocent Americans. Laughing with
DEMON George Noory who claims Laden did 911, Hamas broke
the truce, and Iran is a holocaust denier. Enron. Has
Alex even ever mentioned it as motive for invasion of
Afghanistan? Never. Has Alex ever stated the Taliban

were simply asking for evidence to form anyone's
conclusion on who was PERSONALLY responsible for 911?
NEVER. THINK here. Even after me sending him email
after email for years. Alex states all who criticize him,
are delusional, because he warns people of poisons fed
the masses. So therefore, every last word I state about
Alex Jones undermining our wanting for real Justice is
correct without argument - As according to ALEX, he is
delusional. Wow eh? Alex is a stupid bigot as a matter
of fact. He'll tell you we gotta get past the left right
thing, (trying to steal my thunder - where i give to all
freely) yet, near next breath, or the one before, he'll
tell you what all Liberals think. Or all socialists,
or... blahblah Someone should ask him what Christians
think about letting the mass murdering LIAR Bush escape
Public trial for high treason by conning teen grunts who
are now dead. Bush PERSONALLY closed 911 investigations
immediately after all. Again, NEVER mentioned by Alex
as important to our struggle to arrest, try, and execute
those responsible for mass murder in Johnny's America.
An America were every Human life is worthy our protections.
Where Alex Jones is NO GREATER than anyone of US. He is in
a popularity contest, while I couldn't give a rats ass
what rupuglicon, or demoncrates think about my wise words
on God and Justice. Great entertainers I am not blindly
enamored with, nor do I believe FALSELY, demon Bush, the
Antichrist, is above and beyond all laws of our Humanity.
If 99.9 percent of godless Americans disagree with me on
God's will to have all neocons with the Bush Administration
arrested immediately for public trial for high treasons,
to hell with them all as they lose their rights rightly.
For, they are not our friends who willingly murder OUR
Humanity for stolen private Banker gains. Alex, a bushwhore,
a censor, wrongly believes Bush is guilty of nothing. A
bushwhore of the antiChrist he is. I mean come on, he
claims all those folks who followed truth mentioned in
the Bible were murdered. How stupid is that????? From
what I recall there was a misunderstanding, and well, that's
about it. How many American "Christians" actually believe a
man of God actually walks this world? How many? Being Gay
is okay with me. I'm not Gay, but still to each his or
her own, as long as your not infringing on the rights of
another to do what ever they choose. I love all children
too much. Real Freedom. GCN advertised HATE for Gay folks,
then at the website, murder - and the station sees still,
no problem with dividing our innocent masses on desperate
attempts to escape the neocons from Justice. That's the REAL
reason Alex states a derision for Liberals. Note: "Liberals"
in Canada are a right wing party that disbanded the RCMP
corporate crime division as perfect example, and! sent a

Soldier to prison for refusing criminal orders. Never allowed by Alex, for his gold dealing boss has a son killing innocent Peoples for Neoconned cash in Iraq today. ALEX WANTS TO CENSOR US ALONG WITH THE ENTIRE BIBLE NOW WHILE MASTURBATING HOW HE IS NEVER WRONG? In his dreams maybe, but not our shared suffering reality. By the way, has Alex ever written for Justice? and why not?, considering he is so greater than all others who haven't been invited on his show he stupidly said two or three days ago, me, and everybody else here globally? Truly delusional he is for not being truthful. Be a man Alex and face me in open debate to defend YOUR idiocy, he won't because HE KNOWS, Americans would win, and we would look the fool as loser. Too cowardly to defend America he is, because he doesn't have the virtue for it, and refuses to hold respect for men like me hugely wiser than himself he works to keep all down for death. Alex claimed the will to gun down kids who steal copper. Not only a man unqualified to "lead the Truth", but not qualified to even carry a gun. He told US when hearing the bullets going into the backs of two innocent men in an act of pre-meditated murder, it was 'the sound of Liberty'. That is evil to all my friends, evil to US all. He has called himself "the white devil" while mimicking another he refused to allow speak for himself after all.. And no, a debate between US and Alex will not be done where he gets the cut off switch to deny all others under the sun who speak for real Justice. Real freedom.

Bush and Cheney are traitors to the cause of American Liberty. To leave them free, is to leave America un-guarded from further transgression.

Patriotic American Navy Vet is tortured by bushite nazi grunts
http://killfile.newsvine.com/_news/2006/12/21/491153-white-american-navy-vet-is-illegally-detained-tortured-and-tried-by-us-government?last=1166730840#last_4

Again, Reagan warrants death to all who torture, and a deep hatred for all ungodly in America who support it. Why? Because the vast American public (especially FoxNews treasonous LYING enemies of The People) DO NOT have the intellectual skill to understand what freedom is. Justice. Look at me! they can't seem to talk for Christ's interests, that smart ass know it all, where he thinks he's so ingenious where no one on Earth can find fault with his indisputable simple logic we share EQUALLY. (Bankers don't cover our loans for example) Kill my kids, my spouse, myself, before allowing John to speak openly in the public on Coast to Coast for open debate, all of Americans say in silence censored. Why does America continue to die this way? Because bushites are truly as they claim,

stupidly ignorant as treasonous cowards, or as prosecutable criminals, evil people who only want in this world to rob or murder People indiscriminately as enemies to Justice, enemies to GOD, a Criminal. NOT A JEW you fuks! George Noory will tell you freely all about his hatred for our Humanity, he does it near everyday, though People don't have the ears to hear, or the care. Too scummy. That remember! get American GIs murdered by the score with NO REASON AS FOR. Example: why bomb more than a million innocent souls indiscriminately in Iraq, if you have complete unrestricted access to go where ever you will? And, that Bush, Cheney, Condi and such, knew from day one, Saddam had all the WMD destroyed as documented fully, as did I. Documents that BUSH personally stole if you recall not listening to Alex Jones, Foxnews, CNN, or the CBC. err. maybe it was Bolton - s-t-o-l-e-n -.
Likely, as a likewise deeply ignorant person, you know little of Life as principled for individual freedom, and couldn't care less what this boundless Universe offers all in reflection, instead, it all about what's in it for you as a lying cheating thief to this mystery right? Wanna be a lawless mercenary to murder innocent people dreaming of becoming a private investment banker, who never earns a dollar in their entire careers, taking trillions undefended from Humanity just to see US suffer to deaths for our continued silence. All you have to do is raise your phone to demand justice in our times. All Neocons must be arrested for public trial, along with near every last member of the Bush Administration. PUBLIC TRIAL. And Soldiers must learn quick a commander who doesn't support getting those responsible by following the crimes scene leads, is a commander deserving of an immediate firing. Otherwise, what use is the grunt good for eh?

Again, Ron Paul like near all Libertarians, does not acknowledge the wanting of Justice for the high crimes of Banker fraud, Iraq, or 911! He took the "Truther" money, but refused to support the arrest of Bush for treasons times 50. Social Security he wants to gut like Health Care as a sadist who knows near nothing on how such systems currently operate. Again, he does not speak of recouping the STOLEN 1000s of billions from America, or the lives. STOLEN. What is it that you can't figure here? Fuk ego, FACTS. We are all effected by suggestion, this is why, since the dawn of time, evidence has been the prerequisite to convince ourselves of anything. Alex's cartoon storyboard, is truly, as measured, Alex masturbating with our precious times. Think:

Alex doesn't ask Americans why they don't support
the arrest of Bush for high treason because a world
where all are treated equitably is beyond his
understanding as a bigot. He could change, but he
is 'light years ahead of the Public'.. but of what?
All you need do, is every time Alex says "they",
ask yourself, WHO? - then know: the bartender at
"Bilderberg", isn't as FOR SURE guilty of crimes as
Condi from "Builderberg" is. The 911 plan came from
her very desk according to MSNBC, never mentioned by
Alex Jones. Why? You have to be near genius like
me to explain it COMPLETELY without even seeing it.
NOT MAGIC, more like meditation through understanding
our universe is ruled by good ideas. Alex is a man,
a Good man mostly, with some fears countered with
an irrational aggression (not thought through) that
found him blindly supporting the murder of two
innocent men. Not freedom. while I, am of God. An
actual god. The Son of Man as a matter of fact.
I want to tell you how great Life could be, but i
see so very little of words present to survive the
lawless corporate state. I AGAIN, will ask YOU to
forward this post to two People, but will YOU??
Torture is outlawed by warranting Death under Reagan,
and.. it's like the best way to resolve a FoxNews
'excuse' given to illiterate nazi grunts to abuse
ourselves as innocent others. Tell me I'm wrong.
. . KBR rapes American women, or murders them,
and needs to be hunted down by All American military
forces for it, as trialled to death. Including all
commanders of the Air Forces responsible for bombing
our families without causes. And lastly, any that
discourage our grunts from not supporting the arrests
of those that actually did US wrong. Get to it.

to God true. NOT HIDDEN. Look it up. I mean it made almost all
the major dailies. See? This is what Alex fears, that wise men,
actual wise men, like myself, can put this stuff together in

seconds by freely communicating for open challenge on error,
of what would take others committed to dying through censorship
for blind fear, never in a lifetime spared. Who cares right?

Couldn't have happened, as is why, these phony
"FBI" bushmobsters stole the recordings and
don't want the still dying victims to know
the truth of the Neocon traitors to God and
Justice. Cell phones are not capable of
paralaxing above likely a couple thousand.
Someone on Earth would likely know the near

greater than a couple thousand, for why the
need to put towers all over our fair cities
then? 31,000 feet is a distance of miles!

Hint: 5,280 feet in a mile. 5.871212 miles
in fact. Drive out 5 miles from your nearest

to bring a elevator like aluminum box to stand

TED SAID SHE DIDN'T HAVE HER PURSE
http://911review.org/Sept11Wiki/Olsen,Ted.shtml

/ / Ted supposedly told CNN that she called him
collect. However; once a credit card is swiped,
you can begin using the phone to make calls.
So, no collect call would have been made. \ \
The allegation also has been debunked by
reported to be, Airline officials who stated
no public phones were even available on 177.
That seems near too far fetched, BUT!, GTE
Airphone reports DO SAY - zero call assists
were made on flight 177. ZERO. So, how then
does she make a collect call then, and why
if as claimed, Ted and Barbara were madly
in love, would she not know her hubby's
personal number?

Remember, Ted was the coke pusher's lawyer in
the Contra case, of which Ted, was also
assistant secretary to the Solicitor under
Reagan. The Contra group if you recall were/are
pushing crack cocaine into major cities for
plans to undermine the American government for
illegal wars against peaceful civilized life

where he learns, she without her pursed
cell-phone, has to call through the phone
records of the Justice Department. How did
he forget that fact when first pronouncing
of how she had phoned him from a cell-phone,
or, then from an airliner that didn't have
phones in the cheap seats, nor tear-gassed
upper-classes? The trouble here is that
a small cadre of bushmobsters keep hiding
the evidence on CNN, FoxNews and George Noory

implicating themselves at the crime scene,
as illegitimate "intelligent officers" -
we WANT to know our media voices the voices
of those who support defending ourselves from

LETTERS NOW RELEASED PROVE-Bush Intervened-To Suppress Torture

This is called ungodly nazi war crimes against
innocent Human beings.

Obama Gets Tough to Shield Bush Torturers
http://chris-floyd.com/component/content/article/3/1694-protection-racket-obama-gets-tough
-to-shield-bush-torturers.html

Who does Obama think we are as 'United' together
on pro lawless torture against innocent 'others'?
Wake up people, we are under attack by those
who refuse US Justice to win Freedom for
anyone. "Conservative" retards are completely
lost here, because they do not have the
intellectual skills necessary to understand:
a person accused of a criminal offense without
any evidence is innocent. Or, how about, No one
deserves to be tortured for confessions on
crimes left then unresolved for actual
retribution. [Aegis OPENLY murders innocent
families for more American paying for zionist
monies - P2OG - YOUR Spouse, YOUR Child, YOUR
family].

Following the crime scene leads of 911 to nab
the actual evil doers is beyond the will of the
deaf, dumb and blind? with lawlessness gaining
for monetary loses due America as corporate
cheaters. We are Brilliant, of that much I am
certain. Conservatives are minimally, idiots.

he has no grasp of. Wow. profound. See though..
this "popular" FoxsNews celeb has zero interest in
helping America succeed to defend freedom through
lawful actions, because he has no sight of a better
world blindly destroying itself. Hey Gibson! why
don't you try and be a good guy for a change! No
joke. Wow. Profound.

Israelis forced mother to choose which of her children would die

Obama Accused of Blackmail over Terror Trial Evidence
http://atheonews.blogspot.com/2009/02/us-accused-of-blackmail-over-terror.html

Again, Obama is taking a position to torture innocent
people here as a traitor to Just cause. Just cause to
live in a free society. Torture warrants the death
penalty under American STANDING Law.

Video: Cop Punches Woman In Face Four Times During Arrest For Riding A Bike
http://www.liveleak.com/view?i=99c_1233639102

Top Cop Johnny Judge rules: Five years in prison.
Maybe fifteen if the dumfuk grunt, back from the
war against Iraqi children as a traitor to American
values, shows no remorse for his crimes against an
American women either. Absolutely any cop or soldier
who disagrees as true contempt for our freedoms with
punishment against this nazi trash pirating our
police uniform, WILL WARRANT death sentences all
around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives
of our endangered offspring. Again, without water
or food, Iraqi children are murdered by Neoconner
grunts irrationally everyday with nothing to say,
aka, without reason but as Satanic Bush whores, to
make our God as Humanity suffer further for their
escapes as actually selling freely, lawless zionist
savagery.

KILLING MORE OF THEM - reporting war crimes to the Police

Again, a bushite has no commitment to defend
America, for it speaks nothing for the arrest of
the neocon traitors. traitors like themselves whom
will murder innocent folks like your Self to steal
our common values. Wouldn't you glory in seeing
these savage grunts who on video, indiscriminately
shoot innocent families, or bomb a city entirely,
executed by Christian Patriot firing squads? or
televised to fry in the electric chair for these
documented war crimes? I sure would. It would make
our world a much safer place to raise a family
secure in knowing, bushite grunts as enemies of
everyone, were hunted to extinction for their
crimes against our Humanity. Hunted by Johnny Law,
the True Spirit of America.

Johnny Law for Coast to Coast radio Host!

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be
an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men. dying.

"Judges Bribed by Private Contractor to Sentence More Kids to Juvie Detention"
http://www.philly.com/philly/opinion/inquirer/20090128_Editorial__Judges_Sentenced.html

Christ speaks!! Echem.. This is called a criminal action to falsely imprison American children for more stolen money. Will the contractor be arrested, tried, then executed in America to defend American children? Unlikely, because it isn't as important as how fat Oprah is today, or as Alex Jones the bigot would say, on how daily, the hidden NWO elites are responsible for every criminal action against Liberty in America, not war crime dictating LIAR Bush who told US Saddam wouldn't let the inspectors in without corporate news correction, Bush, who closed Police investigations on 911 for Enron, KBR, and the Kissinger associates. And certainly not Bremer for personally stealing tens of billions, no no no, "just puppets" "just puppets" as instead, the Illuminati in other words not allowed spoken understood with Alex Jones NWOers. I want a free to speak arena where 50 percent of what Alex spews is truly dumber than stupid. Why? because he is controlled through his personal weakness of bigotry, to actually believe foolish things as factual. Examples are truly endless when we discuss Alex Jones' dumminess, but here is one example. Alex states 911 truthers were attacked in a TV show as NWO mind control- but, the "truther" he referred to talked in the drama on there being NO PLANES! A dis-info bushite stooge if ever was one depicted with special effects. We suffer with his bullshit every day, knowing if we tried to phone, would not be granted a minute because I, in support of Freedom for America, make all bigots look truly

dumb as fascists lashing out at nothingness to
divide our masses. And apparently, he can't have
America becoming greater for defending ourselves
fairly through Judicial actions. Yet.

innocent Christian children for MURDER - as -

but of the evilest group of lawless nazi savages
pirating the government of Israel away from US Jews.

this by communicating.

Ceasefires, Israeli-Style

people for murder to punish Humanity for believing
in God as Just, or real freedom understood as practiced.
Libertarian couldn't give a shit on a issue such as this,

Obama set to allow Bush-era ï¿½torture flightsï¿½
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/articleshow
/4067338.cm

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember
corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change

this for our Humanity in this future, to look back,
and know, American males were men of the World, who
stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at
our words on this, I am,

mind an Iranian rocket launcher to shoot the Satanic

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&
scoring=d&

Huh? "at last been disarmed..." ? How does he figure?
The equation hasn't changed. Example: The same
unaccounted anthrax, (that was disintegrated into ash),
still is not able to be measured as completely accounted
for, (never could be), but this bushwhoring war crime
apologist, tells US, it was only though the lawless
murder of our good friends and family for countless
generations, that he now attests without reason, or
evidence, to find Iraq in "fact" disarmed of it's still
nowhere to be found, weapons of mass destruction. (An
irrational reason he pronounced previous in corporately
broacasted public support of instigating heinous war
crimes against our humanity under the leadership skills
of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron.
And, the Iraq war is a war crime. But Ron, the
Fascist, doesn't want THESE FACTS uttered. Why?
Because wiser men would prevail, wiser men like
me who understand buying in bulk is cheaper. Those
like Christ who understand, who KNOW, the banker
doesn't cover our loans - so why give them as much
as a taxed red penny?, let alone trillions as
officially unaccounted for? They are stealing the
cash Ron. Ask yourself: Why has Alex Jones
forbidden his bushwhore cult from understanding
Bush doctored the NIE?, or of iron flowing like
water from the towers? Because wiser men would
prevail and he can't have that. He called shooting
innocent men in the back, an act of liberty. I,
an actual god, unlike Alex, lie near never, but
maybe to myself when I'm lonely. Alex yes will

tell you rapists are free to do what they will
in Texas to American children, un-arrested, but
he won't mention it when the police chief is with
him on air, talking about how he'd like to be
exempt from traffic tickets for being so popular.
NO MENTION of the rapists walking away without
arrests made, no mention of Bush's documented
treasons on 911. Where are Alex's priorities?
In selling YOU out so he can be wealthy like a
bankster?, and have special rights over everyone
else that drives drunk, or speeds? a big hero
standing over our dead soldiers yelling, I told
you so, I told you so, I was right, I was right.
Again, understand: It is not by my will to deny
open debate with America, it is Alex, and his
demon buddy George Noory that denies out Humanity
this right. And when people try, like Peggy, or
Black men on Jewry, Alex lies cheats and steals
our wills for further thefts. Ron Paul's family has
millions taken from loyal Alex Jones fans. MILLIONS!
Does Ron do commercials with that money highlighting
the bushmob's plan to invade Afghanistan, dated two
days prior to 911 for Enron? Of course not, wiser men
would prevail to expose him as the charlatan charity
raider he is regarding Health Care, Social Security,
Public Schooling, earmarks.. It is unfair to measure
Ron against corporate nazi zionist whores of MSNBC who
willing, openly, kill American teen soldiers for
criminal neocon gains, as an honorable gentleman's
talk. Half honest People like Ron are extremely ignorant
on the workings of our world. EXTREMELY. I joke here not.
Evil is the deceived disguised - translated - evil
people are always dumb.

Corporate America says no, Charlie Manson was a genius,
but not, that most Americans are prone too easily to
suggestive states where they can be made to believe
anything blindly. Think: what does, "bin Laden did 911"
mean anyway? You should know of what I'm trying
to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study
required!! LIBERTARIAN HELL! Everything is not on
the Internet, where it near should be, but regardless,
a Libertarian can't be bothered to read anyway.

It's YOUR life. It's God's
Gift. Now support our rise for popular international
debates to get these Neoconners behind bars

awaiting Public Trials! "Public"thatsoyu!! Get to
the Phone to call someone to care man.. Johnny
Jesus has arrived! Justice Will Be Done in this,

Justice to the war criminals of
indiscriminate warfare would better serve ourselves
to halt for our safety. The bushmob did 911.

Turley: Obama 'accessory' to war crimes if no prosecution

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent

Israel to be Judged - Universal Petition
http://www.tlaxcala.es/reponse_signataires.asp?lg=en&ref_campagne=10&Page=1

The demon LIAR zionist Israeli is a godless enemy
of Humanity, much like everyone at Foxnews, CNN,
BBC, and the CBC. Our revolution against the godless
bushite shills, will not allow our revolution
through speaking honestly, (to become of ourselves
something greater), a chance to be televised for
our benefits. Bush closed criminal investigations
immediately after 911. According to the FBI and
Senator Daschle. CNN says you have no power, Foxnews
says you have no power, the BBC says you have no
power, the CBC, the same, like Alex Jones NWOers...
but well, don't believe it. YOU Do have the Power.

We must demand open communications to bring back
values WE ALL would agree to through polite debate.
"Conservatives" don't want this Freedom idea
expressed in general terms because, a "conservative"
is universally, minimally. a bigot. Why? Life isn't

like, their way, - then- all other opinion under
the sun on how things actually get done. (Aka
"socialist" traffic light repair men, or "liberals"
who want to treat The People fairly). Or who we are
as equals to our laws fairly practiced. Pay attention
to what I am saying here. Liberals can be Dicks with
a capital D too of course. But a Hannity couldn't
survive 2 minutes with me speaking on his very real
treasonous behavior in OUR public arenas. Behavior
done to escape the 911 culprits from the long arm of
the Law, with his conscious will of criminal deceit
exposed, we all learn to better defend ourselves.
And Shawn Hannity can't have that for ourselves, he
takes too much money from ourselves as talentless by
keeping US in the dark dying needlessly for traitors
never elected publicly.

Who am I you ask? Johnny Law. at your service. Look
me up with usenet to discover, we live in a world of
idiots everywhere pretending to be somebody by lying.
While I want US all to truly improve our condition by
actually understanding how bad off we are by failing
to respect ourselves for correction. Too many, know
it alls, with not enough to know you need evidence to
form a guilty verdict against an accused man or woman.
Not according to CNN, CBC, MSNBC, Foxnews and the like
however. Let's change this by supporting my challenge
for top billing at the Coast to Coast radio show hosting.

For Americans, okay, but the Human species just

While Zionists OFFICIALLY target Christian school
girls for mass murder, CNN instead reports that
bushite grunts attacked girls in Afghanistan, posing
as Taliban. I WILL every celeb at CNN to be arrested,
tried and executed for the reporting they have done
today without facts. Remember: the Taliban played no
part on escaping those responsible for 911, and opened
schools for girls, and were brought together on the
single purpose to defend women. Death to CNN reporters
to LIE for killing OUR school girls. I HATE zionist

enemies of Humanity and God I am.

SPECIFICALLY. Or, is it you falsely believe Obama
can do no wrong against innocent people here, where
an illiterate nazi grunt, maybe from South Africa,
will kidnap YOUR children, and torture them to

power tools caught in Iraq, according to Iraqi

bushite dumfuk enemy of God, death to the enemies
of a freeing Humanity striving for a just society.
Obama needs to be arrested for this under the Law
as it stands I'm sorry to say my friends. Why?
Torture is illegal in all 50 states, (as Reagan
directly planned), no matter where you ship the
innocent victim to, or from! Read the War Crimes
Act, then demand Justice today, otherwise, it's
YOUR funeral. Obama wants to secretly torture
Peoples here, while lying to US ALL that he doesn't!
A TRAITOR! Who also wants to give bankers 100s of
billions of dollars more to disappear, that WE pay
for, out our door, never to be seen as our own
again.

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after
911 (obstruction), or that WE have video
of iron flowing like water that PROVES,
without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with
all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice

I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.
If I end looking foolish, (of which I like
never truly am), it's a benefit, because that
way, I've learned something. Alex knows
everything already, and 'is always right'.
Like I say Retarded. You weren't right by not
understanding that the banker doesn't cover
the loan. One example of easily hundreds. He's
a typical, he knows it all, know nothing dumduk
American. Hear him on health care speak as
Ron Paul does, and know, I defeat them in under
ten seconds. TEN SECONDS. This is why he hasn't
in years, allowed me to speak more than five

or six words. He's rather all America die, than admit he does NOT rule our 'Ocean of Truth'. I want the challenge of opposition through debate to PROVE my skills beyond reproach. Alex, every time, just hangs up on anyone who tries to improve our communications by factually speaking. Why? Because he IS TRULY deeply ignorant on what freedom or Justice means. Why we have law. What a consensus is. Allan Watt is severely disabled in this regard, another Alex Jones favorite. And this is why, Allan can't take calls openly either. He has jerked off with himself too long to quit now learning super basic precepts, for like Alex, he "knows" the inner workings of the 'genius' NWO elites. Not Law 101, not Bush, not Rumsfeld, Not Condi, not Torturers, not bank robbers, rapists, or even petty thieves. Allan Watt isn't a bad guy, he's just a chauvinist pretending he actually knows something, when his real disability is directly related to his absence in understanding understandings. Doubt is a near foreign concept. A challenge for Allan: can you get your 'genius mind' around the fact that Peter Powers did the London bombings, and not the Illuminati of 1463? and if not, why are we so dumb to our present plight that way? Don't get me wrong, Allen has much to offer, it just isn't the issue right now on saving our dying futures. Maybe I was too hard on Allen, he is really actually kinda cool. Alex Jones too has many incredible moments of ecstatic clarity increasing in all they joy of seeking enlightenment. .. Ok - but this is serious business that requires little dilly dally with what we'll have as a side dish in Paradise Lost. We are talking Human Lives have been destroyed by our inaction to remedy these failures to communicate effectively. and.. Jeeze, the weight of my responsibilities, as just plain John, being a/the Legos Man - for like the Family and everythings, get's me never forgetting, all we got are these words left dormant from the power they truly possess in the minds of the jack-asses. And.. here I am. I'm a Talker of Words looking to make a break in the NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

The Zionist enemy, the most evil nazi sons-of-bitches who openly advocate tyranny and oppression through mass murder of ourselves as the innocent left targeted defenseless. Enemies of Jews everywhere, the Zionist cares not for facts on who's Life it destroys for stolen gain by lying. That's why they target Jews, for fear the Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so, why not demand the arrests of those who broke the truce, and murdered innocent people indiscriminately, on plans more Jews would die for cash profit? Profit paid for by zionist amerika? - the false imprisoning torture and rape center for Neocon Freedom.

Court petitioned to arrest Livni upon arrival in Brussels
http://nawaat.org/portail/2009/01/23/belgian-court-petitioned-to-arrest-livni-upon-arrival-in-brussels/

"We believe there were dozens of IRGC personnel in the Gaza Strip during the war," an Israeli source said. "Some were killed; others went into hiding, and others escaped."

See? the demon enemy of God speaks no evidence as a TRAITOR to every Jew. A terrorist nation that still steals humanitarian aid in our public realm of left defenselessness. The false allegation deserves a death sentence by Jews against the war monger Zionist enemy. A cause that Iran should champion, if in fact!, this allegation by OFFICIAL WAR CRIMINALS WHO TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's face, unsubstantiated as patently, demonically false. As typical from any godless Zionist.

Where are the Americans asking for the formal arrest of Bush for high treason? Whoring for Alex Jones's contempt for REAL Justice? The ignorance of all American talk radio hosts speaks for itself. NO knowledge on why acts of high treason, are crimes against every American. The bushmob doctored the NIE, and Alex doesn't want Americans to know, because if they did, they ask, why does Alex do everything he can to escape those personally responsible

for 911, while then asking for money to
continue his fight against freedom in
America. Again how much money do we have to
pay Ron Paul or Alex Jones before they
will allow the knowledge of the Iraq war
against Human will is criminal? How much?

Obama! feel free to call
on me to help out with a plan for judicial
actions. That offer goes out to everyone in
Palestine, Canada or Britain too. Russia,
let's help out these fools by freely
communicating, what say you? Justice
for all is freedom to be. The Israeli cop
killers must be brought to justice for war
crimes. Those cops, were cops. And I,
am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am
an ACTUAL genius, and he is generally, an idiot.
Today, he did one of his usual commentaries, however
this time, he was pretty honest with himself, and
his love for Ron Paul. Ron Paul sells incompetence,
and Alex corrected correctly!. that a.. sorry Ron
but these banksters know they're robbing us as
undefended blind men essentially. That's what I'm
talking about!! Look, Ron Paul can be a dumb Ass,
although, he's still not all that bad a guy. A Dumb
guy on things like economics sure, Justice, warfare,
Health Care, Social Security, ect. ect. but still.,
like a child learning of why the sky is funny
blue, isn't all that bad a guy really. He's
certainly not a war criminal, like Bush or
Rumsfeld are. Doing 911 then sanctioning torture.
While Neocons Champion sending illiterate American
teens for death as war criminal. Think about it.
Maybe he is..

-

ï¿½We have all these documents that are now
publicly available that prove that these
methods of interrogation were intentionally
ordered by Rumsfeld,ï¿½

Let us understand. These actions "give" a guy
like Willie Brand "the right" to RANDOMLY kidnap
men, women, or children, and torture them to
death for sadistic pleasure with his
Capt, Christopher Beiring. (I think that's

how it's spelt). But anyway, this is the truth. A bushite is a godless Zionist whore of Nazi evil, an enemy of America, who wars YOUR Freedom with criminal "excuses", for refusing to support the arrest of those responsible for 911. A TRAITOR, and could be wannabe rapist, robber, or 911 mastermind ringleader. Torture is illegal, and warrants the death sentence, according to, Reagan's "War Crimes Act". Some only suggest, that this was why someone tried to kill him as honorable. Death to the torturers of our innocent families, torture they do without apology as Zionist Military "Judges". Instead today, where they get salaries paid in the billions by the zionist giving nation of, a-mirror-kay, echem, America. Johnny's America. A nation where Justice will rule for the favors of all treated equitably with or without you. Honor me in company my friend. We have no rivals.

"they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else up with charity?" Then went on to say, it wasn't any of our business with what they did with the money. (But for to cover criminal fraud in the derivatives market, where the true value of said commodities were backed by ZERO capital. ZERO DOLLARS. WORTH NOTHING. So, think about who's truly giving it always here until Johnny, the man who came out of nowhere, arrived to explain everything in five or six minutes.

It's like saying, every Cop in America deserves a death sentence by thousand pound radio-active waste based uranium/plutonium war shells because Bush stole the election, then committed 911 with the Neoconned Partners of Public Crimes, Cheney, Rumsfeld, Condi with General Ahmad and Myers. Now, I ask all Cops, does that make sense to you as still remaining silent? You can be a man too, why don't we all just give it a try. To the Telephone Robin! indiscriminate slaughter. While they continue
to STEAL OUR CHARITY by breaking truces. What

/ / they committed collective suicide - men killing their own families, afterwards each other, until one [evil zionist liar] remained to kill himself. \ \

ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN DEFENSE OF OURSELVES IN OTHER WORDS? That is right. They, as documented criminal, lose every debate personally since before the dawn of Civilization because their position is clearly unsound. They are criminals who murder People in hate for a freed Humanity. They OFFICIALLY steal Peoples homes in that country didn't you know they proudly proclaim it so? And steal humanitarian aid from starving children. Targeted to murder children specifically as publicly confessed, 'it is Hamas WE blame', not them as demonic child murderers. Hideously evil as ungodly sadistic savages. Enemies of YOU, enemies of them, and enemies of me, the King of Jews Christ fellow from beyond the grave. They are so evil to God and Man, they tarnish everyone of US to not win justice sooner by blaming the actual bad guys. Justice is Freedom.

/ / Those white phosphorus shells used on the Gazans are made in the USA according to Jane's Defense. \ \

Again, these peoples are not Jews. Being Jewish is a religion. These thieves of God are Satanic in their LIES to betray the common trust in our words, that bind all worlds to victory, called freedom universal. Even tales of the Devil have him keep his word, with verses specifically condemning the self to damnation for targeting the innocent for death. God's the Word. Every word inside a fool's paradise. Including the periods. Not as like, I'm playing a word game, but that it in wonder, is all strangely here. Example: The Universe as it has existed always, is not separate from our 'pauses', or faulty drawn conclusions. The universe, in one sense, was

as good as anytime, created 6000 years ago.
AS TOO 50 billion. You say, impossible, I
say no, study quantum physics, and know, I
live this.. our existence is not scientifically
separate from the timeless nature of
consciousness, proven as not only theoretical,
but actual. That is a first step at developing
a REAL relationship with the living Universe
if you want to as like an artist does - that
TOO! can be just as thought static in it's
orderly constructions for Atheists. (An
Atheist is still mostly a fool here however.)
Overall, for any, it's sorta simple: Life has
left YOU in charge of YOUR fate. Now, do well
to make something of this being as eternal Life
reaching for balance, as your body does, and
good cops do when bringing the bushmobsters to
Justice. By Israeli calling for more murder
against the innocent of your mind as racists
and bigots they are openly, is still shadows
of YOUR mind, YOUR WORLD.. get it, got it? God
is in genius to set Life as this, as like,
nowhere existing, but for as yourself within.
Will you speak out for the Justice denied
Humanity?, or not you? Atheists can be Just
too!, but generally lose it on not
understanding the intelligence of order is
way beyond what they dream up with
assumptions. All anyone has to do is ask
themselves, who do you mean "God"? Atheists
are ridiculous!, but, to each his or her
own, we are on a path here, believe what
you want to believe. This is not a faith
initiative I'm bringing by keeping this real,
I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder
Jews around the world for stolen money is
seriously evil as criminal. What do you think?
Let US have a open line discussion on this
indivisible matter of rights to all as equals
before who ever we proclaim, I AM.

I mean you right? Say it with me... "I" "AM"
we are good to go.

Again, Americans need to demand the arrest
of the Judge and prosecutor for being openly
evil demons, as TRUE enemies to freedom in
America. But guess what? Americans will refuse
to even phone Alex Jones, or George Noory
to be hung up on. Just refuse as brain dead
zombies - as known in this circle, McCainiacs.
Did you hear Alex's NWOer yesterday state he
doesn't want anyone to speak as Justice for
Americans because to learn even the most basic

of precepts for Justice, he can't pretend he is
a Freedom Fighter begging US for more money?
Like multi-millionaire Ron Paul, who gave the
fixed election up to take our money and walk
away. How much money in the millions do we have
to pay them at GCN, before they will acknowledge
the Iraq war is a war crime? THEY NEVER WILL,
because the owner has a son who's into
raping American women as lawless enemy of Life.
Americans are indeed, selfish, like all the plane
crash survivors telling US how they couldn't care
less that Israeli nazis are openly targeting our
Christian children for murder with their tax
money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of
wall to wall coverage. Telling us again of how
Christ saved your life as a lifeless degenerate.
I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really
don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

Forgetting about the truce given to those in
a concentration prison camp? Where they are denied
food and water? In curfew prior to near half the
days of the year, for years? How could they not
to claim such self righteousness? They don't bother
because they'd rather YOU were made innocent victim,
then them, Zionists who would screw you out of a house
called home. Did you know: they openly steal Peoples
homes in that criminal nazi state labeled godly?
Of whom openly thieve? Officially? Yes, and they try
to thieve the title of Jew from the Messiah too,
but I'm not going to a slave prison death camp

What kind of "Human" would commit such crimes against

Stressing that Israel was "the first to stand

free American Welfare money we can steal through

Simple Common Sense for Mankind

/ / Israel has admitted HAMAS kept the cease
fire; and that Israel broke it, then unleashed a
total starvation blockade on Gaza followed by
flaming death from the sky aimed at schools,
hospitals, ambulances, and children, and you
dare call the people opposed to such barbarity
a "mob?" \ \

Zionists are evil people who pretend they
are honest, when lying directly to everyone.
Blitzer reports Hammas broke the truce, he
is lying to continue the murder of innocent
peoples. Understand: Israeli Nazi state they
will continue to murder our innocent Humanity
until the rockets stop falling on Jews. Yet,
they broke the truce, and murder Jews routinely
with reckless abandon. Jews from the Bible as
of "nigger" Ethiopian, are what the Zionist
hate when warring GOD for apartheid, apartheid
that is Humanity in Gaza. A zionist is a war
criminal who speaks not against the neocon,
but against Innocent Humanity as YOUR enemy.

Livni: Gaza truce would give Hamas legitimacy

As they always do because they are dishonorable
murderous nazi thieves of God as Just cause is.
I am, and YOU are, you just maybe don't know it
yet, or if ever. A zionist serves Satan to escape
the neocon terrorists from their ungodly crimes
on 911.

Ron Paul:
US Will Be Rightly Blamed for Israeli Killings
http://www.youtube.com/watch?v=6C756NOPyDA

Not the Nazi Israeli?

The guilty party are those who advocate these
mass murderers of innocent peoples with
deliberate lies, like from Blitzer. Blitzer
will be tried, and executed a war criminal
for stating Hamas broke the truce., Where,

only two minutes earlier, he learned, that
it was his Nazi partners. DEATH SENTENCE.
It was on TV. BUT SEE? Ron Paul, the Libertarian,
ain't going to be honest here. He'll lie cheat
and steal Humanity's voice for Justice - like
he did with OUR money. A typical Libertarian
like Alex Jones who wants to blame "socialists",
"Liberals", aka, all of innocent America.
Blitzer is war criminal, who makes his own
discussions. As is Ron. What an enemy to not
mention the truce. THINK: IT IS THE ISSUE. But
Ron plays the dummy to kill more with contempt
for Freedom. Ron Paul, the bigot, asked,
'should we be doing this'? SEE? it's not first
degree mass murders, no, according to Ron Paul,
it's argumentative that indiscriminate mass
killing is a good thing really. Remember,
Ron Paul does not support arresting those
who committed mass murder on 911 either.
Or those who STOLE TRILLIONS. Or lawless Bush,
the ACTUAL AntiChrist enemy of God. Ron Paul
will watch America die for a stolen dollar.
And Alex Jones will refuse all calls to label

/ / The targeting of civilians, whether
by Hamas or Israel, is a war crime. \ \

They are targeted by Obama who suggests
there is an argument to be made here. There
isn't. Nazi Israeli DEMON LIARS broke the
truce to kill Jews for money. They are godless
enemies of Humanity. So it isn't that we are
pro-Palestinian, it is that we are pro-Human.
Zionists DESERVE to die, before US, the innocent,
they target for murder for stolen cash gain.
Like Obama has promised to do for AIPAC. But
what about the rest of US 6 billion plus Obama?
Who is it of US innocent folks do you wish to
MURDER, or torture next as a Zionist war criminal
for Satan Obama? Torturing kids is popular in
Israel, tell US Obama, which American father will
have his children tortured, or murdered
sadistically by yourself as a whore for Nazi
Israeli? tell us, we're not waiting.

The Chosen Bad Example

Zionists Destroy Our Homes as Satanic
http://www.youtube.com/watch?v=mo2HW4T7wK4&feature=related

When I see the women and her child, left outside
while they sadistically destroy her meager gains,
I grow weary with ourselves for not speaking right.
Nazi Israeli are committed to deny US our God given
rights as Innocent persons to speak freely for Justice
realized. All because they STEAL our Lives for monetary
gain. It is our reality, give it or take it, YOU LOSE.

Then.. Hammurabi founded Civilization.

I go concerned for any hesitations of condemnation by
Obama. It's like, he's talking some jive about
how now he'll NOT let the words of Hamas reach
his ears. Being against war criminals, doesn't make
you pro-Hamas, necessarily, it means your against
war crimes to defend the lives of ourselves respected.
Remember: He told US earlier during the campaign that
he wouldn't fear speaking to anyone, Hamas especially,
because he was confident he could win the discussion on
Liberty, by principles that unite all free men. Now,
he has promised the FBI's Most Wanted AIPAC, he will
pretend to not hear any calls for fairness as all
parties united by common cause. Johnny Who? Where did
you go Obama? You were here, then.. pooof! you
vanished into the loving shackles of convicted/ing

criminals is a mass, "WE ARE TRAITORS TO JUST CAUSE"
organized war crime outfit, dedicated to deceiving the
Public by lying. I am not Lying. I'm not saying I hold
his associations as a measure of himself, I am concerned
with him stating, he will not hear our cries for Justice,
as then AIPAC cheered. I was as freaked out about it as
you maybe yourself now, believing it as possible. Check it
out for yourself, and wonder, just "who" is this person
they tell us they're are going to take for as dying fools?
I mean look at what happened to what's his name, when he
sided similarly the same in error as hugely criminal? Come
on be honest with us son, "Are you on drugs?". Maybe he's
just been stressed with all of everything he is heaped
to follow on, NOT to know by Blitzer, that Israeli broke
the truce to kill more Jews for money, and, also STEAL
innocent Peoples Homes while saying, "they are God's
Chosen". Yeah, chosen for, "The Bad Example", of how
Jews are left undefended by these grave robbing war
criminal nazi forces. As the King of Jews, I call for
Public War Crimes trials of the entire bushmob as

Israeli are attacking prisoners held criminally
in their own Death Camps!! GET ALEX JONES ON THIS!

Hmm... why wouldn't Alex? to support his fictions
over Our Rights to Live Free perhaps? A Hero adapting
to the deaths scene?, or, a Bush whore committed to
enslaving Humanity, all so he can say, he told US so.
Big hero or big hero. Your NOT powerless to his vision
of complete control over information. He refuses 911
info, Iraq war info, Israeli info. All so he doesn't
have to look the fool, while Humanity dies with his
insults against our wills to make something better
of ourselves. Justice is what I will. Masturbate on
your own time Mr. Alex Jones.

If he states again about how he knows everything,
and is always right, and those that criticize
him on ANYTHING are delusional, it's going about to
make everyone further sick with this obscene take on
what life means as Alex takes it. If I truly state
two nickels make a dime, does that mean therefor
they make a quarter also? If I say so like Alex
would? He is an idiot. Truly. George Noory figures
Hamas broke the truce, and that the Mideast solution
is that Jews should be separated with special rights,
as oppressors over the freedom of every Palestinian
Prisoner, and what's Alex Jones gonna say about
his 'truth telling freedom fighter' George to actual

'lame ass evil nazi traitor' George?, to YOU about how George is just trying to murder millions of helpless people as an offer for the final solution? We can expect Alex now to claim, Zionists should have special rights over Jews, all to maintain his FICTIONS on Noory being anything but the monster to Humanity he is. Just because Noory doesn't growl when talking about murdering all children in around the age of 15, or against soldiers who refuse criminal orders, does still make him a true fascist nazi enemy laughing at your murderers escaping to live freedom in our dying forsaken worlds. The bushmob doctored the NIE. Conned Congress, and Soldiers. Did 911, by closing criminal FBI investigations immediately. Alex and George don't seem to want US to know these FACTS that demands arrests of the culprits responsible for high treason against Johnny's America. Now, who's with yourself. I am! I am! I am!

Alex Jones doesn't know squat of Social Security, but pretends he does, like Ron Paul does when speaking of the Federal Reserve, Health Care, IMF, World Bank blahblahblah.. I mean even the expert of experts Alex has on near twice a week, EVERY WEEK, to talk all about how the Illuminati are doing everything,(give me your money now for whatever), DOESN'T SAY TO KNOW, it was Chris Cox who changed Investment Banker rules, to cover instead one tenth of WORLD INCOME loans, to one twentieth. MORE THAN DOUBLING THE ENTIRE GLOBAL MARKET FOR LOOTING WITH HIS SIGNATURE! (And. that isn't even a fifth of the TRUE trillions dollar fraud story.!) Now, granted, I wouldn't expect one tenth of one percent of America to have even a distant clue of which I am speaking, but importantly, Alex's expert of experts has never mentioned it. EVER. Why? He don't give a fuck, but how much money he can get you to give him for investing in things that are un-important to our struggles, but for the fact, he states, you'll get free money for nothing!! OUR ACTUAL PROBLEM. It reminds me of those Ron Paul dollars... where Ron'll fix everything, cause we, as a private company, are going to make YOUR money instead... holy fuk mon.. Talk about the kettle calling American racists. Thank God the FBI stepped in. (The answer unfortunately is not nowhere as easy as Alex would blindly lead you) - again, so I guess it will be, Americans were just too far gone as illiterate chauvinists, who cared too little for your freedom as themselves degenerating. Why? To battle tyranny they

knew not Justice wins the day, and blamed innocent groups gathered wherever, instead of following the crime scene leads at the real murder scenes - like was once done on TV and at the Movies. But even that was too far above their doped down heads, to raise their finger to dial a phone number.

How about stating "A lawless bushite enemy wars America as a traitor, to escape the neocons from the crimes of 911."

Then Alex states the head of GCN is giving out gold at less than it's value as a special treat, every second or third week. Below wholesale. Now, really think this thru. Do you think Alex is trying to con you here? you bet. That is the Gold Racket. Diamonds are another thing - where I've personally seen, about a decade ago, a huge press that makes Diamonds out of coal. Swear to God it's true. Costs to make diamonds are pennies to the thousands paid to Zionists who live in Israel calling for the murder of all innocent Peoples. Where is the rich Zionist, grave robbing Jew hater to demand Justice for our times? Where? Pressing coal into diamonds, while advocating the murder of our entire Human species. THEY WANT TO KILL GOD AS SATANIC ENEMIES OF LIFE. While I am last known to Life's enemies as Jesus Christ, the Zionist's end every time. I'll have brought more Zionists to their rightful dooms, than any other, of any time, anywhere. I HATE Zionist bushite LIARS to death, all because I Love Humanity too much, to watch US die undefended as the innocent forsaken. They can change their evil ways, but till now, often not, benefiting off our suffering as war criminals who simply lie as demons to steal our Human values. Let's change this for our betterments. I mean the Halo is a dead give away..

The head of GCN has a son warring God to rape American women as lawless enemy in Iraq for the Neocon - again NEVER mentioned as something worth fighting against for Freedom in America - soldiers are suppose to REFUSE criminal orders - but not when Alex is at the mike. He will never mention the Bushmob doctoring the NIE to con America for death as exampled, because it doesn't fit his fictions, where all the bad guys escape because they are geniuses headed by secrets so powerful, nobody can ever know'em, except Alex. He tells us near every day, he knows everything already, and is never wrong, therefore you can't criticize him. Bullshit. It's like he wants to be wise like Johnny Gawd is, without doing anything like

studying for a test where the teacher actually does know the issues. He told US today, the British came up with concentration camps, from the Indians - who spent all their lives murdering themselves. The British 'invented' false imprisonment? The British came up with the, Jews Killed Jesus? The British invented Pope Gregory VII? I suppose Alex has never heard of Ghettos. SEE? he just pulls shit out of his ass, and calls it like it's truly pure gold you'd wanna buy. Those, like your typical American have no clues, so they figure, Life must be sorta so that History is all one big Alex Jones NWO cartoon. What? that the NWO did 911, and everything else that use to instead, require criminal investigations to nab the actual evil doers? Alex Jones IS the NWO he tells US all we should be concerned about never stopping, like it was in the DARK AGES. Justice Alex, why is that hard for you as a "Conservative" to figure? Is it because you are cowardly in the face of true Liberty? Afraid that some People, on some Issues, ACTUALLY know a great deal better than you could even imagine presently? Don't like that do you?, where you don't rule this Universe as a lawless tyrant desperate to live in an illusion at the expense of everyone else dying victims to censorship? Does he try to find wise men or women? rarely. "Ron Paul [MUST] leads our truth movement" - like, fuck off already with the Ron Paul, The Truther, Bullshit Alex Jones. 1% is what YOU get on Social Security deposits - 1%. And.. Bush stole 700 billion. 700. Billion. That's 700 BILLION. It's a "Trust" account. A "Trust" Account. It's being held in "Trust" Alex. Ron Paul is asleep at the wheel. As, so are the rest of all you other fools.. I want Justice, and I want it now for all the victims of 911. Americans be damned, we want Justice, and We want it Now.

In Texas, child rapists are given the right to freely move about without fear that Texans will stand as armed Men in defense of their very own offspring. And Alex wants this for the rest of America. That some how to own a gun, means an American would kill a cop who beat a women near to death for pleasures that he could never be Publicly arrested for, as a sadistically evil nazi bushite fuck. Look, if YOU DID kill that particular DEMON COP after the Chief refused to arrest him, you couldn't possibly go to jail in Johnny's America, because the truth would win out in a fair verdict. And REAL cops would honor you with great big, thank you. Nothing worse than a

cop (or bushite grunter) who believes the Law doesn't
apply to him while he drives drunk, tazers someone for
nothing, abuses Women, or kids, to sell drugs, or
kills good cops, who are good men. (Like mercs do in
Iraq officially for Rumsfeld's P2OG. Coming to an
American city near you!)

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

"Rice says it is 'hard' for Israel to spare civilians in Gaza"

We KNOW they are ONLY targeting innocent People,
the ungodly zionist Satanic enemies say so..

"Israel Rejected Hamas Cease-Fire Offer in December"

Livni has declared her country "is not going to show restraint"

"Her" country?

It's like she's admitting here, that they DO NOT
target the IDF's Hamas, but only our innocent lives
as a threat to LIFE and GOD. Remember: the Zionist
LIARS broke the truce.

This guy even sounds like the Satanic false
accusing enemy of God he is. Let US, as Humanity,
hunt these real devils down, try them, and have
them executed publicly for the benefit of God and
Man. Understand: this REAL DEMON knows he's lying,
no living man on Earth could spew the vile lies he
does to excuse indiscriminate mass murder, or starvation,
as this Zionist enemy of life sells to STEAL Your
HOME, your Family, YOUR LIFE. An open enemy of God
trying to STEAL the Title of Jew from Christ. EVIL
ENEMY OF LIFE. See, when a bushite dies, you served
Life well in defending their next INNOCENT target.
BILL HIM FOR STATING ISRAEL WAS STRUCK THOUSANDS OF
TIMES. BILL HIM FOR STATING HAMAS BROKE THE TRUCE.
BILL HIM FOR STATING bin Laden DID 911. BILL ANY
Zionist FOR THIS TREASONOUS LIE. Why God asks? Because
there isn't any evidence to support that Satanic lie.
According to the FBI. And according to God, Zionists
are not Jews, but of Satan as enemies of every life

form in this Galaxy, Hunt him down, and bill him today for the love of God. You can 'hear' it in his voice.. how he lies TO YOU as a DEMON of a Hatred for Truth and Humanity. Facts, that are easily available, are not what he works to mislead others, others he hates, and wishes to murder for as ungodly sadistic pleasures as YOUR enemy. Bill him under American law for being pro-torture too while we're at it. Death to bushite, death to the murdering enemies of God's Love for Mankind, and enemies of TRUE Justice for Americans. The fuking demon enemy lies to you, as a con to STEAL your life, or just as soon, the life of another innocent other. Now, what are you going to do about it? Except his lies as exceptable, as he tries his hardest blatantly LYING to kill God and Justice in our Worlds? Not in mine, but perhaps Yours.

' In Civil-Contempt Cases, Jail Time Can Stretch On for Years for Americans, without Ever seeing a day in Court. '

Where are the arrests?, then firing squads for the Judges who 'judged' such criminality against freedom for US, the Peoples in America?

' Where Did Taxpayer Money Go? Panel Slams Treasury [FOR STILL REFUSING TO SAY] '

Where are the arrests?, they stole eight trillion and counting.. And Congress 'slams' them for disappearing OUR MONEY. Slams with what?, a, don't do that again please butt sqeeze? It should be massive slammer time, with a return of all STOLEN monies.

' THEREFORE, those pro-Israel politicians in Congress won their seats in part using stolen money. '

Where are the arrests? Amerikan bushite nazi grunts are assisting in the mass murder of innocent Christians in Palestine. War crimes demanding death sentences. It isn't an argument that can be turned around. Nazi Israeli STEAL Peoples Homes without apology, as a function of their SATANIC government, while colectively bombing the INNOCENT victims who die because of it. It's a prison camp! they are denied water, food, shelter.. since four or five truces over that they've broken, every one. criminals, for the war criminals are just
puppets to his EVIL fictions. Forget about
Bush escaping.. Socialists who design traffic
lights, and Liberals who will to share fairly are
Alex's enemy, because he's fearful the FACTS
would escape his denouncements against truth
tellers. George Noory, one of the most despicable
individuals on the face of our great Earth
- is exactly the kinda guy he wants returned
to send his wannabe Patriots nowhere but to die.
What about Justice America? The bushmob doctored
the NIE. TREASON. There is video of iron flowing
like water from the towers, seconds prior to
the collapse. Alex ain't there to help US, for
that is where TRUE Patriots fight for real
Justice. When WE phone with indisputable facts,
on Ron Paul the bush whore sell-out for example,
he lies to all (GOD), then hangs up on US. Is
that the kinda freedom you think the Founding
Fathers had in mind to give Your rights to
speak for Alex who blames anyone but the
criminals directly responsible for your
funeral? The private banker never covers our
loans, so why give them trillions without
questions offered without answered as, never
mentioned by the guy who is 'right all along
on everything under the sun', and.. he 'rules

the Ocean of truth' too don't you know YOU have
a steak going all rotten to hell here also?
You'd think Alex would take our call just for
the challenge on where we stand? I'm free!

He is not. And George Noory tells us openly, he's
into killing innocent kids for profit. George's
profit is that apparently, by murdering all
children in around the age of 15, will stop them
from getting a clue at anytime in the future,
to take him out as an ENEMY of EVERYONE for
censoring our cries for Justice. Why is it that
Alex would invite obstructionist, Steve Quail,
or Alan Watt, on to lead you nowhere while they
jerk off, but where we gotta go to actually defend
ourselves? Steve has been on with Noory more
than a hundred times, and, we'd figure, Alex will
soon be delving into the Alien questions also.
Answerable by me in seconds, but ahhh.. like Noory,
doesn't want the truth of such a subject uttered,
just endless streams of illiterate bushite dumfuk
losers sucking on each other. While they wrest
from US the wonder; just why we can't stop
criminals from robbing ourselves, while murdering
our families? Alex wants to blame the unstoppable
NWO, while I, want to blame those actually
responsible, like Bush and the proven treasonous,
Neocon terorist liars who are pro-torture.
With arrest warrants. All of them. I'll do it for
Reagan's, War Crimes Act, as an act of respect
for my Great America, that's isn't always been
dying dead wrong under the leaderships of
criminals.

Israel hits Gaza after UN truce resolution

/ / AP Israel and Hamas responded to a UN peace
demand by hammering away at each other with bombs \ \

The IDF's Hamas is hammering away with what at who?
Is the AP referring to the tin can rockets that
travel usually several miles, but in one case,
22 miles? To kill a Jew standing outside in his
yard, thinking on how he would defeat true evil in
his time? Tin can rockets that contain no explosive
charge? Have no mistake, if it hits you in the head,
your dead, but really, what do you think the odds
are on that? E=mcï¿½. Or is this another, amerikan
past time, of, who cares for the facts, we are at
war with God and Christ now? Joe is an American Zionist
"Plumber", who has amassed a multi-million dollar

fortune in the competitive industry by shit eating. Every bushite death is a mercy given to God in defense of all that is right and Just in this Universe. A lawless bushite enemy wars America as a traitor to escape the neocons from the crimes of 911.

Traitors to the Cause

UN: Israel Admits Claims About Attacked School Baseless

US military re-supplying Israel with ammunition through Greece

House and Senate Compete To See Who Can be Most Pro-Israel

This warrants the Death Sentence to Republicans who have committed America to these war crimes - DEATH SENTENCES. Christ DEMANDS these trials to start tonight on America's Coast to Coast radio program. It's called first degree mass murder.

Israel broke the truce on Nov. 4th, yet state they will continue to murder Humanity indiscriminately until a truce can be found that they will break, as always, Being the Satanic enemies of God and Man according to the Bible:

The Bible "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

an Innocent Human Being guilty of no crimes. The
war criminal enemy is the bushite, the Zionist,
the LIAR neocon traitor to Life as this Universe,
along with every dumfuk grunt who serves tyranny
for the bushmob at Guantanamo, Iraq, or Afghanistan.
It is a soldier's oath to obey lawful orders only,
but Cheney they don't take out with American Law -
how come? cowardly fascist nazi whores for Zionism's
evil as the ungodly that's why. Cowards dying for
the escape of the Neocons from the 911 scene as

Notice no one shoots at the blimp fire bombing the
entire neighborhoods. And if it's phosphorous, that
smoke is already deadly toxic. That is why it warrants
the Death Sentence under International Law when used
against OUR Humanity, as the most evil of Nazi War
Crimes ever. The neoCON LIARS are the LIARS conning
you here on our TVs and Radio dramas, in where, they
don't want to openly take our public calls for real
Justice. Bush and Cheney are traitors to the cause of
American Liberty. To leave them free, is to leave
America un-guarded from further transgression. So,
them being "puppets" is even all the reason more to
insist in their capture for trial by Jury. A Public
Jury of our Peers. Now, who's in with You? You can
count me in. and I bet willed to action, we will find
others to be something of ourselves too.. Justice
and Liberty for All. Equal rights given is what true
freedom is as measured. Translated from the 'Alien'
dialectic to Amereeze jank vibe; where is the fucking
evidence here Neocon traitors who false accuse to lead
us off the straight and narrow? It leads to Bush,
Cheney, Rumsfeld, and Condi that's why I figure, you
figure, they figure, we figure, so... what are WE
going to do about this sacrificing for godless tyranny
further then as unrepresented?

Israel Attacks Jews,
Silence from Mainstream about Violation of Law
http://www.youtube.com/watch?v=K1kt8qi0M-M

They kill Jews for money. They bombed Jews in Lebanon
for money. They want to bomb the HUGE sacred Jewish
communities in Iran.. wonder why? Zionists are not
Jews, for Jews don't steal in God's good name. Nor
target innocent beings for stolen gains. A zionist is
a thief to life, and as such, needs to be formally
charged for their criminal offenses, given lawyers,
and upon a successful prosecution, rot in a prison
cell and/or pay restitutions. YES. why? so not another
innocent person must fall in their place as next
victim to a zionist's public commitment to lawless
tyranny for evil intentions.

you righteousness. They STEAL our food. They are OUR
criminal enemies who torture innocent Peoples. A
godless criminal enemy who also steals Peoples Homes.

war crime against Humanity. Vile bile.

They killed our innocents, and unless we kill
theirs, they will go on killing ours.ï¿½

It is the crime of which they demand WE are outraged

/ / It is just unacceptable to apply two standards of morality, one for Jews and another for non-Jews. For if what Israel is doing in Gaza is right, as Israel and her supporters maintain, then what the Nazis did in Europe several decades ago must have been right as well. And vice versa. \ \

The ungodly zionist enemies, are enemies of God and Man. Don't think the NAZI Zionist like Bolton doesn't know this, with his friends at FoxNews.They WANT to rape, murder, and pillage America all her freedoms for the bounties of private banker frauds. The banker does not ever cover our loans, we do. So, why give them trillions of American worker waged dollars for nothing?. THEY DON'T COVER LOANS. See? that is what this war against God is all about. People of Humanity just seem to truly hate a guy like US as wise and Just. See, people hate US, because they can't for their lives disagree with Facts. Why won't YOU support these same rights and champion our demands for open communications. Protest pictures from around the world (not on CNN)
http://www.rys2sense.com/anti-neocons/viewtopic.php?f=11&t=16496&start=0

Remember Israeli nazis to this day, insist as
DEMONIC LIARS, Hamas broke the truce - as Hamas
is responsible when they target school girls for
slaughter. They said the UN were secretly attacking
Jews, clearly a LIE as impossible to prove because
it didn't happen. But facts are the furthest thing
away from the godless false accuser Zionist con man
or demon witch LIAR like Livini. FoxNews calls the
demon witch a Jew! ANTISEMITES.

We can witness, Americans do not have the intellect
to understand what this means. See, LIAR Nazi Israeli
broke the truce to get killed Jews for money. A
regular fair for Nazi Israeli. Now, they state they
will continue to indiscriminately murder humanity
until the tin can rockets that travel miles stop
killing Jews who hate Zionists. But importantly,
it is Israel that wants Jews to die, so they can
make off as Satanic with our stolen values. Just
like the Bush family did with Hitler, that the
Nazi Nation has no probs working gun in hand to
wipe out Jews everywhere still to this day. Again,
Nazi Israeli MURDERED JEWS in Lebanon as targeted.
And leave Jews to starve to Death in Israel for
more charitable aid they can use elsewhere. Public
knowledge not disputed by any living soul on this
planet because, the Zionist government admits freely
to this. Israeli think being Satanic is worth it,
for all the money and lives they can steal as enemies
to Christ, Hillel, Mohammad, YOU, blahblahblah.

Read of the bushite in my America who call this work
of Satanic enemies, a good thing they support to
war terrorism for the sadistically evil liars of the
neocon. Then KNOW my friends, a bushite is the enemy
of every living soul on this planet. Have no love for
those in the Air Force, the enemies of Man who bomb
our families without excuse, but to know, they hate

US as Christ to speak free for Humanity. That DEMON George Noory was so happy last night about all the good the bankers AND CHENEY are doing for their hatred they spoke of for all Russians. SEE? not to protect America, but to kill you with their true commitment to the demonization of innocent people, all to escape the neocon terrorists. I HATE George Noory more than anyone alive in America. He is so openly evil to ourselves, that only those who wished to lie to you, (like Alex Jones does about Ron Paul), would say otherwise as bushite dumfuk enemies. Cowards committed to escaping Bush and Cheney for treason against Freedom. They doctored the NIE on Iraq, highest of war criminality. Alex Jones has never mentioned it, but for MAYBE in passing. Hey because all the bad guys are just puppets to ignore over the elites, globalists, socialists, liberals, gays maybe, Blacks, Mexicans, and anybody else smarter than NWOer Alex. Ron Paul is a coward as rarely if never has a clue of which he is speaking on.

Israeli PM says to end offensive if Gaza ends rocket attacks

Sarkozy urges Syria to press Hamas for Gaza truce

How does the ungodly get away with this obscenity? Nobody can deny Nazi Israeli broke the truce, as they always have done as Satanic for the last 60 years. Killing Jews for money is popular with the Zionist Nazis don't you know us by now? FoxNews CONNED Americans for DEATH with the unmentioned, TREASONOUS doctoring of the NIE. To kill Americans for more neocon gains, which Alex Jones never mentions either. Do Americans even care enough to raise Humanity's call? Do they demand public executions of sadistic godless Zionist torturers? as the Standing Law of America - The War Crimes Act - brought to be by Reagan - DEMANDS by the Law of America? It is the Law after all, yet, CNN, CBC, and FoxNews calls the perpetrators of the most heinous evil against Mankind, heroes. America is
a nation of godless cowards willing to die murdering innocent Christians in Israel, all for the profits of the 'magical' zionistic private bankers. Bushite grunts are now supporting the indiscriminate carnage, serving as police services forbidding any of the prisoners in Gaza from fleeing the indiscriminate slaughter. Again, as Satanic, they don't arrest the "Suspects", for what could they truly charge them with?, no instead demand we die helpless murder victims by forbidding escape, as they did in Fallujah murdering more than three hundred thousand innocent

souls. Die bushite die screams to all men on Earth from the Son of God. Will you stand for YOUR life as truly worth something here? Like lawless enemies Policing your reality will bring you more happiness and prosperity with the great truth teller HAPPY George Noory? The demon who openly confesses the will to want to murder all children in around the age of 15? Too crazy for you to face such an enemy of huge demonic origin, so, go the cowardly way like Alex Jones as sell out slave instead, to cover the demon with endless praise on his treachery to not have our fight on everyday with open calls for understanding Justice is freedom. Instead of a constant stream of bushite dumfuk enemies of Living. This isn't complicated. Or it doesn't have to be.

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce.

Alex Jones told US as a deceiver, he's been on Coast to Coast a hundred times. Not in these last eight years he hasn't. I demand Alex prove this, or be known by all far and wide a treasonous liar, trying to take US off the tracking of criminal action of his buddy, the demonic enemy LIAR George Noory. bin Laden didn't do 911, despite the facts that WE KNOW George Noory knows better of but LIES to con the American teen further for death at the profits of the un-elected bushmob. See Alex wants you to blame anyone but those directly involved in the crimes of 911, or Iraq, or those responsible for it's cover-up by Zionist propaganda. George Noory will have as invited guests whos only function there is to spread dis info as supporting more indiscriminate warfare for the escape of the neocon terrorists responsible for starting the illegal wars to begin US at. Or those whom often support torture, a war crime that only exists as irrationally held by those who's minds have only a blind hate for the indivisible rights of another innocent other. And often truly hate men and women for being Just as wise. The McCainiac Zombie video is a perfect example. When the Zombie is asked about the rights of Women, the McCainiac Zombie cried out for raping more Women. The position of authoritarian power, was only found with the bushite as oppressor, rapist, torturer, or Air Force Bomber, not liberation by freedom. The bushite McCainiac KNOWS it can't compete

openly to defend it's criminal treasonous
actions! Remember, Alex "the Conservative"
thought McCain was the choice if you had to make
one, earlier on, then changed his position,
sort of, later by calling them all puppets not
worth the effort, but .. Obama's idea's matter
not, it's that his Birth Certificate is, no war
too be fawned. Palin? who's she? McCain
firebombed Vietnam as "war hero" for France?
The Banker doesn't cover our loans? Matters
little.

and women like this."

Israel deliberately targeting civilians in Gaza
http://www.youtube.com/watch?v=Ev6ojm62qwA

It was almost acknowledged on CBC radio that
nazi Israelis, use the argument that a tin can
rocket traveled miles, to kill some innocent
Jew as a direct hit (likely a person who hated
godless NEOCON), all because that nazi state
has OPENLY, as PUBLIC policy, stolen water and
food including baby formula, along with a huge
list of other atrocities, to punish God and
Humanity since way back before three of four
truces. AGAIN, Nazi Israeli always, as ungodly,
break their truces. Why? Because YOU, or Christ
as any Jew's life means nothing, to all the
'free' billions they'll get from given American
worker wages. Look, Americans refuse to call
for the arrest of Bush on their national,
"truth telling" Coast to Coast radio program.
Why? Because, for one, George Noory, (Alex
Jones' best buds), has told US he's into
killing innocent kids as powerful, and that
'bin Laden did it', Is good enough for US.
You don't get a say here however how you will
live or die. George Noory calls all grunts
heroes, and those who refuse criminal orders,
those he wishes to go ballistic on. Yes, it's
true, George Noory is still alive and happy

as ever.

Rise Up for innocent Life, or don't and see
where it'll get you in the end.

Again, every soldier in the Air Force serving
for the neocon liar is a traitor warranting death,
to save the lives of their next innocent victims.
They have murdered more than two million people
in Iraq. They are pushing heroin into America
from Afghanistan. They are raping AMERICAN
women as officially "LAWLESS" (can't be arrested
but through Rumsfeld - who has not seeked any
prosecutions for the raping of American Peoples.
He, as Neocon, is TRYING to DESTROY FREEDOM
For all Americans in America - while paying
with American wages, South African death squads
to murder Black men) and TV'ed Americans refuse
to speak for Justice denied themselves. Zionist
amerikans only see US as innocent others, not
themselves to pay, but they do pay, they will pay.
God, nor John will not live in a world where
bushite grunts walk freely down our streets as
first degree mass murdering rapists, torturers,
and thieves. Celebrated by CNN, CBC, and FoxNews.
Especially when they DEMAND they have greater
rights than Human Beings. Mass Murderers deserve
immediate death sentence to defend ourselves
from their demon lies and betrayals to God and
Man. Every CBC and CNN reporter who reported
Russia attacked Georgia unprovoked will warrant
trial, then death sentences for their total
commitment to the Satanic NeoCON enemy war
criminals. Remember: they targeted for murder,
helpless innocent families. YOUR family. CNN
wants you to blindly believe, CNN personalities
like ENEMY George Noory are so happy, why would
we think they willed death against our great
Humanity by conning you for more stolen money
through the sacrifice of YOUR life for zionist
criminals who laugh at your powerlessness to
raise your voice for Justice.

Israeli plan to topple Hamas, re-instate Abbas
http://a-mother-from-gaza.blogspot.com/

/ / Breaking the truce Nov. 4, then, was Israel's way of getting the gears rolling for this whole sick game: the toppling of Hamas, and the re-instating of the impotent Abbas into Gaza so the "peace process" can remain forever in formaldehyde, to quote wiseass, er., Weisglass. \ \

Nov 4th! - perfect!. We are dealing with Nazi war criminals who refuse US, as a Species, Justice for everyone. Especially The Jew's Jew, Johnny America. Hint: they call us Love just to hide our complete agreement with this Living Universe to will Justice for God as every last bushite zionist freely moving. Once all the neocon zionists are rotting in a prison cell, or formally executed as godless war criminals, we all will have one joyous welcome in a heavenly future.. Until then, demand Justice for US. That's YOU too. Angels included. Who? I don't see no Johnny Wizard here anywhere, We are Good to Go. Rise Up for innocent Life, or don't and see where it'll get you in the end. The bushmob are traitors for closing official FBI investigations into 911, immediately after the mass murder of Americans occurred. Treason, of a, trust WE don't have it in US to stand for our common values as the Revolution will not be televised, Johnny Who. Man, are we or no? Be Somebody, then get on your phone to call in for Justice willed. Alive I Say! - this must be where you'd raise the dead and dying.. if you only could raise your finger to dial the phone numbers - well guess what? - I Command You Can! - snapoutofit - Speak for pursuing Justice on 911, and show serious concern for publicly paying private banker men trillions in worker wages for nothing. This is seriously disturbing, yes, but seriously important to address openly in our spaces to remedy with a Johnny Wizard World Wide Work of Wonder, Super CNN Special of Specials, with Your Host, the One and Only, President and CEO of Shareware Earth Co. John Himself. Hey everybody! Wow eh? So a.. when is the good guys showing up? Now. Justice. I want US to Host Coast to Coast for open Public communications, where things get solved because we know whats we're learning about. We of god, this way comes, then men and women with calculators to know: giving money to private bankers

by private corporate interests tied to the CON of
private banking in total. Christ is a Jew too.
Israeli broke the truce knowing such action woud get

Jews do attest on a infomercial that ran for near

We can overcome this, and create a better world in

to convince ourselves truly of anything. We are

Satanic Enemies of Christ

CNN with Blitzer allowed reported on Larry King
that Hamas broke the truce, without any uttering
of fact. While when the nazi israelis were accused,
just minutes earlier, Mark Regev could say only

silence. The zionist Satanic enemies of Jews speak only silence, because they know they are satanic enemies liars of Human will.

Again, these SATANIC enemies break their truces everytime, then state, it is Humanity's fault because CNN will never ALLOW the humans to know. They are murdering innocent People in hospitals for example, or those in a Church, just as amerikan bushite nazi grunts do for the escape of the neocon zionists responsible for 911. To hunt a lawless bushite nazi grunt, and kll it instantly is to defend it's next innocent bombing victims. Bush and Cheney closed 911 investigations on 911, therefore killing a lawless bushite traitor for our Humanity is just to get ourselves together to arrest those responsible for mass murder on 911. The deaths of bushite zionist liars is a mercy given for the love of God. Die bushite die.

Israel Nazi State

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce. They always break their truces. Understand these Satanic enemies of God, dropped seven million land mines on Lebanon when learning the conflict was over. They will kill Jews for money, THEY are the Nazis. Nazi Mark Regev is clearly insane. 'It wasn't israel that started this' He could not stand with any man without instantly being exposed to All of Humanity as a war criminal in need of immediate public trial for death sentence. These are only innocent people being bombed. In a concentration refugee camp. Look, it's a prison camp. And if YOU
were a prisoner there, and Texan child rapists are something you'd wish to defend your community from, you'd maybe join the Gazan police force, run by Hamas, a political group democratically elected. All police officers in Gaza, Nazi israeli claims warrant 1000 lb bombs, not warrants for arrest for a criminal offense. Remember, it was Israel that broke the truce, as so is spoken by Palestinian government officials speaking internationally - using the example from November. But understand, as Satanic fraudsters, they always fuck over Our Innocent Humanity this way.

What kind of "Human" would commit such crimes against Life? Cheating Liars for Satan God tells YOU.

The Bible "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

Look, these enemies of Life steal INNOCENT PEOPLES HOMES as thieves of The King of Jew's simple philosophy.

The Reality of Zionist War Crimes in Gaza
http://www.youtube.com/watch?v=GDjthFt6EZg

The zionists aligned with Bolton are using radio-active weaponry against all Christians. What do "Christians" in America on Coast to Coast have to say? Nothing because that demon enemy of Life George Noory, the pro child killer, insists as Truth's closest most bestest friend, bin Laden did it.

most moral army in the world:

Our reign of terror, by the Israeli army

Glorified by CNN, CBC, and FoxNews:

ï¿½do the Gazans know that only Hamas is to blame for their sufferings?ï¿½

Remember those same news groups will KILL Americans too with poisons in our foods while smiling as George Norry does Daily

Gray Ghost

/ / Funny thing noone ever shows pictures of the scumbag Hamas rockets falling on Israeli civilians, but the nooz is full of Palies suffering. Fuck you all I hope Israel exterminates the vermin. \ \ He can advocate the MURDER of innocent people for the neocon liars, and Google doesn't destroy his account?

Remember Zionist Nazi Israeli started all their murder rampages against Innocent Peoples for 'free' welfare money, as broke the truce with, IDF funded Hamas on Nov. 4th. They have been indiscriminately bombing People with excuses that never do add up. Example: Nazi Israeli stated they were in the right to murder ANYONE

in a car or truck in the entire nation of
Lebanon, (especially in the Jewish communities)
because like enemy "Gray Ghost" would say, all
those innocent Peoples deserve TO DIE AS MURDER
VICTIMS for his sadistic ungodly pleasures.
Remember, Nazi Israeli didn't mention this until
thousands has already been murdered, then even
still, without radio, TV, or newspapers, telephones,
or sky writing how were ONLY THE INNOCENT JEWS
as officially targeted to know? Then the seven
million land mines to kill innocent kids for
generations. To the enemy of Life, Gray Ghost
it matters not that Israeli started the conflict
by sacrificing nazi vermined trashed as Satanic
dumfuk enemy soldiers sent across the border,
to Grey Ghost, all it knows, is Justice must not
be allowed to win this game for our human race,
for he would be truly seen as a sadistic enemy
of Freedom, powerless, or rightly dead for
his proud treasons against life in this universe.

ZIONIST DEMON LIARS TO SHOW HIT ON TRUCK FULL OF ROCKETS ACTUALLY HIT
TRUCK FULL OF WELDING TANKS
http://english.aljazeera.net/news/middleeast/2009/01/20091117737115874.html

Please John begs all People's of Humanity,
Americans do not have the courage to even speak
concerns for their dying as evil state of godless
private banker ruled blind tyranny. 'Duh, yeah

FoxNews CRIMINALLY.' Gawly je, I dunt no y dat

Livni: Gaza truce would give Hamas legitimacy

See? this is why NAZI I$raeli thinks they have
an excuse for bombing people indiscriminately
to break a truce they signed on to. This isn't
a one time, maybe two time occurrence, but every
time in the last 60 plus years the zionists
aligned with Hitler have. Satanic enemies
of Humanity.

ANTI-SEMITE is FoxNews every time they assault God
with "Israel, the Jewish State" to torture, steal,
and murder.?. ANTI-SEMITE!

The Ungodly Zionist - a report from the front

/ / The most recent victim of Israeli airstrikes
was 10-year-old Ismail Hamdan \ \

To the Satanic enemies of Man, the Ungodly Zionist, an innocent murder victim's life can not be allowed a defense such as the charge of first degree murder against Netanyaho because, he states no Justice to any who believe in the Jewish cause, as Hillel, of freedom as Liberty for all. If Jews ran Israel, Netanyaho would be chastised publicly by the Humans, for sanctioning the criminal acts of first degree murder. The nation of Nazi Israel STEALS Peoples HOMES. What other nation on this Earth commits such willful crimes against innocent Human beings OFFICIALLY? Steals homes from god loving innocent folks and labels it our 'Justice system'? Who? Neocon Amerika, the nation that gave trillions to bankers recently on only prayers that their gods will maybe lend some of their own money back to them at high interest. But alas, evil is the deceived disguised, as in their deep ignorance of money and virtue, they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else with charity? it's the amerikan way. Instead, hate the wise socialist who designed a working good traffic signal system, where lives are saved and congestion is eased, or hate the white man, the black man, different People. But never Mr. Bush, Mr. Cheney, or Rumsfeld, the neocon traitors who closed criminal investigations immediately after the crimes of 911 occurred, who doctored the NIE to con America into death, and never slight the trillioniare private banker gods, who have stolen/taken our public authority through war criminals in Congress. Taken from all others to bring us a much poorer world suffering due to our speakings of contempt for Justice as christians in America - who claim in silence only indignation for real Christian families robbed or murdered Officially by the zionist state of ungodly Israeli, paid for by dying America. Americans refuse to raise their phones for the arrest of the bushmob for capital mass murder, so, what's private trillioniare bankers walking away with the entire economy in free fall going to do for them, when they are already to death for the glorious Zionist Neocon thieves of Civilization? Proudly in hatred for Innocent Humanity. Again, Hamas was founded by Zionists in the IDF, to kill Jews for money - public record. Jews starve near death in Garbage dumps of Israel, all because the Nazi Zionist UNGODLY government

states it is beneficial to starve Jews, for, they will receive more humanitarian aid THEY can use elsewhere. Public knowledge. Zionist liars murder innocent Jews for money, like they did in Lebanon, and like the zionists did on 911 by forbidding the pursuit of the terrorists by following the crimes scene leads at the real murder scene. Unjust enemies of Man.

To arrest those responsible for 911, we are going to need to form a public warrant for a person or persons. Bush and Cheney are guilty of closing investigations on 911, treason, called obstruction.

UnHoly Nazi Israeli Racists are Greater than the censored words of Messiah!

IDF's YouTube Gaza channel to Correct Ourselves

/ / it will disseminate footage of precision bombing operations \ \

Precision? They dropped seven million land mines in Lebanon, after having seeked out where the Jews lived, (Northern Lebanon), and murdered them firstly! JEWS. They, as enemies of God, like those of FoxNews, will refuse these type of FACTS on their hatred for Love and Justice. Their hatred for Jews, real Jews, like me. Understand: American baby formula has been contaminated with poisons, and FoxNews doesn't think it's important to their corporate responsibilities to kill ourselves further for profit. The Zionist will murder anyone just to steal your belief in God as Love. They HATE me for being wise and Just. Hate. For, why wouldn't America support my demands for open radio communications on the Coast to Coast radio network? Americans would rather murder Humanity before Justice succeeds beyond their illusions of grandeur through the mass murdering of ourselves for stolen gains. The banker does not cover our loans! Giving them trillions for free unquestioningly is dumber than rocks. Enough.

Fake Rocket Attack
http://xymphora.blogspot.com/2005/02/fake-rocket-attack.html

Remember however, the Zionist has no qualms about killing Innocent Jews too if it means Americans will get it more free welfare to murder ourselves. They openly STEAL Peoples

homes in that nation run as thieves don't
You know? Or as it is just open public
knowledge that the Zionist excepts that
911 was actually a good thing for them as
war criminals reaping the cash rewards for
continuing capital murders?

/ / Ehud Barak promised that the war would
continue ï¿½to the bitter end.ï¿½ \ \

That is you there Barak promises to end
bitterly as the innocent the demon targets
for ungodly murder. How could ANY REAL MAN
steal food from a Christian baby? How do they
do it?, as the inhuman. (Like bushite do in
Iraq, while on CNN in interview tell US, they
are there war criming for neocon traitors to
steal everything as "helping the Iraqi
children". They offer no clean water, no food,
just indiscriminate bombing campaigns of evil
incarnate. True fascist nazi enemies of true
freedom in America who advance censorship to
anyone like myself. Why? They lose. They are
not men but Satanic enemies of the King to
Jews, the Messiah. I Am. Thieves to the
scriptures of Hillel, and of Moses. Thieves
to the intent of every true religious person,
for God is everywhere. God is the Word, and
the Word is Holy. So, fuck you and die bushite
nazi traitors to American Justice, those of
them who refuse US open free words to resolve
their war criminal behaviors as is done in
godless Israel today against INNOCENT
Christians. Done before another innocent other
has our homes stolen, or is murdered by the
lawless grunting bushite dumfuk enemies of
Jesus Christ. I am King already, always have
been, always will be. Live with it. The Koran
is filled with great understandings on this
relationship. Christ is mentioned more than
Mohammad - and Mary can be understood as the
mother of all being before we are. a virgin.)

Look humans, you've
had your fun murdering yourselves, now the wise
people will compete for bettering ourselves by
understanding. Who the fuck are these illiterate
monsters at CTV national television? and how can
they willingly keep our soldiers in the dark dying
that way by simply smiling? Are they experts in
anything? are they respected researchers? writers?,

politicians?, civil rights lawyers? - do they even respect ourselves enough to be warned of vaccines? NO, instead they LIE with such contempt for Humanity I am surprised Canadians, don't speak out more.. perhaps they do, it's just CBC, CJOB, and the Winnipeg Free Presses of our World make no attempt to inform ourselves about it. They don't take my thousands of calls, how about Yours?

Life is real to know, if you seek, and not go so freaked out as Living is as it always has been. Knowing God is cool, 'amazing', yeah, whatever, but we are of too this real world suffering for our lack of respect for a wise person speaking. I WANT FREE PUBLIC DEBATE FOR JUSTICE AS ALL INCLUDED. Now really, is that too much for US to ask freely? What say you Googler? Afraid I will truly make your banker gods look like fools?, the gods we all give more than half our lives to for nothing? Don't want to look truly dumb as deathly ignorant, so censor US all themmers you are too in command of your Fate. So be it. See? Stand in. I didn't even really do anything there, yet it's written, it's done. A Miracle! Imagine: your Christ! YOU. now what are you going to do.. time is ending for you remember, now what are you going to do? Will you pick up your magic phone and call likewise for Justice denied, or will you crawl up on your cross and die in silence for the glorious Zionist aligned with trillioniare private bankers and Satan? Christ is of all peoples. Your on a mountain.. You've raised yourself from death already, and your here to do something greater for the love of God.. what's your plan for the common man? Welcome to the real world my friend.

Morpheus 'Nobody can tell you what the Matrix is, you have to see it for yourselves. .. all I am offering is the truth Neo, nothing more'

Lawless Police to Defend Who Again?

They Call it Terrorism

"Israeli nazi enemies call bombing people, like they do without apology, terrorism. What can't you figure?"

CNN TODAY

/ / Stand down 'Christian' nation. It's not your babies. Ethnic cleansing is not a 'sin' as long as the 'chosen ones' of Israel do it. \ \

Israel, the nazi enemies of God nation broke the ceasefire on November 4th. Now, as demon liars claim they want to honor a ceasefire again to further steal ourselves from the Love of Justice. Why do the godless Zionist do this always as first degree murderers? Because they can't win an open debate on their treasons against God and Man. The private bankers DO NOT cover our loans. Again, these SATANIC ENEMIES OF GOD dropped seven million land mines on Lebanon while target killing JEWS. INNOCENT JEWS. Targeted. Northern Lebanon, look it up. Israeli MURDERED Jews. Innocent Jews as targeted for more stolen charity. I again, beg you to support my call for war crime trials against the bushmob, including CNN demons who report a total contempt for YOUR life dying. Your call loser.

ISRAEL: No civilian casualties in Gaza! http://uk.youtube.com/watch?v=RlZd3vR6Kzk

Satanic enemies of God as anyone included. Think: who buys these demon lies to steal further from our innocent Humanity? Zionists do at CBC and CNN, who will murder America by openly lying to destroy freedom. Example: CNN reports Georgian nazis who targeted children schools, churches and threw grenades into our homes to murder as minions for Satan are called freedom fighters. Just like the Third Infantry, the new lawless police officers of California, who can't be charged with rape for example, because ONLY Rumsfeld can okay such prosecutions. Hey who cares for Iraqi Rights right?, for TV America's CNN with FoxNews and George Norry doesn't, for it's only American women and children now right nazi enemies? And WE ALL KNOW, cowardly America refuses to even raise their phones for these dying concerns. How can George Norry continue to live happily dying America for the neocons? How? they let them. Alex Jones thinks George Norry is just fantastic, so no, don't encourage the NWOers to demand free communications, because if we did, Alex Jones and the like, would factually look like the idiots he is. (better to die

America than face this foolishness?) The banker doesn't cover our loans, we do Alex. So giving them trillions in American worker wages is a bank robbery in progress. Simple. NOT a diabolical ingenious plan, we, the simple folk can't figure without the Alex Jonesers geniuses of thought control developed by the CFR, builderberg, the Boners and NASA.

Obama stated all lawless soldiers who war for godless Zionism are heroes, which includes South African death squad goons who murder my nigger friends. AEGIS. I call them lawless enemies of God, deserving death sentences to save the lives of their next innocent victims, Obama calls them heroes warring for the escape of the neocon traitors responsible for 911. Who are you going to believe?

2786. ID requirements for US ham operating from CNMI?

Newsgroup: rec.radio.amateur.policy
Date: 2009-03-21 01:02:15 UTC
From: Eric Smith <eric@brouhaha.com>
Message-ID: <m34oxnlmco.fsf@donnybrook.brouhaha.com>
Source record: 237944

I'm taking a trip to Saipan and other islands of the Commonwealth of Northern Mariana Islands soon. CNMI is a US insular area, similar to Puerto Rico. It is my understanding that the FCC has jurisdiction over amateur radio in CNMI, but I've been advised that I should identify as KH0/N2ES. I can't figure out why the indicator should be required. 97.119(g) requires such an indicator when transmitting under the authority of 97.107, but 97.107 applies to reciprocal operation, and states that I am not eligible to operate under any reciprocal operating authority, both because I am a U.S. Citizen, and because I hold an FCC amateur operator/primary station license. It therefore seems to me that it would violate the regulations for me to identify with an indicator claiming reciprocal operating authority.

http://www.arrl.org/FandES/field/regulations/news/part97/b.html#119
http://www.arrl.org/FandES/field/regulations/news/part97/b.html#107

Is there some other regulation that requires me to use the KH0 indicator? Or even permitting me to use it?

Eric Smith

Once upon a time, decades ago, it was mandatory to indicate that you were operating at a location other than your home/fixed station. Then the KH0 indicator would have been mandatory. Now it is simply optional and allowable. It depends on whether you want to deal with pile ups when you call CQ! If you use the KH0 indicator, you will generate lots of contacts.

Here's the part that permits it:

"(c) One or more indicators may be included with the call sign. Each indicator must be separated from the call sign by the slant mark (/) or by any suitable word that denotes the slant mark. If an indicator is self-assigned, it must be included before, after, or both before and after, the call sign. No self-assigned indicator may conflict with any other indicator specified by the FCC Rules or with any prefix assigned to another country. "

The location indicator KH0 when used to indicate that you are in that specific area does not conflict with indicators specified by FCC rules and is not a prefix assigned to any other country.

You are a Nazi.

As a Nazi, you are, above all else, a craven coward.

You are afraid to compete with others as equals because you know
you can not measure up.

You are afraid of your own inadequacy, so you want to murder your
betters.

You are afraid of the truth, so you want to murder those who would
tell it.

You are afraid of history, so you want to murder the past, to wipe
out the knowledge of the degeneracy, cowardice and failure of
National
Socialism.

Finally, you are afraid of the power of educated, informed adults.
Freedom of choice terrifies you... which is why you choose minor
children as sexual partners. You can not interact with competent

adults in a consensually sexual
way. You need to be able to impose yourself on a helpless victim, be
it a prepubescent
boy, or a patient in a mental hospital.

That is what you are, a Nazi, and there is nothing polite or
honest about it.

The way Federal Law works is that it sets the minimum guide lines for the states. If a state or some other agency (i.e. DOT or Public Utility agencies) wants to make it more stringent then its up to the Court of Appeals and Supreme Courts (state and/or federal) to rule if it meets constitutional requirements.

In some case if a person is stopped by the the police during the commission of a law violation (read this to mean both criminal and traffic) the scanner can be considered a "criminal tool" to aid in the prevention of apprehension by the authorities. However most most state laws they state within a motor vehicle it is illegal to have a scanner because they fear from loss of revenue do to the scanner cuing the driver as to a radar trap.

Face it people can bitch all they want but it will take an explicit constitutional amendment stating the possession of a scanner or other type of communication device in a motor vehicle is a right of the people to give them what want.

I am not lawyer but am a former law enforcement officer.

Personally I find the term "shemale" highly offensive since it is a word
used bu yhe porn industry. Might as well call us "shims". You can say you
are looking for F to M but you can't say M to F? Instead we are "shemales?
Then F to M must be a "hemale".

Why don't you just tell him the truth about yourself, that you got no life AT ALL and that you are that famous Usenet retard who is known to be sitting locked up in his room 24/7, year after year, doing nothing but making a complete ass of himself on the Usenet, virtually around the clock? <BG>

The Top 5 Truths About Poor Psychopathic Swine Grabmen:

the poor swine can't SLEEP anymore,
it can't FUCK anymore,
it can't get out of the house anymore,
it got NOBODY to talk to anymore,
it got no life outside Usenet AT ALL, anymore!

And the real hilarious part of it: the poor psychopathic swine keeps desperately trying to ignore that it's misery is so OBVIOUS to ANYONE!

I'm not aware of a regulation REQUIRING to use that portable
indicator, but paragraph 119(c) certainly ALLOWS it, either as KH0/
N2ES or N2ES/KH0.

It'd be interesting to know who claims it is a requirement.

When using VHF on Guam I just used my callsign. When dxing, I used
stroke KH2, just as I would stroke 4 when operating HF from Florida.
Somehow the regulations seem to make it difficult.

Here is THE answer to your questions.

You are a Nazi.

As a Nazi, you are, above all else, a craven coward.

You are afraid to compete with others as equals because you know
you can not measure up.

You are afraid of your own inadequacy, so you want to murder your
betters.

You are afraid of the truth, so you want to murder those who would
tell it.

You are afraid of history, so you want to murder the past, to wipe
out the knowledge of the degeneracy, cowardice and failure of
National
Socialism.

Finally, you are afraid of the power of educated, informed adults.
Freedom of choice terrifies you... which is why you choose minor
children as sexual partners. You can not interact with competent
adults in a consensually sexual
way. You need to be able to impose yourself on a helpless victim, be
it a prepubescent

boy, or a patient in a mental hospital.

That is what you are, a Nazi, and there is nothing polite or honest about it.

Michael

Not lovers of God, but Satanic as most certainly
deserve to be gassed as war criminals, after a

U.S. Injecting Billions Into Foreign Central Banks

refusals to support open communications for wise
men or women to speak freely. Where, or how does
a bankster "Lose" trillions?, when they covet
every last quarter penny? JPMorgan has currently
more than a trillion dollars in capital, so why pay
out as a tax payer 9.9 trillion on hopes to bolster
loans? They trade worthless derivitives, (CNBC's
"House of Cards") then pay themselves in YOUR
pension money as commissions. A sub-prime scam where
they trick a family into re-finance on the promise
of lowering payments, then bamb! double YOUR
payments to steal the house they put ZERO down for,
is a criminal fraud. But, whores of Obama hear him
state, "it is all perfectly legal", and that's all
they need to placate our screams for real Justice.

The bankers, who are ready to accept another trillion
dollars plus from giving Americans don't cover our
loans - they don't. Before the bailouts started, 99
percent of everybody stated it was dumb to bailout
bankers who's only job is to take our cash for free
as it was. George Noory, the demon who states Laden
did 911, and openly champions murdering innocent Peoples
with war crimes for stolen cash profit doesn't believe he
has a problem with staying happy with America's demise,.
American! You had better speak louder than the Coast to

'It was all perfectly legal."

No it wasn't. and besides, the private bankers
don't cover our loans. We need to work for
open communications Coast to Coast to remedy
a workable solution through factually based
dialog. Rush Limbaugh need not apply, but he
can if he wills to garner ourselves some

Ben Stein on Larry King, said something
near this in reference to bailing out
these trillion dollar frauds: 'it's called
extortion, and somebody out there needs
to insist on understanding that that means,
it's hugely illegal, but Congress has
forgotten you have some dying rights here,
but, they can still call in our forces for
Justice, if America wills it.'

Guess what? We might might be the only
peoples on Earth to realize the
significance of Mr. Stein's factually
based stance on this issue of yours.

http://georgewashington2.blogspot.com/2008/10/ratings-agencies-come-under-fire-but.html

integrity to publicly insist on Justice winning?
These trillioniares have negligently managed
to dereviate us into holding empty money bags that
contained our once great wealths. Now, after
stating they "LOST" our money, somehow thereby
that means we 'grant' them to lose Trillions MORE!
into their own private pockets, from the Public
as unaccounted for further, (CNN, CBC,
FoxNews BBC, New York Times, and the rest of
the news professionals SUCK) leaving "us" claiming

Wow. We are too dumb to continue without shame for our failures to demand some inter-national accountability. How to? George Noory doesn't have the right to play us further for death in tyranny, with his continuing refusal to allow US speak freely on the evidence that directly implicates Bush and Cheney for high treasons. For bankers that do not cover our loans. (So why pay them for nothing but a blind hope they'll lend some back at high interest?) Water? Food? "Who agrees on sodium fluoride in our drinking water - let's talk"? I WOULD ask as the NEW! Coast to Coast Radio Host.

Bush Whores of Evil are Enemies of American Freedom

http://firedoglake.com/2009/03/13/its-glenn-becks-we-surround-them-friday/

unless I disagree with you. \ \

Yet, near next breath, or the one before, he'll
tell you what all Liberals think. Or all socialists,
or... blahblah Someone should ask him what Christians
think about letting the mass murdering LIAR Bush escape
Public trial for high treason by conning teen grunts who
are now dead. The bushite 'mind control' slaves work
to divide our innocent masses, to have US falsely
believe we are not united by common cause. Justice.
The reason the NWOer, elite mouth pieces don't like US
speaking freely, isn't because they could disagree
with US in public, it's that they don't want America
to learn what a real man is that defends his family.

Chuck Norris ï¿½Ron Paul was Rightï¿½

On pot okay, but on what else? 911? the Iraq war crimes
of liar Bush? Banking? Social Security? Health Care?
Freedom? Trade? Rights? The Republic? We don't think so,
and Norris ain't talking honorably to defend our rights,
because we know, he's a total sell out dysfunctional

un-constitutional con to make the ungodly lawless
zionist enemy traitors richer as unholy thieves, just
as long as we don't make him out to be the COWARD he

Texas? The State that openly rapes children without arrests? Texas? The State that released a first degree murderer without charge, while executing men not guilty of anything, AS ALLEGED? blahblahblah.

What does Norris know of American freedom?, of liberty? Squat, for he is widely recognized as a dysfunctional illiterate who's made that claim proudly for decades. Again, Alex is 'hiding' his refusal to stand for American freedom with the facts he has apparently completely forgotten of, facts against the Neocon bushite lying nazi traitors of CRIMINALITY. Condi's plan for Afghanistan is the probable cause for the crimes of 911 going un-addressed as officially planned. Bush closed 911 investigations immediately then claimed if we tried to form our own conclusions, we would all be the terrorists for it. (Bush gave zero basis to form his therefore FALSE allegation as the for real evil incarnate Antichrist enemy of Man) Alex doesn't want American families to know this INDISPUTABLE godly truth from the actual Son of Man. For YOU to consider freely for open discussion to win every challenge we will for the defense of real liberty. Alex can't have this for US because, he'll look as weak and dumb as he TRULY is to freedom's actual call, a place where our evidence speaks for itself, as the Public empowered with Justice Willed in All.

(I called NWOer Jason and told him he should learn of the fact that the Bushmob doctored the NIE on Iraq as an act of treason to con teen grunts for death, and he instead of thinking as a free man would, hung up on me calling US all just jealous of his success! over the needless deaths of American soldiers!! - 'besides Bush is just a puppet'. A victim of Alex's very real 'mind

control' to not be a free minded Patriot, but blindly
a whore for the escape of the Neocon traitors of Satan.
Reminder: I along with several other real patriots had
this case sewn up Dec 2001 - a time where Jason was
rooted lawlessly for killing innocent Afghans. However,
at least he's almost trying.. THINK: The loosechange
crews have never, that I know of, never been even
invited on Coast to Coast for a fast ten minutes to be
quickly discarded as the most popular truthers on the

Truthers! don't let this go to your head, for it can make

Mike Rivero, from GCN stated that there were only two kinds
of people in the world: anarchists and freedom believers,
and those that want control... blahblahblah. SEE? He
knows near nothing of Freedom. Justice Mike, where order
is made collectively that thee shall not murder another
innocent other for example. Too difficult to comprehend?
I pick on him only because I've explained this to him
already, personally, very simply. He claimed agreement
at that time, but the knowledge has escaped him somehow,
what with Alex near completely leaving the 911truther
movements in the dark on purposes not yet understood by
the dying American suckers.. Is it that now at GCN openly
will sell Justice=Tyranny, for "Liberals"=are-what-you
-demon-lying-nazi-fuks? Anything to divide our wills
to escape Bush and the Neocons for the mass murder of
Americans in New York City on 911 eh?

Alex Jones would rather have every America sacrificed
as conned by his belligerence for the truly wise like
myself, than learn like every American school boy
should: a person accused of a criminal offense without
any evidence to surmise our conclusion is INNOCENT dumfuk.
Laden is innocent of setting the Thermate in the towers,
and George Noory the cheat, our enemy, the censor, is a
demon lying traitor, who on purpose, tries to mislead
EVERY listener with his betrayal to the cause of any
soldier who has ever served for a cause worth mentioning.
As dying for. So many people have been murdered and the
demon can only express his happiness for our continuing
downfalls left undefended by freedom practiced. Look out!

I want open dialog, Alex, the repug coward, the bigot, wants the tyranny of censorship to escape Bush and the Neocons for the provable crimes of 911 in New York City where thousands of Americans were murdered. MURDERED. Bush closed investigations. WHAT IS IT THAT YOU CAN'T FIGURE HERE? CNN says Ron Paul charged with earmarking for his district
http://www.youtube.com/watch?v=bbca34MS8LI&feature=related

Read the comments, and then know: Libertarians
have like near zero understanding of their own
mindlessness evil doings. How difficult is it
to spend ten minutes reading what an earmark/rider
is? It is a criminal theft is what it is. Ron
states the system is corrupt, so he's just doing
what corrupted politicians do. Thousands of
earmarks totaling billions and billions will go
completely unaccounted for, that you as a Libertarian
sucker NWOer pays for blindly. Nobody in America
is allowed to know where the money is going, unless,
you PERSONALLY go down to some hidden office in D.C.,
without recording equipment blahblahblah..
CNN has lightly covered this issue a year or
two ago. But see? Libertarians can't be bothered
to read.. Listen to "Free Talk Live" for ten
minutes, then know, they really couldn't care for
defending YOUR dying rights. Example:
NO BULLSHIT - FTL hosts last week stated that
slave laborers who manufacture to compete for
American dollars, who don't like their living
conditions, (in perhaps a military dictatorship),
can just simply quit, and move to America. Why so
dumb? Because as idiot slave ant ideologues, they
spew blindly being hypno muggers, 'governing is bad',
(traffic light techs, and murderer arresters included!?!
The truth is they actually HATE wise men, that are
greater in every way that their pathetic sell out
of Freedom and Liberty for stolen gains - they have
no true talents!)

The scariest thing about it, is that nobody even
cares enough at GCN to phone in and call them
qwackers! No, like OPENLY fascist ENEMY George

Noory, near an endless stream on how bright to
fellow anarchists they pronounce to be, as being,

we'll all have to look out for that,
considering Ron thinks teen grunts are
dying in Iraq as a police action, not
to rob and kill America for war crimes,
escaping the Neocon. AND, Ron of course
does not support arresting Bush for

let the inspectors in.. Ooops, that's

recently said some derogatory words against
the equality of Women's rights if you can believe

who ordered not only the killing of Americans
for the criminal Neocon plan of plunder through
the mindless grunts of the military, who
lied daily about Iraq's wmds, but also, was
the sole person responsible for ordering seven
million land mines to be dropped on Jews in
Lebanon. 1441. When has Alex in his entire carreer
expressed interest in defending Palestinians

Repuggers and Dems alike as Proxies for Satanic
godless war crimer Israeli? Is it because it
isn't popular to defend an innocent other in
Guns for brains Texas where rapists walk free
and innocent men are put to death without a
whisper of concern from the Chuck Norris' of
that world? Alex actually stated that the sound
of the bullets going into the backs of those
two innocent Americans was 'the sound of
Liberty'. Or, in other words, has Alex
supported arresting all AIPAC members as
accsessories to mass murder and blatant
treasons against the good old red white and
blue? Of course not, but demands he is US
fairly.. how so bro?

Now, are YOU still going to refuse to demand the

kill Americans for evil stupidity through the tyranny of

censorship, and instead, allow open communications
where John can host for dialog? Again, GCNLive will,
as largely bigots, will mimic daily what ALL "liberals",

being derogatory to divide our innocent masses, OUR
WILLS, to start arrests with the traitors Bush and
Cheney - for PROVABLE crimes such as MASS MURDER on
911 by simply closing outstanding investigations.
The NWOers are the 'unstoppable' NWO, who they claim,
we can not bring formal warrants against ourselves.
The Iraq war is a needless war crime of dead
people that has no need to be, (why bomb
where you can go anywhere without delay)
a crime that all GCN hosts currently will forbid
communicating such knowledge to defend the
lives of sacrificing teen grunts. Why does not
America demand Coast to Coast allow the evidence
of 911 being ACTUALLY orchestrated from Condi's
office with her pre-invasion of Afghanistan plan for
Enron, (as so reported by MSNBC.) be openly aired
for grievance? Who's freedom does the NWOers defend
by blaming without needs for forming probable cause?
People who blame other INNOCENT people with labels
concocted from the broken minds of bigots? Again,
the bartender from the "CFR", isn't guilty like Condi
from the "CFR".

Wake up people, we are under attack by those
who refuse US Justice to win Freedom for anyone.

Who cares in America? All the bushwhores like
Alex Jones love George Noory for forbidding open
communications in America, while championing wars

against US as innocent folks all to further escape the TRAITOR neocon LIAR war mongers for the crimes of mass murder on 911. George Noory HATES America to have Justice where a man like me could explain the errors of a bushite's lawless ways in seconds, and America can not be granted such wisdom to be freely expressed where the good guys win. Sadist Ron Paul wants to gut social programs blindly as a corporate fascist, while claiming 911 was committed by bin Laden - and, shockingly, (when you consider the evidence available) that the Iraq war crimes of rape, torture and mass murder, are actually an American police action to defend God's world - and Alex has ZERO problems with those demon lies, and won't let ANYONE express the facts on such History. To think that Alex insists he and Ron Paul leads our "freedom" movement! Alex wants to gun down innocent men in America as boasted, and RON WANTS TO GO A GOLD STANDARD, BUT DOESN"T WANT TO RECOVER THE STOLEN TRILLIONS. Who can afford this continuing deliberate ignorance of Alex Jones and the bushwhores, still asking for our dwindling money to fight for anything but Justice? Who? How much will it cost America to donate to Alex Jones to afford US the public knowledge that the Iraq war is a war crime? Or that we have video of iron flowing like water from the towers? How much?

Bushwhoring Enemies of the American Police

Alex Jones stated today the reason why Ron

he needs to play politics. Yes, he like Alex the
censor of Truth, does not have the intellectual
skills to ACTUALLY defend his silence of a
grunts lawless position. 1441. American grunts
in Iraq are dying for the escape of the Neocons,
as NOT police officers trying to "police the

Laden is the target for the crimes of 911. And
Alex Jones, who we know knows better, refuses to

told US he sides for a Con because he doesn't
want America to openly communicate the facts

Wizards of Money

This stuff is excellent! They are playing
the odds exactly like the bookies do. It
is actually illegal to do that now when I
think of it.. ! We'll need to discuss this
internationally to gain a better focus.

Your Car Has Been Repo'ed

The derivatives recordings sound fascinating.
I know the banksters don't cover our loans, fraud
from the get go, but these available estimates
going as high as into the tens of quadrillions
are a mathematical impossibility. But for the
the 'value' of something speculated with
OUR assets as truly worthless to be an "investment
vehicle" for our futures. (Like Hedge Funders.) The
"toxic assets" are the crime scene evidence of
monster fraud, where for the sales of paper
arbitrarily determined to be worth zillions,
they took the real deposits as commissions in
the trillions, just like a bookie does but
usually far more fairer. At least that is how
I see it with my limited knowledge on this one
particular scam of the Capitalist Free Market
System of Lawless Corruption Due a Failure in
Real Leadership. - worthless pieces of paper
America has paid trillions already as dahh..
LuCkY WinNaaAhhs. Do you People even know what
a Hedge Fund is? They hedge US out of the Markets
by nickel and dooming everything to undermine the
Market in it's entirety. And, some of these
people have "earned" as much as a trillion
dollars personally in the span of a short few

years under repuglicon misrule. Geniuses? Hardly.
What every Bookie does as a felony warranting
unjustly Life probably. They trade bets,
and take their cuts, paying themselves with the
money the private Investment banks hold, leaving
derivatives as balanced collateral, BUT, a
derivative can have no actual value. It can be
just the rules on how the cash will be divvied on
this next go-around with the suckered. As according
too, to a 60 Minutes spot on this very specific
issue. Now, the bushmob with Obama, CNN, FoxNews
and some of MSNBC have been issuing the blind
acceptance, that buying these "toxic assets" was
a better investment, than publicly challenging
ourselves on where all the actual money went? and
for wHaT?? Manufacturing has been purposefully
outsourced by the Bushmob as treasonous SABOTAGE,
while now, to make up for a small percentage of
the massive job losses, they, to FOOL YOU, include
those who flip burgers as the new Manufacturing Jobs
created to make the numBerts look not so bad - but
for Christ's sake, who even cares enough to demand
CNN to count our Lives as worthy an Ernie or Bert?
..besides, the Private Investment Fraudsters told
US already. Bonuses paid by Public Welfare in
the trillions to actual billionaires, with one CEO
bragging all he needed to do was fudge his books,
and he then immediately qualified himself for 272
million! IS FOR REAL. It was in the Washington
Post. No, nobody was arrested, yet, in fact, I
wouldn't doubt he's going to try for a second
Public Cash infusion to bolster his 'credit' that
you can't/don't/won't know: the magical Banksters
never even cover our loans YOU left for robbed
dead victims - So, needless to say, these new
Inter-National Trillioniares, that expect Ourselves
to pay them back for minimum fifty summed generations,
have been going on one hell of a shindig binge
of excessive excesses, but what about the continuing
"CRISIS" of PUBLIC Banking left undefended by
looting? Giving the banksters any public money is
totally crazy when we think aloud, but more?? is a
recognized crime in progress. Giving public money
to banksters to do what THEY will with our
investment is nuts okay? - even if they lent it
back, of which they have formally refused, but even
if they did, it would still be nuts because where
is the public's interest being defended where they
pocket privately by defrauding near all at 99
percent there also? It's like you EARNING a thousand

dollars, to then be told by the banker, he's
going to charge you a thousand dollars plus interest
for cashing YOUR check at the only bank available
for fifty miles. (Your car has been repo'ed.) Answers:
The depositor should be recognized as the shareholder
- and there should be no private interests existing
to take in between our exchanges for goods and
services. Banks need to be separate from the Casino
frauds which comprise much of what the Market is
today., and a tax for every buy and sell needs to
be re-introduced. Obama, and the Repugs want US to
religiously accept the broke Banker Buildings rule
our Reality by giving of ourselves blindly in huge
error. We can work it out. Ego must be chucked
- facts are facts - and Justice is measured as
Freedom is cherished. In other words: No evidence?
Person innocent. I rulez.

Again, understand: these "American" soldiers
are still being recognized as heroes. American
"Heroes" in the Mansions of Florida going un-arrested
for raping, and/or torturing INNOCENT PEOPLE TO DEATH.
Erstwhile committed criminally, to assist in the
'escape' of the neocon traitors for the crimes of
massive banker fraud, 911 and Iraq. Bush personally
worked to close FBI 911 investigations, immediately
after the terror attack occurred. Criminal. Torture is
still illegal if you didn't know so as an American
victim silenced by Coast to Coast censorship on your
personal value system being sacrificed. Pick up a
phone to champion wide open communications - Justice
for All is Freedom won. Speak for US demanding
international 911 arrests of those directly
responsible for mass murder in New York City.
Starting with Bush and Cheney for obstruction,
and any other that would stand against the
True American Patriot. Justice for 911.

Autism & Vaccines: U.S. Court of Claims
http://www.nvic.org//vaccines-and-diseases/Autism/courtclaims.aspx

The PROVEN fact here is that, without DOUBT,
Mercury causes brain damage one hundred percent
of the time. NO DEBATE. But Alex's NWO will blame
anyone but themselves for this communications
failure. NOT DEMANDING arrests against those in
government LIKE BUSH, who have consciously allowed
this massive criminal assault against all children,
continuing against our better judgments. Realize:
Alex Jones actually believes George Noory is anything
but a willing traitor who boosts in tale, propaganda
lies of death through terror to sacrifice American
GI Teens, all for the escape of the 911 perpetrators.
So again, I ask all to question, what is Alex's point
in not mentioning the crimes of the Bush Administration?
The Courts are being told to rule on whether a proven
connection can be found from vaccines to Autism, where
OUR Court should instead be ruling, mercury is a neural
toxic heavy metal causing irreparable brain damage.

Alex Jones is a Fraud

/ / A bank that received $1.6 billion in bailout
money just spent a fortune last week in L.A. hosting
a series of lavish parties and concerts with famous
singers ... \ \ While CNN with George Noory can be
only happy here watching America robbed and left for
more dying victims? Yup. Who cares? Alex doesn't for,
George Noory is a 'good guy', and what ever you do,
never encourage the truthers to organize for public
debate against the evil enemy forces of the Satanic
LIAR Coast to Coast radio programmingers. Why, because
Alex Jones THE LIAR, would lose, and Americans would win.
Again, never forget, it IS Alex and George who silence
those who truly speak for Justice in America. "Bush is a
puppet" is the call of a hypno mugger, who cowardly,
refuses to fight against those who PROVABLY commit lawless
acts of murder in America. Not a Jewish conspiracy, you
demon fuks who deny George Walker Bush. Alex Jones stated
today as a demon enemy of GOD, that the bible states
the AntiChrist will appear posing not as Bush. I again,
demand Alex PROVE his NWO FRAUD against the Son of Man.
I want free communications to face any or all who

He's a bushwhore. A soul who refuses others to actually

not about Justice. Bush closed 911 investigations. He'll
go on and on about the new bank of banks their selling
against "all" as a diversion to understand, the
international private bankers have stolen trillions as
of late, and believe Alex and George ain't gonna let

Americans know: The banker does NOT cover our loans, and
even if they did, WHICH THEY DON"T, why give them our
own money to only hope that they will lend a small
back to ourselves at high interest? The derivatives are
crucial in understanding what is going on here, and Alex
is stuck in his bullshit, nwo crap, blinding him from
understanding how the scams went down. A derivative has
no real value, unlike ARGUABLY, everything else comprised
of 'free market' highjinx. It's like me selling you a
piece of paper with nothing special written on it, for
ten billion dollars. NOW; why would you do that? Because
the American suckers are on the hook for the loses because
Alex doesn't want smart people to speak. Steve Quail is
as real a demon enemy of God and man than anyone. "He talks
directly to God", and 'knows' consciousness can be
imprisoned into Military Intel. Comps., but doesn't know
Laden as falsely accused - delusional enemy of rational
thought denying, like Alex Jones, Justice and Truth.

What's The Point Alex?

Hey! Alex Jones said today Bush isn't guilty of nothing,
but boy, Obama is bad he'll tell you never mentioning
the FACT Bush LIED US into the Iraq war as a war crime. 1441.
Won't allow it. Why? He is a bushwhore, a believer in Bush,
the Antichrist enemy of Humanity who told US if we tried to
form our own conclusion, we would all be terrorists. NO JOKE.
Bush, the most evil man of all History, Alex claims is
guilty of nothing. Example: Bush, is his first days,
STOLE 50 billion dollars. How can Bush (the banker family
tied to Hitler) be above all the laws of the Universe
someone ask Alex. You know, Alex will hang up on any man
or woman who states in question, as he did with Peggy,
a once loyal listener, why he refuses to acknowledge the
evidence of Ron Paul being cheated through a fixed
election. Attempting as a demon, to demonize whomever
phones with such truths - like Ahmad, or Condi's 911 plan
for Enron. Alex Jones is openly a bigot, and a man who
has OPENLY confessed the willingness to murder INNOCENT
Americans - before allowing Justice to rule for the
defense of every American. I want open debate, he wants
censorship, so he can continue to masturbate to the
continuing deaths of innocent Americans. Laughing with
DEMON George Noory who claims Laden did 911, Hamas broke
the truce, and Iran is a holocaust denier. Enron. Has
Alex even ever mentioned it as motive for invasion of
Afghanistan? Never. Has Alex ever stated the Taliban

were simply asking for evidence to form anyone's
conclusion on who was PERSONALLY responsible for 911?
NEVER. THINK here. Even after me sending him email
after email for years. Alex states all who criticize him,
are delusional, because he warns people of poisons fed
the masses. So therefore, every last word I state about
Alex Jones undermining our wanting for real Justice is
correct without argument - As according to ALEX, he is
delusional. Wow eh? Alex is a stupid bigot as a matter
of fact. He'll tell you we gotta get past the left right
thing, (trying to steal my thunder - where i give to all
freely) yet, near next breath, or the one before, he'll
tell you what all Liberals think. Or all socialists,
or... blahblah Someone should ask him what Christians
think about letting the mass murdering LIAR Bush escape
Public trial for high treason by conning teen grunts who
are now dead. Bush PERSONALLY closed 911 investigations
immediately after all. Again, NEVER mentioned by Alex
as important to our struggle to arrest, try, and execute
those responsible for mass murder in Johnny's America.
An America were every Human life is worthy our protections.
Where Alex Jones is NO GREATER than anyone of US. He is in
a popularity contest, while I couldn't give a rats ass
what rupuglicon, or demoncrates think about my wise words
on God and Justice. Great entertainers I am not blindly
enamored with, nor do I believe FALSELY, demon Bush, the
Antichrist, is above and beyond all laws of our Humanity.
If 99.9 percent of godless Americans disagree with me on
God's will to have all neocons with the Bush Administration
arrested immediately for public trial for high treasons,
to hell with them all as they lose their rights rightly.
For, they are not our friends who willingly murder OUR
Humanity for stolen private Banker gains. Alex, a bushwhore,
a censor, wrongly believes Bush is guilty of nothing. A
bushwhore of the antiChrist he is. I mean come on, he
claims all those folks who followed truth mentioned in
the Bible were murdered. How stupid is that????? From
what I recall there was a misunderstanding, and well, that's
about it. How many American "Christians" actually believe a
man of God actually walks this world? How many? Being Gay
is okay with me. I'm not Gay, but still to each his or
her own, as long as your not infringing on the rights of
another to do what ever they choose. I love all children
too much. Real Freedom. GCN advertised HATE for Gay folks,
then at the website, murder - and the station sees still,
no problem with dividing our innocent masses on desperate
attempts to escape the neocons from Justice. That's the REAL
reason Alex states a derision for Liberals. Note: "Liberals"
in Canada are a right wing party that disbanded the RCMP
corporate crime division as perfect example, and! sent a

Soldier to prison for refusing criminal orders. Never allowed by Alex, for his gold dealing boss has a son killing innocent Peoples for Neoconned cash in Iraq today. ALEX WANTS TO CENSOR US ALONG WITH THE ENTIRE BIBLE NOW WHILE MASTURBATING HOW HE IS NEVER WRONG? In his dreams maybe, but not our shared suffering reality. By the way, has Alex ever written for Justice? and why not?, considering he is so greater than all others who haven't been invited on his show he stupidly said two or three days ago, me, and everybody else here globally? Truly delusional he is for not being truthful. Be a man Alex and face me in open debate to defend YOUR idiocy, he won't because HE KNOWS, Americans would win, and we would look the fool as loser. Too cowardly to defend America he is, because he doesn't have the virtue for it, and refuses to hold respect for men like me hugely wiser than himself he works to keep all down for death.

Bush and Cheney are traitors to the cause of American Liberty. To leave them free, is to leave America un-guarded from further transgression.

Patriotic American Navy Vet is tortured by bushite nazi grunts http://killfile.newsvine.com/_news/2006/12/21/491153-white-american-navy-vet-is-illegally-detained-tortured-and-tried-by-us-government?last=1166730840#last_4

Again, Reagan warrants death to all who torture, and a deep hatred for all ungodly in America who support it. Why? Because the vast American public (especially FoxNews treasonous LYING enemies of The People) DO NOT have the intellectual skill to understand what freedom is. Justice. Look at me! they can't seem to talk for Christ's interests, that smart ass know it all, where he thinks he's so ingenious where no one on Earth can find fault with his indisputable simple logic we share EQUALLY. (Bankers don't cover our loans for example) Kill my kids, my spouse, myself, before allowing John to speak openly in the public on Coast to Coast for open debate, all of Americans say in silence censored. Why does America continue to die this way? Because bushites are truly as they claim, stupidly ignorant as treasonous cowards, or as prosecutable criminals, evil people who only want in this world to rob or murder People indiscriminately as enemies to Justice, enemies to GOD, a Criminal. NOT A JEW you fuks! George Noory will tell you freely all about his hatred for our Humanity, he does it near everyday, though People don't have the ears to hear, or the care. Too scummy. That remember! get American GIs murdered by the score with NO REASON AS FOR. Example: why bomb more than a million innocent souls indiscriminately in Iraq, if you have complete unrestricted access to go where ever you will?

And, that Bush, Cheney, Condi and such, knew from day one,
Saddam had all the WMD destroyed as documented fully, as
did I. Documents that BUSH personally stole if you recall
not listening to Alex Jones, Foxnews, CNN, or the CBC.
err. maybe it was Bolton - s-t-o-l-e-n -.
Likely, as a likewise deeply ignorant person, you know
little of Life as principled for individual freedom, and
couldn't care less what this boundless Universe offers
all in reflection, instead, it all about what's in it
for you as a lying cheating thief to this mystery right?
Wanna be a lawless mercenary to murder innocent people
dreaming of becoming a private investment banker, who
never earns a dollar in their entire careers, taking
trillions undefended from Humanity just to see US
suffer to deaths for our continued silence. All you have
to do is raise your phone to demand justice in our times.
All Neocons must be arrested for public trial, along
with near every last member of the Bush Administration.
PUBLIC TRIAL. And Soldiers must learn quick a commander
who doesn't support getting those responsible by following
the crimes scene leads, is a commander deserving of an
immediate firing. Otherwise, what use is the grunt
good for eh?

Again, Ron Paul like near all Libertarians, does not
acknowledge the wanting of Justice for the high crimes
of Banker fraud, Iraq, or 911! He took the "Truther"
money, but refused to support the arrest of Bush for
treasons times 50. Social Security he wants to gut
like Health Care as a sadist who knows near nothing
on how such systems currently operate. Again, he
does not speak of recouping the STOLEN 1000s of
billions from America, or the lives. STOLEN. What
is it that you can't figure here? Fuk ego, FACTS.
We are all effected by suggestion, this is why,
since the dawn of time, evidence has been the
prerequisite to convince ourselves of anything.
Alex's cartoon storyboard, is truly, as measured,
Alex masturbating with our precious times. Think:
Alex doesn't ask Americans why they don't support
the arrest of Bush for high treason because a world
where all are treated equitably is beyond his
understanding as a bigot. He could change, but he
is 'light years ahead of the Public'.. but of what?
All you need do, is every time Alex says "they",
ask yourself, WHO? - then know: the bartender at
"Bilderberg", isn't as FOR SURE guilty of crimes as
Condi from "Builderberg" is. The 911 plan came from
her very desk according to MSNBC, never mentioned by
Alex Jones. Why? You have to be near genius like

me to explain it COMPLETELY without even seeing it.
NOT MAGIC, more like meditation through understanding
our universe is ruled by good ideas. Alex is a man,
a Good man mostly, with some fears countered with
an irrational aggression (not thought through) that
found him blindly supporting the murder of two
innocent men. Not freedom. while I, am of God. An
actual god. The Son of Man as a matter of fact.
I want to tell you how great Life could be, but i
see so very little of words present to survive the
lawless corporate state. I AGAIN, will ask YOU to
forward this post to two People, but will YOU??
Torture is outlawed by warranting Death under Reagan,
and.. it's like the best way to resolve a FoxNews
'excuse' given to illiterate nazi grunts to abuse
ourselves as innocent others. Tell me I'm wrong.
. . KBR rapes American women, or murders them,
and needs to be hunted down by All American military
forces for it, as trialled to death. Including all
commanders of the Air Forces responsible for bombing
our families without causes. And lastly, any that
discourage our grunts from not supporting the arrests
of those that actually did US wrong. Get to it.

DEBATE OVER

/ / Late last week, a federal court ruled that there was no link between childhood vaccines and Autism. But the legal conclusion is not enough to erase many parents' concerns and the debate continues. \ \ Mercury causes brain damage as a neural-toxic heavy metal. Love God why don't you? Alex near always calls his critics jealous, so, are you jealous? Would you rather see every American child murdered, or suffer toxic poisoning, before acknowledging we are without challenge, the greatest minds of our time? Hurt you does it? Can't find a single argument against my demand for Justice, but dying instead, claim my call for freedom practiced is to good is to be true in your dying dummy world censored? It IS George Noory that denies you the respect a person who craves Justice for all 911 victims. Cartoonish Alex Jones, the bigot, sucks.

Alex Jones, "Liberals don't like Bush."for mass murdering Humanity as never elected demon enemy of God he means?

He tries to divide the freedom movement away from Justice for ourselves.

Question for Alex Jones NWOers, wouldn't God, if we existed, wouldn't God, push for a one world government where all are treated fairly through Justice practiced? Yes or no?

America! I am King Johnny.. I am from the Planet Earth, I've come to share the knowledge of Justice in our times on behalf of this, Our Future Great Triumph over Evil.

/ / At 8:51, the flight [175] deviated from its assigned altitude [31,000 feet - therefore cell phones impossible], and a minute later New York air traffic controllers began repeatedly and unsuccessfully trying to contact it."

And one minute later at 8.52, Lee Hanson receives a call from his son Peter. \ \

Couldn't have happened, as is why, these phony "FBI" bushmobsters stole the recordings and don't want the still dying victims to know the truth of the Neocon traitors to God and Justice. Cell phones are not capable of paralaxing above likely a couple thousand. Someone on Earth would likely know the near exact scientifically measured distance as nothing greater than a couple thousand, for why the need to put towers all over our fair cities then? 31,000 feet is a distance of miles! Hint: 5,280 feet in a mile. 5.871212 miles in fact. Drive out 5 miles from your nearest cell phone tower, oh yeah, and don't forget to bring a elevator like aluminum box to stand in, moving 500 miles an hour, then ask yourself, how dumb does a Repuglicon or Obamanaut take US for as silenced to the tyranny of mass murder in my America?

TED SAID SHE DIDN'T HAVE HER PURSE
http://911review.org/Sept11Wiki/Olsen,Ted.shtml

/ / Ted supposedly told CNN that she called him collect. However; once a credit card is swiped, you can begin using the phone to make calls. So, no collect call would have been made. \ \ The allegation also has been debunked by reported to be, Airline officials who stated no public phones were even available on 177. That seems near too far fetched, BUT!, GTE Airphone reports DO SAY - zero call assists were made on flight 177. ZERO. So, how then does she make a collect call then, and why if as claimed, Ted and Barbara were madly in love, would she not know her hubby's personal number?

Remember, Ted was the coke pusher's lawyer in the Contra case, of which Ted, was also assistant secretary to the Solicitor under Reagan. The Contra group if you recall were/are pushing crack cocaine into major cities for plans to undermine the American government for illegal wars against peaceful civilized life as stolen profit. YOURS.

FBI SAYS TED OLSON LIED OR WAS DUPED. NO 9/11 PHONE CALLS
http://www.youtube.com/watch?v=v78ibOa4PDE

The Olson story would make for good horror if it just wasn't so horrific. EVEN I'M SPOOKED. Olson tells of a elaborate drama

where he learns, she without her pursed
cell-phone, has to call through the phone
records of the Justice Department. How did
he forget that fact when first pronouncing
of how she had phoned him from a cell-phone,
or, then from an airliner that didn't have
phones in the cheap seats, nor tear-gassed
upper-classes? The trouble here is that
a small cadre of bushmobsters keep hiding
the evidence on CNN, FoxNews and George Noory
implicating themselves at the crime scene,
as illegitimate "intelligent officers" -
we WANT to know our media voices the voices
of those who support defending ourselves from

"7/7 Ripple Effect" to judge and jury members
http://truthaction.org/forum/viewtopic.php?t=4999

/ / Anthony John Hill, originally from Sheffield,
was arrested on Carrig Street in Kells this morning
on foot of a warrant issued by the authorities in
Britain.

It is alleged he sent DVDs entitled "7/7 Ripple
Effect" to the jury, the judge and members of the
victims' families. \ \

All of Great Britain joins US in demanding
the "Judge" to face trial for death sentence.
Peter Power "did" the 7/7 bombings. Ask

Report Of ï¿½People Planting Bombsï¿½ on 9/11
http://www.prisonplanet.com/report-of-people-planting-bombs-on-911.html

Why isn't Happy George Norry, Our Enemy, covering
this everyday as an important subject to defend
American life he holds truly in contempt?
Again, Alex Jones leaves every American to die
victim to his NWO, before he will acknowledge
TRUE evil in our world. George Noory, the evilest
ACTUAL Enemy of History, Alex claims is a good
guy for never allowing open discussion on 911,
Afghanistan, Iraq, and so on, without selling
his Zionist hate for our Humanity.
allowing the notion that he, and
his likewise cult, might just have something to
learn about evidence being a REQUIREMENT to prove
someone's guilt or innocence. His godless commitment
is to escape Bush, and his zionist media controllers
with excuses that don't hold water in any Court of
Thee. Alex refuses to allow Americans to know why
the Constitutional protections are there to defend
yourself, because if you did, you'd demand the
arrest of Bush for treason, and call Ron Paul a
sell out loser who pocketed the millions conned for
being Alex's loyal fans. Alex doesn't like this Truth

because he's gotta be leading Earth's "Truthers"
at the pinnacle of his spear as a liar, where all
of History, is one badly drawn Alex Jones cartoon.

I must be on crazy pills
http://www.uruknet.de/?p=m51615&hd=&size=1&l=e

/ / Well, why haven't the banks just returned
the money?... \ \

People who know they defeat all "Conservatives"
in seconds with indisputable simple logic, will
eventually rule the Universe, if CNN, CBC, and
Alex Jones allow open communications on what is
understood by all as high acts of treason openly
committed without a defense of smart people
explaining why/how we are being rooked as idiots
on purpose. Crazy man, crazy.

Oh, logic like, "Buying in bulk is cheaper."

"Army deserter deported from Canada, now in U.S. jail"

This is a for real war crime. Why? there was/is
no cause for the Iraq war. Truly. Example: why
bomb if you can go anywhere without delay? To
only murder innocent People INCLUDING SOLDIERS
to thieve from ourselves as war criminals is what
any rational person comes to understand. When you
destroy bushite grunts who war God for rape, torture,
and enslavement of our species, you save the
innocent lives of their next victims. To hunt
the godless bushite enemy, is to love Justice
as our glorious Humanity winning over the lawless
nazi grunts of the Third Infantry - who'll shoot
anybody, blindly as cowards, led by a Saudi, Buford
Blount. Their "leader" who left Iraqi's largest
weapons depot undefended for looting. Qaqaa. Killed
many a bushite nazi grunting lawless coward by his own
treasonous brand. And mumbling bushite nazi grunts have
what to say about American teens made valueless
victims for Neocon bounties? "whore yay" That's
about it..

Who does Obama think we are as 'United' together

Wake up people, we are under attack by those
who refuse US Justice to win Freedom for
anyone. "Conservative" retards are completely
lost here, because they do not have the
intellectual skills necessary to understand:
a person accused of a criminal offense without
any evidence is innocent. Or, how about, No one

crimes left then unresolved for actual
retribution. [Aegis OPENLY murders innocent

Following the crime scene leads of 911 to nab

cheaters. We are Brilliant, of that much I am

Obama Accused of Blackmail over Terror Trial Evidence
http://atheonews.blogspot.com/2009/02/us-accused-of-blackmail-over-terror.html

Again, Obama is taking a position to torture innocent
people here as a traitor to Just cause. Just cause to
live in a free society. Torture warrants the death
penalty under American STANDING Law.

Video: Cop Punches Woman In Face Four Times During Arrest For Riding A
Bike
http://www.liveleak.com/view?i=99c_1233639102

Top Cop Johnny Judge rules: Five years in prison.
Maybe fifteen if the dumfuk grunt, back from the
war against Iraqi children as a traitor to American
values, shows no remorse for his crimes against an
American women either. Absolutely any cop or soldier
who disagrees as true contempt for our freedoms with
punishment against this nazi trash pirating our
police uniform, WILL WARRANT death sentences all
around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives
of our endangered offspring. Again, without water
or food, Iraqi children are murdered by Neoconner
grunts irrationally everyday with nothing to say,
aka, without reason but as Satanic Bush whores, to
make our God as Humanity suffer further for their
escapes as actually selling freely, lawless zionist
savagery.

will murder innocent folks like your Self to steal
our common values. Wouldn't you glory in seeing
these savage grunts who on video, indiscriminately
shoot innocent families, or bomb a city entirely,
executed by Christian Patriot firing squads? or
televised to fry in the electric chair for these
documented war crimes? I sure would. It would make
our world a much safer place to raise a family
secure in knowing, bushite grunts as enemies of
everyone, were hunted to extinction for their
crimes against our Humanity. Hunted by Johnny Law,
the True Spirit of America.

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be
an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men. dying.

tried, then executed in America to defend American
children? Unlikely, because it isn't as important
as how fat Oprah is today, or as Alex Jones the
bigot would say, on how daily, the hidden NWO elites
are responsible for every criminal action against
Liberty in America, not war crime dictating LIAR
Bush who told US Saddam wouldn't let the inspectors

closed Police investigations on 911 for Enron, KBR,

truly dumber than stupid. Why? because he is controlled
through his personal weakness of bigotry, to actually
believe foolish things as factual. Examples are
truly endless when we discuss Alex Jones'
dumminess, but here is one example. Alex states
911 truthers were attacked in a TV show as NWO mind
control- but, the "truther" he referred to
talked in the drama on there being NO PLANES!
A dis-info bushite stooge if ever was one depicted
with special effects. We suffer with his bullshit
every day, knowing if we tried to phone, would
not be granted a minute because I, in support
of Freedom for America, make all bigots look truly
dumb as fascists lashing out at nothingness to

divide our masses. And apparently, he can't have
America becoming greater for defending ourselves
fairly through Judicial actions. Yet.

Obama set to allow Bush-era ï¿½torture flightsï¿½
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/articleshow

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember
corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change

this for our Humanity in this future, to look back,
and know, American males were men of the World, who
stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&
scoring=d&

Huh? "at last been disarmed..." ? How does he figure?
The equation hasn't changed. Example: The same
unaccounted anthrax, (that was disintegrated into ash),
still is not able to be measured as completely accounted
for, (never could be), but this bushwhoring war crime
apologist, tells US, it was only though the lawless
murder of our good friends and family for countless
generations, that he now attests without reason, or
evidence, to find Iraq in "fact" disarmed of it's still
nowhere to be found, weapons of mass destruction. (An
irrational reason he pronounced previous in corporately
broacasted public support of instigating heinous war
crimes against our humanity under the leadership skills
of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron.
And, the Iraq war is a war crime. But Ron, the
Fascist, doesn't want THESE FACTS uttered. Why?
Because wiser men would prevail, wiser men like
me who understand buying in bulk is cheaper. Those
like Christ who understand, who KNOW, the banker
doesn't cover our loans - so why give them as much
as a taxed red penny?, let alone trillions as
officially unaccounted for? They are stealing the
cash Ron. Ask yourself: Why has Alex Jones
forbidden his bushwhore cult from understanding
Bush doctored the NIE?, or of iron flowing like
water from the towers? Because wiser men would
prevail and he can't have that. He called shooting
innocent men in the back, an act of liberty. I,
an actual god, unlike Alex, lie near never, but
maybe to myself when I'm lonely. Alex yes will

tell you rapists are free to do what they will
in Texas to American children, un-arrested, but
he won't mention it when the police chief is with
him on air, talking about how he'd like to be
exempt from traffic tickets for being so popular.
NO MENTION of the rapists walking away without
arrests made, no mention of Bush's documented
treasons on 911. Where are Alex's priorities?
In selling YOU out so he can be wealthy like a
bankster?, and have special rights over everyone
else that drives drunk, or speeds? a big hero
standing over our dead soldiers yelling, I told
you so, I told you so, I was right, I was right.
Again, understand: It is not by my will to deny
open debate with America, it is Alex, and his
demon buddy George Noory that denies out Humanity
this right. And when people try, like Peggy, or
Black men on Jewry, Alex lies cheats and steals
our wills for further thefts. Ron Paul's family has
millions taken from loyal Alex Jones fans. MILLIONS!
Does Ron do commercials with that money highlighting
the bushmob's plan to invade Afghanistan, dated two
days prior to 911 for Enron? Of course not, wiser men
would prevail to expose him as the charlatan charity
raider he is regarding Health Care, Social Security,
Public Schooling, earmarks.. It is unfair to measure
Ron against corporate nazi zionist whores of MSNBC who
willing, openly, kill American teen soldiers for
criminal neocon gains, as an honorable gentleman's
talk. Half honest People like Ron are extremely ignorant
on the workings of our world. EXTREMELY. I joke here not.
Evil is the deceived disguised - translated - evil
people are always dumb.

Corporate America says no, Charlie Manson was a genius,
but not, that most Americans are prone too easily to
suggestive states where they can be made to believe
anything blindly. Think: what does, "bin Laden did 911"
mean anyway? You should know of what I'm trying
to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study
required!! LIBERTARIAN HELL! Everything is not on
the Internet, where it near should be, but regardless,
a Libertarian can't be bothered to read anyway.

It's YOUR life. It's God's

debates to get these Neoconners behind bars

The demon LIAR zionist Israeli is a godless enemy of Humanity, much like everyone at Foxnews, CNN, BBC, and the CBC. Our revolution against the godless bushite shills, will not allow our revolution through speaking honestly, (to become of ourselves something greater), a chance to be televised for our benefits. Bush closed criminal investigations immediately after 911. According to the FBI and Senator Daschle. CNN says you have no power, Foxnews says you have no power, the BBC says you have no power, the CBC, the same, like Alex Jones NWOers... but well, don't believe it. YOU Do have the Power.

We must demand open communications to bring back values WE ALL would agree to through polite debate. "Conservatives" don't want this Freedom idea expressed in general terms because, a "conservative" is universally, minimally. a bigot. Why? Life isn't like, their way, - then- all other opinion under the sun on how things actually get done. (Aka "socialist" traffic light repair men, or "liberals" who want to treat The People fairly). Or who we are as equals to our laws fairly practiced. Pay attention to what I am saying here. Liberals can be Dicks with a capital D too of course. But a Hannity couldn't survive 2 minutes with me speaking on his very real treasonous behavior in OUR public arenas. Behavior done to escape the 911 culprits from the long arm of the Law, with his conscious will of criminal deceit exposed, we all learn to better defend ourselves. And Shawn Hannity can't have that for ourselves, he takes too much money from ourselves as talentless by keeping US in the dark dying needlessly for traitors never elected publicly.

Why is it that numerous visits don't change the view count? What is this business of a=a+1, the top secret, I'll go rhythm, that is way beyond our comprehension in it's scientific complexity? For Americans, okay, but the Human species just isn't this dumb.

While Zionists OFFICIALLY target Christian school girls for mass murder, CNN instead reports that bushite grunts attacked girls in Afghanistan, posing as Taliban. I WILL every celeb at CNN to be arrested, tried and executed for the reporting they have done today without facts. Remember: the Taliban played no

part on escaping those responsible for 911, and opened schools for girls, and were brought together on the single purpose to defend women. Death to CNN reporters to LIE for killing OUR school girls. I HATE zionist enemies of Humanity and God I am.

Is America a nation of Law to Live freedom?
Because this SPECIFIC deviant action of Obama warrants the death sentence under Reagan's "War Crimes Act". SPECIFICALLY. Or, is it you falsely believe Obama can do no wrong against innocent people here, where an illiterate nazi grunt, maybe from South Africa, will kidnap YOUR children, and torture them to death for sadistic pleasure, with as they did using power tools caught in Iraq, according to Iraqi government official(s), and several soldiers from Oregon, all because Obama has given an ILLEGAL! "excuse" to NOT support following the crime scene leads at our REAL murder scenes? Again, death to the bushite dumfuk enemy of God, death to the enemies of a freeing Humanity striving for a just society. Obama needs to be arrested for this under the Law as it stands I'm sorry to say my friends. Why? Torture is illegal in all 50 states, (as Reagan directly planned), no matter where you ship the innocent victim to, or from! Read the War Crimes Act, then demand Justice today, otherwise, it's YOUR funeral. Obama wants to secretly torture Peoples here, while lying to US ALL that he doesn't! A TRAITOR! Who also wants to give bankers 100s of billions of dollars more to disappear, that WE pay for, out our door, never to be seen as our own again.

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after
911 (obstruction), or that WE have video

without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with
all the professionalism of corporate news

suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on

Justice for Americans Alex? Why for do you

much of anything on real Freedom?, on real
Justice

The Zionist enemy, the most evil nazi sons-of-bitches

Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so,

See? the demon enemy of God speaks no

our public realm of left defenselessness. The
false allegation deserves a death sentence

A cause that Iran should champion, if in fact!,
this allegation by OFFICIAL WAR CRIMINALS WHO

Maybe he is..

-

ï¿½We have all these documents that are now publicly available that prove that these methods of interrogation were intentionally ordered by Rumsfeld,ï¿½

Let us understand. These actions "give" a guy like Willie Brand "the right" to RANDOMLY kidnap men, women, or children, and torture them to death for sadistic pleasure with his Capt, Christopher Beiring. (I think that's how it's spelt). But anyway, this is the truth. A bushite is a godless Zionist whore of Nazi evil, an enemy of America, who wars YOUR Freedom with criminal "excuses", for refusing to support the arrest of those responsible for 911. A TRAITOR, and could be wannabe rapist, robber, or 911 mastermind ringleader. Torture is illegal, and warrants the death sentence, according to, Reagan's "War Crimes Act". Some only suggest, that this was why someone tried to kill him as honorable. Death to the torturers of our innocent families, torture they do without apology as Zionist Military "Judges". Instead today, where they get salaries paid in the billions by the zionist giving nation of, a-mirror-kay, echem, America. Johnny's America. A nation where Justice will rule for the favors of all treated equitably with or without you. Honor me in company my friend. We have no rivals.

"they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else up with charity?" Then went on to say, it wasn't any of our business with what they did with the money. (But for to cover criminal fraud in the derivatives market, where the true value of said commodities were backed by ZERO capital. ZERO DOLLARS. WORTH NOTHING. So, think about who's truly giving it always here until Johnny, the man who came out of nowhere, arrived to explain everything in five or six minutes.

Getting away with murder as 'God's Chosen' chosen for death by war crimes trial more like. Death to the criminal zionist enemies of Humanity. Zionists who falsely accuse without evidence to respect our rights, like TV corporated Americans who treasonously LIE, 'bin Laden did 911'. Enemies of Freedom for our Humanity.

They are murdering Cops

2-Bombings target house of Abu Ubaida El Jarah, Police Director in Sheikh Ridwan area.

3-Airstrike targeting Al Zaytoun police station.

Nazi Israeli are murdering Police Officers, and the families that live in the areas near them as once defended from criminals.

It's like saying, every Cop in America deserves a death sentence by thousand pound radio-active waste based uranium/plutonium war shells because Bush stole the election, then committed 911 with the Neoconned Partners of Public Crimes, Cheney, Rumsfeld, Condi with General Ahmad and Myers. Now, I ask all Cops, does that make sense to you as still remaining silent? You can be a man too, why don't we all just give it a try. To the Telephone Robin! Israeli are attacking prisoners held criminally in their own Death Camps!! GET ALEX JONES ON THIS! and.... the ADL! er.. JDL.. er.. let US join forces for the common good of all, as so we will benefit everyone. That means Justice for all, especially the Taliban for defending American Freedom by demanding evidence to form a conclusion of capital accusation, regarding an unsolved case of mass murder. For the Popular Will?

Alex Thomson shuts-up Israeli spokesman!
http://uk.youtube.com/watch?v=zIQZ1-RFq6A

Wow. The demon LIAR will also say Hammas broke the truce, and Israeli started this by stealing innocent peoples homes, then imprisoning ourselves, the victims, in a death camp for indiscriminate slaughter. While they continue to STEAL OUR CHARITY by breaking truces. What is it that YOU can't picture?

"The view from the other side, that the Qassams are a retaliation for the siege that starves the one and a half million inhabitants of the Gaza Strip, [a prison death camp,] was not mentioned at all."

They are criminals who murder People in hate for a freed Humanity. They OFFICIALLY steal Peoples homes in that country didn't you know they proudly proclaim it so? And steal humanitarian aid from starving children. Targeted to murder children specifically as publicly confessed, 'it is Hamas WE blame', not them as demonic child murderers. Hideously evil as ungodly sadistic savages. Enemies of YOU, enemies of them, and enemies of me, the King of Jews Christ fellow from beyond the grave. They are so evil to God and Man, they tarnish everyone of US to not win justice sooner by blaming the actual bad guys. Justice is Freedom.

/ / Those white phosphorus shells used on the Gazans are made in the USA according to Jane's Defense. \ \

Again, these peoples are not Jews. Being Jewish is a religion. These thieves of God are Satanic in their LIES to betray the common trust in our words, that bind all worlds to victory, called freedom universal. Even tales of the Devil have him keep his word, with verses specifically condemning the self to damnation for targeting the innocent for death. God's the Word. Every word inside a fool's paradise. Including the periods. Not as like, I'm playing a word game, but that it in wonder, is all strangely here. Example: The Universe as it has existed always, is not separate from our 'pauses', or faulty drawn conclusions. The universe, in one sense, was as good as anytime, created 6000 years ago. AS TOO 50 billion. You say, impossible, I say no, study quantum physics, and know, I

live this.. our existence is not scientifically separate from the timeless nature of consciousness, proven as not only theoretical, but actual. That is a first step at developing a REAL relationship with the living Universe if you want to as like an artist does - that TOO! can be just as thought static in it's orderly constructions for Atheists. (An Atheist is still mostly a fool here however.) Overall, for any, it's sorta simple: Life has left YOU in charge of YOUR fate. Now, do well to make something of this being as eternal Life reaching for balance, as your body does, and good cops do when bringing the bushmobsters to Justice. By Israeli calling for more murder against the innocent of your mind as racists and bigots they are openly, is still shadows of YOUR mind, YOUR WORLD.. get it, got it? God is in genius to set Life as this, as like, nowhere existing, but for as yourself within. Will you speak out for the Justice denied Humanity?, or not you? Atheists can be Just too!, but generally lose it on not understanding the intelligence of order is way beyond what they dream up with assumptions. All anyone has to do is ask themselves, who do you mean "God"? Atheists are ridiculous!, but, to each his or her own, we are on a path here, believe what you want to believe. This is not a faith initiative I'm bringing by keeping this real, I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder Jews around the world for stolen money is seriously evil as criminal. What do you think? Let US have a open line discussion on this indivisible matter of rights to all as equals before who ever we proclaim, I AM.

I mean you right? Say it with me... "I" "AM" we are good to go.

Again, Americans need to demand the arrest
of the Judge and prosecutor for being openly
evil demons, as TRUE enemies to freedom in
America. But guess what? Americans will refuse
to even phone Alex Jones, or George Noory
to be hung up on. Just refuse as brain dead
zombies - as known in this circle, McCainiacs.
Did you hear Alex's NWOer yesterday state he
doesn't want anyone to speak as Justice for
Americans because to learn even the most basic
of precepts for Justice, he can't pretend he is
a Freedom Fighter begging US for more money?

Like multi-millionaire Ron Paul, who gave the
fixed election up to take our money and walk
away. How much money in the millions do we have
to pay them at GCN, before they will acknowledge
the Iraq war is a war crime? THEY NEVER WILL,
because the owner has a son who's into
raping American women as lawless enemy of Life.
Americans are indeed, selfish, like all the plane
crash survivors telling US how they couldn't care
less that Israeli nazis are openly targeting our
Christian children for murder with their tax
money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of
wall to wall coverage. Telling us again of how
Christ saved your life as a lifeless degenerate.
I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really
don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

Simple Common Sense for Mankind

/ / Israel has admitted HAMAS kept the cease
fire; and that Israel broke it, then unleashed a
total starvation blockade on Gaza followed by
flaming death from the sky aimed at schools,
hospitals, ambulances, and children, and you
dare call the people opposed to such barbarity
a "mob?" \ \

Zionists are evil people who pretend they
are honest, when lying directly to everyone.
Blitzer reports Hammas broke the truce, he
is lying to continue the murder of innocent
peoples. Understand: Israeli Nazi state they
will continue to murder our innocent Humanity
until the rockets stop falling on Jews. Yet,
they broke the truce, and murder Jews routinely
with reckless abandon. Jews from the Bible as
of "nigger" Ethiopian, are what the Zionist
hate when warring GOD for apartheid, apartheid
that is Humanity in Gaza. A zionist is a war
criminal who speaks not against the neocon,
but against Innocent Humanity as YOUR enemy.

Livni: Gaza truce would give Hamas legitimacy

As they always do because they are dishonorable
murderous nazi thieves of God as Just cause is.
I am, and YOU are, you just maybe don't know it
yet, or if ever. A zionist serves Satan to escape
the neocon terrorists from their ungodly crimes
on 911.

Ron Paul:
US Will Be Rightly Blamed for Israeli Killings
http://www.youtube.com/watch?v=6C756NOPyDA

Not the Nazi Israeli?

The guilty party are those who advocate these
mass murderers of innocent peoples with
deliberate lies, like from Blitzer. Blitzer
will be tried, and executed a war criminal
for stating Hamas broke the truce., Where,
only two minutes earlier, he learned, that
it was his Nazi partners. DEATH SENTENCE.

It was on TV. BUT SEE? Ron Paul, the Libertarian,
ain't going to be honest here. He'll lie cheat
and steal Humanity's voice for Justice - like
he did with OUR money. A typical Libertarian
like Alex Jones who wants to blame "socialists",
"Liberals", aka, all of innocent America.
Blitzer is war criminal, who makes his own
discussions. As is Ron. What an enemy to not
mention the truce. THINK: IT IS THE ISSUE. But
Ron plays the dummy to kill more with contempt
for Freedom. Ron Paul, the bigot, asked,
'should we be doing this'? SEE? it's not first
degree mass murders, no, according to Ron Paul,
it's argumentative that indiscriminate mass
killing is a good thing really. Remember,
Ron Paul does not support arresting those
who committed mass murder on 911 either.
Or those who STOLE TRILLIONS. Or lawless Bush,
the ACTUAL AntiChrist enemy of God. Ron Paul
will watch America die for a stolen dollar.
And Alex Jones will refuse all calls to label
him good guy like himself warring order
to our universe for it.

Wow. The demon LIAR will also say Hammas broke

indiscriminate slaughter. While they STEAL OUR
CHARITY. What is it that YOU can't picture?

/ / The targeting of civilians, whether
by Hamas or Israel, is a war crime. \ \

They are targeted by Obama who suggests
there is an argument to be made here. There
isn't. Nazi Israeli DEMON LIARS broke the
truce to kill Jews for money. They are godless
enemies of Humanity. So it isn't that we are
pro-Palestinian, it is that we are pro-Human.
Zionists DESERVE to die, before US, the innocent,
they target for murder for stolen cash gain.
Like Obama has promised to do for AIPAC. But
what about the rest of US 6 billion plus Obama?
Who is it of US innocent folks do you wish to
MURDER, or torture next as a Zionist war criminal
for Satan Obama? Torturing kids is popular in
Israel, tell US Obama, which American father will
have his children tortured, or murdered
sadistically by yourself as a whore for Nazi
Israeli? tell us, we're not waiting.

The Chosen Bad Example

Zionists Destroy Our Homes as Satanic
http://www.youtube.com/watch?v=mo2HW4T7wK4&feature=related

When I see the women and her child, left outside
while they sadistically destroy her meager gains,
I grow weary with ourselves for not speaking right.
Nazi Israeli are committed to deny US our God given
rights as Innocent persons to speak freely for Justice
realized. All because they STEAL our Lives for monetary
gain. It is our reality, give it or take it, YOU LOSE.

Then.. Hammurabi founded Civilization.

I go concerned for any hesitations of condemnation by
Obama. It's like, he's talking some jive about
how now he'll NOT let the words of Hamas reach
his ears. Being against war criminals, doesn't make
you pro-Hamas, necessarily, it means your against
war crimes to defend the lives of ourselves respected.

We are Good to Go. Rise Up for innocent Life,
or don't and see where it'll get you in the end.

Again, they are Satanic here because
they THREAT to tell you, yeah, Zionists

God doesn't exist to defend yourselves
from war criminals for Satan.

War crimes trials with public executions
will commence against ever GUILTY zionist
living to lie that Hamas broke the truce,
that Georgia was attacked without provocation,
(again, CNN are not 'accidentally' conning
US here). And trials for every last living
bushite bomber, rapist, and torturer -
death to the bushite, the true traitors who

war Innocent Humanity for the escape of the

The facts have spoken for ourselves without contention.
And while we're at it, try to figure who that "Army

SEE! This is AFTER fire bombing the whole community.
Satanic evil enemies of Life. Who admit to targeting
any one who has ever so much as swept our streets,
warranting bombs dropped on their Block(s). SEE! they
are ENEMIES OF EVERYONE. EVERY LAST ONE OF US.
INCLUDING GOD.

It's a prison death camp, brought about by Israeli STEALING
OUR Homes as ungodly thieves. Thieves who leave a Jew
to starve to death in a garbage dump because, it'll
attract more charitable aid The Zionist can use
elsewhere. It's not a Jewish thing, it's a criminal
matter. They STEAL innocent Peoples Homes in that
country. God's Country? God would will such criminal
offense? Which God? Not the God of Abraham, nor by
the teachings of Hillel, Christ, Mohammad, or
Confusion? So which absent God do you speak where WE
can't speak as ourselves openly for Just Cause?
Cat got your tongue? How come your not saying anything?

Israeli War Crimes

Well, maybe I'm wronger on Ron Paul than I needed to.
Hey, don't you EVER forget, I am a man also. We need
to meet on common grounds, to demand the start of
formal arrests for the bushmob crimes of 911, Iraq,
Afghanistan, South Osettia, and Palestine, as a group
together united by agreement for this one cause, and
then... we can later argue about how your ideas are
better than mine because I actually know of which
your speaking.. Hey! you could call me Daddio if you
wanted! To the telephones we go.

Israeli are attacking prisoners held criminally
in their own Death Camps!! GET ALEX JONES ON THIS!

Hmm... why wouldn't Alex? to support his fictions
over Our Rights to Live Free perhaps? A Hero adapting
to the deaths scene?, or, a Bush whore committed to
enslaving Humanity, all so he can say, he told US so.
Big hero or big hero. Your NOT powerless to his vision
of complete control over information. He refuses 911
info, Iraq war info, Israeli info. All so he doesn't
have to look the fool, while Humanity dies with his
insults against our wills to make something better
of ourselves. Justice is what I will. Masturbate on
your own time Mr. Alex Jones.

If he states again about how he knows everything,
and is always right, and those that criticize
him on ANYTHING are delusional, it's going about to
make everyone further sick with this obscene take on
what life means as Alex takes it. If I truly state
two nickels make a dime, does that mean therefor
they make a quarter also? If I say so like Alex
would? He is an idiot. Truly. George Noory figures
Hamas broke the truce, and that the Mideast solution
is that Jews should be separated with special rights,
as oppressors over the freedom of every Palestinian
Prisoner, and what's Alex Jones gonna say about
his 'truth telling freedom fighter' George to actual
'lame ass evil nazi traitor' George?, to YOU about
how George is just trying to murder millions of
helpless people as an offer for the final solution?
We can expect Alex now to claim, Zionists should
have special rights over Jews, all to maintain
his FICTIONS on Noory being anything but the
monster to Humanity he is. Just because Noory
doesn't growl when talking about murdering all
children in around the age of 15, or against
soldiers who refuse criminal orders, does still
make him a true fascist nazi enemy laughing at
your murderers escaping to live freedom in
our dying forsaken worlds. The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demands arrests of the culprits
responsible for high treason against Johnny's
America. Now, who's with yourself. I am! I am!
I am!

Alex Jones doesn't know squat of Social Security, but
pretends he does, like Ron Paul does when speaking
of the Federal Reserve, Health Care, IMF, World Bank
blahblahblah.. I mean even the expert of experts
Alex has on near twice a week, EVERY WEEK, to talk
all about how the Illuminati are doing everything,(give
me your money now for whatever), DOESN'T SAY TO KNOW,
it was Chris Cox who changed Investment Banker rules,
to cover instead one tenth of WORLD INCOME loans,
to one twentieth. MORE THAN DOUBLING THE ENTIRE GLOBAL
MARKET FOR LOOTING WITH HIS SIGNATURE! (And. that isn't
even a fifth of the TRUE trillions dollar fraud story.!)
Now, granted, I wouldn't expect one tenth of one percent
of America to have even a distant clue of which I am
speaking, but importantly, Alex's expert of experts has
never mentioned it. EVER. Why? He don't give a fuck, but
how much money he can get you to give him for investing

in things that are un-important to our struggles, but for the fact, he states, you'll get free money for nothing!! OUR ACTUAL PROBLEM. It reminds me of those Ron Paul dollars... where Ron'll fix everything, cause we, as a private company, are going to make YOUR money instead... holy fuk mon.. Talk about the kettle calling American racists. Thank God the FBI stepped in. (The answer unfortunately is not nowhere as easy as Alex would blindly lead you) - again, so I guess it will be, Americans were just too far gone as illiterate chauvinists, who cared too little for your freedom as themselves degenerating. Why? To battle tyranny they knew not Justice wins the day, and blamed innocent groups gathered wherever, instead of following the crime scene leads at the real murder scenes - like was once done on TV and at the Movies. But even that was too far above their doped down heads, to raise their finger to dial a phone number.

The head of GCN has a son warring God to rape American women as lawless enemy in Iraq for the Neocon - again NEVER mentioned as something worth fighting against for Freedom in America - soldiers are suppose to REFUSE criminal orders - but not when Alex is at the mike. He will never mention the Bushmob doctoring the NIE to con America for death as exampled, because it doesn't fit his fictions, where all the bad guys escape because they are geniuses headed by secrets so powerful, nobody can ever know'em, except Alex. He tells us near every day, he knows everything already, and is never wrong, therefore you can't criticize him. Bullshit. It's like he wants to be wise like Johnny Gawd is, without doing anything like studying for a test where the teacher actually does know the issues. He told US today, the British came up with concentration camps, from the Indians - who spent all their lives murdering themselves. The British 'invented' false imprisonment? The British came up with the, Jews Killed Jesus? The British invented Pope Gregory VII? I suppose Alex has never heard of Ghettos. SEE? he just pulls shit out of his ass, and calls it like it's truly pure gold you'd wanna buy. Those, like your typical American have no clues, so they figure, Life must be sorta so that History is all one big Alex Jones NWO cartoon. What? that the NWO did 911, and everything else that use to instead, require criminal investigations to nab the actual evil doers? Alex Jones IS the NWO he tells US all we should be concerned about never stopping, like it was in the DARK AGES. Justice Alex, why is

that hard for you as a "Conservative" to figure? Is
it because you are cowardly in the face of true
Liberty? Afraid that some People, on some Issues,
ACTUALLY know a great deal better than you could
even imagine presently? Don't like that do you?, where
you don't rule this Universe as a lawless tyrant
desperate to live in an illusion at the expense of
everyone else dying victims to censorship? Does he try
to find wise men or women? rarely. "Ron Paul [MUST]
leads our truth movement" - like, fuck off already
with the Ron Paul, The Truther, Bullshit Alex Jones.
1% is what YOU get on Social Security deposits - 1%.
And.. Bush stole 700 billion. 700. Billion. That's 700
BILLION. It's a "Trust" account. A "Trust" Account. It's
being held in "Trust" Alex. Ron Paul is asleep at the
wheel. As, so are the rest of all you other fools..
I want Justice, and I want it now for all the victims
of 911. Americans be damned, we want Justice, and We
want it Now.

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

"Rice says it is 'hard' for Israel to spare civilians in Gaza"

We KNOW they are ONLY targeting innocent People,
the ungodly zionist Satanic enemies say so..

"Israel Rejected Hamas Cease-Fire Offer in December"

Livni has declared her country "is not going to show restraint"

"Her" country?

It's like she's admitting here, that they DO NOT
target the IDF's Hamas, but only our innocent lives
as a threat to LIFE and GOD. Remember: the Zionist
LIARS broke the truce.

' In Civil-Contempt Cases, Jail Time Can
Stretch On for Years for Americans, without Ever
seeing a day in Court. '

Where are the arrests?, then firing squads for
the Judges who 'judged' such criminality against
freedom for US, the Peoples in America?

' Where Did Taxpayer Money Go? Panel Slams Treasury
[FOR STILL REFUSING TO SAY] '

Where are the arrests?, they stole eight trillion
and counting.. And Congress 'slams' them for
disappearing OUR MONEY. Slams with what?, a,
don't do that again please butt sqeeze? It should
be massive slammer time, with a return of all
STOLEN monies.

' THEREFORE, those pro-Israel politicians in Congress
won their seats in part using stolen money. '

Where are the arrests? Amerikan bushite nazi grunts
are assisting in the mass murder of innocent Christians
in Palestine. War crimes demanding death sentences. It
isn't an argument that can be turned around. Nazi Israeli
STEAL Peoples Homes without apology, as a function of
their SATANIC government, while colectively bombing the
INNOCENT victims who die because of it. It's a prison
camp! they are denied water, food, shelter.. since four
or five truces over that they've broken, every one. These
are Satanic enemies, willing War Crimes against God,
a God NOT loved by zionist American Nazis. And a Son
as powerful as the four winds, ridiculed by Zionists,
and American know nothings, for the continued debasement
of YOUR soul worth here dying.

The ungodly zionist enemies, are enemies of God and Man. Remember Israeli nazis to this day, insist as DEMONIC LIARS, Hamas broke the truce - as Hamas is responsible when they target school girls for slaughter. They said the UN were secretly attacking Jews, clearly a LIE as impossible to prove because it didn't happen. But facts are the furthest thing away from the godless false accuser Zionist con man or demon witch LIAR like Livini. FoxNews calls the demon witch a Jew! ANTISEMITES.

We can witness, Americans do not have the intellect to understand what this means. See, LIAR Nazi Israeli broke the truce to get killed Jews for money. A

regular fair for Nazi Israeli. Now, they state they
will continue to indiscriminately murder humanity
until the tin can rockets that travel miles stop
killing Jews who hate Zionists. But importantly,
it is Israel that wants Jews to die, so they can
make off as Satanic with our stolen values. Just
like the Bush family did with Hitler, that the
Nazi Nation has no probs working gun in hand to
wipe out Jews everywhere still to this day. Again,
Nazi Israeli MURDERED JEWS in Lebanon as targeted.
And leave Jews to starve to Death in Israel for

How does the ungodly get away with this obscenity? Nobody can deny Nazi Israeli broke the truce, as they always have done as Satanic for the last 60 years. Killing Jews for money is popular with the Zionist Nazis don't you know us by now? FoxNews CONNED Americans for DEATH with the unmentioned, TREASONOUS doctoring of the NIE. To kill Americans for more neocon gains, which Alex Jones never mentions either. Do Americans even care enough to raise Humanity's call? Do they demand public executions of sadistic godless Zionist torturers? as the Standing Law of America - The War Crimes Act - brought to be by Reagan - DEMANDS by the Law of America? It is the Law after all, yet, CNN, CBC, and FoxNews calls the perpetrators of the most heinous evil against Mankind, heroes. America is
a nation of godless cowards willing to die murdering innocent Christians in Israel, all for the profits of the 'magical' zionistic private bankers. Bushite grunts are now supporting the indiscriminate carnage, serving as police services forbidding any of the prisoners in Gaza from fleeing the indiscriminate slaughter. Again, as Satanic, they don't arrest the "Suspects", for what could they truly charge them with?, no instead demand we die helpless murder victims by forbidding escape, as they did in Fallujah murdering more than three hundred thousand innocent souls. Die bushite die screams to all men on Earth from the Son of God. Will you stand for YOUR life as truly worth something here? Like lawless enemies Policing your reality will bring you more happiness and prosperity with the great truth teller HAPPY George Noory? The demon who openly confesses the will to want to murder all children in around the age of 15? Too crazy for you to face such an enemy of huge demonic origin, so, go the cowardly way like Alex Jones as sell out slave instead, to cover the demon with endless praise on his treachery to not have our fight on everyday with open calls for understanding Justice is freedom. Instead of a constant stream of bushite dumfuk enemies of Living. This isn't complicated. Or it doesn't have to be.

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce.

Alex Jones told US as a deceiver, he's been on Coast to Coast a hundred times. Not in these last eight years he hasn't. I demand Alex prove this, or be known by all far and wide a treasonous liar, trying to take US off the tracking of

criminal action of his buddy, the demonic enemy
LIAR George Noory. bin Laden didn't do 911,
despite the facts that WE KNOW George Noory
knows better of but LIES to con the American
teen further for death at the profits of the
un-elected bushmob. See Alex wants you to blame
anyone but those directly involved in the crimes
of 911, or Iraq, or those responsible for it's
cover-up by Zionist propaganda. George Noory will
have as invited guests whos only function there
is to spread dis info as supporting more
indiscriminate warfare for the escape of the
neocon terrorists responsible for starting the
illegal wars to begin US at. Or those whom often
support torture, a war crime that only exists as
irrationally held by those who's minds have only
a blind hate for the indivisible rights of
another innocent other. And often truly hate men
and women for being Just as wise. The McCainiac
Zombie video is a perfect example. When the Zombie
is asked about the rights of Women, the McCainiac
Zombie cried out for raping more Women. The
position of authoritarian power, was only found
with the bushite as oppressor, rapist, torturer,
or Air Force Bomber, not liberation by freedom.
The bushite McCainiac KNOWS it can't compete
openly to defend it's criminal treasonous
actions! Remember, Alex "the Conservative"
thought McCain was the choice if you had to make
one, earlier on, then changed his position,
sort of, later by calling them all puppets not
worth the effort, but .. Obama's idea's matter
not, it's that his Birth Certificate is, no war
too be fawned. Palin? who's she? McCain
firebombed Vietnam as "war hero" for France?
The Banker doesn't cover our loans? Matters
little.

Norwegian doctor: Israel intentionally targeting civilians
http://rawstory.com/news/2008/Norwegian_doctor_in_Gaza_Israel_targeting_0105.html

"All that is happening in Gaza here now is against
international law, it is against humanity and I
think it is against what it means to be a decent
person. You don't treat other people like this.
Even if you disagree with himï¿½ maybe even if you
fight with them, you don't treat civilians, children
and women like this."

Israel deliberately targeting civilians in Gaza
http://www.youtube.com/watch?v=Ev6ojm62qwA

It was almost acknowledged on CBC radio that
nazi Israelis, use the argument that a tin can
rocket traveled miles, to kill some innocent
Jew as a direct hit (likely a person who hated
godless NEOCON), all because that nazi state
has OPENLY, as PUBLIC policy, stolen water and
food including baby formula, along with a huge
list of other atrocities, to punish God and
Humanity since way back before three of four
truces. AGAIN, Nazi Israeli always, as ungodly,
break their truces. Why? Because YOU, or Christ
as any Jew's life means nothing, to all the
'free' billions they'll get from given American
worker wages. Look, Americans refuse to call
for the arrest of Bush on their national,
"truth telling" Coast to Coast radio program.
Why? Because, for one, George Noory, (Alex
Jones' best buds), has told US he's into
killing innocent kids as powerful, and that
'bin Laden did it', Is good enough for US.
You don't get a say here however how you will
live or die. George Noory calls all grunts
heroes, and those who refuse criminal orders,
those he wishes to go ballistic on. Yes, it's
true, George Noory is still alive and happy
as ever.

Rise Up for innocent Life, or don't and see
where it'll get you in the end.

Look at this picture of nazis indiscriminately slaughtering
our Humanity, while on MSNBC they reported that the Nazis
will continue to murder Humanity until a truce can be found,
A truce that the Satanic enemies of God will naturally break,
as they ALWAYS do. They are godless enemies of Life who wish
to steal the Title of Jew from Christ. They targeted Jews in
Lebanon with seven million land mines, and let Jews starve to
death in Israel for more charitable aid they can steal from
G-d's Good Will. When asked by Israeli newspapers why, it was
said to kill a Jew is rewarding for the godless Zionist.
Public record. Die bushite die.

Israeli plan to topple Hamas, re-instate Abbas
http://a-mother-from-gaza.blogspot.com/

/ / Breaking the truce Nov. 4, then, was Israel's
way of getting the gears rolling for this whole
sick game: the toppling of Hamas, and the
re-instating of the impotent Abbas into Gaza
so the "peace process" can remain forever in
formaldehyde, to quote wiseass, er., Weisglass. \ \

Nov 4th! - perfect!. We are dealing with Nazi war
criminals who refuse US, as a Species, Justice
for everyone. Especially The Jew's Jew, Johnny
America. Hint: they call us Love just to hide our
complete agreement with this Living Universe to

will Justice for God as every last bushite zionist
freely moving. Once all the neocon zionists are
rotting in a prison cell, or formally executed as
godless war criminals, we all will have one joyous
welcome in a heavenly future.. Until then, demand
Justice for US. That's YOU too. Angels included.
Who? I don't see no Johnny Wizard here anywhere,
We are Good to Go. Rise Up for innocent Life,

The bushmob are traitors for closing official FBI

private banker men trillions in worker wages for

We of god, this way comes, then men and women with

the living rights from anyone of us, especially

steals God's good name through lies left unchallenged
by private corporate interests tied to the CON of
private banking in total. Christ is a Jew too.
Israeli broke the truce knowing such action woud get

Satanic Enemies of Christ

CNN with Blitzer allowed reported on Larry King
that Hamas broke the truce, without any uttering
of fact. While when the nazi israelis were accused,
just minutes earlier, Mark Regev could say only
silence. The zionist Satanic enemies of Jews speak
only silence, because they know they are satanic
enemies liars of Human will.

Again, these SATANIC enemies break their truces
everytime, then state, it is Humanity's fault
because CNN will never ALLOW the humans to know.
They are murdering innocent People in hospitals
for example, or those in a Church, just as
amerikan bushite nazi grunts do for the escape
of the neocon zionists responsible for 911. To
hunt a lawless bushite nazi grunt, and kll it
instantly is to defend it's next innocent
bombing victims. Bush and Cheney closed 911
investigations on 911, therefore killing a
lawless bushite traitor for our Humanity is
just to get ourselves together to arrest those
responsible for mass murder on 911. The deaths
of bushite zionist liars is a mercy given for
the love of God. Die bushite die.

Israel Nazi State

Israeli nazis state they will murder humanity
indiscriminately until rockets stop falling on
their country. Yet, they broke the truce. They
always break their truces. Understand these
Satanic enemies of God, dropped seven million
land mines on Lebanon when learning the conflict

was over. They will kill Jews for money, THEY are the Nazis. Nazi Mark Regev is clearly insane. 'It wasn't israel that started this' He could not stand with any man without instantly being exposed to All of Humanity as a war criminal in need of immediate public trial for death sentence. These are only innocent people being bombed. In a concentration refugee camp. Look, it's a prison camp. And if YOU
were a prisoner there, and Texan child rapists are something you'd wish to defend your community from, you'd maybe join the Gazan police force, run by Hamas, a political group democratically elected. All police officers in Gaza, Nazi israeli claims warrant 1000 lb bombs, not warrants for arrest for a criminal offense. Remember, it was Israel that broke the truce, as so is spoken by Palestinian government officials speaking internationally - using the example from November. But understand, as Satanic fraudsters, they always fuck over Our Innocent Humanity this way.

What kind of "Human" would commit such crimes against Life? Cheating Liars for Satan God tells YOU.

The Bible "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

Look, these enemies of Life steal INNOCENT PEOPLES HOMES as thieves of The King of Jew's simple philosophy.

Gray Ghost

/ / Funny thing noone ever shows pictures of the scumbag Hamas rockets falling on Israeli civilians, but the nooz is full of Palies suffering. Fuck you all I hope Israel exterminates the vermin. \ \ He can advocate the MURDER of innocent people for the neocon liars, and Google doesn't destroy his account?

Remember Zionist Nazi Israeli started all their murder rampages against Innocent Peoples for 'free' welfare money, as broke the truce with, IDF funded Hamas on Nov. 4th. They have been indiscriminately bombing People with excuses that never do add up. Example: Nazi Israeli stated they were in the right to murder ANYONE

in a car or truck in the entire nation of
Lebanon, (especially in the Jewish communities)
because like enemy "Gray Ghost" would say, all
those innocent Peoples deserve TO DIE AS MURDER
VICTIMS for his sadistic ungodly pleasures.
Remember, Nazi Israeli didn't mention this until
thousands has already been murdered, then even
still, without radio, TV, or newspapers, telephones,
or sky writing how were ONLY THE INNOCENT JEWS
as officially targeted to know? Then the seven
million land mines to kill innocent kids for
generations. To the enemy of Life, Gray Ghost
it matters not that Israeli started the conflict
by sacrificing nazi vermined trashed as Satanic
dumfuk enemy soldiers sent across the border,
to Grey Ghost, all it knows, is Justice must not
be allowed to win this game for our human race,
for he would be truly seen as a sadistic enemy
of Freedom, powerless, or rightly dead for
his proud treasons against life in this universe.

Livni: Gaza truce would give Hamas legitimacy

See? this is why NAZI I$raeli thinks they have
an excuse for bombing people indiscriminately
to break a truce they signed on to. This isn't
a one time, maybe two time occurrence, but every
time in the last 60 plus years the zionists
aligned with Hitler have. Satanic enemies
of Humanity.

ANTI-SEMITE is FoxNews every time they assault God
with "Israel, the Jewish State" to torture, steal,
and murder.?. ANTI-SEMITE!

The Ungodly Zionist - a report from the front

/ / The most recent victim of Israeli airstrikes
was 10-year-old Ismail Hamdan \ \

To the Satanic enemies of Man, the Ungodly Zionist,
an innocent murder victim's life can not be allowed
a defense such as the charge of first degree murder
against Netanyaho because, he states no Justice to
any who believe in the Jewish cause, as Hillel, of
freedom as Liberty for all. If Jews ran Israel,
Netanyaho would be chastised publicly by the Humans,
for sanctioning the criminal acts of first degree
murder. The nation of Nazi Israel STEALS Peoples
HOMES. What other nation on this Earth commits
such willful crimes against innocent Human beings
OFFICIALLY? Steals homes from god loving innocent
folks and labels it our 'Justice system'? Who? Neocon
Amerika, the nation that gave trillions to bankers
recently on only prayers that their gods will maybe
lend some of their own money back to them at high
interest. But alas, evil is the deceived disguised,
as in their deep ignorance of money and virtue, they
do not understand, the private banker never covers
the loan. Never does a private banker reach into
it's pocket to borrow US to begin with - so as a
consequence, the bankers have just pocketed all the
'free' loot for nothing, TRILLIONS, and are not
saying why should they help anyone else with charity?
it's the amerikan way. Instead, hate the wise socialist
who designed a working good traffic signal system,
where lives are saved and congestion is eased, or
hate the white man, the black man, different People.
But never Mr. Bush, Mr. Cheney, or Rumsfeld, the
neocon traitors who closed criminal investigations
immediately after the crimes of 911 occurred, who
doctored the NIE to con America into death, and
never slight the trillioniare private banker gods,
who have stolen/taken our public authority through
war criminals in Congress. Taken from all others
to bring us a much poorer world suffering due to
our speakings of contempt for Justice as christians
in America - who claim in silence only indignation
for real Christian families robbed or murdered
Officially by the zionist state of ungodly Israeli,
paid for by dying America. Americans refuse to raise
their phones for the arrest of the bushmob for capital
mass murder, so, what's private trillioniare bankers
walking away with the entire economy in free fall
going to do for them, when they are already to
death for the glorious Zionist Neocon thieves of
Civilization? Proudly in hatred for Innocent
Humanity. Again, Hamas was founded by Zionists
in the IDF, to kill Jews for money - public record.
Jews starve near death in Garbage dumps of Israel,
all because the Nazi Zionist UNGODLY government

states it is beneficial to starve Jews, for, they will receive more humanitarian aid THEY can use elsewhere. Public knowledge. Zionist liars murder innocent Jews for money, like they did in Lebanon, and like the zionists did on 911 by forbidding the pursuit of the terrorists by following the crimes scene leads at the real murder scene. Unjust enemies of Man.

To arrest those responsible for 911, we are going to need to form a public warrant for a person or persons. Bush and Cheney are guilty of closing investigations on 911, treason, called obstruction.

UnHoly Nazi Israeli Racists are Greater than the censored words of Messiah!

IDF's YouTube Gaza channel to Correct Ourselves

/ / it will disseminate footage of precision bombing operations \ \

Precision? They dropped seven million land mines in Lebanon, after having seeked out where the Jews lived, (Northern Lebanon), and murdered them firstly! JEWS. They, as enemies of God, like those of FoxNews, will refuse these type of FACTS on their hatred for Love and Justice. Their hatred for Jews, real Jews, like me. Understand: American baby formula has been contaminated with poisons, and FoxNews doesn't think it's important to their corporate responsibilities to kill ourselves further for profit. The Zionist will murder anyone just to steal your belief in God as Love. They HATE me for being wise and Just. Hate. For, why wouldn't America support my demands for open radio communications on the Coast to Coast radio network? Americans would rather murder Humanity before Justice succeeds beyond their illusions of grandeur through the mass murdering of ourselves for stolen gains. The banker does not cover our loans! Giving them trillions for free unquestioningly is dumber than rocks. Enough.

Fake Rocket Attack
http://xymphora.blogspot.com/2005/02/fake-rocket-attack.html

Remember however, the Zionist has no qualms about killing Innocent Jews too if it means Americans will get it more free welfare to murder ourselves. They openly STEAL Peoples

homes in that nation run as thieves don't
You know? Or as it is just open public
knowledge that the Zionist excepts that
911 was actually a good thing for them as
war criminals reaping the cash rewards for
continuing capital murders?

/ / Ehud Barak promised that the war would
continue ï¿½to the bitter end.ï¿½ \ \

That is you there Barak promises to end
bitterly as the innocent the demon targets
for ungodly murder. How could ANY REAL MAN
steal food from a Christian baby? How do they
do it?, as the inhuman. (Like bushite do in
Iraq, while on CNN in interview tell US, they
are there war criming for neocon traitors to
steal everything as "helping the Iraqi
children". They offer no clean water, no food,
just indiscriminate bombing campaigns of evil
incarnate. True fascist nazi enemies of true
freedom in America who advance censorship to
anyone like myself. Why? They lose. They are
not men but Satanic enemies of the King to
Jews, the Messiah. I Am. Thieves to the
scriptures of Hillel, and of Moses. Thieves
to the intent of every true religious person,
for God is everywhere. God is the Word, and
the Word is Holy. So, fuck you and die bushite
nazi traitors to American Justice, those of
them who refuse US open free words to resolve
their war criminal behaviors as is done in
godless Israel today against INNOCENT
Christians. Done before another innocent other
has our homes stolen, or is murdered by the
lawless grunting bushite dumfuk enemies of
Jesus Christ. I am King already, always have
been, always will be. Live with it. The Koran
is filled with great understandings on this
relationship. Christ is mentioned more than
Mohammad - and Mary can be understood as the
mother of all being before we are. a virgin.)

Look humans, you've
had your fun murdering yourselves, now the wise
people will compete for bettering ourselves by
understanding. Who the fuck are these illiterate
monsters at CTV national television? and how can
they willingly keep our soldiers in the dark dying
that way by simply smiling? Are they experts in
anything? are they respected researchers? writers?,

politicians?, civil rights lawyers? - do they even
respect ourselves enough to be warned of vaccines?
NO, instead they LIE with contempt for Humanity

Lawless Police to Defend Who Again?

They Call it Terrorism

"Israeli nazi enemies call bombing people,
like they do without apology, terrorism.
What can't you figure?"

CNN TODAY

/ / Stand down 'Christian' nation. It's
not your babies. Ethnic cleansing is not
a 'sin' as long as the 'chosen ones' of
Israel do it. \ \

Israel, the nazi enemies of God nation broke
the ceasefire on November 4th. Now, as demon
liars claim they want to honor a ceasefire
again to further steal ourselves from the
Love of Justice. Why do the godless Zionist do
this always as first degree murderers? Because
they can't win an open debate on their treasons
against God and Man. The private bankers DO
NOT cover our loans. Again, these SATANIC
ENEMIES OF GOD dropped seven million land
mines on Lebanon while target killing JEWS.
INNOCENT JEWS. Targeted. Northern Lebanon,
look it up. Israeli MURDERED Jews. Innocent
Jews as targeted for more stolen charity. I
again, beg you to support my call for war
crime trials against the bushmob, including
CNN demons who report a total contempt for
YOUR life dying. Your call loser.

ISRAEL: No civilian casualties in Gaza!
http://uk.youtube.com/watch?v=RlZd3vR6Kzk

Satanic enemies of God as anyone included.
Think: who buys these demon lies to steal
further from our innocent Humanity? Zionists
do at CBC and CNN, who will murder America
by openly lying to destroy freedom. Example:
CNN reports Georgian nazis who targeted
children schools, churches and threw grenades
into our homes to murder as minions for Satan
are called freedom fighters. Just like the
Third Infantry, the new lawless police officers
of California, who can't be charged with rape
for example, because ONLY Rumsfeld can okay

such prosecutions. Hey who cares for Iraqi Rights right?, for TV America's CNN with FoxNews and George Norry doesn't, for it's only American women and children now right nazi enemies? And WE ALL KNOW, cowardly America refuses to even raise their phones for these dying concerns. How can George Norry continue to live happily dying America for the neocons? How? they let them. Alex Jones thinks George Norry is just fantastic, so no, don't encourage the NWOers to demand free communications, because if we did, Alex Jones and the like, would factually look like the idiots he is. (better to die America than face this foolishness?) The banker doesn't cover our loans, we do Alex. So giving them trillions in American worker wages is a bank robbery in progress. Simple. NOT a diabolical ingenious plan, we, the simple folk can't figure without the Alex Jonesers geniuses of thought control developed by the CFR, builderberg, the Boners and NASA.

The better question to ask is what WAS the Nim board.

Mark and Roger ruined it for the most part.

It no longer is.

And my guns don't rust. They wear out.

I am a gay man.

For years, I have felt myself as a fluffy pink fag trapped in the body

I have fought the same sex urges for decades but now during this time of
great national crisis and decision I have abandoned my fears and wish to
step out of the closet.

I am a homosexual. However this will not mean that I will not contribute

I heard that on Newsguy's podcast too, but Newsguy didn't give the URL.
If you call that number, it is said you can speak with StootoCoeguaf.

It's the opposite here. And I am near a major city and right next to a
major interstate.

Cb is pretty civil here.

Except we do have one local jerk who likes to get on the cb every once
in a while and cuss up a storrm and say risque things to mess with
people on any channel and to mess with the truckers on channel 19.

Last I heard, he got on at least once a week, perhaps more often.

It's definitely not appropriate for the kids around here to hear.

you are wrong. I have went through it before. Only the lots were
rented. The trailers were owned by the residents who bought them. Once
the new trailer park owner.land developer bought the trailer park and
started building planned community expensive townhouses on the same

land and imposed homeowners association and CC&Rs on the entire land, the trailers fell under the hoa rules and CC&Rs even though there had preeviously been none before.

and the rented lots also fell under the new hoas rules and CC&Rs once the new owner/land developer bought the trailer park where there had previously been no hoa and no CC&Rs.

It's a way to discriminate against low income people so they won't have anywhere to live. And will then be arrested and put in jail and charged with crimes of loitering, trespassing, etcetera.

Since NON hoa NON CC&R property keeps getting taken over by HOAS with CC&Rs.

About four places I already lived that had no hoa and no CC&Rs now have hoas and CC&Rs.

and there was no language in the laws permitting such when it happened. That
is how they were able to take over and impose them on people unwilling to have them.

Hmmm, only 2 months to reply.

Are you a real slow reader or have you been in detox?

Anyway, the relevant issue is that the PROPERTY your tin can trailer
is sitting on is rented.

The CC&Rs are on the LAND and they are kind of hard to avoid if your
trailer is sitting on that land.

One more time genius, that's why, if you have any sense at all, you buy
a HOUSE without an inane HOA and there are lots of them all over the country.

As long as you are parking your tin can on rented property, you are going
to be subject to the restrictions and whim of the property owner.

God, you are a babbling idiot.

I do not believe the new covenants could be enforced on pre-existing
tenants. There may be some covenants that are enforceable on the land
itself, but not on the homes. You'd have to consult state laws on
that.

Since the landlord did not build, nor contract to build the mobile
homes, he can't possibly enforce the covenants on them. Simply for the
fact they reside on his property is not enough.

Richasd,

If the tenant has a lease then it is likely that the new covenants would not apply until the lease comes up for renewal. Without a lease I'd guess that 30 days after notification would be the time to start these new terms. Local law probably controls this but landlords commonly do change the rental terms when renewing a lease. The tenant's options are: accept the new rules or move.

Good luck,
Dave M.

Depends on what state they live in. If the generator was there before
the new covenants they keep it. Often HOA lawyers make threats knowing that
most people won't fight them. Not sure a HOA can enforce a rule against
generators, only where they are placed. You may recall some HOA's LOST very
big time on the issue of radio towers.

Well if the land is OWNED by the guy, he can pretty much set up any rules
he wants. At the end of the lease you either live by his rules or move. You
are NOT a "Home owner" he is.

No, once the old rental agreement expires the tenant has very little room

My recollection of the original post was that a developer had created a "covenanted" housing area. He then purchased the neighboring trailer park. The trailor park was a collection of resident-owned trailors on leased lots. Somehow the OP came to ask whether the trailor park is bound by the HOA. I think the residents are bound by their leases until they expire. It's possible that the developer, as landlord, has agreed to be bound by the HOA but I don't think that applies "ex post facto" to the tenants. Until they enter into a lease that says that they are forbidden to own generators they may own generators. If that violates the HOA then the landlord must pay the fines.

Good luck,
Dave M.

`If he owns the land he makes the rules. The rules would come to play
after existing agreements run out. If you are not a "property owner" by
definition you can't be a member of the "homeowners association" because
you're not a "homeowner" in the legal sense. If the legal entity (city,
county or whatever) permits generators, I think a HOA would have problems
enforcing their rule.

exceptf I haven't been able to find any legal full power gmrs gear.
All I could find was commercial part 90 radios which the gmrs users
say is legal to use on gmrs even though it isn't fcc certified for use
on gmrs since it meets the technical requirements of part 95 gmrs.

even though it contradicts their own statements that even if hams uild
their ham gear to meet part 95 technical requirements, it's still not
legal to use on gmrs since it's not fcc certified for use on GMRS.

so why would a part 90 radio not certified for use on gmrs be legal on
gmrs?

And from what I read, a few years ago, the FCC busted several people
in philadelphia, with valid gmrs licenses for using part 90 equipment
on gmrs frequencies.

although they were within all limits for gmrs, power, etcetera except
for them being radios not certified for use on gmrs.

also when I download the manuals for the "legal gmrs equipment" the
gmrs users say is legal, the manuals state that it is fcc certified
only for business use and should not be used for personal use since it
isn't certified for that.

And the fcc rules say a gmrs radio must be certified for gmrs use.

All my radios are completely legal.

I wanted to get a full power gmrs.

But can not find any legal one.

And if there is, it's probably so expensive, it's out of my price
range.

So I guess I'll have to do without.

I haven't yet found a part 95 cerified for gmrs radio that's more than
5 watts integral non-removable antenna bubble pack radio.

I find The bubble packs are about as dangerous as cell phones while mobile. Even more so than cell phones.

while actual mobiles are safer without any problems.

in my experience.

Oh, you poor, victimized little thing...

You can't have a HOA for an isolated house; the "A" stands for Association.

Find an isolated house, buy it, and shut the hell up.

Utter, babbling nonsense.

A HOA is a corporation.

An individual can not be forced to join a corporation.

A HOA is formed by all the property owners, which is usually just the
original developer as the sole owner, and only the property owners that
choose to join are governed by the HOA.

Once formed, any subsequent buyer becomes a member of the existing HOA.

If everyone else on my street decided to form a HOA, I would just tell
them to pound sand and there is no way I could be forced to join as I
own my property.

CC&R's are restrictions on a deed and are independent of HOA's, though
the original developer probably generated both at the same time.

Note the extensive use of the word "owner"; if I rented the propery,
the property owner could certainly join a HOA and force the HOA rules
on me.

close. But the other way around. The developer purchased the trailer
park first with the intention of building a planned community
oftownhouses next door and then proceeded to do so.

And imposed the new rules as soon as he tookover. Although the old
contract wasn't expired, it was no longer valid since the new owner
took over and never made any such contract as the old one.

He sent notices that all the tenants of the trailer park were now
automatically under the new contract he had drawn up.

Some of the residents of the trailer park fought it in court, though
we didn't.

The court ruled in favor of the developer and against the residents of
the trailer park.

Of course, that county's residents are mostly made up of rich lawyers
and judges.

The ones who weren't lawyers and judges lived in the trailer parks.

At least I don't live in that county anymore.

While living in that county, I was approached several times by cops for being out third shift. I worked second shift at that time, and got off about 11 pm or 12 midnight and travelling home and then "what are you doing out this late? Why are youdriving this late? Why are you out driving this late?"

And for having one antenna on my carr other than the am/fm radio one that came with the car and for not having a ham radio license for my completely legal 40 channel CB, although he tried to claim it was for loitering, even though I hadn't been there more than two minutes when he came up to me saying such, then calling in my plate number.

and told I wasn't allowed to have my two-way radio the Icom Ic-R3 at the outdoor public park.
since two-way radis aren't allowed there, according to the cop.

That's the downtown park with the stores and courthouses going around it on the other side of the road.
and was in the daytime, the middle of the day while many other people there had their frs/gmrs radios there and using them without any problems from that same cop. even though he saw them using them also.

I'd sure like to see those cops talking on the Icom Ic-R3 and then wonder where the backup they requested is.

It doesn't even cover the 800 mhz public safety frequencies that county uses

.

Because it already happened to me with only one antenna, a CB antenna
at that time.

and a completely legal 4 watt 40 channel cb straight as it came from
the factory.

I was told I needed to have a ham radio license to legally use it.

I then told him it was a Cb, not a ham radio.

He then told me that I still need a ham radio license in order to
legally use that radio.

(On CB channels 1 through 40)

Of course that's when I traveled to the county I used to live in.
Since it is nearby here.

In my experience, When you're an average regular citizen in a county
where most of the residents are lawyers, judges, and cops, youend up
getting screwed over.

I'm now back in my home county, and the current cops here are okay,
imo. Of course, most of the residents of this county are average
regular people like most places in the country.

Either the federal government or my state government, I forget which,
already shut down one town in my state that was made up mostly f cops,
lawyers, and judges.

Although not the county I was talking about.
>
>> calm down

Actuually, I am calm. I just read that in chattanooga, it's against
the law to "correct a cop".

I don't know if that law id only for chattanooga or for the whole
state of tennessee, but

it will make any hams automatically guilty of a crime as soon as they
show some no-nothing cop they're ham radio licenses after he wrongly
tells them they're radios are illegal and they're not allowed to have

them.

and then will either have to pay a fine anyways, or both court costs and fines, or do jail time, since they will be guilty of the crime of "correcting a cop" by showing the cop either they're ham radio license, prb-1, or both.

prb-1 won't save them in this case. the federal governmentdoesn't have any authority over wheter a city or state rules that correcting a cop is a crime or not.

I don't know what they would do to a cber, but I guess tennessee would let a cber off scott free since a cber doesn't have a radio license to "correct a cop" with anyways.

so if you're in tennessee and a cop says your ham radios are illegal
and gives you a ticket for having them, you end up still having to pay
one way or the other whether you correct him or not.

There's NO way out of it.

No one but a moron or a drunk argues with a cop.

You let them arrest you then sue the hell out of everybody for
false arrest.

Not that easy.
If you are being detained for a lawful investigation, whether you feel you
did nothing wrong or even if you are not guilty of any wrong, and if you
leave because you don't like your predicament or feel that the officer is in
the wrong, you can and will be chased down for fleeing and eluding law
enforcement.

You just broke a law...

Best bet? Stay put until the officer(s) sort it out and send you on your
way.

It's illegal to manufacture such radios so you won't find any out of the box radios with such a dual capability.

As far as using one, it would have to be what the government classifies as a sufficient emergency which is much more stringent than what everyday people consider an emergency.

Geeeeee...

I see that the good Citizens of the Upper Penninsula, Michigan
have the good sense to get rid of their trash before it gets a chance
to really stink up the place!

QUOTE from Copper Country Amateur Radio Club Newsletter

A motion made by Glenn, WA8QNF and seconded by Roy, WB8ZYL to “Remove
Mark,
KB9RQZ from the office of President of the CCRAA” was introduced, and
a discussion
followed. When it came to a vote, there was one ABSTENTION, one NO
vote, 11 YES
votes, and the motion carried.

UNQUOTE

I know...I know...this is old news to everyone who has stuck it
out this long, but I just decided to touch base and see what's going
on.

I see Morkie is as asinine and dimwitted as ever. And now his
too-stupid-to-realize-he's-married-to-a-jackass "wife" is out htere in
blog land too! What a frakkin' mess!

To all of you who aren't known pedophiles and sexual deviants
(which is everyone EXCPET Morkie...!) I hope you're all well...

And how about them SEALS, eh?

Still can't resist thread hijacking and adding crossposted newsgroups,
can you, Flooder? I hoped you had finally gone away, because the
newsgroup was starting to quiet down, but no, your OCD simply compels
you to continue trashing this group. Your posts have been reported to
Google via the "report this message" link, as always. You've already
lost eight or nine Google accounts (don't bother to lie about it,
because I have the complete list), and the people who report you to
Google have not stopped doing so.

Geeeeee...

I see that the good Citizens of the Upper Penninsula, Michigan
have the good sense to get rid of their trash before it gets a chance
to really stink up the place!

QUOTE from Copper Country Amateur Radio Club Newsletter

A motion made by Glenn, WA8QNF and seconded by Roy, WB8ZYL to ﷺRemove
Mark,
KB9RQZ from the office of President of the CCRAAﷺ was introduced, and
a discussion
followed. When it came to a vote, there was one ABSTENTION, one NO
vote, 11 YES
votes, and the motion carried.

UNQUOTE

I know...I know...this is old news to everyone who has stuck it
out this long, but I just decided to touch base and see what's going
on.

I see Morkie is as asinine and dimwitted as ever. And now his
too-stupid-to-realize-he's-married-to-a-jackass "wife" is out htere in
blog land too! What a frakkin' mess!

To all of you who aren't known pedophiles and sexual deviants
(which is everyone EXCPET Morkie...!) I hope you're all well...

And how about them SEALS, eh?

No it isn't unsafe. Talking on two way radios while driving helps people avoid accidents who would have otherwise had accidents from not talkingon them.

That is from both my own personal experience and the experience of professional drivers and the experience of many other drivers.

When your boss forces you to work both first and second shift, and when you get off you're not allowed to stay on the property or on any other property and by law must drive home, talking to someone on the radio helps jeep you awake and safely alert on the road until you safely get home while not talking on the radio you fall asleep while driving and have accidents.

And it's bs it's against New York law to talk on a two way radio while driving otherwise you would also be arresting all those schoolbus drivers, taxicab drivers, and other business people talking on their two way radios while driving.

And I have listened to them on my scanner at home. They talk on the radios while driving much more than hams talk on the radio at all.

And even if it was against new york law, new york law does not override federal law.

federal law overrides new york law.

No they're not. Otherwise there wouldn't be any reason to list them as two separate things in the law which they are. And it's new yorkers who need to learn english, not me. No one in any of the other 49 states can understand the new york law about ham radios when they see it and if it's what you say, it contradicts federal law and you're prohibiting possible emergency communications.

it is contra NY law to drive

Then why aren't you arresting all those school bus drivers and taxi drivers doing so and all the other business people doing so?

.When did New York get authority to override federal law?

There is no such law. Everyone understands the new york law about cell phones when they se it. No one in the other 49 states can understand the new york law about ham radios when they see it, and when they see it, say it seems to contradict federal law.

Cell phones and two way radios are definitely two diffeent things. The cell phone industry even went out of their way to make surte the general public knows that they are not the same thing. They went out of their ay to make sure the general public knows that they are two separate things and not the same

More BS. I don't believe for a second that a cop who gets a call on the radio while driving doesn't answer until twenty to thirty minutes later when he can finally find an empty place to park.

I have seen cops using two way radios while driving. And plenty of people said they have seen new york cops using cell phones hile driving.

There are no such statistics. The statistics actually prove the
opposite. As I said above. It helps keep drivers more alert when
necessary.
>
And not only that, it's safer than talking to passengers in the car.
When you have passengers and they talk to you, you get yelled at for
not looking at them while you're talking since it's rude and poor
manners to not look at a person when they're talking to you.

Which takes your eyes off the road making it unsafe and a high risk
for accidents.

While when you're talking on a two way radio while driving, you know
there's no one else in the car with you so your eyes stay on the
road.

Safer And less risk of accidents.

Actually it does. The old am and am/fm car radios, you had to pull out
buttons, turn the dial, and push te buttons back in to change stations
while driving while travelling to get the stations you wanted since
they were different than the ones in your area which your radio was
set for.

You also have to make inputs to the modrn am/fm car radios while
driving while travelling even though they don't have dials, only
pushbuttons.

Every ham radio I've ever seen including the modern ones, can all be
tuned the exact same way as the am/fm radio in the car when the am/fm
radios used to have dials.

The tuning on modern am/fm radios in the car is the same pushbutton
way that modern ham rigs can also be tuned.

Except it's safer to tune the ham rig that way than the am/fm radio since you don't have to bend over and look away from the roadlike you have to with the built in am/fm car radios.

And CB radios do not have any such inputs on them.

Most still have only a channel dial on the radio itself, and only a ptt button on the microphone.

although some do have a channel button on the microphone which is a lot more safer than bending over with eyes off the road to change the channel on the dial.

FRS radios are no good while driving since the antennas block your view of the road.

And are a danger to both the driver and passengers if an accident happens.

While both CB radios and ham radios are great to use on the road while driving.

The instruction manual for the radio specifically says to NOT do that.

Plus it is also against federal law to carry a car battery that way.

>

That is impossible since I have never driven in New York state.

> > 2) you are a dangerous Canuck!

I'm not Canadian.

> > 3) stop driving and using your ham radio NOW!

No way. It's perfectly legal in my state and the other 49 states and completely legal in ALL fifty states under FEDERAL LAW.

> > 4) you should be banned from entering the USA!

Under Federal law, if I take a vacation to Canada through New York and head back through New York, you HAVE TO let me back in as long as I

have my passport and/or birth certificate and whatever else is
required.

> > 5) in Canada your driver's license should be confiscated!

When did Canada get authority over the federal U.S. government?

Sure their economy is better than ours now and their dollar worth more
than ours now, but still....

>
> > now kindly put THAT in your pipe and smoke it!- Hide quoted text -

I don't smoke. Youre' wrong on almost everything you say. You're one
of the reasons why local police and local governments should have
never been given any authority over CB radios.

You're proof that the federal government made a BIG mistake by giving
local police and local governments authority over CB radios.

You think both ham radios and CB radios have the same phone number
dials on them that cell phones do.

While true for some ham radios, not all, CB radios definitely don't.

And not all ham radios do.

And if I want to talk, I usually set it to one frequency before
driving and leave it there until parked.

So I'm not an unsafe idiot like you think I am.

And neither are most two way radio operators that I know of who use CB
or ham radio.

But according to you, New York's idiotic law says if you have a diesel
engine, you're not allowed to talk on it while either driving or
parked, which means mobile use of ham and mobile use of CB even while
parked has been completely outlawed in New York state.

Since you're only allowed to use them in your homes in New York state.

That contradicts FEDERAL law.

WShy aren't you arresting all the truck drivers who are talking on
their CB radios while mobile in New York?

You yourself said it's against New York state law.

Or are you afraid that all those big bad truckers will beat you up?

If you claim to be either, it's worse than all that.. even if you have a

and there you have it everyone. Anonymous said New York law overides
and overrules federal law

which means that

under New York state law, you are NOT allowed to do what the federal
government by law REQUIRES you to do.

(the purpose of the amateur radio service as listed in part 97)

even thogh the federal government has consistently ruled that federal
law overrides and overrules all state laws.

Because New Tork state law overrides anything the federal government
rules.

> > > I don't believe for a second that a cop who gets a call

your law contradict fedeal law. By FEDERAL the FEDERAL government
REQUIRES hams in all fifty states to do things you say are illegal to
do.

> > There are no such statistics.

> ask the insurance companies. they'll show you the stats.

You're getting your supposed cell phone statistics mixed up with cb
and ham radio statistics. They are two completely different things.

And statistics show there is no higher risk from using two way radios
while driving then if you didn't.

And if there are such statistics proving there is a higher risk, then
ALL built-in AM/FM car radios should also be against the law in New

York state since trying to tune those while driving are MUCH MORE DANGEROUS than using a two way radio while driving.

Or tuning a two way radio while driving.

The builtt in AM/FM car radios are mucg more dangerous since you have to take your eyes off the road and bend over to tune them. And take off your seat belt to even reach them to tune the built-in car radios.

> > > I'm not Canadian.

> then you have no excuse.

wrong. It's completely legal in my state. And under federal law. and federal law REQUIRES things you say are illegal.

Also under law you are REQUIRED to have a working mobile ham radio in your car if you have ham plates
And if you do, FEDERAL LAW REQUIRES hams to use it while driving, in certain situations.

But you say new york state law overrules and preempts federal law even
though the federal government has consistently ruled in many cases that federal law overrules and preempts all states laws.

Of course going by what you posted so far, you'll then say those consistent rulings by the federal government in all the many cases so far that federal law always overrules and preempts state law isn't valid since New York state law ALWAYS overrules and preempts any federal law the federal government ever makes.

> types like you need to have your driver's license revoked,
> and spend 5 years in a ny prison cell.

Wrong. It's completely legal in my state. And hooked to my car in a way that can not easily be uninstalled since that was the only way to install it according to what the radio instruction manual said.

Besides, if you have ham plates, then under law, you are NOT allowed to uninstall the ham radio from your car.

And if it's installed, under FEDERAL LAW, you are REQUIRED to use it while driving, in certain situations/

then again you'll say New York state law overrules and preempts federal law and that you are NOT allowed to do what the FEDERAL government by law REQUIRES you to do.

Also if the hams listen to you and don't obey the FEDERAL law, the FEDERAL government fines the hams a bunch of money for breaking federal law. In the tens thousands dollars and hundreds thousand dollar ranges. Something most hams and I can't afford.

And you still didn't answer why the cops in new york aren't arresting all the schoolbus drivvers and taxi drivers and truckers if it's illegal in new york state as you say.

that is selective enforcement which is against the law.

You're the reason and proof that enforcement of radio should never be given to local cops or local governments or state governments and should only be enforced by the federal government.

There is no such law banning ham radio while driving in New York.

and going by what you posted so far, it's very obvious that

You don't even know how they work.

You think that a CB, ham radio, and cell phone are all the same thing.

You think that a CB radio and ham radio just dials a phone number to call someone else on the telephone the same as a cell phone.

There are NO inputs on a CB radio like you think there is.

so no one using a cb radio has to make any inputs to it in any way shape or form.

and many other misconceptions you have about it and them.

Of course, next you'll probably say to use vox on CB and ham radio.

that is also AGAINST FEDERAL LAW.

And both CBers and hams can be fined by the federal government for using vox since unlike with a cell phone that you think is the exact same thing as a cb and ham radio, using vox keeps the cb and ham transmitters constantly transmitting from hearing all the sounds around them, which is a BIG NO-NO UNDER FEDERAL LAW

Of course you dismiss that since you say new york state overrules federal law.

that STILL doesn't stop the federal government from fining hams for obeying your new york state law a bunch of money they can't afford.

.

If you bother to look at the headers of the original post, you'll see that the poster has an agenda for his repost that all of you missed (look at the Summary header). Apparently, some hams swallowed that story hook, line, and sinker with the result that they have now formed an angry mob, complete with burning torches and pitchforks, and they are trying to track the original story author down. There is NO law in New York State (or any other state that I am aware of), which requires one to have a "working mobile ham radio" in a vehicle which has ham radio plates.

The only NYS "requirement" relating to ham plates is that the ham must send a copy of his license to the DMV when applying for the plates.

Would you be so kind as to post a link to this alleged law?

You seem to have a bad habit of just making stuff up, and then posting your fantasies as "facts".

Oregon, Alaska, North Carolina, Texas, Virginia, and Missouri all by
law, REQUIRE hams to have a ham radio installed in their vehicle if
they have ham platetes

And probably some other states also.

And under FEDERAL LAW must answer even if they're driving if they hear
someone call an emergency on one of the ham channels they know they
can help by answering if no one else answers.

Not ddoing so goes against the first purpose of the amateur radio
service as listed in part 97 of FEDERAL communications commission
rules.

and can result in them getting fined.

And FEDERAL law overrules all state law despite you saying New York
state law overrules all FEDERAL law.

Yes, every NYS ham should be familiar with part 397. Being able to quote the specific V&TL section could come in handy should an "issue" ever arise during a traffic stop.

While 397 specifically permits licensed hams to equip their vehicles with 2-way radio gear, there is nothing in the section that REQUIRES a vehicle have mobile ham radio equipment on board as a condition of having ham radio license plates. (As "radioguy" claims)

What happened to the FEDERAL law that states states must recognize
other state's laws and vehicle equipment installations as legal?

Yours contradicts both the other states and FEDERAL law.

If you have ham plates, then Alaska, Oregon, North Carolina, Texas, Virginia, and Missouri ALL REQUIRE that you MUST have ham radio equipment INSTALLED in the vehicle.

And most cities, countis, and police departments in other states do not issue any such documents as you say New York requires.

People do go on vacation to other states.

And since many people can only afford one car,

what if it's the ham's wife driving the car thrugh New York without him.

Of course, she isnt going to have any such document as you say New York requires even if his locality did issue such a document to him. Which most don't because the plates are proof enough.

And of course, she wouldn't have a radio liscense like he does.

Plus SOME states by law put a design in the middle of the ham plate letters.

And I've seen posts saying that's illegal in New York to have a design in the middle of your ha call letters on your ham plates, and if you drive through there like that, you will get arrested eveen more.

So that is saying that sdome hams are NOT allowed to drive their perfectly legal cars with theirperfectly legal ham call plates through New York state because some states require a design like a lightning bolt on the ham plates in the middle of the call letters.

And you all probably don't even know how to run ham plates.

SOME states allow the exact same call plates on multiple vehicles. That is, no -1, -2, -3 like New York requires.

I saw posts saying that is illegal in New York to have any vehicle with ham plates like that
registered to multiple vehicles even if you're from out of state.

Since when does New York state law OVERRULE Federal law?

The FEDERAL law about states must recognize other state's laws about license plates, stickers, sticker placement, and equipment installation in vehicles as legal if it's legal in the state the car and driver are registered in is still in effect and valid.

And what about a large family of hams who the whole family has gotten ham liscenses and has all their vehicles registered with the exact same ham call plate, perfctly legal in their home state who then must tak and drive two or all three of their cars on vacation through New York state in order to legally fit them in the cars.

It's illegal in my state to have a car overcrowded with too many people. Four or six is the limit depending on how many seatbelts there

are and the size of the vehicle, 2 door or 3 door.

And some vehicles only seat two people, like some pickup trucks or
some small cars.

Since when does NEW YORK STATE LAW OVERRULE FEDERAL LAW when the two
laws contradict each other?

FEDERAL LAW OVERRULES NEW YORK STATE LAW when the two laws contradict
each other.

There have already been SEVERAL court cases where the FEDERAL
government has consistently ruled so in all such cases.

Oregon only requires ham radio applicants show proof of eligibility for ham
radio plates by submitting a copy of their license when they apply for the
plates.

http://www.oregon.gov/ODOT/DMV/vehicle/plateregular.shtml#ham

Alaska only requires ham radio applicants show proof of eligibility for ham
radio plates by submitting a copy of their license when they apply for the
plates.

http://www.state.ak.us/dmv/plates/amradio.htm

Missouri only requires ham radio applicants show proof of eligibility for ham radio plates by submitting a copy of their license when they apply for the plates.

http://dor.mo.gov/mvdl/motorv/forms/838.pdf

I can't access the North Caroline DMV at the moment.

I'll give you that Texas and Virginia do indeed indicate (on their ham license plate applications) that the applicant must show proof of a valid amateur radio license, AND intends to operate 2-way radio equipment in the vehicle to which the plates will be attached.

It turns out that is exactly WHY Texas (in particular) does require holders of ham radio vanity plates to carry radio equipment... In the state's view, If a ham puts his call sign on his vehicle's license plates, he is essentially "advertising" his ability (and willingness) to provide emergency communications services.

So in Texas, (at least), far from being harrassed by law enforcement for having radio gear in his vehicle, a ham is more likely to be called upon to ASSIST law enforcement (or other emergency services) if regular communications channels are unuseable for whatever reason. Don't want to help out? Don't apply for ham plates.

You're putting words in my mouth, or responding to someone else. I never said a single thing about state vs. federal law. I just pointed out that in New York State - specifically - there is no requirement to have operational mobile radio equipment in a vehicle as a precondition for having STATE ISSUED ham radio license plates.

I admit that there are some states which do appear to have such a requirement, but New York is not one of them.

But, since we're on the subject, it is absolutely incorrect to make the blanket statement that "federal law overrules all state law." That is most assuredly not the case. Read the 10th amendment to the Constitution.

I don't know where you got this notion from, but there is NO SUCH FEDERAL LAW. Not when it comes to "vehicle equipment installations" - and this covers many, many areas besides ham radio.

Some examples:

In some states it is legal to have dark tint on a car's side and rear windows. In other states it is NOT legal, and an out-of-state car CAN be ticketed for such, even though the windows might be perfectly legal in the car's "home" state.

Likewise, rules relating to minimum or maximum ground clearance under a vehicle. What might be allowed in one state, could well get you a ticket in a neighboring state.

Likewise, rule regulating exhaust systems and the amount of noise emitted by same.

But, in other areas, states have NO authority over what other states do...

>
> If you have ham plates, then Alaska, Oregon, North Carolina, Texas,

First of all, of the states you listed, only Texas and Virginia have such a requirement - the others do not - and the requirement only holds true for vehicles REGISTERED IN THAT STATE. A Texas vehicle with ham plates might need to have radio equipment installed IN TEXAS, but a vehicle from California (with California ham plates) does not have to meet the requirement, just because it might be travelling through Texas.

> And most cities, countis, and police departments in other states do

It's not a case of "you say" - the other poster pasted a direct quote from Section 397 of New York's Vehicle and Traffic Law. But you didn't read it

very closely, because the locally-issued "documents" it refers to are to authorize persons OTHER THAN HAMS to have mobile radio equipment. A licensed amateur does not require a "local permit" - his license alone is all the authorization he needs.

Now, if the licensed ham is not present in the vehicle, then yes, there might be a problem.

That prohibition might hold true for a New York-issued plate, but NYS has no control (or interest) in the particular color or design of other states' license plates, as long as the plate and registration is valid and current in the vehicle's home state.

You're mixing apples and oranges here. A valid vehicle registration in one state, must be recognized as valid in ALL states - likewise a valid driver's license. Such recognition is based on the "full faith and credit" clause of Article IV, Section 1 of the U.S. Constitution.

But, when you get into "sticker placement" and "equipment installation", again I tell you there is not, and never has been, ANY "federal law" mandating such. I gave a few examples above - there are hundreds more.

In Texas, you can have the exactly the same ham plate on multiple vehicles because the plate itself IS NOT THE VEHICLE LICENSE. The actual license is on a window sticker - and that sticker number is unique for each vehicle. As long as the stickers on all vehicles are curent and valid in Texas, you can drive them legally in any state.

How odd. What an arcane law...if it is indeed 'the law' as you state. Where is it mandated that Ham ops must have a Ham radio in their cars?
Here in my home state all that is required for one to have a "scanner" or a radio that can RX pub service freqs is the show of an Amateur Radio license. Period.

Sadly enough, many of the new Officers are not aware of this and they revert to the state law that makes having "radios capable of receiving police communications" illegal for most. It is a misdemeanor unless one uses a scanner in the comission of a crime. Our state law also allows an Officer to confiscate a scanner, tho that is left up to the discretion of the Officer.

As one of only two Hams on our department, I have been doing my best to let new officers know what the law allows insofar as amateur radio is concerned. This kind of situation was not covered at the Academy.

This law deals with the installation of ANY radio RECEIVER that can
monitor police frequencies. The wording DOES NOT suggest that a ham
MUST have a unit in the plated vehicle. The law only says that the
owner of said plates must be licensed to do so.

That's known as the "International Reciprocity Pact". It is not
necessarily a federal law. Which is also damned difficult to find on
the search engines.

If you live in NY, anything that NY law says is legal on your
vehicle, must also be accepted as legal anywhere else in the country
as well as Mexico and Canada.

No. Those states can only accept the plate. Their laws are for the
residents of their states for the issuance of such plates.

All that is necessary is that the owner of the said vehicle and plates
has met the state's requirement's for those plates. Stopping an out of
state vehicle simply because the officer did not see the registered
owner driving the vehicle is not probable cause and would not hold up
in court.

Following the links to the relevant state laws, one finds 2 of those
states have no radio requirement, and none of the others have any
installed radio requirement.

Of those with a radio requirement, occasional use of a HT qualifies,
except Virginia where you would have to keep a HT in the vehicle to
meet the letter of the law.

So there is no state that "REQUIRE hams to have a ham radio installed
in their vehicle" from your own link.

I don't know about other states but here is the code section from
Virginia word for word--

§ 46.2-738. Special license plates for amateur radio operators.

The Commissioner, on request, may supply any amateur radio operator
licensed by the federal government or an agency thereof, and having
radio transmitting and receiving equipment permanently installed in his
motor vehicle, license plates bearing his official call letters.

If more than one request is made for use, as provided in this section,
of license plates having the same alpha-numeric, the Department shall
accept the first such application. Persons receiving amateur radio
operator special license plates shall affix such plates only to vehicles

to which they are the titled owner.

The Commissioner shall charge a fee of one dollar in addition to the prescribed cost of state license plates, for each set of license plates issued under the provisions of this section.

"PERMANANTLY INSTALLED" is a bit more than just an HT sitting on the seat all the time.

To my knowledge, I have never heard of anyone being cited for this.

That's what I get for taking the ARRL at face value; Virginia seems
to be the only one with the "permanent" language.

So for the six states mentioned, there is one that requires installation.

This should make you laugh.

Our local 911 center (Tipton County) has gone from one scandal to another in the last couple of years. The amount of inbreeding with respect to staffing is outrageous even by Tennessee standards.

Last year they promoted somebody to director who frankly has no business in the job but isn't slow to tell you how long she's been doing it and that she needs no advice from others.

So I asked her if she was aware that they are required to identify their control point once every thirty minutes of operation.

"I've bene doing this for xx years and that's not out responsibility."

Ummmm, last time I looked the repeater, all of the mobiles and the control point at the ECD are, in fact, their responsibility.

So I said, "no problem" and send in a complaint to the FCC.

Do they begin compliance?

Nope.

I write a followup email to the Atlanta field office and by hell those call letters start getting broadcast on a regular basis until they can budget the modest price of a morse id'er.

If a ham fails to identify they get a letter that requires a response and hints strongly at the notice of proposed liability that will follow if they don't get their ducks in order. This is the third 911 center I've filed a complaint on. Does the FCC even bother checking public safety licensees anymore?

Gee I thought the KGB tells the Democrats what to say or else, and the Democrats do their bidding and define the Republicans with mass disinformation so they will be ashamed of themselves. Meanwhile, The Dems bring about "change" by destroying the economy and proceed to surrender to the UN by apologizing to all countries who hate us, thereby validating and vindicating their hatred and reason for perpetrating violence against US citizens and interests. It's a no-brainer! Dems can accomplish that by blaming GW for everything in order to divert attention from their treason. Remember, these are the people who gave us the UN, backstabbed Chiang Kai-shek and brought us Mao, and excused the Soviet purges and likened the gulags to a cross between "Hudson's Bay Company and TVA". Don't forget the sale of the latest Nuke Weapons technology to China so that soon they will be able to Nuke the US and simply blame it on GW. BTW now that the Department of Homeland Security has been re-purposed to profile and target Christians, law abiding gun owners, people who speak out against "This Historic Election" and returning war veterans, the purges can begin.

Update! Obama has just sent orders for the fed gov't to cut the budget in the departments. Probably to purge the evil conservative America loving

white man from the planet. Get ready to be "normalized". If you have a back yard better start planting your farm so the government can confiscate it for the revolution.

New York is the one who needs taught proper English communication
skills.

No one in any of the 49 other states can understand New York's ham
radio law even when they see it in print.

wrong. The FCC gave the states authority over CB radio, but NOT over
ham radio.

The stupid new york cops cant tell the difference between a CB radio,
a ham radio, and a cell phone.

You yourself said they're all the exacr same thing.

Your posts are proof why authority over any radio , including CB,
should have NEVER been given to locl police an governments.

There have already been such cases in New York.

And if they don't, they will STILL be cited, under federal laws.

So in other words, they're d***** if they do and d***** if they don't.

That is a catch-22 situation which is "entrapment" and is illgeal.

More to the point, why are you continually whining about legal issues

because such laws do not affect only residents.

New York's laws do not affect only residents of new york.

And being fined mney you can't afford, having to pay for court cases
you can't afford, and being put in prison for five years for legally
doing what your state by law rewuires you to do no matter which of the
50 states your veicle is in and doing what the federal government by
law requires you to do is very much a burden.

Anonymous/norman already posted new york law overrules federal law
while the hams and other posters already posted federal law overrules
new york law.

and posted the respective laws.

There's a complete conflict between new york law and federal law
with both claiming they overrule the other one.

Also, not only des my radio recieve the police frequencies, it can
also transmit on the police frequencies. And has not been modified in
any way. It came straight out of the box from the factory like that.
That is because the FCC assigned some of the same frequencies to both
ham and police.

yet the idiot new york cops and the idiot wannabe new york cops
posting in this thread think that a ham radio and a radio capable of
recieving police frequencies are two completely separate things even

though the fcc assigned the same frequencies to both police and ham while thinking that a cb radio, ham radio, and cell phone are all the one and exact same thing as each other.

So they're basically saying that in new york it's against the law for hams to have radios capable of recieving ham frequencies since those frequencies are assigned by the fcc to both ham and police.

Also the threads I read elsewhere by actual cops said you can be pulled over ticketed and finedin new york for illegal plates if you have plates from your state with a design in the middle of your call letters on ham plates since plates with a design in the middle of call leters are illegalin new york, even though that's the only way your state, some states issue them.

State automobile license plate laws only effect state residents.

Transient drivers from other states are not effected.

I doubt you understand the difference between a resident and a transient.

Hmm... that's an interesting legal point, as this device was manufactured before that law came into effect. It is in fact, a VINTAGE illegal CB amplifier.

I know this particular model pretty well because I once had to track down a spur at some wierd VHF frequency that was the result of the finals going into oscillation and causing interference with a broadcast auxiliary channel that a cutstomer of mine was using for remote pick-up.

After a 30-day public discussion and feedback period to gauge reader
opinions in March of 2009:

http://groups.google.com/group/rec.radio.amateur.moderated/browse_thread/thread/d7d337db35
f23326

the rec.radio.amateur.moderated Moderation Team has decided to consider
amending its charter, and permit limited simultaneous crossposting to
rec.radio.amateur.moderated and one other unmoderated
amateur-radio-related discussion newsgroup. We are currently trying
this on a temporary basis (90 days, through early July 2009), and adopt
it permanently if successful.

Approved rec.radio.amateur.* newsgroups are those that are currently
listed in the latest version of the "List of Big Eight Newsgroups" which
is crossposted monthly to news.announce.newgroups, news.groups, and
news.lists.misc.

Approved alt.radio.amateur.* and alt.ham-radio.* newsgroups are those
that have been created consistent with the suggestions in "So You Want
to Create an Alt Newsgroup" at:

http://www.faqs.org/faqs/alt-creation-guide/

Approved regional hierarchy newsgroups are those that contain either
"radio.amateur" or "ham-radio" in their names, including
uk.radio.amateur and aus.radio.amateur.misc.

We will make every reasonable effort to keep our list of approved
newsgroups up-to-date. In case we have overlooked any, and a submission
is rejected in error as a result, the rejected submitter can E-mail us
at our administrative contact address (in the signature at the bottom of
this article, and the default Reply-To for the rejection message)
requesting that it be added, and that the article be approved. We may
still choose to reject articles crossposted to any alt.* newsgroup with
an inappropriate name, including obscene language, embedded
name-calling, or encouragement of unlawful conduct.

Interesting web site.

Yep, the guy sure does some stupid things.

For the last 10 years, most of the mass murderers have posed for similar pictures, making law enforcement take special notice of anyone who does that. He'd better be looking over his shoulder when he goes anywhere, and he'd better be very careful of what he says on the telephone (click, click). I have a feeling that he's being closely watched, especially after the FBI has already paid him a visit or two.

One other thing I should have mentioned: Google Archives contains posts by Todd in which he solicits for murder by offering $5,000 to anyone who will kill Todd's perceived enemies.

Then there is the Tayloville Library episode, for which we only know that the police were on their way to remove Todd when he left on his own. Todd says that he has been banned from the library for life.

Given that kind of background, along with the present deranged photos, there is more than enough reason for law enforcement to intervene. Let's hope that they do.

for what crime?

I agree he was taking a risk suggesting joking or not of offering 5 k
for crows death
> Let's hope that they do.

How about you tell us, Markins? You've always been a whiner when it comes
time to accuse others of comitting crimes. Not that any of your prior
accusations have a nickel worth of merit, but you are good at making up
"laws" as you go along.

I mean...Goddamn! How many times have we heard you whine about allegedly
being "stalked"? You whined about alleged attacks on your ISP by a fictitous
DeLorean, you whined that Roger was sending you magazine subscriptions and
making hang-up phone calls, you whined that somebody allegedly "stole" your
credit card information, "stole" your blog...and you went on and on. You
were the biggest crybaby in this group for a couple years.
Then you flooded this group with hundreds of daily nincompoop one-liners
while stupidly claiming that you were "defending" yourself. Then, and this
is a hoot...when the users complained about your imbicile floods, you whined
that you were again being "stlaked"...your spelling.
Oh, and let us not forget that you also whined about others hijacking the

topics of the threads...while you were the biggest violator of all.

You suffer from some very serious mental issues as can plainly be seen by everybody but you. Everybody's out of step but you, huh?

Oh, and I won't even begin to touch on your numerous lies. Those are self evident. Three Masters degrees? Sure...but you won't name ONE college you attended.(meanwhile you challenge posters to use their names and calls, calling them cowards) And your silly claim that you are a Geophysicist and worked with a world-renowned man who is an expert in this field?
Yeah...until you got shot down on that false claim by a REAL Geophysicist who actually DID work with the man and got taken to task for your lies. I noticed that you shut your mouth about this and never broached the topic again. You slunk away, embarassed, but many of us remember it. You literally got caught with your pants down on that one. I guess you figured that the odds of being caught in this lie were nil...but who'd have ever figured that of the few users in this group, one of them actually knew and worked with the Scientist?

So also goes your claim to have been in the Army. Let's see. You have claimed to have been "drafted" into the National Guard, which is a volunteer organization. Then you claimed that you were "drafted" as a Colonel, (Full Bird or Light?) later backing away from that claim and "demoted" yourself to a Lieutentant. (First or Second?) And the icing on the cake, so to speak, was when you unashamedly told us that you entered the Military under an assumed name and that the CIA or the Govt., it changed weekly, allowed you to serve under an assumed identity. Nice tale! G. Gordon Liddy you ain't!

And your claims that the Govt. wanted you to "lead men into battle" was another of your many fantasies. Recall what you said? And I quote, "no they want to do soemthing I have never done before lead men in
battle "
You couldn't lead anybody to the latrine, much less find it.

So it now seems that your entire life is nothing but a laughable fantasy, a work of fiction. A comic book lie.

You and Daffy Duck have a lot in common.

So is your fucking whining. You do look like Peter Griffin from

Unfortunately for you, no one other than I has noticed your copycat gun photo. Guess they really don't care about what you do and find Todd to be much more interesting. They obviously aren't reading your confusing array of blogs.

Maybe you didn't hear; Dad passed away five years ago. Thanks for asking.

Oh, yeah the old pedophile priest died.

I didn't know him. Was he a friend of yours?

I'd think the clueless guy would know that a post script goes at the end
of a letter or note.

So you maintain that you left your wife and that she didn't leave you?
That is at odds with other accounts.

I've never married a whore, Roger. Do your fantasies of prostitution
have anything to do with your marital status?

You belong in a rubber room.

If Mark does answer, he will hijack the topic line. Most of us ignore those.

I see that nobody has bothered with Mark's icon sized photo of him holding
what looks to be a pistol.
Todd, on the other hand, garnered a LOT of response for a similar and much
larger photo.
Mark was obviously jealous over the attention paid to Todd and decided to
try a copycat photo to see if he, Mark, could get a little bit of attention,
too.

Sorry, Markins...Todd bested you on this one.

Try again next year.

Some of the more notable comments Roger has made about Stenger, who we all know as Chief of Police Norm Stenger of the Glendale, WV Police Department are below.
Rubber room? Yes, indeed. Roger should have been in one of those years before now. It is far too late, however, for he has so severely damaged the soft tissue in what remains of his head that all that remains is a mix of fermenting dead, malodorous cellular mush.
....
That bald fatass will have plenty of spare time once he gets voted off his city council seat. He isn't very well liked in Glen Dale for his corruption from what I hear.

He didn't have to call them to begin with. Anyways, my health care provider covers the ambulance services. Does yours?

Yeah, old Billy likes to go down on Chief Pig Vomit of the Glen Dale, West Virginny PD

No, they are the Glendale equivilent of the Brokeback mountain cops, they only suck each other off.

Why does your gay lover Stenger the corrupt policeman want to hear about your stalking again?

He's busy sucking off his younger policemen, since Stenger is a homosexual!

Nope Davey, you are wrong on all counts.... but Normy is a queer just like a couple of his officers.

Sargent "Pee Wee" Vogler and Chief Stenger are gay lovers. That's how Pee Wee got his Sargent stripes

I won't bother contacting Google about Mark. He is not worth the effort.

What I WILL do is to ignore any hijacked threads that Mark posts. I don't
read them.
I won't read them.
Why give the mentally bereft goon the satisfaction?
He is simply not worth the effort.

I have to wonder what Chief Stenger would think should someone send Roger's comments to him?

My bet is that Chief Stenger might not take too kindly to Roger's nasty posts.

Woger (not "Roger" - who's that?) is well known to the Chief in all respects. That's why Woger has been written off as mentally challenged and basically harmless. Anyone who hides from a 110 lb woman knocking on his front door can't be much of a threat to anyone, except perhaps to himself.

At least Woger has found gainful employment at long last. I'm told that A-1 Septic Tank Cleaners of Glendale is very happy with his work.

But Roger has not only denied this "visit" but he has had, to date, three different versions of how it came to be. Or never happened, according to him.
I can't recall the exact chronology of Roger's denials, but they went something like this.

He stated that he was not going to answer the door after seeing the Heils on his porch. That was his first story.

He then, two days later, posted that he was not home and that his 'girlfrfiend' was alone in the house whilst he, Roger, was out at a local store. This was his second story. (do blowup dolls have feelings?)

Then he changed his tale for a third time, claiming that the Heils were never at his house and that Mr Heil was lying about ever having been there.

What put Roger's lies in the open was when Mr. Heil posted a couple digital photos that he, Mr Heil, took of the street signs near Roger's house and also of Roger's abode. It was quite apparent the Mr Heil had indeed been to Roger's house...even up to and including a description of a Celtic symbol that Roger had on his front door.

Suddenly, and with that post of the photos, Roger became enraged and threatened a lawsuit. For a guy who used to love to post names and addresses (many of which were false) of his adverseries on the Web, when the shoe was on the other foot, Roger went into paroxyisms of outright anger. Damn! How that shoe pinched when it was on Roger's foot, eh?
All of a sudden, Roger's practice of posting child porn ads on the Web under Lloyd Davies' name came to a screeching halt.
I saw it as poetic justice.

After realizing that he, Roger, had no legal recourse, he went spastic and proceeded, and still proceeds, to post filth-laden diatribes about Mr Heil and Mrs Heil.

And get this! Roger now denies that the Heils ever visited his home. But we know better.

Roger's unoriginal posts are easily discerned. He laces them with the usual tired filth that is his earmark. Once you read one of Roger's posts, you have read them all. It is kinda like stepping in a cow pattie. Once you get the smell on your shoe you never forget it and stepping in "patties" later on are just as nasty and malodorous, but amounts to nothing more than the same old shit.

Same old blame bullshit like global warming, air pollution, etc., Delta Airlines doesn't pollute the air, your Yugo does.

Wrong again, fatass. Normy's gay lover Randy is leaving for the

I'm sorry, but your terrible punctuation distracts one from your prose. For example, in the U.S. the convention is to put a comma before the closing quote instead of following it (i.e. "woger," instead of "woger",).

As M. Morgan, Esq. has said: "when you use gramaur badly it spoils the effect for anyone inteligent [sic]." The same applies to punctuation.

Please be more perspicacious next time, Woger. After all, this is RRAP.

You are a stupid fuck aren't you?

1. In which case is publishing private email illegal? The only
case where it could even be conceivably construed as

illegal is when the email is obtained via illegal means, in
which case, publishing the email is not the illegal part, obtaining
it is. It is morons like you which are trying to prevent the rest of
us from exercising our right to free speech.

2. I don't think Joel has any preconceived notions of who you are,
but he probably knows WHAT you are (see above)

3. Why would you figure anyone in here cares what the
opinion of "non-hacking" newsgroups is of cotse? If their opinion
of cotse is so low, why don't they just make a kill filter to filter
out all of the posts originating from cotse. It's really easy, and
it's free!
Maybe, if you are a little nicer to Steve, he may explain to you how
to make a kill filter, and then you can tell all your stooges how to
block cotse posts. Then you will really be their hero!

4. Why should Steve do a "damned thing"? You have demonstarted
time and again that you have not read their TOS policies. Until you
do,
you had best keep your petty foolishness and criticisms of cotse to
yourself. Of course, since we live in a free society which allows free
speech and all, you can say what you like, but every time you do, you
just look stupider than the last time you opened your mouth to shit.

5. Steve has repeatedly stated in this group (and probably others),
and,
just in case you haven't read their TOS (I know you haven't), that he
will promptly comply with any and all valid court orders for his logs
should
the need arise. Cotse is only providing a service to facilitate free
speech
on the internet. How people decide to exercise that right is of no
consequence to cotse outside the scope of their TOS. Thus, if you
see any illegal activity being spawned from cotse, I suggest you
immediately contact authorities to subpoena cotse's logs, lest you
should
find yourself an accessory to a crime or party to a lawsuit.

There is a big difference between unwilling and unable. Only these
hordes of people getting sexually harassed by this poster with the
supernatural ability to will them to read his posts can stop it. It
is
called "subpoena logs and legally pursue the user in the proper
forum",
but we have been through this before.

There is also another option, convince some LE that these posts are
against the law, we'll work with LE in legal issues. But, of course

you
always have your preferred option, whine in the newsgroups about it.

Yet, that "person" is not Roger's ex-wife, even though she has the

have heard (speculation) is like everything else in your thinking
"processes", faulty.

Only your squeaky voice and your sock puppets have said so, not quite

health as well. Not just the ones you claim are from Roger.

Good luck with that, fatass. You see all kinds of thoughts on the

would want to take away from all others who don't agree with you.

Ah, yes, you use an out of context bible quote from an ex-Roman who
murdered many Xtians, and probably lost his hair at an early age.
Perhaps since it was written for those in the 1st Century and not the
21st, you should really get in step with the times.

http://en.wikipedia.org/wiki/Long_Hair

Men in Old Testament times often would go for long periods of time
without cutting their hair to show devotion to God. They were called
Nazirites.[15] Samson is one example; his strength depended upon his
refraining from cutting his hair.[8] The New Testament, however, says,
"Doth not even nature itself teach you, that, if a man have long hair,
it is a shame unto him? But if a woman have long hair, it is a glory
to her: for her hair is given her for a covering."[5] The statement
was given in a time when hairstyles were changing from what was
considered to be a normal (and longer) length, to a short-cropped
haircut. Short-cropped hair and a shaven face was a pagan tradition
that grew from the expansion of Rome. Paul may have gotten the idea
because he was Roman, since there is no law elsewhere in the Bible
teaching that long hair is a shame (with the exception of unkempt hair
styles). There are even references in the Bible where having no hair,
baldness, or a shaven beard is a shame.[16][17]

Maybe that's a Good Thing <tm>, because it keeps you from talking about

was exposed, Yahoo deleted the profile.

Ah, yes, you use an out of context bible quote from an ex-Roman who
murdered many Xtians, and probably lost his hair at an early age.
Perhaps since it was written for those in the 1st Century and not the
21st, you should really get in step with the times.

http://en.wikipedia.org/wiki/Long_Hair

Men in Old Testament times often would go for long periods of time
without cutting their hair to show devotion to God. They were called
Nazirites.[15] Samson is one example; his strength depended upon his
refraining from cutting his hair.[8] The New Testament, however,
says,
"Doth not even nature itself teach you, that, if a man have long
hair,
it is a shame unto him? But if a woman have long hair, it is a glory
to her: for her hair is given her for a covering."[5] The statement
was given in a time when hairstyles were changing from what was
considered to be a normal (and longer) length, to a short-cropped
haircut. Short-cropped hair and a shaven face was a pagan tradition
that grew from the expansion of Rome. Paul may have gotten the idea
because he was Roman, since there is no law elsewhere in the Bible
teaching that long hair is a shame (with the exception of unkempt
hair
styles). There are even references in the Bible where having no hair,
baldness, or a shaven beard is a shame.[16][17]

5 ^ a b KJV 1 Corinthian 11. 14-15

8 ^ a b Judges 13-16
15 ^ Num. 6: 5, 18-19
17 ^ ex.2nd Sam;10:4-5, Judges; 16:19, 2nd Sam 10:4, Lev 21:5, Is
22:12, prov 16:31, S of S 5:11, Is 3:24, Hos 7:9

{end restore, I know how that frustrates Saggytits to no end]

Thanks for admitting that you have no hair, , stupid. Apparently,
you are jealous
since you have almost lost all of yours. Get some Rogaine, BALDY.
And quoting Marqueer Morgan of all people, you are really desperate,
Saggytits.

[end restore]

> There goes {"I'm not losing most my hair, really I'm not"]

There goes Saggytits' paranoia about his hair loss again, why are you
so frightened of people with hair, Baldy?

You can't afford Rogaine or Hair Club for Women, Saggytits?

Here's a poem that might help you through your hair loss:

Hair Poem--George Carlin

I'm aware some stare at my hair.
In fact, to be fair,
Some really despair of my hair.
But I don't care,
Cause they're not aware,
Nor are they debonair.

In fact, they're just square.

They see hair down to there,
Say, "Beware" and go off on a tear!
I say, "No fair!"
A head that's bare is really nowhere.
So be like a bear, be fair with your hair!
Show it you care.
Wear it to there.
Or to there.
Or to there, if you dare!

My wife bought some hair at a fair, to use as a spare.
Did I care?
Au contraire!
Spare hair is fair!
In fact, hair can be rare.
Fred Astaire got no hair,
Nor does a chair,
Nor nor a chocolate éclair,
And where is the hair on a pear?
Nowhere, Mon frere!

So now that I've shared this affair of the hair,
I'm going to repair to my lair and use Nair, do you care?

There is a big difference between unwilling and unable. Only these
hordes of people getting sexually harassed by this poster with the
supernatural ability to will them to read his posts can stop it. It
is
called "subpoena logs and legally pursue the user in the proper
forum",
but we have been through this before.

There is also another option, convince some LE that these posts are
against the law, we'll work with LE in legal issues. But, of course
you
always have your preferred option, whine in the newsgroups about it.

No lie. You can be seen brandishing a sword and a pistol at

If Mrs. Wiseman, the EX Mrs. Wiseman is available, we at the National Enquiry would like to hear her story of how she came to divorce Roger Wiseman and why she did so.
We would be interested in learning why she left Roger Wiseman and why she walked out on him.

The Enquiry is currently delving into Roger's tax records, divorce records, and his history with his local law enfrocement agencies.

Chief Norman Stenger, Glendale, WV, Chief of Police has already provided the National Enquiry with no small amount of information regarding Roger L. Wiseman.

Mister Wiseman's neighbors are also a willing source and have been cooperating fully with our investigations.

More information to follow...

Also, why publish photos of yourself brandishing a sword and a pistol on your free web site provided by blogspot.com? That is arguably against their ToS regarding hate and violence.

That's the same site where you posted a lie about shooting and wounding a local teenager. Truly, you are a dangerous nut who ought to be incarcerated.

His weirdness over people's hair is as peculiar as his fixation on
homosexual acts, pedophilia and bestiality. He brings those things up

In my encounter with Rog, he was sporting a Pompadour look--hair combed
pretty much straight back. His breath smelled like mothballs.

Roger began writing that I'm balding. I'm sixty and still have a full

While I don't know this person, Roger, on a first name basis, I feel that I
can draw a fairly accurate synopsis of what he must be like.
1. I would NOT want my kids to be anywhere near him.
2. Roger is an accomplished liar. I've seen ample proof of that. We all
have.
3. Mr Wiseman openly displays his obvious mental issues with his
second-grade level use of wanton profanity.

I recall the words of a sage who said that "Profanity is the effort of a
feeble mind to express itself."
If this is so, and I believe that it is, Mr. Wiseman is quite obvously
working overtime.

And in closing, Mr. Heil, I have noted that Roger's posts all exhibit the
same tenor...filth interlaced with repetitious filth.
Roger quite obviously lacks writing skills...and coupled with his limited,

tho tawdry, vocabulary...

Well....he is not the brighest bulb in the lamp.

If you never made that claim, how do you explain your own blog entry
at http://khkb9rqz.blogspot.com/2008/07/well-violence-resumes.html?

The answer is that you lie automatically without thinking abou it, and
that you have been caught lying again.

You have proven no such thing; you have merely asserted it.

The web site http://www.ve7kfm.com claims the opposite and claims to have obtained public records about a past incarceration of yours. If they're lying, why don't you sue them?

The Chief will probably be looking in on you soon, Woger.

He knows about your mental problems and is concerned you might do harm to yourself.

He said, "I wouldn't be at all surprised to go out there and find Roger hanging from a rope".

My suggestion? Don't opt for a rope, Roger. Jump in the Ohio river instead. After all...what is one more turd in that river anyway?

If you click on the link http://www.ve7kfm.com, you will be TAKEN
THERE! And yet your insanity makes you claim that it doesn't exist.

So you deny the claims of shooting a teenager that you posted on your
own web site, and then you follow that up by saying that www.ve7kfkm.com
doesn't exist. How "special".

People need to go to ve7kfm.com and click on the Mark Morgan link.
There they will see Morgan's public information.

Aww, did it hurt your widdle feelings, you fucking coksucker?

And in the first year after the three years of the reign of the king
of knob jobs in alabama as nimbuster of the year there came a long
period where the king of knob jobs in alabama was not at the center of
attention. And this was disconcerting with Porky because he was busy
with serving soup at the mission and knew it was time to step back
from actually having a real job for a while. And many storms came into
the Gulf of Mexico, and devastated many areas of the gulf coast and
cleansed them of filthy niggers once again, for they were in need of
cleansing. Unfortunately, the storms missed the filthy city of Athens,
Alabama. But when his superiors looked upon the king of knob jobs in
Alabama and the sad state of that filthy redneck state, his superiors
laughed at the Tubby One. But the king of knob jobs in alabama
continued to serve soup and suck off winos much to the dismay of his
parents who wish they had exercisised some form of birth control. And
then one sabbath morning the king of knob jobs in alabama rose and
turned on NIMBusters and lo and behold there was a post which struck
the king to stop sucking off the wino. And as he stared his advisers
the slobbovians and dicklicks rushed to his side. And when they looked
at it grins rushed to their face, and their faces became red from so
much laughter, and some reached for their handkerchiefs to wipe the
tears away from their laughing faces, out of reflex, for these were
intelligent people unlike the king of knob jobs in alabama and they

derided his feeble efforts to rally them. And when the king looked at NIMBusters he saw an image of a person soiling them selves in an emission from their rear area, and the emission looked like curry, and it flowed from their nether areas like a sea of curry onto their face below and it looked good. The king of knob jobs in alabama thought he would like to try curry as he was tired of soup everyday. And their were words underneath asking the king of knob jobs in alabama if he liked soup and calling the king 'fatty'. And the king stood and said "I only weigh 290 Lbs. Then the king of knob jobs in alabama took to eating his way through the entire soup kitchen. The inbred hillbilly from 'Bamy then sat and cried as he pounded his flabby fists on the chipped scarred counter top of the soup kitchen in frustration. And when all was said and done, the king of knob jobs in alabama was still pathetic and still a virgin.

To pass this test, submit five dollars and two KFC boxtops.

And answer these, true or false.

Them there little electron thingies run up and down wires both ways for Alternating Current. They only go one way for Direct Current.

Those little electron things get light bulbs all excited and make the wire element glow. If you unscrew the bulb the electron thingies have nowhere to go and the light bulb done goes out and your chickens are left in the dark.

One wire carries the little electrons from a fuse box and the other wire takes them back to the fuse box. If you touch the wires together the electron thingies get excited and make sparks. This can ketch yer hog pen on fire if you ain't careful.

AC/DC is two different sexes. One likes wimmen and t'other likes sheep.

Congratulatons! You are now a licensed electrician in the State of West Virginia.

Wrong again, Lardass.
The Test Fee is $50.00.

The exam consists of 50 questions on the National Electric Code and 6 calculations for the Journeyman level, which is what Roger holds. Oh, and it expires June 30 of each year, not in May as you tried to pass off as part of your ignorance earlier.The renewal fee is $50 per year, as well. Journeyman level can supervise up to 3 apprentices on the job site.

They are even now plotting behind your back, because they are angry
over the fact that you take their unborn young from them when you
steal their eggs. You even eat their unborn young and that makes them
angrier. How would you like it if things were reversed? Chickens

Stow it, UnWiseman. Radio amateurs who've encountered you, people in
your town who know you and area radio amateurs who know of you tend to
agree that there is something very wrong with you.

You're a classic sociopath. You are incapable of understanding normal

Agreed, I entered into this "conversation" at the very end but, correct me
if I am wrong.

From all outward appearences it seems as though Mr Wiseman knows a very
great deal about prostitutes, both male AND female. He seems to be The
Authority herein.
So with this in mind, I would like Roger to tell us the difference between a
fifty dollar, red-haired blow-up doll and one of his ten dollar blow-up and
overused Ken dolls.

This is, of course, if Roger can construct a single sentence sans profanity.

Before you go any further, Jack, you should be aware that kb9rqz has a severe communications problem. Several years ago, he dropped his keyboard on the floor, and most of the keys popped off. He replaced them as well as he could, but many are in the wrong places, and now his touch typing results in gibberish. For example, he swapped the "h" and the "k" keys, and now he types "kelp" instead of "help."

Mark can't afford a new keyboard, because his wife won't give him the money, and she's the only person in his family who earns any income. As a result, we'll have to put up with his gibberish indefinitely.

It's best to go ahead and killfile him and forget him.

He's a mentally retarded fellow up in Michigan who has been posting gibberish on these groups for years.

His mental age is only about 7 or 8, so needless to say he barely comprehends what he reads, and his responses have never made any sense.

He receives some sort of state aid for his mental disablity, which his family apprently invested in a computer to keep him amused. Not sure how or when he stumbled on usenet, but he has been a real plague in several newsgroups for a very long time.

After a 30-day public discussion and feedback period to gauge reader
opinions in March of 2009:

http://groups.google.com/group/rec.radio.amateur.moderated/browse_thread/thread/d7d337db35
f23326

the rec.radio.amateur.moderated Moderation Team has decided to consider
amending its charter, and permit limited simultaneous crossposting to
rec.radio.amateur.moderated and one other unmoderated
amateur-radio-related discussion newsgroup. We are currently trying
this on a temporary basis (90 days, through early July 2009), and adopt
it permanently if successful.

Approved rec.radio.amateur.* newsgroups are those that are currently
listed in the latest version of the "List of Big Eight Newsgroups" which
is crossposted monthly to news.announce.newgroups, news.groups, and
news.lists.misc.

Approved alt.radio.amateur.* and alt.ham-radio.* newsgroups are those
that have been created consistent with the suggestions in "So You Want
to Create an Alt Newsgroup" at:

http://www.faqs.org/faqs/alt-creation-guide/

Approved regional hierarchy newsgroups are those that contain either
"radio.amateur" or "ham-radio" in their names, including
uk.radio.amateur and aus.radio.amateur.misc.

We will make every reasonable effort to keep our list of approved
newsgroups up-to-date. In case we have overlooked any, and a submission
is rejected in error as a result, the rejected submitter can E-mail us
at our administrative contact address (in the signature at the bottom of
this article, and the default Reply-To for the rejection message)
requesting that it be added, and that the article be approved. We may
still choose to reject articles crossposted to any alt.* newsgroup with
an inappropriate name, including obscene language, embedded
name-calling, or encouragement of unlawful conduct.

In light of the sentencing of Phil Specter, ClearChannel has annnounced the banning of all music produced before 1994.

"We don't want to offend anyone," a company spokesman said. "Good engineering and mixing practices are politically incorrect now."

All classic rock, oldies, classical, jazz, alternative, and 80s stations will soon be converted to rap and pop.

A coalition is forming to protest the ban. Called "West & Timberlake Fighters" (WTF), it consists of disco re-enacters, Elvis impersonators, truckers, CB operators, heavy metal fans, key-tar players, male Cher impersonators, and more.

The WTF Coalition is going to protest at ClearChannel Corporate Headquarters this Friday. Various musicians, including Survivor, Diana Ross, and Paul McCartney, will be there to fight the ban.

Lloyd regularly posts here. Under sockpuppets like you do, Paulie.
Jack, Saggytits Lee here is anti freedom of speech, and anti-American.

That's because you lisp from sucking black cocks. Paulie did a stint
in the Omaha jail.

Yes, Shemale Lee tried to whine to many ISP's to get Roger taken off
the internet, his preferred option.
Yes, and Shemale Lee was run out of alt.2600.
Saggytits Lee makes statements without any substantiation, such as
trying to say Eric Clapton wrote "Layla" about another ham's wife
instead of Pattie Boyd Harrison, or that a website in Marshall County,
Alabama, is the ARES website for the Marshall County, West Virginia
ARES group.

He even complained to the owner of COTSE, but here was the response:

There is a big difference between unwilling and unable. Only these
hordes of people getting sexually harassed by this poster with the
supernatural ability to will them to read his posts can stop it. It
is
called "subpoena logs and legally pursue the user in the proper
forum",
but we have been through this before.

There is also another option, convince some LE that these posts are
against the law, we'll work with LE in legal issues. But, of course
you
always have your preferred option, whine in the newsgroups about it.

"Sounds?" Posts make sounds? Written medium makes sounds? <snicker>
Seems like you should've opted for a real college instead of using
that mail order one from Popular Bluff, Missouri.
But then, your G.P.A. from the Vo-Tech in Indiana probably didn't met

okay, which one of you bozos did this. Being interested in radio, we all know what really happened here. But here's what you bozos have the general public thinking.:

"As usual, the long work day was coming to an end and I was dutifully putting the last load of laundered clothes away in our bedroom when I heard a ruckus on the baby monitor just a few feet away from me. I thought it strange when I knew my husband and toddler were both in the living room quietly watching TV as my two-year-old drifted silently off to sleep curled in my husband's lap as he caught the evening news. The bedroom door was straight in front of me and I could see all the way down the hall to my husband and son in the Lazyboy chair as this ruckus over the monitor continued.

It didn't take long for me to realize the sounds were very familiar. Earlier in the day, I was in my toddler's bedroom putting a load of folded clothes into the drawers and picked up some stray toys and books that weren't being played with at the time. As I was doing so, I was telling my son about the story of "Jack and The Beanstalk" for the first time.

Now I stood in disbelief as I heard the drawers being pulled open and shut and rustling of the toys and books being put into their proper places. But I nearly fainted when I heard my son's voice over the monitor! I kept looking back and forth at my husband and now-sleeping son in the chair in the living room and the monitor sitting on my dresser that was literally replaying the specific events from earlier in the day!

The monitor is a standard baby monitor bought from Wal-mart and is NOT a recorder, but instead monitors the sounds coming from the room as they are happening at present time only. I listened as my voice retold the story of "Jack and The Beanstalk" and listened with familiarity as my son responded in baby-talk to the tail he had never heard before. The incredible part was this all happened five hours earlier on the same day!

I quickly called my husband into the room as he listened to the last part of the story with my voice coming through the monitor and our sons coos and chuckles. He stood stunned and turned his head and looked at our sleeping son flopped peacefully over his shoulder. In disbelief, he asked, "How in the hell...?!" as his voice drifted off trying not to miss a thing. I just stared at him in the same disbelief and we both just shook our heads.

This has never happened before or since and became pretty clear from the beginning that we were listening to some kind of warp in time. I never imagined in a million years that I would be witness to it and must admit, if it should happen to you, it is indeed, one of the most incredible moments one can ever experience!"

Why don't you and Saggytits Lee suck my flea infested vagina?

If a licensed amateur gets into a QSO with a station he believes to be operating illegally (for example, operating without a license or under a fraudulent ID), isn't it against the law for him to continue the QSO?

I can't seem to find a specific Part 97 paragraph which prohibits communicating with an illegal station, although memory seems to indicate that there was once such a paragraph in the rules. Thanks in advance for any pointers.

97.111 Authorized Transmissions.

It would seem to be that what you describe specifically does not fit a)1, so it doesn't pass those tests.

I didn't find where what you describe is "specifically prohibited" as in 97.113 or "elsewhere..." but I would expect that if you are being recorded along with the unauthorized station, you are assisting that problem. It might cost you a great deal to fly out to Washington and hire a proper lawyer for his opinion though.

Now look to 97.115 Third Party. a)2 and all of b) which implies that you take the full responsibility for what the 3rd party is doing.

You can conduct one way transmision to try and refine your suspousion

a Not I have from RH allowed me to say talk to a station that I b
elived to be inocently and unknowly break breaking to rules to help go
legit (I have talked to someone wth a cb converted for 10 meter use to
explain what likely happen and how to obtain a license and explain he
needs one to use the unit

OTOH "belives" is not enforceable in real terms

That section seems to say that, if you aren't talking to a licensed
amateur station, or to a specifically exempted emergency station, you
are operating illegally. It's not as clear cut, but it was all I could
find too.

Interesting. My question was prompted by a QSO in which one of the
parties was using the call of a silent key. I couldn't think of any way
that the contact could have been legal (the SK obviously couldn't act as
a control op or give any other licensed operator permission to use his
station, and that got me to wondering about the legalities).

The person using the SK's call would be the one I'd like to see
disciplined, because he's the real culprit. That'll never happen
though.

Thanks for your followup.

I remember once answering a CQ from a station using my call sign. I
didn't give my call sign until I had a "nice chat" then signed over

What is a "steroid hominy attack?" Sounds ominously vegan.

Nope. He's just smart to do what the U.S. Government itself has
suggested and remain anonymous. According to http://www.onguardonline.gov,
anyone who makes personal information available on the Internet is
simply being foolish these days. Recommended safety precautions include
using a nym while on line.

Unfortunately, that message was listed repeatedly by news servers outside
of AT&T, and it appeared in most newsgroups on those servers.
Apparently, lots of servers ignore the "Distribution:" header these
days.

Most people are going to pay $5 or $6 per month to a third party Usenet
server and keep on going. See the dslreports thread, for exapmle, at

http://www.dslreports.com/forum/r22516071-Services-ATT-Usenet-Netnews-Service-Shutting-Dow
n

for some additional info. Finding a new ISP will probably only delay
the problem, because most of the majors are dropping Usenet entirely,
now that they have already dropped the binary newsgroups in response to
threats by the AG for the State of New York, among others.

My take is that Usenet has been replaced by the web, and there's no
going back to the good old days when Usenet was important. It's an
Internet backwater now for all intents and purposes, and most Internet
users don't even know it exists.

I'll bet that he's never been chased out of his state by pro-coder terrorists who later burned his former home to the ground. See

Mark C. Morgan of 17366 North River Road, Tapiola, Michigan describes himself as a "kinky bisexual, into bondage, domination, and sado-masochism." As indicated in the CCRAA club newsletter, Morgan was impeached by members of the CCRAA radio club, in the summer of 2008. His impeachment was partly a result of the fact that he falsely accused seven men of child pandering and partly due to the fact that his actions brought disrepute onto the club.

Mark Morgan is under investigation for identity theft related to the unauthorized use of another man's name and email address. Information related to the incident was posted on the website on February 13 at 1:15 AM. Morgan has continuously posted false and defamatory information about various individuals for a number of years.

On February 13, it was also reported that nine (9) accounts used by Morgan to flood multiple newsgroups with annoyance messages had been removed for terms of service (TOS) violations.

Amazingly, after falsely reporting an individual for child sex pandering last year, Mark Morgan has now stolen the email address of the same FCC licensee, and, as of 10 AM eastern time on 2/13/09, Morgan had already posted 308 fraudulent messages. Here is a link to the fraudulent profile created by Mark Morgan, KB9RQZ. The FBI and Law enforcement agencies in Michigan have been notified about this latest act of fraud perpetrated by Mark Morgan.

During the period prior to Morgan being impeached by the CCRAA radio club, the turbulence resulting from Morgan's fraud, malicious acts, and false accusations were acknowledged by club members to have cast a bad light on the organization. According to the club leadership: When Morgan began posting statements about the club on his private blog, leading to the possibility of the club being involved in a nasty civil suit, club members realized their mistake in electing him. After a short tenure as a club officer, Morgan was impeached by a margin of 11:1. Morgan's own vote was the only vote in his favor.

Like his friend Karol Madera, Morgan has a long history of involvement with the police, and the mental health industry. Law enforcement officials in Michigan have stated that Morgan was transported for psychiatric examination in 2004, to a hospital in Marquette, Michigan, under supervision of Sheriff's Deputies.

Morgan calls himself an ally of Karol Madera, VE7KFM.

In collusion with Madera, Morgan made malicious and false reports of child pandering to child protective service agencies, against 7 different men, in 7 different states.

Morgan was banned from qrz.com and hamisland.com for posting defamation about various individuals. Morgan has admitted he uses Google services (blogspot) to manage at least 3 defamatory blogs, using material fabricated by Karol Madera.

Morgan creates multiple identities, enabling him to flood the usenet service with thousands of nonsensical messages, in retaliation against those who have revealed his many lies and fabrications over the past 10 years. At last count, Morgan had posted well over 200,000 meaningless posts, using just a few of these multiple identities. Morgan admits he has

rendered the service useless, citing "self defense." The removal of one of the many identities used by KB9RQZ on usenet is a victory in the effort to reduce the incessant flood of posts made by Morgan in an effort to deny others the ability to enjoy the usenet service.

Quotable Quotes ~ by Mark Morgan, KB9RQZ

On reporting 7 men for child sex crimes:

"likewise you can prove I made a charge , you can't prove it was flase and malicious you would have to prove that I did not suspect you, indeed if I am mental ill as you suggest in post 2 then your task becomes even harder, since if I am nuts who knows what I believe"

"if you try and stop me either nothing will happen , or I will never even notice the effort or if you manage to inconvence my exercise of my rights I will look into what price I can extract from you."

"you also provoked mater by insisting your had the right to control who responded to your posts in RRAP"

"I made no flase report to CPS (child protective services) indeed you don't what a fasle report is it seems since I did and do and in fact I am more convinced than ever that you are likely the offer of the note claimignt o be willing to rent me the sexual service of that 9 yo but in any event I started nothing with you YOU started thing remeber you insisted I hated Ham radio because I said its response to Katrina could be imporved"

"when you atack me you invite response the only question is wether you have the gut to allow the reponse"

KB9RQZ, on shooting a teenaged boy (according to Houghton County Sheriff's Department, it never happened)

"at about 6:35 this morning I was awakened not by the expected return of my wife form the renfaire but the sound of motors. the motors belong to an ATV that had managed to get a rope onto my tower (30 foot wooden structure and was puling the tower down. O got sever round with the shotgun did not score a good hit but but the cops found blood on the treea dn the trails lead back to n rover river road after a bit where it stop and free tire marks (looks like one of the pickups that carry atv's around here).

the rope parted and no real damage to the anttenas was done although my masting needs work to make it stable again. have had loads of fun with the cops over the matter. I wonder what poor kid (I could see he was not more than say 16 ish) the nutjobs conned into making the attack and with what lie. sad realy."

February 2009 ~ Yet Another KB9RQZ Identity Banned from Google Groups

Another of the email adresses (kb9rqz@yahoo.com) used by Mark Morgan of Chassell, MI to flood usenet with thousands of nonsensical, useless messages, has been banned by Google groups for numerous violations of Google's terms of use, which include efforts to defame, abuse, harass, stalk, threaten or otherwise violate the legal rights (such as rights of privacy and publicity) of others; posting inappropriate, defamatory, infringing, obscene, or unlawful Content, and; restricting and inhibiting other users from using and enjoying the Service, through repeated flooding, spamming, and changing of thread titles.

The following is a repost about Morgan, made on Daniel Jeswald's blog, attributed to Steven Robeson:

Mark Morgan, KB9RQZ, is a very disturbed, admittedly deviant, and dishonest person who has been harrassing Amateur Radio operators and disrupting radio, and other forums, since at least 1997.

As part of his on-going fusillade, he has, at various times, insisted that he's a "colonel" in the US Army "chemical corps," further insisting that he's been "drafted," and further insisting that he was not allowed to "resign."

Never mind that he was only 8 years old when the draft was stopped in the 70's! He's since recanted the "Colonel" claim, saying he was only a Lieutenant, then claiming he was only a Sergeant at discharge -- under another name that the CIA knows about -- and approved.

Oh, and he was kicked out of the service due to his "nerves" according to Mr. Morgan. However, the HCSD and MSP both have him on record as being transported to Marquette General Hospital in 2004, due to "involuntary commitment for psychiatric evaluation."

Mr. Morgan has perpetuated a smear campaign against other members of various forums, going as far as post-editing comments, forging posts, and even trying to make "complaints" to the Civil Air Patrol Inspector General Corps and the FCC, etc., about perceived slights that have nothing to do with CAP or anything with any bearing on reality.

Recently, Morgan reported 7 different men to Child Protective Services in 7 different states. All this, because he has allied himself with yet another lunatic in Canada, known as Karol Madera, VE7KFM, who is as bad, or worse, than Mark Morgan.

This behavior is nothing more than an attempt by Morgan to "silence" those who would expose his foolishness and who refuse to tolerate his dishonesty in public forums.

Mr. Morgan has admitted to various acts of perversion and deceit, going as far as bragging about his use of lying, and his belief that deceit should be proactively taught to children as part of their upbringing. He describes himself as a kinky, bisexual, rabbi, who is into bondage, domination, and sado-masochism. He's been banned from almost every polite radio forum on the internet, but he still spams usenet groups, nearly every day, with nonsensical messages and libel.

Mr. Morgan has even gone as far as to create multiple screen names with which to spam usenet and other forums, including one screen name that invokes the name of my deceased daughter in order to perpetuate his demented "point of view".

Be aware. Be informed. Mark C. Morgan is NOT a person of reputable character, nor does he have an honest nature. In fact, not only was he transported to Marquette General Hospital for psychiatric evaluation and treatment in 2004, but he has a long history of similar treatment and harassment of others by various devious and underhanded means.

Mark Morgan has been investigated for the abuse of his elderly father, and for making false sos calls, as recently as December, 2008. There have even been rumors that Mark Morgan stole money from his elderly father, in order to move to Michigan, to avoid prosecution there, for crimes that have not been published, yet.

This summer (2008) Mr. Morgan was voted out of the CCRAA amateur radio club by a vote of 11:1. He was ejected from that club and banned from the websites qrz.com and ham island.net. Reports of dishonesty, slander, libel, and theft, follow Mark Morgan around the

internet, like the stench from the local dump.

Here is a link to one of the screen names used to flood forums with unwanted posts and garbage of the type I previously mentioned. And here is another from IP addresses at Hughes satellite services, the latest IP addresses being 69.19.14.28 and 69.19.113.131

In summary, beware of Mark C. Morgan of 17366 North River Road, Tapiola, Michigan. Do not hesitate to contact Houghton County Sheriff's Department if he begins stalking you, or your family. Unfortunately, I have first hand experience with his stalking and harassment.

Mark Christopher Morgan can be reached for comment at kb9rqz@hughes.net or by phone at 906-523-4520 or via his postal address at Mark C. Morgan 17366 North River Road, Tapiola, Michigan 49931

You may normally only talk to other members of the Amateur Radio
Service, i.e. hams. See below 97.111. This means you may not contact
people outside the service. Of course, you can't always tell if
someone is legit.

§97.111 Authorized transmissions.

(a) An amateur station may transmit the following types of two-way
communications:

(1) Transmissions necessary to exchange messages with other
stations in the amateur service, except those in any country whose
administration has notified the ITU that it objects to such
communications. The FCC will issue public notices of current
arrangements for international communications;

(2) Transmissions necessary to meet essential communication
needs and to facilitate relief actions.

(3) Transmissions necessary to exchange messages with a station
in another FCC-regulated service while providing emergency
communications;

(4) Transmissions necessary to exchange messages with a United
States government station, necessary to providing communications in
RACES; and

(5) Transmissions necessary to exchange messages with a station
in a service not regulated by the FCC, but authorized by the FCC to
communicate with amateur stations. An amateur station may exchange
messages with a participating United States military station during an
Armed Forces Day Communications Test.

Your "from" address makes it very much less than possible to understand
which jurisdiction's rules concern you! On air I seem to remember, there
is a requirement for "call-signs"?

Anyway, you will find that your licence allows you to communicate with
other licenced stations (as well as send test & CQ calls). Itso fatso,
if a station is NOT licenced, you are not permitted to communicate with
it.
